March 1-5, 2008
Hilton Washington & Towers
Washington, D.C.

The 111th Congress, First Session will hit town next January and a great number of programs that assist counties will be under intense scrutiny. As a county official you need to know what this means for counties, what you can do about the issues, and how you can strengthen the voice of local government on Capitol Hill. With a philosophy of "those who show up decide," you have a host of reasons to attend the NACo Legislative Conference.
