Magnolia Drive Multi-Use Path
Public Meeting

Hartsfield Elementary School
1414 Chowkeebin Nene, Tallahassee, FL 32301

Thursday, November 13, 2014
6 p.m.

Please provide your comments below. If more space is needed, please use an additional sheet of paper. You may place your comments in the "Comment Box" provided at the meeting, or send to Susan Emmanuel at the address below by December 4, 2013. Emailed comments are also acceptable to susan.emmanuel@blueprint2000.org.

(1) I would prefer that the funding be spent on getting the basic trail established - ~~the~~ to the fullest extent possible, rather than spending $ on "extras" like seating, fountains, etc.

(2) If we do end up with landscape plants can we PLEASE plant NATIVES?

(3) Someone brought up lighting as an important aspect for the trail. I have to agree.

(4) The possible link of Circle Dr to Apalachee is a serious, big piece of puzzle that needs utmost consideration, please.

Thank you for considering these comments and Thanks for putting in a side walk on this important artery.

Here are what I feel are the priorities

- Phase 1
- Phase 2
- Magnolia Drive & Jim Lee Signalization (OR A Roundabout??)
- Apalachee Parkway to Circle Drive Sidewalk.
- Meridian Street to Sout Monroe St. 10' wide Multiuse trail
- South Adams St. To South Monroe Street 10' wide Multiuse trail
- Bus-stop shelters at appropriate stops
- PEDESTRIAN-friendly street lighting, then amendments like porch swings.

Lastly → a sidewalk on West Magnolia between Jim Lee and Chowkeebin.

Note. There is no need to provide a Northern sidewalk on South Magnolia between Pontiac and
