PEOPLE FOCUSED. PERFORMANCE DRIVEN.

**Leon County Government
Fiscal Year 2012 Tentative Budget**

John Dailey, Chairman, District 3

Commissioner Dailey was elected to the Board in 2006 and serves the citizens of District 3. He began his professional career in 2001 at the Florida League of Cities where he worked on legislative and regulatory issues involving local governance. He has worked for the National League of Cities in Washington, DC, where he gained a comprehensive understanding of the issues facing local governments; issues as diverse as economic development and community redevelopment to criminal justice and public safety. Commissioner Dailey is President of

JDA Strategies, LLC, a local public policy research and development firm.

William C. Proctor, Jr. District 1

Commissioner Proctor was elected to the Leon County Board of County Commissioners in 1996 and represents the citizens of Leon County in District 1. He served as Chairman of the Board in 2006. His priorities as the District 1 Commissioner are affordable housing, quality healthcare, and education. He has served on several community advisory boards and has received numerous awards and recognitions for public service.

Jane G. Sauls, District 2

Commissioner Sauls is a sixth generation Leon County resident, and represents the citizens in District 2, which are the West and Southwest areas of Leon County. She was first elected in 1996, re-elected to the Board in 2000, 2004, and 2008. She has served as the Board's Chairman numerous times during her tenure as a Leon County Commissioner - in 1999/2000, 2003/2004, and 2007/2008. Commissioner Sauls has been in public service her entire professional career, working for the Clerk of the

Circuit Court's Office for 32 years, including Clerk of the State-wide Grand Jury, and several years in the State Attorney's Office. Commissioner Sauls is the first Leon County Commissioner to complete the Florida Association of Counties' certification course and their advanced leadership program.

Nick Maddox, At-Large

**Leon County Government
Fiscal Year 2012 Budget**

Commissioner Nicholas Maddox serves as an At-Large Commissioner and was elected to the Leon County BOCC in 2010. He first moved to Tallahassee to play for the Florida State Seminoles football team. After fulfilling his role with the Seminoles, which included capturing the 1999 National Championship, Maddox furthered his football career as a running back in the National Football League spending time in Cleveland, San Diego and finishing his NFL career with the

Carolina Panthers. Commissioner Maddox returned home to Leon County to finish his dual degrees in Business and Real Estate at Florida State. He is committed to providing long-term solutions to sustain growth in business and the economy, continued preservation efforts for the environment, and maintaining the quality of life that makes our community such a wonderful place to live.

Akin Akinyemi, Vice-Chairman, At Large

Commissioner Akin Akinyemi has been a member of the Leon County community for over 20 years. He is a graduate of Florida A&M University's School of Architecture, currently serves as President/CEO of Akin & Associates Architects, Inc., a local Architecture and Design firm, and he holds Bachelor's degrees in both Environmental Design and Housing Development. Commissioner Akinyemi believes that we are truly fortunate to live among people who demonstrate a spirit of community and a desire to make our

County a better place to live. His election to the County Commission At-Large seat in 2008 affords him the opportunity to serve all residents of our great County.

Bryan Desloge, District 4

Commissioner Desloge was elected to the Board in November 2006. As a business owner, Commissioner Desloge knows the importance of the economic viability of an organization and, as a Tallahassee native, he is highly knowledgeable of the issues facing Leon County. He has worked to improve relations with the City and State to cooperatively identify funding sources and options to address the ongoing issues facing our community. His priorities include, but are not limited to: enhancing economic development; diversifying the workforce; increasing the job base; decreasing the long standing reliance on state government; and continuing to work in partnership with the City to functionally consolidate common services and operations to enhance efficiencies and reduce costs for both governments.

Kristin Dozier, District 5

Kristin Dozier is serving her first term as Leon County Commissioner for District 5 and is Green Building Advisor for Mad Dog Construction, where she has worked for eleven years. In addition to her Commission committee assignments, which include service on the Leon County Research and Development Authority, the Capital Region Transportation Planning Agency, and the Council on Culture and Arts, Kristin was the Founding President of the Board of Directors of Sustainable Tallahassee, Inc., and continues to serve

on the Board. She is a member of the Whole Child Leon Steering Committee and was Chair of the Safe and Nurturing Environment Action Team, a member of the Greater Tallahassee Chamber of Commerce Board of Directors, and a founding member of the Florida Capitol Region Chapter of the US Green Building Council. She is also a member of Leadership Tallahassee Class 27 and remains involved with Leadership Tallahassee. She was nominated as Leader of the Year for the Distinguished Leadership Awards in August 2008.

LEON COUNTY, FLORIDA

Leon County is approximately 702 square miles. It has a population of approximately 275,000 people, with 94,000 living in the unincorporated area of the County and 181,000 living within the city limits.

Leon County is a political subdivision of the State of Florida and is guided by an elected seven-member Board of County Commissioners. Five members of the Board are elected to serve specific districts and two members are elected at-large. The members of the Board also select a chairperson each year. Florida Statutes, Chapter 125 establishes the powers and duties of the County Commission and the County Administrator. The County became a charter government effective November 12, 2002, with the passage of a referendum by Leon County voters. A Home Rule Charter gives citizens the power to shape their government to meet their unique and changing needs through a local constitution.

The County Administrator is appointed by the Board of County Commissioners and is responsible for carrying out the directives and policies of the Board. The County Administrator is also responsible for the management and supervision of all functions and personnel under the Board of County Commissioners.

Leon County has five Constitutional Officers, which includes the Clerk of the Court, the Property Appraiser, the Sheriff, the Supervisor of Elections, and the Tax Collector. Constitutional Officers are elected to administer a specific function of County government and are directly accountable to the public. Other elected officials of Leon County include the Judiciary, State Attorney, and Public Defender.

The Board of County Commissioners is obligated to fund the operating budget of elected officials partly or in whole. Leon County also has a number of appointed Boards and Committees that serve in an advisory capacity to the Board of County Commissioners. In addition, the Board appoints a number of committees that serve as quasi-legislative bodies.

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to **Leon County, Florida** for its annual budget for the fiscal year beginning **October 1, 2010**.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device.

This award is valid for a period of one year only. We believe our current budget continues to conform to the program requirements, and we will be submitting our budget to GFOA to determine its eligibility for another award.

On behalf of the County Administrator as adopted by the Board, the Office of Financial Stewardship provided the County's Operating Budget, Capital Improvement Program, and the Budget in Brief on the Internet for better accessibility to the public and received the Government Finance Officers Association award for the 21st consecutive year.

The Leon County Office of Financial Stewardship received a Certificate of Recognition for Budget Preparation from the Governmental Finance Officers Association (GFOA). The award represents a significant achievement by OMB.

The purpose of the GFOA is to enhance and promote the professional management of governments for public benefit by identifying and developing financial policies and practices and promoting them through education, training, and leadership. The association has more than 17,000 members throughout North America.

Members of the Board of County Commissioners

Leon County Courthouse

Tallahassee, Florida 32301

Honorable Chairman and Commissioners:

I am pleased to present the adopted FY 2011/2012 budget. The budget of \$235,617,730 represents an \$8,512,350 million decrease (-3.5%) from last fiscal year. Since FY 2007/2008, the Board has reduced the budget by \$48.9 million or 17%.

Consistent with the trend over the past several years, preparation of this budget contemplates the continued constraints of the post recessionary economic condition and persistent loss of revenues associated with a slow recovery. For the third consecutive year property values have declined. For the current year, property valuations used to develop the FY12 budget dropped \$341 million, compared to last year's \$268 million and the initial FY10 decline of \$1 billion. County, Constitutional, and Judicial offices continued to work together to evaluate where expenditures could be reduced and resources maximized in order to maintain the quality services that citizens deserve.

The development of the current year budget is not an action that is isolated from previous Board budgets, but a continuation of an on-going effort to address declining property values while maintaining quality services. The adopted budget is in effect a maintenance budget. The operating budget reflects our efforts to adequately fund a high level provision of essential services. The capital budget demonstrates our emphasis on maintaining the County's infrastructure.

As part of the budget process, I directed departments and divisions to respond to a series of questions which would identify opportunities for improvement throughout the organization. These ranged from consolidation of functions across departmental lines to privatization when it makes sense. This approach will be expanded on next year as part of the Leon LEADS framework which I presented to the Board at your August 23 workshop.

As discussed with the Board at the workshop, Leon LEADS is not a management philosophy, or a planning exercise, but a strategic transformational approach of aligning the Board's guiding vision and strategic priorities with the optimized resources of the organization while instilling our people focused, performance driven culture throughout the organization. Leon LEADS is a continuous process of looking inward to strengthen what works (and to abandon what does not), and of looking outward to leverage community partnerships and to receive systematic feedback from citizens, while providing for ongoing adjustments as conditions change.

This budget is only a beginning. Over the next year, during the implementation of LEADS, as an organization we will focus on making the budget process more relevant to our citizens. We will detail how the resources provided by the tax payers are utilized for the quality services our citizens expect. We will align the budget with performance measures and desired outcomes. And, we will measure our performance, adjusting as necessary to meet the expectations of the community in which we live. This is the framework initiated during the FY12 budget process.

Major highlights of the adopted budget include:

- Total property tax savings of \$2.9 million; \$14 million cumulative savings over three years
- Budget balanced through reductions, use of reserves and savings through reduced retirement contributions
- Utilizing automation and privatization to provide cost savings in Probation, Libraries and Facilities Management
- Total net 8 positions being eliminated; 70 plus over four years; realigned and consolidated existing functions to absorb reductions and provide support to expanded library and community center locations.
- Maintaining sufficient reserves consistent with County Policy to address emergencies and day to day cash flow needs
- Budget focuses are on the maintenance of existing infrastructure (i.e. roads and parks) and programs providing service to the community
- Refinancing a portion of County debt to realize annual savings of \$157,000
- Providing increased funding to support: Presidential elections costs; Courthouse/jury security; fuel; mandated state Medicaid funding, employee wellness, and the mental health pre-trial program.
- Maintaining constant funding level from prior year for community partners, such as the Economic Development Council, Tallahassee Memorial Trauma Center, Council on Cultural Arts and 26 community-based agencies funded through the Community Humans Services Partnership (CHSP).

Fiscal Constraints

Property Taxes

The adopted FY 2011/2012 budget includes the budget year and four planned years. Pursuant to Florida Statute, the Board adopts only the budget year and not the planned years. The out years are provided for information and planning purposes only and are adjusted accordingly during the actual year of implementation.

This budget continues to provide property tax relief to our citizens. Overall, property tax collections for FY 2011/2012 will be \$2.9 million less than last year. These savings are a direct result of two factors: (1) the Board maintaining the current combined millage rate of 8.35 (7.85 countywide and 0.50 Emergency Medical Services MSTU); and (2) a decline in property values by \$386 million. If property values continue to decline with no corresponding change in the millage rate, collections for the next cycle will also be reduced. The effect of these two variables on property tax collections will need to be considered during the development of next year's FY 2012/2013 budget.

The adopted FY 2011/2012 utilizes \$4.0 million in fund balance to support the budget, which includes \$2.75 from the general fund. Fund balances will grow annually through the under spending of appropriations and the over collection of forecasted revenues (mainly resulting from the statutory requirement to budget at 95% of forecast). Given these parameters, the utilization of \$4.0 million is not an unreasonable allocation. However, historically the fund balances that have accumulated have been utilized for one-time capital project funding.

Out-year budgets contemplate the continued use of fund balance in the amount of \$4 million per year. Even with this contemplated use of fund balance, and a flat or modest increase in property values, the Board may need to consider an increase above the rolled-back millage rate in FY13. This will be necessary in order to cover operating costs associated with cost-of living, health care, retirement and to fund the operating costs associated with opening of the Public Safety Complex. The other alternative is to further reduce services in other County programs or consider alternative revenue sources.

Over the past four years the Board has reduced its workforce by more than 70 positions (including previous positions associated with contracted visitor services) from its workforce, by reorganizing stormwater, transportation, growth management, tourist development and administrative functions. This restructuring has allowed the Board to reduce costs while minimally effecting service levels to the community.

Other Revenue Sources

During the development of the FY 2012 adopted budget, the Board instructed staff to not consider raising the non ad valorem assessments for stormwater or solid waste. In addition, due to the weak economy, the Board also directed staff to not consider implementing the available five-cent gas tax. Consequently, the transportation program continues to receive general revenue support in the amount of \$1.9 million in FY 2012. Without additional revenue support, this subsidy is projected to grow to \$3.3 million in by FY 2016.

The stormwater and solid waste funds will receive \$2.7 million and \$1.0 million, respectively, in general revenue support. Recognizing the difficult economic conditions and the affect on many households, the Board has been sensitive to adding additional fees on property owners. However, the Board's "Guiding Principles" adopted in FY 2008 say that these services should pay for themselves and any subsidy should be minimized.

The current solid waste assessment of \$40 has never been raised since its inception in 1991. The \$20 stormwater assessment has not been raised since its implementation in 1995. To achieve the goals of the "Guiding Principals", service level reductions may be required if the assessment levels remain the same.

Budget Savings and Reductions

The adopted FY 2012 budget also includes a series of budget reductions authorized by the Board. In addition to the Florida Retirement System savings implemented by the State of Florida, which provided \$5.6 million in savings by requiring employees to contribute three percent of their pre-tax pay toward funding the retirement system, the Board took the following actions:

-
- Approved the reorganizations of departments to consolidate administrative staff (Housing/Human Services, Veterans and Libraries)
 - Approved privatization efforts when cost savings can occur (Pre-trial release GPS program)
 - Approved the use of automation to reduce dedicated staff (Parking lot attendants)
 - Approved a reduction in roadside maintenance through resizing of a Public Works operation crew

Without the cost savings that occurred due to changes in funding the Florida Retirement System, the Board would have had to consider additional funding reductions to the FY 2012 budget.

Long Term Outlook and Challenges

Capital Program

The current five year capital program is balanced without the need to borrow through the issuance of bonds, which would require additional debt service. Beginning in FY 2015, the plan contemplates beginning to utilize the County's ten percent share of the existing infrastructure sales tax to support resurfacing and intersection improvements. However, by FY 2016 and beyond this projected sales tax collections will not adequately continue to fund resurfacing, sidewalk and intersection funding at levels sufficient to maintain the existing infrastructure. Over the next several years, staff will continue to provide the Board options for maintaining adequate funding. This may entail curtailing other program expenditures or evaluating alternative revenues. In addition, if the sales tax extension is not extended beyond 2019, the County will need to identify other resources for resurfacing and intersection programs, which currently can exceed \$5.0 million annually.

A New Model for the Future

As I have described to you in the past three months of my tenure as County Administrator, we as local government are in a phase commonly referred to as "the new normal." This new normal is a time of continuously decreasing revenues, accompanied by a corresponding increase in needs, and a coexisting demand for no tax increases.

This is a time when a growing number of our citizens see themselves as individual disenfranchised taxpayer, rather than stakeholder in our collective success as a community. Consequently, this is a time when people are understandably upset and while as they go about their daily lives they may not be able to find anyone at the state or federal level to direct their frustration, they can always find the Courthouse.

This new normal has and will continue to have a profound impact on our ability to successfully fulfill our obligations to our community. This new normal requires a new model. A model which will ensure that we are in a constant state of becoming the highest performing organization we can be, and does so in a way which not only upholds our values and instills the public trust, but conveys a true sense of relevance for the role of county government in our comments. This will require a culture dedicated to achieving this.

A culture which:

- Demonstrates to our citizens that we are on their side, letting them know that they are the reason we exist and what they are receiving from their tax dollars;

-
- Produces bigger and better ideas to address the real issues people are facing in our community;
 - Actively promotes transparency, accessibility, and openness to everything we do;
 - Engages citizens in important decisions facing the community,
 - Tirelessly enhances our community's livability, sustainability and economic competitiveness; and
 - Provides employees a structure which reinforces this as our organizational culture and, empowers them to help people.

The future of the organization in upcoming budgets will focus on an organization that is **people focused and performance driven**. This will be our culture, which will align the optimized resources of the County with the vision and top strategic priorities of the Board to achieve our best potential for our community.

Conclusion

I would like to thank the Board for providing clear policy direction in developing the adopted budget. In addition, the cooperation of the Constitutional Officers was critical in balancing the budget and I sincerely appreciate their efforts. Most importantly, our departments year after year continue to provide real solutions to the most complex fiscal issues facing the County. Their dedication and innovation was key in the development of this budget.

Detailed fiscal analysis of County funds and information regarding County Departments, Constitutional and Judicial Offices are provided in the following pages. In reviewing the details, one will see the specificity with regard to the actions taken by the Board at meetings, workshops and retreats.

The final adopted budget as approved by the Board during the September public hearings has been reformatted to reflect the department reorganization ratified by the Board at the September 13, 2011 meeting. This presentation does not have a fiscal impact on the final budget, but reflects the restructuring of the County Departments as approved by the Board in order to achieve the necessary performance outcomes required and demanded of the citizens of Leon County. The new organizational structure is reflected in the preamble of the adopted budget.

Sincerely,

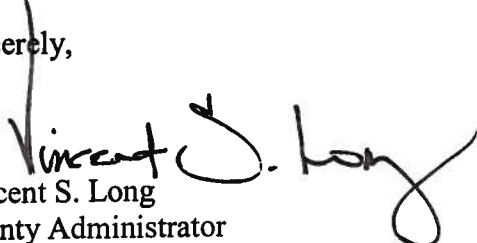

Vincent S. Long
County Administrator

**Leon County Government
Fiscal Year 2012 Adopted Budget**

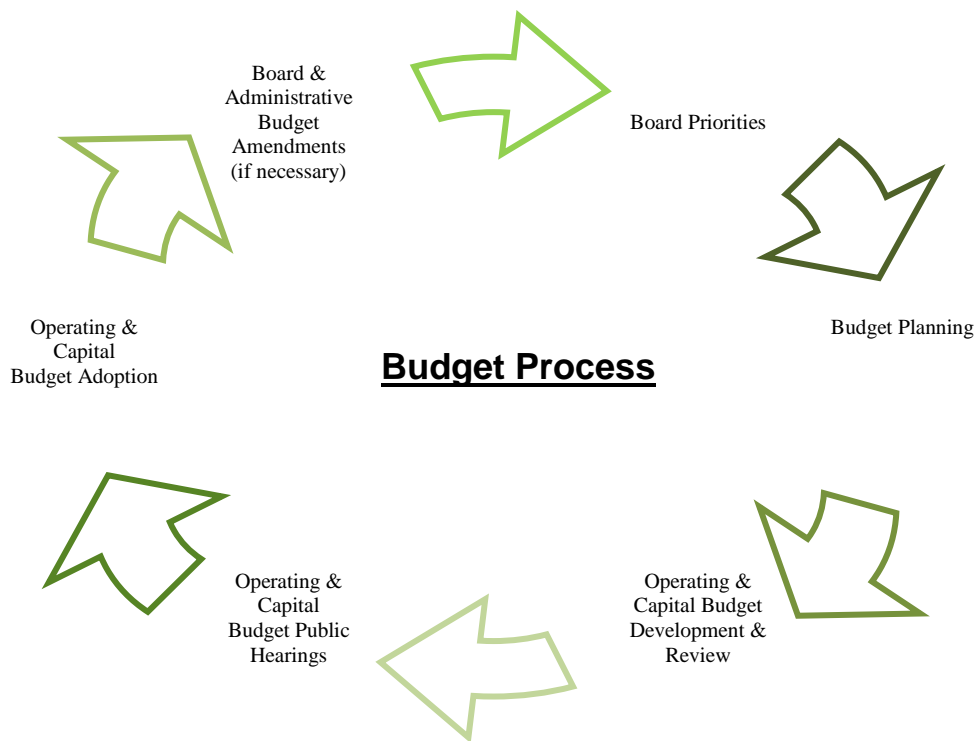

Figure 1: Budget Process: The budget process is a formalized effort that involves collaboration and coordination among the respective County departments, the Office of Management and Budget, the County Administrator, the Constitutional and Judicial Officers, and the Leon County Board of County Commissioners. The end result is an annual operating budget, a five-year financial plan, and a capital improvement program for Leon County.

OPERATING AND CAPITAL BUDGET PLANNING

Board Priorities

Annually, the Board conducts a retreat facilitated by the County Administrator to establish the County’s priorities for the following year. The Board discusses and deliberates numerous issues as a forum during the retreat. In December 2010, the Board held its annual retreat. This year the focus was setting priorities given the current economic uncertainty and a decline in revenues. The Board established its prioritization list, which consisted of the following: (1) Economic Development, (2) Woodville Sewer Issue, (3) Apalachee Park/Sports Complex, (4) Acquisition of the Flea Market Tract, (5) Northeast Park, (6) Comprehensive Plan Reform, (7) Primary and Mental Health Care for the Uninsured, (8) Southern Strategy, (9) Comprehensive Program to Address Recidivism Reduction, County Re-entry Program for Inmates, and Diversion, Including Youth Programs.

Leon LEADS

On August 23, 2011, the County unveiled its new framework for strategic planning and performance management. The Leon LEADS structure aligns the Board’s guiding vision and strategic priorities with the County’s mission and core values, County programs’ goals, objectives and performance measures, and County employees performance – all in an effort to optimize resources and performance and achieve relevance and desired results. Leon LEADS’ focus is stimulating accountability and encouraging organization learning to understand what strategies and/or practices are most successful in achieving intended outcomes. This structure will be implemented during the FY 2013 budget development process.

Budget Planning

In early January, County departments/divisions assess program service level impacts and identify internal services needs for the budget year, through an Internal Services Request process. Similarly, the capital planning process provides for a capital needs assessment and project identification by department/division staff. Both processes allow OMB and County Administration to provide financial analysis, evaluation and planning for capital projects, and operating budget impacts.

On February 8, 2011, the Board formally approved a budget calendar and preliminary policy guidance for the development of the Fiscal Year 2011/2012 budget.

OPERATING AND CAPITAL BUDGET DEVELOPMENT, REVIEW, ADOPTION AND ADMINISTRATION

Operating Budget Development and Review

Each department, including the constitutional and the judicial officers are responsible for the development of their respective operating budget requests. The departmental budget requests are submitted to OMB during the month of March. Constitutional officers submit their budgets in May and June as specified by Florida Statute. During the months of May and June, all budgetary requests are analyzed, revenue estimates are updated, and policy guidance workshops are held to enable staff to complete the tentative budget. While the capital improvement budget is also developed and reviewed during this time, it has a separate process.

Capital Improvement Program

The Capital Improvement Program (CIP) is a five-year plan for providing public physical improvements funds during a five-year planning period. The program delineates proposed capital projects to be undertaken, the year in which they will be started or acquired, the funding amount expected or required for the projects each year (including anticipated operating impacts), and the proposed method of financing each of these expenditures. Each year, OMB facilitates a process to formulate a capital improvement program and capital budget.

Budget Adoption

In the month of July, taxable property values are certified by the Property Appraiser and the County Administrator makes a formal presentation of the proposed budget to the Board. During the month of September, the Board tentatively adopts the budget at the first of two public hearings, which allows for citizen input as required by Florida Statutes (FS) 129 & 200. As a result of feedback from citizens and/or Board actions, it may be necessary to modify the tentative budget prior to final adoption. At the final public hearing, the Board adopts the millage rates and budget by resolution.

Budgetary Structure

Chapter 129, Florida Statute requires local county government to adopt balanced budgets. The FY 2011/2012 Tentative Budget for Leon County is balanced with the use of a variety of revenue sources, fund balances, and expenditure reductions.

Amendment Request (BAR)

Budgetary control is maintained at the department level, with OMB providing support to each department. Departmental budgets can be amended according to the County's amending the budget policy (Policy No. 97-11). The County Administrator may authorize personnel services and operating expenditures up to 10 percent of the total budget on an aggregate basis between programs with a \$250,000 cap and intrafund transfers up to \$250,000. All intrafund transfers greater than \$250,000, must be approved by a majority vote of the BOCC.

Reader's Guide to the Budget

The Leon County budget document serves as a policy document, financial plan, and operating guide for county programs. It is intended to provide information in such a manner that the lay reader can understand the operations of Leon County.

The Reader's Guide Sections provides a basic layout of the budget document and its contents, as well as an explanation of forms that the reader will encounter while reading the budget document. The following is a brief description of the information included in each section of the budget document.

BUDGET MESSAGE

This section includes the County Administrator's Message, which summarizes the recommendations made to the Board during the budget process and provides an overview for the implementation plan of Board policy. Additionally, the message provides an explanation of future budget considerations based on revenue sources, current fund balances, debt services and transfers.

LEADS

Leon LEADS is the County's framework for aligning the Board's guiding vision and strategic priorities with the County's mission and core values, County programs' goals, objectives and performance measures, and County employees' performance – all in an effort to optimize resources and performance and achieve relevance and desired results.

BUDGET SUMMARY & ANALYSIS

This section includes a summary of the budget, analysis of trends, finances, and staffing. The analysis of trends evaluates the community's economic profile and compares Leon County to like-sized and surrounding counties. The financial analysis examines the financial indicators and major revenues. It also provides an illustration of revenue and expenditures, and it categorizes expenditures by function and revenues by source. Other analysis examines the County's estimated fund balance, long-term debt structure, and schedule of transfers.

BUDGET BY FUND

This section summarizes the County revenues and expenditures by discreet funds. Funds are presented in numeric order from Fund 001 (General Fund) to Fund 505 (Motor Pool).

BOARD OF COUNTY COMMISSIONERS

The Board of County Commissioners (BOCC) appointed the County Administrator to manage and supervise all County departments. The departments are as follows: Administration, Public Works, Development Support & Environmental Management, Facilities Management, PLACE, Office of Financial Stewardship, Office of Economic Development and Business Partnerships, Office of Public Services, Office of Intervention and Detention Services, Office of Human Services & Community Partnerships, and Office of Resource Stewardship.

The following information is included for each program/department area: Goals, Objectives, Statutory Responsibilities, Advisory Board, Benchmarking, Performance Measures, and Notes.

ELECTED OFFICIALS

All elected officials, including the Board of County Commissioners administer a specific function of County government and are directly accountable to the public for its proper operation. The Board funds all or, in some cases, a portion of the operating budget of the other elected officials. The elected officials are as follows: Constitutional Officers (Clerk of the Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector); and Judicial Officers (Court Administration, Public Defender, and State Attorney).

NON-OPERATING OR OTHER BUDGETS

This section summarizes the funding of county programs that are not unique to one department but generally benefit the entire community.

DEBT PROFILE

This section includes summary information on the County's debt status.

CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program (CIP) represents a five-year plan designed to meet the capital improvement needs of Leon County. This section includes a summary and a five-year plan for capital projects by fund and functional type.

Fiscal Year 2012 Adopted Budget

Administration

Executive Summary (3)

The Administrative section of the Leon County FY 2012 Annual Budget is comprised of County Administration, Strategic Initiatives, the County Attorney's Office, Human Resources and Management Information Services.

County Administration facilitates the delivery of services consistent with priorities and policies established by the Board. Strategic Initiatives coordinate the Board's strategic initiatives. The County Attorney provides legal services for the Board and all departments under the Board. Human Resources provide services in the areas of recruitment, employment, benefits, compensation, workplace safety, and regulatory compliance. Management Information Services provides technology and telecommunications products and services, which enhances the County's information management capabilities.

HIGHLIGHTS (4)

The Legislative/Administrative Department was separated into Administration and Legislative. The Board of County Commissioners was realigned to Legislative. The balance of the divisions from Legislative/Administrative, with the exception of the Office of Management and Budget, were realigned to Administration.

Under the County Administrator's new organizational structure, Management Information Services was realigned to Administration to allow continued focus on the utilization of technology. Additionally, the Office of Management and Budget was reestablished as a separate office and retained "Office of Financial Stewardship", with the attention of bringing the major areas of financial activity under one manager to allow a more concerted effort and focus of fiscal stewardship.

County Administration will continue to provide leadership and direction to County employees, to facilitate the implementation of Board priorities and policies and to manage the operation of County functions to ensure the delivery of cost effective, customer responsive public services within the bounds of available resources. The Board approved the elimination of the Assistant County Administrator position due to the Voluntary Separation Incentive Program. This position was previously funded in the Office of Management & Budget and Risk Management budgets.

The County Attorney's Office provides legal representation to the Board of County Commissioners, and other officials of Leon County as directed by the Board of County Commissioners.

Human Resources (HR) continues to provide recruitment, employment, benefits, compensation, and regulatory compliance services in order to attract and retain a highly talented, committed, and diverse Leon County workforce. As part of the FY 2012 budget, the board approved funding for a position to manage the Wellness Program which provides help to employees in developing healthy lifestyles through education.

During FY 2011, Management Information Services submitted a winning entry to the Digital Counties Survey Awards sponsored by the National Association of Counties (NACo), in partnership with a Republic's Center for Digital Government and Digital Communities program, that designated Leon County in the Top 10 counties nationwide for effectively economizing and innovating using technology within the population range of 250,000 - 499,999. Continued use of virtualized infrastructure and desktop engineering has allowed for cost effective and enhanced computing capacities for programs and employees. MIS helped implement new and/or upgraded solutions for work order and document management throughout the County, in partnership with the Public Information Office, MIS realigned and redesigned the County's website for enhanced citizen interaction and County government transparency.

(20) Staffing Summary – This section serves as a summary of past, present, and future information related to program staffing.

(21) Notes - This section describes increases and/or decreases in funding pertaining to the fiscal year budget.

Due to the Board approved Leon LEADs reorganization, this program is under the auspices of Administration (formerly the Legislative/Administrative Department).
The major variances for the FY 2012 Human Resources budget are as follows:
Increases to Program Funding:
1. Costs associated with 4% increase to Health Insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$99,999. These increases will be compensated for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Costs associated with the new Wellness Coordinator position effective October 1, 2011 in the amount of \$65,085.
3. Costs associated with cell phone stipend for two current positions in the amount of \$1,080.
4. Costs associated with the Document Scanner position resigned from SAS during FY11.
Decreases to Program Funding:
1. Costs associated with programmatic budget reductions such as reduction of a one-time \$50,000 expense from FY11 for Healthcare Consultants for the new Health Care Staffing.
2. Communication costs in the amount of \$721.
3. Costs associated with the funding of the Project Search Coordinator position due to the elimination of the program.

Leon LEADS

A Structure for Success

*“People Focused.
Performance Driven.”*

A CULTURE OF PERFORMANCE AND COMMUNITY RELEVANCE

The following framework for Leon LEADS will guide us in our transformational efforts and strategic implementation of Leon County's organizational culture, a culture of performance and community relevance ("People Focused. Performance Driven."). Leon LEADS is a new model for the "new normal" and will be essential to successfully carrying out the County Commission's vision, mission and strategic priorities amid unprecedented challenges and ever-changing conditions. Leon LEADS will enable Leon County to continue to lead as a 21st century county government which is in a constant state of becoming the highest performing organization we can be while conveying greater relevance and delivering more value in all the ways that county government touches the lives of our citizens.

"3 PILLARS" - PEOPLE, PERFORMANCE & PLACE

To sustain our culture and realize our full organizational, political and fiscal capacity requires consistency in our daily actions, as representatives of Leon County, in demonstrating our focus on People, Performance and Place.

- **People** – Respecting, Engaging, Empowering Citizens and Employees
- **Performance** – Delivering Results, Exceeding Expectations, Demonstrating Value
- **Place** – Creating Opportunity, Attracting Talent, Promoting Livability and Sustainability

TRANSFORMATIONAL STRATEGY

Leon LEADS is not a management philosophy, or a planning exercise, but a strategic transformational approach of aligning the Board's guiding vision and strategic priorities with the optimized resources of the organization while instilling our people focused, performance driven culture throughout the organization. Leon LEADS is a continuous process of looking inward to strengthen what works (and to abandon what does not), and of looking outward to leverage community partnerships and to receive systematic feedback from citizens, while providing for ongoing adjustments as conditions change.

LEON LEADS ACHIEVES RELEVANCE AND RESULTS BY:

- Demonstrating** performance and results
- Promoting** transparency, accountability and accessibility
- Partnering** with our community and empowering citizens
- Connecting** with citizens who see us as responsible stewards of our community resources

LEON LEADS OPTIMIZES RESOURCES AND PERFORMANCE BY:

Providing a structure which reinforces our culture and creates an environment for employees to succeed by:

- **Instilling** our culture throughout the organization with our core values and practices as our drivers (*how we live our core values and core practices in carrying out the Board's vision, mission and strategic priorities*)
- **Aligning** the key strategic processes (*vision, mission, strategic priorities, strategic initiatives, business plans, program evaluations, employee evaluations, and reporting*)
- **Measuring** results (*not activity*) and benchmarking performance
- **Embracing** innovation and technology
- **Empowering** employees and encouraging a vigorous competition of ideas

LEON LEADS BEGINS WITH THE VISION OF THE BOARD OF COUNTY COMMISSIONERS

The following sets the structure for Leon LEADS, which enables the entire organization to move forward in a strategic, definitive, aligned manner.

TO BE ESTABLISHED BY THE BOARD AND REAFFIRMED AT ITS ANNUAL BOARD RETREAT:

-
- Vision Statement** The long-term aspirations Leon County government has for the world in which it operates and has some influence over. The desired future state of the organization, where it is headed, what it intends to be, or how it wishes to be perceived.
- Mission Statement** The overall function of Leon County government and what it can (and/or does) do or contribute to fulfill those aspirations. What is it attempting to accomplish and how it plans to move toward the achievement of the vision.
- Core Values** The guiding principles that form the foundation on which we perform work and conduct ourselves as an organization. The values embody how the organization and its people are expected to operate, thereby guiding its accomplishments through appropriate manners.
- Strategic Priorities** These are the vital strategic issues or topics that need to be successfully addressed if the County is to move forward to its stated vision. These are high-level "guiding vision" statements that articulate long-term priorities in order to focus effort, resources and performance. The Board will revisit these priorities annually to evaluate progress and refine efforts if necessary.

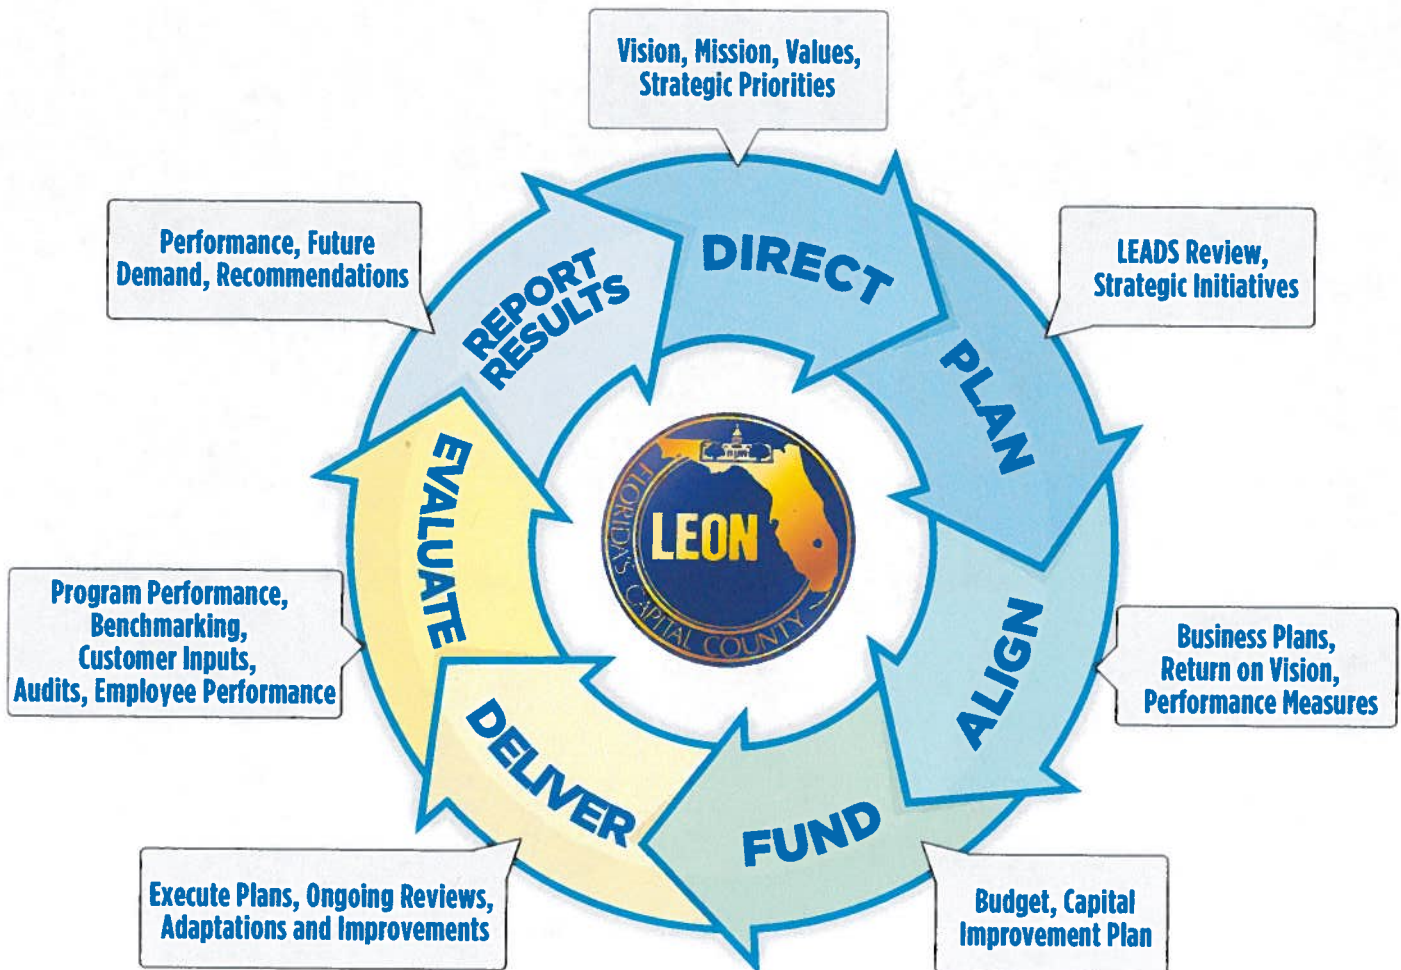

TO BE DEVELOPED AND CARRIED OUT BY STAFF:

- Strategic Initiatives** Upon adoption of the above, the County Administrator will ensure the development of strategies or actions to move the County forward in its achievement of the Board’s strategic priorities, which may be new or continued from prior years. These strategic initiatives will be identified and presented to the Board for approval as part of the budget process.
- Action Plans** Resource commitments and time horizons for the accomplishment of strategic initiatives. Various organizational units (departments, divisions, offices or teams) may be responsible for carrying out strategic initiatives for Board strategic priorities.
- Business Plans** Each responsible organizational unit will develop a business plan, prepared as part of the budget process, which identifies departmental roles in carrying out the strategic initiatives, desired outcomes, benchmark measures, and performance measures aligned with desired outcomes. A leadership team will review the business plans to gain borrowed perspective, eliminate silos and determine Return on Vision (ROV).
- LEADS Review** “An honest look in the mirror” to gain perspective on performance, and factors that affect performance, through the assessment of organizational metrics, progress on current strategies, customer and employee “voices”, technologies, strengths, weaknesses, opportunities and threats.
- Performance Monitoring and Evaluation** Organizational success will be monitored against desired outcomes and benchmark measures. Employee appraisals will include an assessment of behavioral alignment with core values and core practices.
- Performance Improvement** Progress will be evaluated through a leadership team approach, with adaptations and the realignment of resources made when appropriate. Employees at all levels will be encouraged to identify areas for improvement and to participate in operational improvement teams.
- Reporting** Annual performance, financial and State of the County reports will be presented to the Board and to the public.
- Core Practices** Workplace practices which set the stage for the desired workplace culture.

ALIGN AND INTEGRATE TO LEAD

THE COUNTY ADMINISTRATOR'S STRATEGIC INTENT PROVIDES CLARITY, FOCUS, AND INSPIRATION TO GUIDE THE COLLECTIVE EFFORTS OF LEON COUNTY EMPLOYEES IN ACHIEVING THE VISION OF THE LEON COUNTY BOARD OF COUNTY COMMISSIONERS AND FULFILLING OUR OBLIGATIONS TO OUR COMMUNITY.

COUNTY ADMINISTRATOR'S STRATEGIC INTENT

In every way that Leon County government touches the lives of our citizens and shapes our community we will do so in a way which demonstrates our belief that our community and our citizens are worth caring about, worth investing in and our worth our best efforts as responsible stewards and responsive providers of high quality services. We will be in a constant state of becoming the highest performing organization we can be and will do so in a way which always upholds our values and instills not only the public trust, but conveys a true sense of relevance for what we do on behalf of and along side our citizens. We will be the standard for promoting transparency, accessibility, accountability and engaging citizens, employees and community partners in important decisions facing our community, as well as creating and sustaining a place which attracts talent, fosters economic opportunity and offers an unmatched quality of life. Through living our people focused, performance driven culture, we will be a model 21st century county government that our citizens believe in and others benchmark against.

CORE PRACTICES

WE BELIEVE IN:

Delivering the “wow” factor in customer service. Deliver exemplary service with pride, passion and determination. Be responsible for anticipating problems, finding solutions and taking appropriate action in “real time.” Listen, be empathetic, be courteous, prioritize customers’ satisfaction, and exceed expectations. Customers know that they are the reason we are here.

Connecting with citizens to go beyond customer service to community relevance. Convey the County’s mission, connect with citizens and engage citizens as stakeholders in the community’s success. Communicate regularly, solicit ideas and embrace partnerships. Citizens know they are part of the bigger cause.

Demonstrating the highest standards of public service. Be honorable, truthful, and sincere. Adhere to the highest standards of ethical behavior, avoid circumstances that create even an appearance of impropriety, and carry out the public’s business in a manner that benefits the public interest and the common good. Align the County’s core values and core practices with words and actions. Citizens know that we are on their side.

Accepting individual and organizational accountability. Take responsibility for our decisions, actions, behavior, and for the quality of work performed individually and in teams. Actively promote transparency. Own and learn from mistakes, and move on. Mistakes born of initiative will be celebrated as learning experiences, mistakes born of neglect will not be tolerated - as responsibilities to citizens, community and co-workers are too important. Leon County is a learning organization.

Exhibiting respect for people, diversity and fairness. Provide employees with the necessary equipment, resources and training. Ensure employees receive equitable opportunity for growth, learning, and recognition. Make employment decisions impartially. Respect the diversity of citizens, co-workers and elected officials. Do not tolerate discrimination. Leon County exercises an ethic based on respect.

Employing a team approach. Build a collaborative work environment which promotes interdepartmental coordination and cooperation, and an organizational competition of ideas. Utilize interdepartmental teams to optimize employee innovation and talents. Ensure team members are clear of their role and where they fit in. Ensure team members feel they can depend on other team members to achieve well articulated organizational goals. Value the strengths that result from varied experiences, ideas and perspectives. Employees can produce bigger and better ideas to address the problems and seize the opportunities which face our community.

Being responsible stewards of our community resources. Demonstrate value in delivering cost effective, high quality services. Continuously seek out new and efficient ways to raise the bar and do more with less. Show respect for the environment by implementing, and being a community catalyst for, sustainable practices. Engage in the continuous effort to create and sustain a place which attracts talent, fosters economic opportunity and offers an unmatched quality of life. Employees tirelessly enhance our community’s livability, sustainability and economic competitiveness.

Demonstrating performance, value and results. Be the standard for performance as a 21st century county government. Drive performance through a people focused, performance driven culture. Provide a structure for employees to succeed through Leon LEADS which will perpetuate persistence and consistency of vision and alignment of key processes. Employees will understand the County vision, embrace the core values and engage in the core practices. Establish goals, measure results, and report successes. Define the bar for performance for others to benchmark against. Employees have a structure in place to succeed and are empowered to help people.

THE PERSISTENCE OF THIS VISION AND LIVING OUR CULTURE THROUGH OUR CORE PRACTICES WILL LEAD TO THE FOLLOWING RESULTS:

CITIZENS

Citizens are empowered, engaged and have a sense of community. They feel that County government is on their side, that decisions are made equitably and that their voice is heard. They feel respected and believe that county officials are responsible stewards of the community's resources.

COUNTY COMMISSIONERS

County Commissioners are continually growing in their confidence of County staff and the capacity of the organization to carry out the vision of the Board on behalf of our citizens. They are prepared, receiving timely, accurate and complete information and analysis upon which to make the best policy decisions. They recognize that County employees, at all levels, are innovative problem solvers who respect the will of the Board and are committed to exceeding the highest expectations of customer service.

COUNTY EMPLOYEES

County Employees fully embrace and live by our core practices, and enhance our people focused, performance driven organizational culture. Demonstrate pride in their work and their community, Always strive to improve levels of service and performance, and are empowered to help the people they serve.

THE LEON COUNTY ORGANIZATION

The Leon County Organization has the continuously increasing political and fiscal capacity to pursue bold opportunities and weather difficult challenges.

LEAD WITH STRATEGIC AND SMART TEAMS

Citizens want their tax dollars spent wisely, efficiently and effectively, and to that end, LEAD Teams will be an essential component of our performance driven culture. Teams are a basic component of transforming an organization's culture. Effective teams bring complimentary skills and experiences together, they build trust and understanding, and they bridge operations and agencies. Effective teams must be committed to a common purpose, performance goals and approach for which they hold themselves accountable. Just as sports teams are formed to win games, our LEAD Teams will be formed to accomplish strategic initiatives and improve operational performance.

- **LEAD Strategically** – Strategy teams will be formed to accomplish strategic initiatives in a responsive timeframe. Success requires teamwork, coordination, and integration across structural boundaries.

We will hold department and cross department accountability meetings around the strategic initiatives to assess progress, ensure collaboration and accountability for achieving the desired outcomes. These meetings will be used to improve performance, planning and decision making; to better allocate resources; and to identify the need for strategic initiative teams.

- **LEAD Smart** – Smart teams will be formed, as needed, to achieve operational improvements with one or more of the following desired effects:
 1. Improve Customer Service
 2. Increase Employee Productivity
 3. Promote Employee Wellness
 4. Ensure Employee Accountability
 5. Provide Rapid Response
 6. Improve Operational Safety and/or Reliability
 7. Improve Energy Efficiency or Other Sustainable Practices

Listens for changing needs

Engages citizens and employees

Aligns key strategic processes

Delivers results & relevance

Strives for continuous improvement

**Leon County Government
Fiscal Year 2012 Adopted Budget**

Budget Overview

The total budget for FY 2011/2012 is 235,617,730 or 3.5% less than last fiscal year. The **operating budget** of \$200,049,505 represents a 1.7% decrease from last year's adopted budget. The **capital budget** of \$35,568,225 represents a 12.6% decrease from last year.

Funding

In December 2010, the Board held its annual retreat to prioritize County services. The top three priorities adopted were economic development, Woodville Sewer Issue, and the Apalachee Park Sports Complex.

On March 17, 2011, a workshop was held to provide the Board options for dealing with a projected \$12.56 million shortfall caused by a decline in property values and increases in personnel expenditures and other operating costs. The Board directed staff to utilize several methods to balance the budget including expenditure reductions and the use of fund balance.

On June 27, 2011 a budget workshop was held, where the Board lowered property taxes by \$2.7 million by maintaining the county-wide millage rate at 7.85. The savings were derived from a reduction in property valuations by \$381 million.

In order to balance the budget with reduced ad valorem collections and increased costs, the Board reduced Worker's Compensation by \$904,000, reduced operating expenditures and allocated \$4 million in fund reserves. Additionally, legislative action shifted 3% of the Florida Retirement System costs to employees which reduced County personnel services expenditures by \$5.586 million. Subsequently, a tentative balanced budget was provided to the Board on July 15 as required by State Statute. A tentative budget hearing is scheduled for September 13, and the final budget hearing is scheduled on September 20.

Figure 1: Total FY 2011/ 2012 Expenditures

Figure 1 depicts the budget as it is reflected organizationally. The FY 2011/2012 budget shows a reduction in some service levels, while being sensitive to maintaining quality services in high priority, mandatory and essential programs such as public safety and transportation.

FY2011/2012 Revenues

The Florida Statutes require that all local government tentative budgets be balanced. Leon County's FY 2011/2012 budget of \$235,617,730 is balanced with the use of a variety of revenue sources, and fund balances, and retained earnings from previous fiscal years.

Figure 2 displays the major classifications of revenue sources used in support of the FY 2011/2012 adopted budget. In the Budget Summary/Analysis section - Revenue v. Expenditures (pages 5-38 through 5-61), the major individual revenue sources are presented and summarized in more detail.

4. Other Court Programs included the State Attorney, the Public Defender, and funding for the Jail Detention/Mental Health Coordinator positions and diversionary programs.

Priorities, Goals and Objectives

Leon LEADS

On August 23, 2011, the County unveiled its new framework for performance management. The Leon LEADS structure aligns the Board's guiding vision and strategic priorities with the County's mission and core values, County programs' goals, objectives and performance measures, and County employees' performance. This structure will be incorporated in the budget document during the FY 2013 budget development cycle. See the LEADS sections of the budget document for details on the Leon LEADS framework.

Mission Statement

Leon County Government is dedicated to preserving and enhancing the outstanding quality of life which has made our community a desirable place to live, work and raise our children. Through the provisions of cost effective superior services, County Government will ensure the promotion of orderly growth for the economic health and safety of its citizens.

Core Values

- **Leadership** - Empower employees to do their best.
- **Quality** - Provide superior services by commitment to continuous improvement.
- **Customer Satisfaction** - Be enthusiastic and attentive in providing services.
- **Employee Satisfaction** - Value employees by supporting a diverse, motivated and involved workforce.
- **Professionalism** - Deliver services in an honest, respectful and impartial manner.

Long Term Strategic Planning Efforts

- Board Retreat Priority Setting
- The Tallahassee-Leon County Comprehensive Plan
- Blueprint 2000
- Stormwater and Transportation
- Long-term Space Plan including Branch Libraries

Retreat Priority Setting: Annually, the Board of County Commissioners conducts a retreat in December to establish priorities for the upcoming fiscal year. Over the past several years, the priority setting has also established a number of long-term issues that are multi-year in nature. The Board annually reviews the on-going issues and affirms those that still need to be addressed. Specifically, the Board has identified the following issues that are multi-year in nature:

- Economic Development
- Woodville Sewer Issue
- Apalachee Park/Sports Complex
- Acquisition of the Flea Market Tract
- Northeast Park
- Comprehensive Plan Reform
- Primary & Mental health Care for the Uninsured
- Southern Strategy
- Comprehensive Program to Address Recidivism Reduction, County Re-entry Program for Inmates, and Diversion, Including Youth Programs

Through priority setting process, the Board establishes areas in which staff resources should be directed. In addition, the priority setting process allows the community to understand what some of the more significant issues the Board is attempting to address.

The Tallahassee-Leon County Comprehensive Plan: The Tallahassee-Leon County Comprehensive Plan was adopted on July 16, 1990. The Comprehensive Plan contains three volumes. Volumes II and III contain the data and analysis on which the Goals, Objectives, and Policies of Volume I are based. Volume I provides guidance in evaluating individual development proposals within a defined growth management strategy. The Goals, Objectives, and Policies within Volume I also provide the basis for the individual development regulations formulated to implement this plan. The Comprehensive Plan is a dynamic document which is presently amended on a biannual basis.

Contained within the plan are specific elements addressing:

- Transportation
- Utilities
- Conservation
- Parks and Recreation
- Housing
- Historic Preservation
- Intergovernmental Coordination
- Capital Improvements
- Economic Development
- Education

Priorities, Goals and Objectives

Within each of these areas are specific levels of service that need to be maintained. For example, the plan provides a different level of service requirements as it relates to acres of park land per citizen and volume of traffic on road segment types. For the Board of County Commissioners, the plan provides one key aspect in determining long-term funding decisions. A number of capital projects are determined based on the need to maintain or improve a certain level of service. Without this maintenance of effort, various aspects of land development can not occur. In accordance with state law, the plan must contain a financially feasible capital improvement element (CIE). This CIE is developed from the adopted capital improvement element of the budget. As part of this effort, the County changed the CIE adoption cycle to coincide with the adoption of the budget.

Blueprint 2000: The residents of Leon County approved the sales tax extension in 2000 for a period of 15 years. Blueprint 2000 provides a list of long-term capital improvement projects to be supported through the extension. The projects include roads, parks and water quality. The actual implementation mechanism of the programs is through a joint governmental agency consisting of the City and County Commissions. Due to the recession and continuing weak economy, sales tax revenue forecasts for Blue Print 2000 have been revised downward by an estimated \$150,000 million. The Interlocal Agency (Joint City and County Board) met in 2008 and reduced projects accordingly.

Subsequent to a management review of the Blueprint 2000 agency, the Intergovernmental Management Committee that consists of the County Administrator and the City Manager recommended changing the Blueprint 2000 reporting structure. Under the County Administrator reorganization, Blueprint 2000 was placed under the auspices of the Department of Planning, Land Management, and Community Enhancement (PLACE).

Stormwater/Water Quality Management: The citizens of Leon County adopted a charter amendment on November 2, 2010 requiring the County to establish minimum countywide environmental standards, which include water quality, and stormwater standards. At it December 13, 2010 Retreat he Board adopted a "two-phased" approach to implement the charter amendment. On March 15, 2011, the Board adopted Phase 1 which consisted of the adoption of minimum stormwater management standards that provide for uniform stormwater standards with the City. This action provides minimum stormwater management standards within those basins, regardless of jurisdiction. Therefore, on September 13, 2011, the Board terminated its Interlocal Agreement with the City of Tallahassee for the creation and operation of a Watershed Protection Plan.

Stormwater and Transportation: On January 29, 2009, the Board held a workshop to address deficiencies associated with the stormwater and transportation systems. The workshop included an extensive review of existing regulations and policies. As a result, the Board developed a long-term plan to address flooding issues and impairments to the transportation system. During FY 2009 and continuing through FY 2015, the Board has committed an additional \$8.7 million in corrective projects to improve the stormwater and transportation systems.

Economic Development: During FY 2011, to bring focus to Economic Development, one of the Board's ongoing priorities, as a part of Leon LEADS reorganization, the County Administrator created the Office of Economic Development and Business Partnerships to bring together all the functions and divisions that support the long-term economic health of the community under one manager. Economic Development, Tourism, Grants, Special Projects/Intergovernmental Affairs and MWSBE were aligned to this Office.

During FY 2011, the County partnered with WORKFORCE plus and other local organization in the launching of BigBendWorks.com, a one-stop re-employment resource for state employees who work or live in an eight-county region.

On September 13, 2011, the Board held a workshop examining the County's programs, initiatives, and collaboration with its economic development partners in an effort to continually build upon the strength of the community and enhance the County's ability to stimulate long-term, sustainable economic growth. Based on this comprehensive review of the County's economic development activities, and the survey results, the Board approved 36 recommendations for inclusion in the economic development action plan.

Long-Term Space Planning: Courthouse - In accordance with Florida Statutes, the Board of County Commissioners is responsible for providing adequate space, inclusive of courtrooms, for the judiciary. The judiciary includes the courts, the Clerk of the Circuit Court, the State Attorney and Public Defender. To address the long-term space needs of the judiciary, the Board acquired the Bank of America (BOA) facility. As part of the acquisition, the Board maintained the existing tenants. This allows the County to continue to draw revenues to offset the on-going operational cost of the facility, as well as, pay a portion of the debt service. The Board recently completed extensive renovations at the Traffic Court facility to provide two additional traffic courtrooms, judicial office space, and new office space for the Guardian Ad Litem program. The relocation of Guardian Ad Litem to the Traffic Court building will allow for additional rental space in the BOA building. During the FY 2012 Budget workshop, the Board authorized staff to pursue long-term consolidated Office/Warehouse spaced needs for the Supervisor of Elections.

Branch Libraries –The Board approved the construction and/or expansion of five branch libraries: Northeast, B.L. Perry, Lake Jackson, Woodville and Southeast. Both the Northeast and B.L. Perry are the most used libraries and are undersized based on population standards. The expansion to the B.L. Perry and Northeast libraries were completed early in FY 2011. The Woodville library opened on October 1, 2011, and the construction of the Lake Jackson library will begin in FY 2012. The Huntington Oaks Shopping Center was acquired for the expansion of the Lake Jackson Library, and to construct community rooms for the public. Additional rental space within the shopping space will offset a part of the cost of purchasing and maintaining the property.

Records Storage – In FY 2009 the Board has provided \$250,000 in funding to renovate an existing county-owned facility to combine records storage for Board and Constitutional offices. The consolidation process was completed during FY 2010. Anticipated pay back of this effort is four years. The facility has room for accommodating more storage, and out year funding has been contemplated for the planning and construction of additional storage space.

Sustainability: During FY 2011, as part of Leon Leads, the County Administrator created the Office of Resource Stewardship. This Office brings together the Divisions of Sustainability, Solid Waste Management and Cooperative Extension under one manager, which will allow the County to better leverage these resources and provide strategic direction to will address the County's impact on Climate Change and promote a sustainable community.

 - 1998-2007, Division of Research & graphics and University of Florida BEBR, Florida Statistical Abstract 2010.
 - 2010 United States Census

According to the 2010 United States Census data, the current Leon County population is 275,487; 66% incorporated and 34% unincorporated. Total county population estimates had slowed to less than 1% annual growth since 2006. In 2009, there was a slight decline in population estimates. This trend is anticipated to continue as concluded by the recent Census data. Population estimates include higher education enrollment.

Both the state and county growth rates slowed to less than 1% in the last 3 years according to the 2010 Census.

Leon County had the second highest growth rate of the neighboring counties since the last census in 2000: Wakulla (35%), Leon (15%), Jefferson (14%), and Gadsden (3%).

Three institutions of higher learning are located in Tallahassee: Florida State University (FSU), Florida Agricultural & Mechanical University (FAMU), and Tallahassee Community College (TCC). Total enrollment for Fall 2010 continued to increase from 2009 to 68,892, matching the 3% increase in the previous year.

In the last decade, TCC has had the highest overall average enrollment increase (2.71%), followed by FSU (1.81%) and FAMU (0.77%).

Community Economic Profile

Unemployment Statistics

Source: Florida Agency for Workforce Innovation, Labor Market Statistics; US Department of Labor, Bureau of Labor Statistics

Unemployment rates are a traditional indicator of economic health. Leon County's unemployment rate has remained below the state and national averages for the past ten years. After increasing from 2000 to 2002, the unemployment rate decreased through 2006. In 2008, a troubled economy caused unemployment to rise nationwide. In 2009, the state of Florida experienced a 40% increase in unemployment compared to Leon County's 38% increase.

The recession further increased Florida's unemployment rate from 10.5% in 2009 to 11.9% in 2010, which is approximately 2.5% higher than the current national average of 9.2%. Leon County's unemployment rate continues to trend lower than the state or national rates as the March 2011 rate of 7.6% is a decrease from the 8.3% unemployment rate in 2010.

*FY10 Annual Average data released 1/21/2011. In 2010, Liberty County had the state's lowest rate (7.2%), followed by Monroe (8.0%), Okaloosa (8.2%), Alachua and Leon (8.3%), and Walton (8.4%). Leon County's rate as of March 2011 was 7.6%.

Taxable Sales

Source: Florida Legislature's Office of Economic and Demographic Research for Tallahassee Metropolitan Statistical Area

Taxable sales data are popularly used as one indicator of regional economic activity. The data is derived from sales tax returns filed monthly by retail establishments with the Florida Department of Revenue. Retail sales experienced a steady increase from 2002 to 2006 and peaked in 2007 before the beginning of the current economic downturn. In 2008, taxable sales decreased 6%. In 2009, taxable sales decreased 16%. In 2010, however taxable sales increased by \$160 million or 5%.

The local labor force consists of the total number of people employed and individuals seeking employment including those classified as unemployed.

Since 2001, Leon County's labor force has increased an average of 1% annually. The County's labor force increased 0.76% from 2009 to 2010.

The percentage of the labor force for Government has decreased since 2001, while Professional and Business Services, Education and Health Services, and Leisure and Hospitality have all increased, which reflects a more diverse economy.

Over the past twelve years, Leon County's major industries have included Government, Retail Trade, and Education/Health Services. This is attributed to the support needed for the large government and higher education infrastructure in the Tallahassee Metropolitan Statistical Area (MSA).

The most dramatic increase over the past decade has included Leisure and Hospitality, Other Services, Education and Health Services, and Professional and Business Services. Manufacturing has seen the largest decrease, followed by Information.

As a whole, these industries have seen a 4.6% increase in employment over the past twelve years, with 169,200 employees in 2010.

Taxable Value

Billions

Taxable values increased steadily from 1998 to 2006; however, due to property tax reform in 2007, the value of taxable property fell to \$15.8 billion. The decrease in valuation for 2009 is largely due to the recession and a repressed housing market.

Valuations from the prior year ending December 31 are used to develop the next year budget (e.g. 2009 valuations are used to develop the FY 2010/2011 budget).

 *14.1 billion is an estimate based on an estimated 2% drop in property value.
 Preliminary 2010 values will be provided by the Property Appraiser on June 1, 2011.

Annual Percentage Change in Taxable Value

Property tax reform in 2007 and 2008 contributed to the first declines in taxable value percentage in over a decade. The continuing decline is due to the recession economy and the repressed housing market. In 2006 values increased by 11.2% followed by four years of decline (3.6%, 7.0%, 1.6% and 2.8% respectively).

Anticipated Ad Valorem Tax Collections (FY11)

Millions

Among the like-sized counties, Leon County collects \$107 million in ad valorem taxes. Leon County collects \$7 million more than the median collection (\$100 million). Due to the 2008 passage of property tax reform by referendum and enabling legislative actions, ad valorem tax collections rates were significantly impacted in all counties. In addition, decreased property valuations associated with the recession and a repressed housing market will further effect collections in the near term. Ad valorem taxes account for 44% of the County's operating revenue.

Comparative Data for Like-Sized Counties

Total Number of County Employees (FY11)

County employees consist of Board, Constitutional, and Judicial Offices. Leon County has the second lowest number of county employees among comparables.

All comparable counties surveyed reported either the same or fewer employees than in FY010. This is largely attributed to property tax reform followed by the recession which has impacted county revenues and services. For example, St. Lucie County froze approximately 150 positions while Lake County eliminated 41 positions.

County Employees per 1,000 Residents (FY11)

Leon County has a ratio of 6.0 employees for every thousand County residents, tied with St. Lucie and Lake County as the lowest in per capita employees.

Financial Indicators

Intergovernmental Revenues

Percent of Operating Revenues

Analysis: The monitoring of intergovernmental revenues (revenues received from another governmental entity) is important since over dependence on such revenues can be harmful; especially, if the external source withdraws the funds entirely and/or reduces its share of costs. Leon County exhibits a reduced dependency on intergovernmental revenues in comparison to total operating revenues.

Grants are not included in intergovernmental revenue projections; however, grants are included and account for a significant portion of actual intergovernmental revenues.

Formula: Intergovernmental Revenues divided by Total Operating Revenues.

Source: FY 2011 TRIM AD

Property Tax Revenues

Rate of Change

Analysis: In the past ten years, Leon County has become more reliant on property tax revenue, primarily due to the reduction of intergovernmental revenue.

The Board maintained the 7.85 rate for FY11. The projected rate of change in FY11 is an increase of 5.20%, due to a moderation of the decline in property values by \$171 million from the previous year.

By maintaining the millage rate at 7.85 for FY11, the Board provided \$1.8 million in property tax relief to the citizens of Leon County.

Formula: Current Year minus Prior Year divided by Prior Year.

Source: 2010 Certification of Final Taxable Value and Statistical Digest.

Financial Indicators

Revenue Projections Budgeted v. Actual Revenues

Analysis: This indicator examines the differences between actual revenues received versus budgeted revenues during the past fiscal year. Typically, actual revenues versus budgeted revenues fall in the range of + or - five percent. In FY05 and FY06, Leon County experienced an increase in actual revenues over budgeted revenues. This was primarily due to the increase in property values.

The decrease in past three years' revenue projection is primarily due to property tax reform in FY08 and a reduction in revenues caused by the recession.

Formula: Actual General Fund, Special Funds and Enterprise Fund Revenue minus Budgeted General Fund, Special Funds and Enterprise Fund Revenue divided by Budgeted Revenues.

Source: FY 2010 Revenue Summary Report.

Capital Outlay Percentage of Total Expenditures

Analysis: The purpose of capital outlay in the operating budget is to replace equipment or to add new equipment and infrastructure. The ratio of capital outlay to net operating expenditures is a rough indicator of whether the stock of equipment and infrastructure is being replaced or added. Funding for capital outlay peaked in FY06, primarily due to stormwater and transportation related activities funded by sales tax and bond proceeds. However in FY07, the percentage of capital outlay dropped significantly due to a freeze and subsequent elimination of all nonessential capital improvement projects. Since then, the freeze has been lifted and the percentage has remained level. The FY11 projection is based upon what has been budgeted for the current fiscal year and does not include carry forward projects from the previous fiscal year.

Formula: Capital Outlay Divided by Total Operating Expenditures.

Source: FY 2010 Expenditure Summary Report and Budget Summary.

Financial Indicators

Revenues Per Capita

Analysis: Examining per capita revenues indicates changes in revenues relative to changes in population size. As population increases, it is expected that revenues and the needs for services will increase. If per capita revenues are decreasing, it will be impossible to continue to maintain the existing level of services unless new sources of revenues and ways of reducing expenses are found. The FY08 increase resulted from returned revenue from the Tax Collector and Sheriff in addition to higher ambulance fee revenue. Revenue per capita declines in FY09 and FY10 reflect current economic conditions. Projections for FY11 also take into account the macroeconomic environment.

Formula: General Fund, Special Revenue Funds, and Enterprise Fund Revenues Divided by Population.

Source: FY 2009 Revenue Summary Report and the FY 2010 Budget Summary.

Expenditures Per Capita

Analysis: Changes in per capita expenditures reflect changes in expenditures relative to changes in population. This indicator has increased slightly for the past six years.

The decrease in FY09 expenditures per capita reflects reductions in personnel costs due to a hiring freeze and the elimination of some positions. The FY11 projection reflects an increase in payments to Medicaid; healthcare and retirement costs; and contractual increases such as custodial and security offset by slower population growth.

The additional one cent tax for the Performing Arts Center is included in this calculation of operating expenditures per capita.

Formula: Actual General Fund, Special Funds and Enterprise Fund divided by population.

Financial Indicators

General/Fine and Forfeiture Fund Balance

Analysis: Fund Balance is maintained for cash flow and emergency reserve purposes as well as a reserve for one-time capital improvement needs. The County's reserve policy requires fund balances to be between a minimum of 15% and a maximum of 30% of operating expenditures. A decline in FY08 fund balance results from \$20 million in appropriations to CIP projects. The FY09 fund balance includes an appropriation of \$3.9 million in local economic stimulus funding. However, the increases in FY09 and FY10 are due to the return of excess fees from the Constitutional Officers and higher than anticipated interest earnings. The FY10 fund balance also received DJJ payment savings and the under expenditure by the Board's general revenue operating funds.

Formula: Prior year fund balance plus actual revenues minus actual expenditures.

Source: FY10 Summary of Fund Balance and Retained Earnings and Year Ending Report.

Employees Per Capita

Employees Per 1,000 Leon County Residents

Analysis: Personnel costs are a major portion of an operating budget; for that reason plotting changes in the number of employees per capita is an effectively measures changes in expenditures. Overall, the County is controlling the cost associated with this financial indicator. Note that the number of employees includes Constitutional Officers. In comparison to other like-sized counties, Leon County, along with St. Lucie, ranks the lowest in number of employees per capita.

Formula: Number of Full-Time Employees Divided by Population multiplied by 1,000.

Source: FY 10-11 Annual Budget Document and Tallahassee/Leon County Planning Department.

Financial Indicators

Debt Service

Percentage of Total Operating Expenditures

Analysis: Debt service is defined as the amount of principal and interest that a local government pays each year on net direct bonded long-term debt, plus the interest on direct short-term debt. Increasing debt service reduces expenditure flexibility by adding to the County's financial obligations. Leon County's debt service has trended downward over the past five years.

Leon County maintains level debt service.

Formula: Debt Service divided by Total Operating Expenditures.

Source: FY 2009 Expenditure Summary and the FY 2010 Budget Summary.

Liquidity

Ratio of Current Assets to Current Liabilities

Analysis: The current ratio is a liquidity indicator that measures a government's short-run financial condition by examining the ratio of cash and short term assets against current liabilities. This ratio shows whether a government can pay its short-term debt obligations.

The International City / County Management Association (ICMA) states ratio that fall below 1:1 for more than consecutive three years is a decidedly negative indicator. The ICMA further recommends keeping this ratio above 1:1. Leon County maintains a liquidity ratio above this level even during the current economic climate, a sign of short-term financial strength.

Formula: Cash and short-term investments divided by Current Liabilities

Notes:

1. Definitions of categories:

- Mandatory: Required expenditures per the Florida Constitution, Florida Statutes or the County Charter. For purposes of this exercise, there maybe certain functions that have components that are non-mandatory, but the amounts are not significant enough to break-out. Although an expenditure is included in the Mandatory category, the County does not necessarily need to continue to provide the service at its current level.

- Non-Mandatory: Expenditures that are not required.

- Support Functions: Includes departments and programs that provide services that benefit all of County government. As with the mandatory category, portions of these functions can be performed at a lower level of service.

- Budgeted Reserves: Includes budgeted reserves for raises and contingencies.

- Self Supporting - Programs that have a dedicated revenue stream and therefore do not receive general revenue for support.

2. References - Citations in Florida Statutes or local ordinance that govern the service. References in categories other than mandatory govern the administration of the activity and do not specify that the service is required.

Major Revenue Overview

(FY 2012 Revenue Estimates projected in Millions at 95%)

AD VALOREM PROPERTY TAXES (\$104.96)

Ad Valorem property taxes are derived from all nonexempt real and personal property located within the County. (MSTU Ad Valorem not included)

LOCAL OPTION GAS TAX (\$3.41)

This is a locally imposed tax of 6 cents per gallon on every net gallon of motor and diesel fuel. Per the interlocal agreements, this revenue is shared 50%/50% for the first 4 cents between the City and County and 60% City and 40% County for the remaining 2 cents.

9TH CENT GAS TAX (\$1.33)

Prior to FY02, the 9th Cent Gas Tax was a state imposed one cent tax on special and diesel fuel. Effective FY02, the County levies the amount locally on all fuel consumption.

STATE SHARED GAS TAX (\$3.69)

Tax derived from the County Fuel Tax and the Constitutional Gas Tax. These revenues are all restricted to transportation related expenditures.

ENVIRONMENTAL PERMITS (\$0.80)

Environmental permit/development review fees are revenues derived from development projects for compliance with stormwater, landscape, tree protection, site development, and zoning and subdivision regulations.

BUILDING PERMITS (\$0.99)

Building permit fees are revenues derived from developers of residential and commercial property. Revenues are intended to offset the cost of inspections assuring that development activity meets local, state and federal building code requirements.

LOCAL OPTION SALES TAX (\$3.30)

The Local Government Infrastructure Sales Tax (Local Option) is a 1 cent sales tax on all transactions up to \$5,000. Effective December 2004, the sales taxes are disbursed at 80% for Blueprint 2000, 10% County and 10% City.

LOCAL GOVERNMENT 1/2 CENT SALES TAX (\$10.17)

The Local Government 1/2 Cent Sales Tax is based on 8.814 percent of net sales tax proceeds remitted by all sales tax dealers located within the County. Revenue is shared between County (56.6%) and City (43.4%) based on statutory defined distribution formula.

TELECOMMUNICATIONS TAX (\$3.43)

This is a two-tiered tax, each with its own rate. The two taxes are (1) The State Communications Services Tax (State Tax) and the Local Option Communications Services Tax (Local Option Tax). The County levies the local tax at a rate of 5.22%.

PUBLIC SERVICE TAX (\$6.53)

The Public Service Tax is based upon a 10% levy on gas, water, electric services and \$.04 per gallon on fuel oil.

STATE REVENUE SHARING TAX (\$4.10)

The Florida Legislature repealed the intangible tax revenues which comprised the majority of the County's revenue sharing in 2002. The Legislature replaced the lost revenue with a 2.044% of sales tax collections (96.5% of revenue sharing comes from this source and 3.5% comes from cigarette tax collections). (FL Statutes 210 and 212).

LOCAL OPTION TOURIST TAX (\$3.91)

This is a locally imposed 5% tax levied on rentals and leases of less than six months duration. A 1% option has been levied by the Board to pay for a performing arts center.

EMERGENCY MEDICAL SERVICES MSTU and AMBULANCE FEES (\$19.31)

Funding for emergency medical services is provided by a .50 mil municipal service taxing unit (MSTU) property tax and ambulance transport fees. Estimates indicate that \$6.7 million will be generated from the MSTU and \$9.2 million from ambulance fees.

PROBATION FEES (\$1.14)

The Probation fees are a combination of County court probation fees, alternative community service fees, no-show fees, and pretrial release fees. These fees are collected from individuals committing infractions that fall within the jurisdiction of Leon County Courts.

LANDFILL & TRANSFER STATION TIPPING FEES (\$7.89)

Tipping fees are revenues collected by the County for sorting, reclaiming and disposing of solid waste at the County landfill and transfer station (This does not include the non-ad valorem assessment of \$40/single family home).

FIRE SERVICES FEE (\$6.94)

This fee adopted on June 9, 2009, is charged as a flat fee to single family homes and on a square footage basis to businesses in the unincorporated area to pay for fire services.

Estimated Budget FY 2012**

Adopted Budget FY 2011, Projected Actual Collections FY 2011, and Estimated Budget FY 2012:

This chart illustrates a comparison between the current budget, the projected actual collections for FY 2011, and the FY 2012 budget estimates. The chart depicts FY 2012 revenues forecasted at 95% as required by Florida Statute. Detailed charts of these revenues are shown on the subsequent pages, including ad valorem taxes.

Major Revenues

General/Fine & Forfeiture: Fund Balance

General Fund – Fund Balance:

Fund Balance is maintained for cash flow and emergency reserve purposes as well as a reserve for one-time capital improvement needs. In addition, the amount of fund balance is used by rating agencies in determining the bond rating for local governments. The Leon County Reserves Policy requires fund balances to be between a minimum of 15% and a maximum of 30% of operating expenditures. Generally, fund balances in excess of the minimum reserves amounts are utilized to support one-time expenditures or to address unforeseen revenue shortfalls. The unaudited fund balance for FY11 is \$28.28 million. This reflects 24% of operating expenditures and is consistent with the County's Reserve Policy.

Ad Valorem Tax: Actuals and Projections

Ad Valorem Property Taxes:

The amounts shown are the combined General Fund and Fine and Forfeiture Fund levies. The tentative millage rate for FY12 is 7.85. The revenues budgeted for FY11 represent 95% of anticipated revenues and do not include Municipal Services Taxing Unit (MSTU) revenues.

In January 2008 a constitutional amendment was passed that established restrictions on property valuations, such as an additional \$25,000 homestead exemption and Save Our Homes tax portability. These restrictions will limit future growth in ad valorem taxes. The forecasted FY12 level trend is due an overall decrease in property values associated with the repressed housing market. As a result of the Board maintaining the millage rate at 7.85, property owners will see \$2.84 million in ad valorem tax savings.

Major Revenues

Local Option Gas Tax: Actuals and Projections

Local Gas Taxes:

The Local Option Gas Tax is a locally imposed 6 cents per gallon on every net gallon of motor and diesel fuel. Per the interlocal agreements, this revenue is shared 50/50 for the first 4 cents between the City and County and 60% City and 40% County for the remaining 2 cents. This equates to the County 46% and the City 54%. Funds are restricted to transportation related expenditures. This gas tax sunsets in August 2015. The amounts shown are the County's share only.

This is a consumption based tax on gallons purchased. Since FY07, fuel consumption has fluctuated slightly due to unstable gas prices.

In FY10, Leon County collected a slightly higher amount of gas tax revenue and anticipates similar levels in FY11 and out-years. The forecast of gas tax revenues has become increasingly uncertain as pump prices continue to spike throughout the year.

State Shared Gas Tax: Actuals and Projections

State Shared Gas Taxes:

The State Shared Gas Tax consists of two discrete revenue streams: County Fuel Tax and the Constitutional Gas Tax. These revenues are all restricted to transportation related expenditures (Florida Statutes 206). The revenues are disbursed from the State based on a distribution formula consisting of county area, population, and collection.

This is a consumption based tax on gallons purchased. Prior to FY07 there was modest growth in this revenue stream. Decreased fuel consumption due to the recession and high fuel cost caused a steady decline in gas tax revenue until the current fiscal year which has seen a moderate increase over FY10. A continued spike in fuel prices could dampen this forecast.

In FY11, Leon County is anticipating collecting a slightly higher amount of gas tax revenues than originally budgeted based on current revenue received and revised highway fuel sales estimates from the Transportation Revenue Estimating Conference.

Major Revenues

Environmental Permit Fees: Actuals & Projections

Environmental Permit Fees:

Environmental Permit Fees are derived from development projects for compliance with stormwater, landscape, tree protection, site development and zoning, and subdivision regulations. As a result of a fees study, the Board adopted a revised fee resolution effective October 1, 2006.

On March 11, 2008 the Board approved an overall fee increase of 20% in addition to adopting new fees for Growth Management. The new fees were implemented immediately and the overall fee increase was effective as of October 1, 2008. Environmental Permit Fees have experienced a sharp decrease correlating with the start of the economic downturn in FY08.

The persistent negative economic conditions in the construction industry are revealed through diminished revenue collection. To offset this decline in revenue, eight positions were eliminated in FY10. FY11 and 12 projections indicate the leveling of the revenue decline.

Building Permits: Actuals and Projections

Building Permit Fees:

Building Permit Fees are derived from developers of residential and commercial property and are intended to offset the cost of inspections to assure that development activity meets local, state, and federal building code requirements. The County only collects these revenues for development occurring in the unincorporated area. As a result of a fee study, the Board adopted the first revised fee study in more than ten years. The fee increase was implemented in three phases: 34% on March 1, 2007; 22% on October 1, 2007; and a final 7% on October 1, 2008.

Recovery from the current recession in the housing construction industry is not anticipated in FY11 and not expected to materialize in the near future. As a result of the continued decline in construction projects, the anticipated revenue for FY11 from permit fees is projected to be less than previous fiscal years, although on target with the FY11 budget. The FY12 estimated budget contemplates a continued decline, although not as severe.

Major Revenues

Local Option Sales Tax: Actuals and Projections

Local Option Sales Tax:

In a November 2000 referendum, the citizens of Leon County extended the sales tax for an additional 15 years beginning in 2004. The Local Option Sales Tax is a 1 cent sales tax on all transactions up to \$5,000. The revenues are distributed at a rate of 10% to the County, 10% to the City, and 80% to Blueprint 2000.

Leon County anticipates collecting a slightly higher amount of local sales tax than budgeted in FY11. This indicates the ebbing of the recession and a return of consumer spending activity. The FY12 estimated budget continues the modest upward trend in expected consumer spending.

Local Government ½ Cent Sales Tax: Actuals and Projections

Local Government ½ Cent Sales Tax:

The Local Government 1/2 Cent Sales Tax is based on 9.653% of net sales tax proceeds remitted by all sales tax dealers located within the County. Effective July 1, 2004, the distribution formula reduces the County's share to 8.814% or a net reduction of approximately 9.5%. The revenue is split 56.6% County and 43.4% City based on a statutory defined distribution formula (Florida Statutes Part VI, Chapter 218).

Since FY07, sales tax revenue has steadily continued to decline. Projections indicate this decline will end in FY11 due to the ebbing of the recession and an increase in consumer based economic activity.

Major Revenues

Communication Service Tax: Actuals and Projections

Communication Services Tax:

The Communication Services Tax combined seven different State and local taxes or fees by replacing them with a two-tiered tax, each with its own rate. These two taxes are (1) the State Communication Services Tax and (2) the Local Option Communication Services Tax. The County correspondingly eliminated its 5% Cable Franchise Fee and certain right-of-way permit fees. Becoming a Charter county allowed the County to levy at a rate of 5.22%. This is lower than the 6.1% rate being levied by the City.

Beginning in FY07, actual revenues began to decrease slightly. This trend is expected to hold for FY12 with small growth over future fiscal years.

In December 2008, the County received a \$2.5 million audit adjustment from the State, distributed in the form of a \$1.3 million lump sum payment in December of FY09 with the remainder prorated in equal monthly payments of \$33,429 from February 2009 until December 2011. These monthly adjustment payments have been contemplated in the budget graphs, accounting for the higher than expected revenue figures.

Public Service Tax: Actuals and Projections

Public Service Tax:

The Public Services Tax is a 10% tax levied upon each purchase of electricity, water, and metered or bottled gas within the unincorporated areas of the County. It is also levied at \$0.04 per gallon on the purchase of fuel oil within the unincorporated areas of the County. This tax became effective on October 1, 2003.

Due to its consumption basis, this tax is subject to many variables. Revenues have steadily trended upward since FY07. An increase in revenue projections for FY11 revenues is due to higher than normal utility consumption during the colder than average winter. An increase in City water rates also contributed to the higher FY11 projection.

Major Revenues

State Revenue Sharing: Actuals and Projections

State Revenue Sharing:

The Florida Revenue Sharing Act of 1972 was an attempt by the Legislature to ensure a minimum level of parity across units of local government. Currently, the Revenue Sharing Trust Fund for counties receives 2.9% of the net cigarette tax collections and 2.25% of sales and use tax collections. Effective July 1, 2004, the distribution formula reduced the County's share to 2.044% or a net reduction of approximately 10%. The sales and use tax collections provide approximately 96% of the total revenue shared with counties, with the cigarette tax collections making up the small remaining portion. These funds are collected and distributed on a monthly basis by the Florida Department of Revenue.

Since FY07, Leon County has experienced a sharp decrease in state revenue sharing taxes due to the recession. The most recent trend has seen a leveling from the decline in statewide sales collections which is projected to continue for FY11. During the 2011 General Revenue Estimating Conference, the State expects to see modest positive growth in FY12 and the out-years.

Local Option Tourist Tax: Actuals and Projections

Local Option Tourist Tax:

The Local Option Tourist Tax is a locally imposed 5% tax levied on rentals and leases of less than 6-month duration. This tax is administered locally by the Tax Collector. The funds are restricted to advertising, public relations, promotional programs, visitor services and approved special events (Florida Statute 125.014). This tax dedicates one cent to the performing arts center.

On March 19, 2009, the Board approved to increase total taxes levied on rentals and leases of less than 6-month duration by 1%. The total taxes levied are now 5%. The additional 1% became effective on May 1, 2009 and will be used as specified in the TDC Strategic Plan until October 2013.

Subsidizing recessionary economic conditions allowed for an increase in tourist tax revenue in FY10. The additional one cent levied in May 2009, along with an increase in available rooms, increased rates and an increase in the business travelers sector of the market contribute to the projected upward trend in FY11 and FY12.

Major Revenues

Ambulance Fees: Actuals and Projections

Ambulance Fees:

Leon County initiated its ambulance service on January 1, 2004. Funding for the program comes from patient billings and a Countywide Municipal Services Tax. The amounts shown are the patient billings only.

The EMS system bills patients based on the use of an ambulance transport to the hospital. As with a business, the County has an ongoing list of patients/insurers that owe the County monies (outstanding receivables). In FY08, the County established a collection policy to pursue uncollected bills, and to allow the write-off of billings determined uncollectible.

An analysis of collections indicates a steady increase since FY07 due to rising call volumes and improved collection efficiency. This trend is expected to continue in the out-years. This increase has assisted with the corresponding decline in dedicated property taxes that also fund ambulance services, resulting from the decline in property values and a constant annual millage rate.

Probation Fees: Actuals and Projections

Probation Fees:

The Probation Fees are a combination of County court probation fees, alternative community service fees, no-show fees (all governed by Florida Statute 948) and pre-trial release fees (governed by an Administrative Order). These fees are collected from individuals committing infractions that fall within the jurisdiction of Leon County Courts. The amount of each individual fee is expressly stated in either the Florida Statute or the Administrative Order.

Revenues collected through Probation and Pre-Trial fees have remained relatively steady since FY07. However, FY10 revenues were lower than previous years due to a decline in Probation and Pre-Trial caseloads, associated with early termination of sentences and a decrease in court ordered GPS pre-trial tracking. FY11 anticipated revenue is expected to return to previous levels due to new revenue from the recently established on-site urinalysis testing program and an increase in the number of alcohol testing fees. Without the addition of the urinalysis program, revenues from the existing probation and pre-trial programs would have declined.

**Leon County Government
Fiscal Year 2012 Adopted Budget**

Major Revenues

Solid Waste: Actuals and Projections

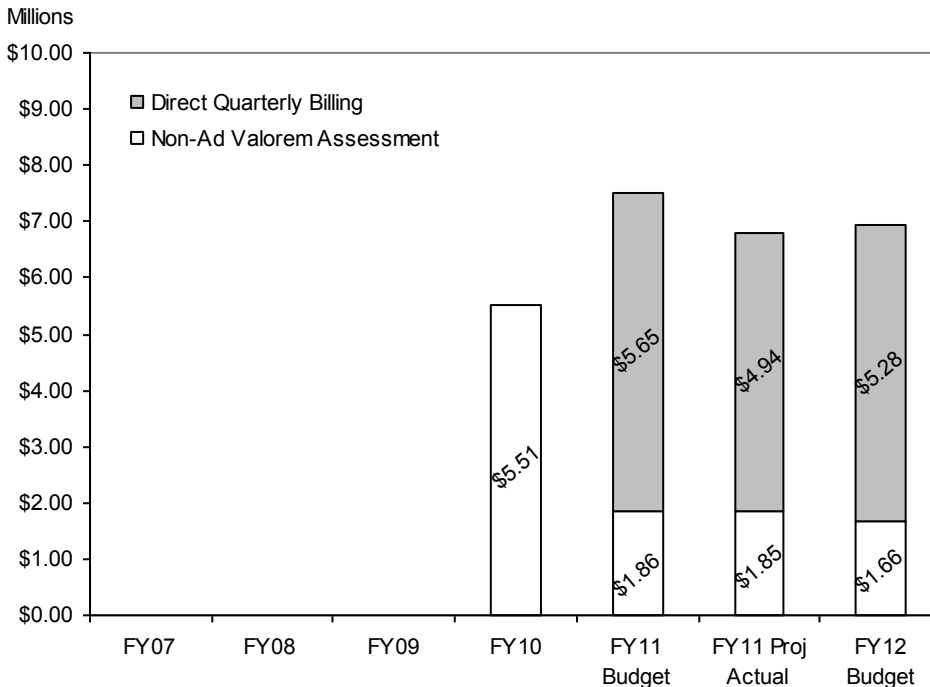

Solid Waste Fees:

Solid Waste Fees are collected for sorting, reclaiming, and disposing of solid waste at the County landfill and transfer station. Revenues collected will be used for the operation of all solid waste disposal sites.

In October 2008, the Board entered into a contractual agreement with Marpan Recycling. The Solid Waste Management Facility is no longer accepting Class III waste as of January 1, 2009. This contract will cause a decline in revenues for Solid Waste. However, expenditures have been adjusted to reflect the change in operations at the facility.

FY11 projected actual and FY12 estimated revenues anticipate a decrease from the budgeted FY11 revenue as a result of an anticipated decline in tonnage collected at the transfer station. This is offset by an increase in the tipping fee effective October 1, 2011.

Fire Services Fee: Actuals and Projections

Fire Services Fee:

The fire service fee is collected for enhanced fire protection services in the unincorporated area of Leon County.

This fee was adopted June 9, 2009 and is charged as a flat fee to single family homes and on a square footage basis to businesses in the unincorporated area of the County to pay for fire services.

The actual FY10 and projected actual FY11 collections were lower than expected due to property owners opting to defer the payment of their fire services quarterly bills in order to have the fee incorporated as a non-ad valorem assessment on their property tax bill. A slight drop in the in property owners opting to switch to non-ad valorem assessments is expected in FY12.

Notes:

- A. Balances are estimated as year ending for FY 2011 and may be changed pending final audit adjustments.
- B. Over time these funds became functionally obsolete. All remaining assets were transferred to other funds and their balances were adjusted accordingly.
- C. The reduction in fund balance is due to the decline in revenue from this program associated with fee waivers. The Court Administration is currently reviewing the program to see how it can be funded within the existing revenue stream.
- D. The reduction in fund balance for the Growth and Building Inspection funds is due to utilization of fund balance to offset revenue reductions due to the downturn in the real estate and construction markets.
- E. The fund balance reflects the portion of the grant fund that relates to the collection of fees that are not truly grants but need to be placed in a discrete funding account such as the fee in lieu of sidewalks and concurrency capacity payments.
- F. This fund is used to separate grants that are interest bearing grants.
- G. The Radio Communications Systems Fund is used to account for the new radio system for Joint Dispatch. These funds were previously reflected in Fund 331.
- H. The Emergency Medical Services (EMS) fund balance reflects an increase in the collection of ambulance fees.
- I. The Tourist Development Tax is reflected in two separate fund balances: the first three cents supports the Tourist Development Council activities and the fourth cent is dedicated towards the Performing Arts Center. The Board approved the levying of a 5th cent effective May 1, 2009.
- J. The fund balance reflects the remaining capital reserves budgeted during FY 2011 as a "sinking fund" for maintaining existing County infrastructure for the next five years.
- K. The reduction in fund balance reflects capital reserves budgeted during FY 2011 as a "sinking fund" for maintaining existing infrastructure associated with the initial local option tax for the next five to eight years.
- L. Due to the completion of the digital upgrade capital project, the remaining fund balance from Radio Communication Capital Fund will be transferred to the operation fund (131) during FY11.
- M. Amount reflected is unrestricted retained earnings.

**Leon County Government
Fiscal Year 2012 Adopted Budget**

SUMMARY OF FUND BALANCE AND COUNTY RESERVES POLICY

The following is the relevant sections of Leon County Policy No. 07-02 "Reserves", the entire policy is contained in the Appendix Section of the budget document:

1. Emergency Reserves

- a. The general revenue emergency reserves will be maintained at an amount not to be less than five (5%) and to not exceed ten (10%) of projected general fund and fine and forfeiture fund operating expenditures for the ensuing fiscal year.
- b. The reserve for contingency is separate from the reserve for cash balances.
- c. Annually the Board will determine an appropriate amount of reserve for contingency to be appropriated as part of the annual budget. Any funds not included in the budget under this category will be included as part of the unreserved fund balance.

2. Reserve for Cash Balances

- a. The County will maintain an annual unappropriated reserve for cash balance at a level sufficient to maintain adequate cash flow and to eliminate the need for short-term borrowing.
- b. The unappropriated fund balance shall be no less than ten (10%) and no greater than twenty (20%) of projected general fund and fine and forfeiture fund operating expenditures.
- c. The reserve for cash balance shall be separate from the emergency reserves.
- d. All major funds will retain sufficient cash balances to eliminate the need for short-term borrowing.

3. Utilization of Fund Balance

- a. As part of the annual budget process, a determination will be made of the minimum and maximum amounts of fund balance available based on the requirements set forth in 1 and 2 above.
- b. Funds in excess of the minimums established can be utilized to support one-time capital expenses.

Notes:

- A. The policy minimums and maximums are based on the total amount of reserves for emergency contingency and cash flow as a percent of the FY 2012 Budget.
- B. The "Fund Balance Allocation" reflects three categories. The "Budgeted for Spending" indicates fund balance being utilized in the FY 2012 budget to support operating and capital projects. Except for the General/Fine and Forfeiture fund balance which includes the budgeted Catastrophe Reserved, the "Emergency Contingency & Cash Flow" is the unbudgeted portion of the reserve and the amount dedicated to support these categories. Due to space limitations these categories are shown together. The "Available for Future Allocation" are funds in excess of the policy's recommended maximums; however, they are typically dedicated for specific purposes (i.e. 9-1-1, Transportation, Growth Management). The total of all three categories equals the total of the estimated year ending FY 2011 balance.
- C. The Special Revenue Funds are presented based on the County's reserve policies. However, each of the funds has been established for a discrete purpose and often has dedicated revenues that can only be utilized for a specific purpose. The balances may be accruing for a specific purpose (i.e. the Tourist Development Additional One Cent for the Performing Arts Center).
- D. Capital Projects, Enterprise and Internal Service Funds maintain differing levels of balances depending upon on-going capital project requirements and other audit requirements. The percentages for the other funds are intended to show compliance with the County's policy for maintaining sufficient balances. The budgeted appropriated fund balance in funds 305 and 308 are capital reserves budgeted by the Board for mandatory and necessary capital projects for the next five to six years. These reserves are reviewed as part of the annual budget process and allocated to the appropriate projects accordingly.
- E. Amount reflected is unrestricted retained earnings. FY 2011 estimated balance is based on current Solid Waste performance projections.

General Fund / Fine and Forfeiture Reserve Illustration Using Reserve Policy *

Notes:

- 1) The base of the reserves is the minimum required for cash flow purposes. Without these minimums, funds would likely have to be borrowed to meet beginning of the year expenditure obligations.
- 2) Policy column reflects the minimum and maximum reserves under the existing reserve policy. Total reserves without exceeding maximum is \$35.4 million.
- 3) The Policy shows the catastrophe reserve and the emergency reserve minimums and maximums of 3% and 8%, respectively.
- 4) Fund balance shows the current distribution of reserves with the projected beginning FY 2012 fund balance of \$25.5 million. The beginning fund balance contemplates the budgeting of \$2.75 million in fund balance as approved by the Board.
- 5) Proposed fund balance reflects the distribution of reserve categories under the policy which includes catastrophe reserves.

Summary of Transfers

Governmental accounting requires certain funds (self balancing sets of accounts) to be created. Each fund has a discrete purpose. However, often, there is a need for one fund to support a portion of another fund's activities. To accomplish this, monies are moved between funds through a process called "interfund transfers". The following provides a brief description of each transfer occurring in the budget.

General Fund

General Fund (001) **from** Non-Countywide General Revenue (126) **\$3,411,684**: Funds accumulated in the Non-Countywide General Revenue fund are partially available to support unincorporated area only programs, as well as countywide activities. The funds transferred support a portion of the countywide activities in the General Fund and supplement property tax collections.

Supervisor of Elections (060) **from** General Fund (001) **\$4,422,746**: Funds are transferred from the General Fund to the Supervisor of Elections in order to establish the budget for the fiscal year. This transfer is done on an annual basis. Any remaining budget is returned to the general fund at the end of the fiscal year.

Special Revenue Funds

Transportation Trust Fund (106) **from** Stormwater Utility Fund (123) **\$1,699,024**: The County maintains one engineering division. Within this division are transportation and stormwater engineers. To avoid having gas taxes (which are the main source of revenue contained in the Transportation Fund) support unrelated activities, a transfer from the Stormwater Utility offsets the engineering cost provided to the stormwater utility.

Transportation Trust Fund (106) **from** Non-Countywide General Revenue (126) **\$1,960,073**: Gas tax revenues are insufficient to support transportation related activities. This transfer provides additional general revenues to offset the shortfall.

Fine and Forfeiture (110) **from** Growth Management (121) **\$95,386**: Funding realized from application fees and permitting revenue to support Sheriff's position for internet café regulation.

Probation Services (111) **from** General Fund (001) **\$1,522,142**: The transfer provides the necessary revenue to offset the gap between the fees generated in pre-trial/probation and the cost of the programs. This transfer provides additional funding for a Mental Health Pretrial Release Specialist approved during the Tentative Budget Hearing.

Growth Management (121) **from** Non-Countywide General Revenue (126) **\$2,270,944**: The County's growth management fees do not provide 100% support for services provided by the Department. The transfer is necessary to fund non-fee related activity and any additional difference. Prior to FY 2011, the general revenue support for this fund was approximately 50% of expenses. Due to the continued weak economy, the subsidy for FY 2012 is 69%.

Mosquito Control (122) **from** General Fund (001) **\$741,829**: Transfer provides the majority of the funding, in addition to the nominal state grant.

Stormwater Utility (123) **from** Transportation Trust (106) **\$1,248,251**: The stormwater operations function provides road side swale maintenance on behalf of the transportation network. This transfer is necessary to support this activity.

Stormwater Utility (123) **from** Non-Countywide General Revenue (126) **\$2,694,662**: This transfer provides the additional revenue to support the county's stormwater utility program not funded through the stormwater non-ad valorem assessment.

Special Revenue Funds continued

Grants (125) **from** Non-Countywide General Revenue (126) **\$259,513**: This transfer provides matching funds for state and federal grants, including emergency management.

Radio Communication Systems (131) **from** General Fund (001) **\$200,000**: This transfer provides funds acquired for the capital costs for the 800 Mhz radio system to support the operating requirements of the system subsequent to the completion of the capital project.

Debt Service Funds

In accordance with all enabling bond ordinances and resolutions, the County is required to establish separate funds for the purposes of making debt service payments. To avoid "splitting revenues" across multiple funds, the County accrues all the revenues to individual accounts in a particular fund. The County then makes transfers from the applicable funds to the appropriate debt (or other) funds.

Capital Projects Funds

Capital Improvements (305) **from** General Fund (001) **\$1,041,791**: As part of the FY 2012 budget process the Board allocated recurring general revenue to fund capital projects such as the Election equipment, Transportation and Stormwater maintenance, Park and Facility upgrades and maintenance, and the purchase of computer technology.

Capital Improvements (305) from Growth Management (121) **\$16,000**: This transfer provides funding for a vehicle (inspector position) associated with the permitting and regulation of simulated gambling devices (internet cafés).

Capital Improvements (305) **from** Municipal Services (140) **\$1,302,773**: This transfer provides recurring non countywide general revenue support for the capital project programs associated with park facilities in the unincorporated area of the County.

Capital Improvements (305) **from** Special Assessment Paving (162) **\$312,632**: As part of the County Accepted Roadways and Drainage Systems program, individual neighborhoods agree to repay for paving projects. These funds are then transferred on an annual basis to support additional capital projects.

Gas Tax Transportation (306) **from** Transportation Trust (106) **\$787,700**: The transfer is to support transportation fund vehicle and equipment replacements, pavement markings and road-related stormwater capital projects funded from the gas tax.

911 Capital Projects (330) **from** 911 Emergency Communications (130) **\$85,464**: This transfer provides funding for future capital through the transfer of excess emergency 911 fees.

Enterprise Funds

Solid Waste (401) **from** Non-Countywide General Revenue (126) **\$1,026,334**: The transfer is necessary since the tipping fees and non-ad valorem assessment currently supporting the Solid Waste Fund are not sufficient to fund the entire cost of the program.

Organization of Funds

Basis of Budget

Leon County's Governmental and Fiduciary Funds are prepared on a modified accrual basis.

Revenues are recognized when measurable and available under budgetary basis. The following revenues are considered to be susceptible to accrual: taxes, charges for services, interest, state revenue sharing, federal forestry revenue, insurance agent revenues, 5th & 6th cent gas tax, federal and state grants, planning and zoning revenue, communication services tax, and special assessments.

Obligations are budgeted as expenses and generally recorded when the related fund liability is incurred. An exception is principal and interest on general long-term debt which is recorded when due.

The budgets of the proprietary funds are prepared on an accrual basis. The revenues are recognized when earned and their expenses are recognized when incurred.

Florida state law requires that receipts from all sources be budgeted at 95% of anticipated receipts.

Funds

The financial activities of the County are recorded in separate funds. Each fund is considered a separate accounting entity. The operations of each fund are accounted for within a set of self-balancing accounts that include assets, liabilities, fund equity, revenues, and expenditures, or expenses, as necessary. An account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

The various funds are as follows:

Governmental Fund Types:

General Fund – The general operating fund of the Board. This fund is used to account for all financial transactions not required to be accounted for in another fund.

Special Revenue Funds – Funds used to account for special assessments and specific governmental revenue sources. Major capital projects that are restricted by law, or administrative action, for expenditures for specific purposes are not considered Special Revenue Funds. Examples of Special Revenue Funds are Building Inspection, Transportation Trust, Emergency Medical Services, Fire Rescue Services, Tourist Development, and Probation Services.

Debt Service Funds – Funds used to record the funding and payment of principal and interest on debt reported in the General Long-Term Debt Account Group.

Capital Projects Funds – These funds are used to account for the acquisition or construction of major capital facilities other than those financed by the Proprietary Funds. Examples of Capital Projects Funds are the Local Option Sales Tax and Governmental Capital.

Proprietary Fund Types:

Enterprise Fund – A fund used to report operations that provide services financed primarily by user charges. An example of an enterprise fund is the Solid Waste Operations Fund.

Internal Service Funds – A fund used to account for goods or services provided by various departments to other departments of the Board on a cost-reimbursement basis. These funds consist of the Motor Pool Fund, the Communication Trust Fund, and the Insurance Service Fund.

General Fund (001)

Fund Type: General Fund

The General Fund is the general operating fund of the County established by F.S. 129.02(1). Major revenue sources for the County's General Fund include proceeds from ad valorem and other taxes, charges for services, fees, and other miscellaneous revenues. The General Fund is used to account for financial resources and expenditures of general government (except those required to be accounted for in another fund) such as libraries, management information systems, facilities management, etc.

**Leon County Government
Fiscal Year 2012 Adopted Budget**

Notes:

The Board of County Commissioners maintained the tentative countywide millage rate at 7.85 mills for the third consecutive year. This is below the 8.0927 countywide rolled-back rate, which would have collected the same amount of ad valorem revenue as last year, and would not have been a tax increase. Due to property valuations decreasing by \$341 million, this will provide \$2.67 million in ad valorem savings to the community.

In addition, the Board appropriated \$4.0 million in fund balance: \$2.75 million in general fund balance to offset the decline in ad valorem taxes; and \$1.25 million from available fund balances in Transportation (\$300,000), Growth Management (\$60,000), Stormwater (\$290,000), Municipal Services (\$300,000), and non-countywide general revenue (\$300,000) to fund recurring operating expenditures. The utilization of this fund balance still leaves the general fund reserves within policy limits. Without the County's cost savings associated with the State of Florida's implementation of employees' 3% contribution toward the state retirement, additional budget cuts or the utilization of additional fund balance would be required.

Out-years show the utilization of fund balance in the amount of \$4.0 million per year to balance the budget. Using fund balance in this amount may still require the Board to increase the millage rate to 8.0959 in FY13 to maintain current service levels. This millage rate assumes property values increase by 1% next year as opposed to the previous three years of valuation declines. FY14-FY15 reflects property valuations increasing by 2% in FY14 and 3% in FY15 and FY16 with millage rates of 8.1658, 8.3053, and 8.2419 respectively.

Long term utilization of reserves to fund recurring operating expenditures is not sustainable, and could affect the Board current –AA bond rating, and affect future borrowing needs. The Board may need to consider an ad valorem tax increase in the future to minimize the appropriation of reserves to balance the budget.

Supervisor of Elections (060)

Fund Type: General Fund

The Supervisor of Elections Fund is a general fund established as part of the FY 2002 budget process. The Supervisor of Elections has requested their appropriation be established in a separate fund to provide discrete accounting of their budget. The revenue is transferred from the General Fund. At the conclusion of the fiscal year, any funds available in the Supervisor of Elections fund will be returned to the General Fund as excess fees.

Notes:

For FY 2012, the Board provided a \$1.7 million general revenue subsidy to the transportation fund. This subsidy is projected to grow to \$3.3 million by FY16. Due to the weak economy, the Board chose not to consider levying the available five-cent gas tax. To alleviate the general revenue subsidy to this fund, the Board may need to consider imposing the five-cent gas tax in the future. Projected revenues from this tax are \$1.1 million per penny levy which would have to be shared with the City of Tallahassee.

Notes:

Due to continued increasing general fund subsidies related to a decline in revenue from probation and pre-trial fees associated with decreased case loads and the waiving of fees by the judiciary, the Board approved outsourcing global positioning satellite (GPS) monitoring services for FY12. This action provides a net savings of \$186,000, and decreased the general subsidy by \$152,609 from the previous fiscal year.

Notes:

Due to a decline in revenue associated with the current economic downturn, operating expenditures for building inspection services were reduced by \$81,203. This included eliminating 1.00 position. If the economy does not rebound in the near future as anticipated, this fund may require an additional general fund subsidy as was done for the first time in FY 2011, in order to maintain an acceptable level of permitting services.

Growth Management (121)

Fund Type: Special Revenue

The Growth Management Fund is a special revenue established to account for the activities related to Growth and Environmental Management in accordance with the City of Tallahassee/Leon County Comprehensive Plan. The fund has been previously supported by both permitting fees and general revenue at approximately a 50/50 percent split. Due to the weak building and development economy, the fund required 68% in general revenue support for FY12. The functions supported by the Growth Management Fund include development review, environmental compliance, permit and compliance services, and support services.

Mosquito Control (122)

Fund Type: Special Revenue

The Mosquito Control Fund is a special revenue fund established in support of the administration and operation of the Countywide Mosquito Control Programs. The majority of the program is supported through a transfer from the General Fund (i.e. property taxes). The Florida Department of Environmental Protection (DEP) Tire Grant provides less than 3% of the annual funding for this program. The fund is used to account for the resources and expenditures associated with the Mosquito Control Program.

Notes:

This fund receives a general revenue subsidy in the amount of \$2.7 million, which is projected to increase to \$3.2 million by FY16. The \$20 non ad valorem assessment levied in the 1990's does not cover the cost of the program necessitating a general revenue subsidy. Due to the present economic downturn, the Board did not consider increasing this assessment for FY12.

Grants (125)

Fund Type: Special Revenue

The Grants Fund is a special revenue fund established to account for the County Emergency Management State Grants, the Department of Environmental Storage Tank Program, and the Slosberg Driver Education Fund. The fund also accounts for other restricted revenues such as Friends of the Library and payments to the Tree Bank. As grants are actually received during the fiscal year, appropriate action is taken by the Board of County Commissioners to realize these additional grant proceeds into the budget. This fund includes the corresponding County matching funds for the various grants.

Non-Countywide General Revenue (126)

Fund Type: Special Revenue

The Non-County-wide General Revenue Fund is a special revenue fund originally established as part of the FY 2002 budget process and was originally the Unrestricted Revenue Fund 070. Prior to FY 2002, the 1/2 Cent Sales Tax, State Revenue Sharing, and other unrestricted resources were directly budgeted into the specific funds they supported. Beginning in FY 2002, the revenues were brought into this fund and budgetary transfers were established to the funds supported by these revenues. This approach allows for the entire revenue to be shown in one place and all funds being supported to be similarly reflected. These revenues are not deposited directly into the General Fund in order to discretely show support for activities not eligible for Countywide property tax revenue. This fund was renumbered to Fund 126 as part of the FY 2004 budget process.

Notes:

Due to a decline in property valuation by \$341 million, the .5 mill levy for this fund provides \$170,364 in ad valorem savings to the community. A projected increase in ambulance fee revenue offsets this decline.

Fire Rescue Services (145)

Fund Type: Special Revenue

The Fire Services Fund is a special revenue fund established in FY 2010 as a method to fund enhanced fire protection services in the unincorporated area of Leon County. This includes adding another fire fighter at unincorporated area fire stations. The funding is derived from a fire service fee levied on single-family, commercial and governmental properties in the unincorporated area of the County. Homes are charged a flat rate, and commercial and governmental properties pay per square foot. Square footage associated with the worship area of a church is excluded from the fee. By interlocal agreement with the City of Tallahassee, emergency medical and fire rescue services have been functionally consolidated with both Department Chiefs reporting to the County Administrator and City Manager. In addition, the County provides support to the Volunteer Fire Departments.

Last year, the Board approved placing this assessment on the tax bill for property owners who did not pay the fee via the established billing system. Non ad valorem collections for FY 12 include \$1.2 million in current charges and \$388,746 in delinquent billings. Direct billing is still the primary source for the collection of this fee.

Tourist Development (160)

Fund Type: Special Revenue

The Tourist Development Fund is a special revenue fund established as the repository for the collection of the 5% Local Option Tourist Development Tax on transient lodging sales in Leon County (bed tax). The Tourist Development Council administers the expenditure of these revenues, as limited by law, to tourist development initiatives. Annual reserves for contingencies are supported by available fund balance. This amount will be determined on an annual basis as part of the budget process.

County Accepted Roadways and Drainage Systems Program (162)

Fund Type: Special Revenue

The County Accepted Roadways and Drainage Systems Program (CARDS) Fund is a special revenue fund established to account for the repayment of special assessments associated with the County's CARDS program (formerly the 2/3 2/3's paving program). The revenue received into this fund is collected as a non-ad valorem special assessment on the annual tax bill. These revenues are repaying the County for loans utilized to construct special assessment paving projects. The revenues are annually transferred to the Capital Projects Fund (305). Prior to FY 2002, each road project had a discrete fund for the repayments to be accounted. The County's finance system (Banner) is currently tracking each individual parcel's obligation as a discrete account negating the need for individual funds.

Bank of America Building Operations (165)

Fund Type: Special Revenue

On June 26, 2003, the Board of County Commissioners purchased the Bank of America Building on Calhoun Street. The operating fund will be used to facilitate and account for the ongoing operations of this building. In FY 2004 and for a predetermined future period, revenues associated with this fund will primarily be generated by the remaining leases associated with the current tenants of the building. Expenses associated with this fund are comprised of necessities required in the upkeep, maintenance, and management of the facility. Revenue from this fund is transferred to the associated debt service fund to pay the existing debt service for the bonds issued to purchase the building.

Notes:

The majority of FY12 Capital Improvement Plan is related to the maintenance of existing infrastructure and limited resources are committed to new construction or facility improvements. This fund continues to utilize capital reserves established by the Board in FY08 for the purpose of funding required and maintenance capital project and General Revenue support in the amount of \$2.3 million. The budgeted reserves will be depleted in FY14. Out years budgets show continued general revenue support in the amount of \$3.6 million in FY13, with continued increases in the out years (FY 2014 - \$3.7 million, FY 2015 - \$5.8 million and FY 2016 - \$4.3 million).

Sales Tax (308)

Fund Type: Capital Projects

The Local Option Sales Tax Fund is a capital project fund established in accordance with a 1989 county-wide referendum, and is used to account for resources and expenditures associated with the construction of transportation and jail facility related projects. The Local Government Infrastructure Surtax includes proceeds from a One-Cent Sales Tax on all transactions up to \$5,000. Pursuant to an interlocal agreement with the City of Tallahassee, the revenue generated by the tax will be split between the County and the City. The County's share of the proceeds is equal to 52.84%, and the City's share is equal to 47.16%. The 1989 referendum approved the sales tax levy for a period of fifteen years; however, through a county-wide referendum passed in November 2000, the sales tax was extended for an additional fifteen years (Note: the extended sales tax will be accounted for in Fund 309).

Notes:

During the FY08 budget process, the Board restructured the local option sales tax fund by eliminating funding for Tharpe Street, and reallocating funding for mandatory and maintenance transportation and intersection improvement projects. The Board established \$26.5 million in capital reserves to fund these projects for five to eight years. The reserve is reviewed annually, and appropriations made according to the specific resurfacing or intersection capital project needs. These reserves are projected to be depleted by FY16.

Sales Tax - Extension (309)

Fund Type: Capital Projects

In November of 2000, Leon County residents approved a referendum extending the imposition of the 1-Cent Local Option Sales Tax beginning in FY 2004 for 15 years. The extension commits 80% of the revenues to Blueprint 2000 projects and will be jointly administered and funded by Leon County and the City of Tallahassee. The remaining 20% will be split evenly between the County and the City. The County's share will be used for various road, stormwater and park improvements. The Blueprint 2000 Joint Participation Agreement Revenue supports County projects funded through the County's share of the \$50 million water quality/flooding funding. Appropriated fund balance is actually internal borrowings to advance fund certain projects. The transfer account is the corresponding repayment.

Notes:

The Board approved a Resolution increasing the tipping fee disposal rates by \$1.80 per year for the next five years and the electronics disposal fee will increase from \$75 to \$90. The tipping fee is established at \$40.80 per ton for FY12.

The general revenue subsidy decreased by \$300,000 due to the completion of a one-time capital improvement project. The Board approved a \$1.0 million general revenue subsidy to this enterprise fund to pay for the unincorporated are rural waste collection centers, and to cover a portion of the disposal cost for sold waste collected in the unincorporated area. These two services are supported by the \$40 non ad valorem assessment. Due to the weak economy, the Board chose not to consider raising the \$40 non ad valorem assessment and continue the general revenue support for these services.

Board of County Commissioners

Board of County Commissioners

Executive Summary

The Board of County Commissioners section of the Leon County FY 2012 Annual Budget is comprised of the Leon County's Board of County Commissioners. The Board provides leadership and direction to County departments and programs.

HIGHLIGHTS

Under the County Administrator's new organization structure, the Board of County Commissioners was realigned from the Administrative/Legislative section of the budget document.

The Board of County Commissioners has provided guidance and direction relating to County priorities during a time of economic stress and reduced resources. The Board identified its priorities for the budget as follows:

1. Economic Development
2. Woodville Sewer Issue
3. Apalachee Park/Sports Complex
4. Acquisition of the Flea Market Tract
5. Northeast Park
6. Comprehensive Plan Reform
7. Primary and Mental Health Care for the Uninsured
8. Southern Strategy
9. Comprehensive Program to Address Recidivism Reduction, County Re-entry Program for Inmates, and Diversion, Including Youth Programs

Without raising property taxes, the Board was able to reduce the FY12 Tentative budget by \$8.4 million, from \$244 million in FY11 to \$235.6 million.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Board of County Commissioners from the Legislative/Administrative Department.

The major variances for the FY 2012 County Commission budget are as follows:

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance, a 3% salary adjustment for employees making under \$50,000, and a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

Administration

Administration

Executive Summary

The Administrative section of the Leon County FY 2012 Annual Budget is comprised of County Administration, Strategic Initiatives, Human Resources and Management Information Services.

County Administration facilitates the delivery of services consistent with priorities and policies established by the Board. Strategic Initiatives coordinate the Board's strategic initiatives. Human Resources provide services in the areas of recruitment, employment, benefits, compensation, workplace safety, and regulatory compliance. Management Information Services provides technology and telecommunications products and services, which enhances the County's information management capabilities.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Legislative/Administrative section of the budget document was re-titled to Administration. The Board of County Commissioners and the County Attorney's Office were realigned to their respective sections. Additionally, the Office of Management and Budget was re-titled "Office of Financial Stewardship" and realigned to its respective section. Finally, Management Information Services was realigned to Administration to allow continued focus on the utilization of technology.

County Administration will continue to provide leadership and direction to County employees, to facilitate the implementation of Board priorities and policies and to manage the operation of County functions to ensure the delivery of cost effective, customer responsive public services within the bounds of available resources. The Board approved the elimination of the Assistant County Administrator position due to the Voluntary Separation Incentive Program. This position was previously funded in the Office of Management & Budget and Risk Management budgets.

Human Resources (HR) continues to provide recruitment, employment, benefits, compensation, and regulatory compliance services in order to attract and retain a highly talented, committed, and diverse Leon County workforce. As part of the FY 2012 budget, the board approved funding for a position to manage the Wellness Program which provides help to employees in developing healthy lifestyles through education.

During FY 2011, Management Information Services submitted a winning entry to the Digital Counties Survey Awards sponsored by the National Association of Counties (NACo), in partnership with e.Republic's Center for Digital Government and Digital Communities program, that designated Leon County in the Top 10 counties nationwide for effectively economizing and innovatively using technology within the population range of 250,000 – 499,999. Continued use of virtualized infrastructure and desktop engineering has allowed for cost effective and enhanced computing upgrades for programs and employees. MIS helped implement new and/or upgraded solutions for work order and document management throughout the County. In partnership with the Public Information Office, MIS redesigned and redeployed the County's website for enhanced citizen interaction and County government transparency.

Due to the Board approved Leon LEADs reorganization, this program is under the auspices of Administration (formerly the Legislative/Administrive Department).

The major variances for the FY 2012 Human Resources budget are as follows:

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Costs associated with the new Wellness Coordinator position effective October 1, 2011 in the amount of \$66,088.
3. Costs associated with cell phone stipend for two current positions in the amount of \$1,080.
4. Costs associated with the Document Scanner position realigned from MIS during FY11.

Decreases to Program Funding:

1. Costs associated with programmatic budget reductions such as reduction of a one-time \$50,000 expense from FY11 for Healthcare Consultants for the new Health Care Reform.
2. Communication costs in the amount of \$731.
3. Costs associated with the funding of the Project Search Coordinator position due to the elimination of the program.

Administration

Management Information Services - Management Information Services (001-171-513)

Goals

The goal of Management Information Services (MIS) is to serve end users with continually improved, efficient, cost effective technology and telecommunications products, services, and information so that customers are totally satisfied and able to fulfill their missions.

Objectives

1. Provide technology infrastructure and support for the Board, other County Constitutional Officers, and Article V agencies (Courts, State Attorney, Public Defender, Clerk, and Guardian Ad Litem).
2. Provide and maintain county network connectivity for all buildings and offices of the Board, Constitutional Officers, Article V agencies and the 2nd Judicial Circuit (Gadsden, Wakulla, Jefferson, Franklin, and Liberty counties).
3. Provide and maintain Internet access for employees within county facilities, for the public within the library system, and wireless access within the Courthouse, main and branch libraries, park facilities, and for designated community centers.
4. Provide for mobile office services to Building Inspection, Public Works Operations, Animal Control, Emergency Medical Services (EMS), Facilities, and other field workers.
5. Maintain network file systems and storage, and provide system security such as firewalls and SPAM and virus protection.
6. Provide telephone and voice mail services for the Board and the Supervisor of Elections, the Public Defender and State Attorney offices, Guardian Ad Litem, the Health Department, and any other County entities as interested.
7. Provide e-mail services for the Board, Constitutional Officers, and Article V agencies.
8. Support and provide connectivity for Personal Data Assistants (PDAs).
9. Operate the central data center and a disaster recovery site, support and maintain over 200 servers, provide backup and restoration management, disaster recovery and business continuity services. Currently implementing a virtualized infrastructure environment.
10. Support, maintain, and replace laptops, tablets, printers, personal computers, and desktop software (Microsoft Office Suite) for the Board, Constitutional Officers, Article V agencies, and the public systems within the library facilities. Provide appropriate security for these systems.
11. Develop, maintain and enhance the inter-agency Criminal Justice Information System (JIS) for the justice community. The JIS supports the Courts, State Attorney, Public Defender, Sheriff's Office, Probation and Supervised Pretrial Release.
12. Develop, maintain, and enhance the Jail Management Information System for the Sheriff's Office.
13. Develop and maintain case management and work release management software applications for Probation, Supervised Pretrial Release, and the Sheriff's Office.
14. Maintain the pawnshop network system. MIS developed this system, which is currently being used by more than 20 Florida counties.
15. Provide technical support to the Supervisor of Elections at all voting locations for all elections.
16. Provide technical solutions for the Courts, such as technology in the courtrooms and teleconferencing for first appearance.
17. Develop and maintain web services (including an Intranet for the Board; websites for the Board, Property Appraiser, Sheriff, Tax Collector, Supervisor of Elections, State Attorney, Public Defender, Blueprint 2000, and the Tourist Development Council) and online web applications (such as Board meetings, workshops, agendas, calendars; job applications; customer problem reporting; permitting; Purchasing via DemandStar; Summer Youth applications; Library Services, Capital Area Flood Warning Network; Volunteer Services; Parks Reservations; and Have a Hurricane Plan).
18. Support, maintain, and upgrade work order and other management systems, including Banner (Finance, Purchasing, Human Resources, and Payroll), Hansen (Public Works), Animal Control, FASTER (Fleet), WeighMaster (Landfill), Hansen (Facilities Management), Heat (MIS), Halogen E-Appraisal (Human Resources), Permits and Enforcement Tracking Software (PETS) (Growth and Environmental Management), E-Pro and Telestaff (EMS) and SIRSI (Library). Continue to collapse single work order management systems into the enterprise Hansen system.
19. Develop specialized applications for Human Resources (compensation, employee benefits, and the Florida Retirement System) and the Office of Management and Budget (budget modeling support).
20. Implement electronic document management for Public Works (Animal Control and Engineering), Growth and Environmental Management, Veterans Services, Human Resources, and the County Attorney's Office, and other divisions or offices as they become ready.
21. Support the Public Information Office in the effective and efficient methods of communication to the public and internal customers.
22. Plan for and coordinate the delivery of data services in new construction and renovations for computer and communications infrastructure and equipment.
23. Coordinate employee desktop software training.
24. Provide inventory and asset management of computer and communication assets.

Statutory Responsibilities

Florida State Constitution under Article V (Judiciary), Section 14 (Funding) requires provision of communications services, existing radio systems, and existing multi-agency criminal justice information systems for the Trial Courts (Court Administration and the Clerk of the Court), the State Attorney, and the Public Defender within the Second Judicial Circuit.

Advisory Board

The Criminal Justice Coordinating Council is the executive steering committee for the Justice Information System. Internally, the Justice Information Systems Agreement of 2001, re-ratified in January 2007, by the Criminal Justice Coordinating Council, governs the responsibilities and expectations of the multi-agency criminal justice system called JIS.

Management Information Services - Management Information Services (001-171-513)

Due to the Board approved Leon LEADs reorganization, this program was realigned to Administration from the Management Services Department.

The major variances for the FY 2012 Management Information Services budget are as follows:

Increases to Program Funding:

1. Contracts or other obligations for continuity of maintenance services in the amount of \$148,250.
2. Communication costs in the amount of \$4,077.
3. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$1,725.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000. In addition a position has been reclassified from a Document Scanner to an EDMS Technician.
2. The reorganization of the IT technical support program allowing the reduction of a Senior IT Technical Support Specialist position due to the Voluntary Separation Incentive Program in the amount of \$44,984.
3. Position reorganization during FY 2011 transferring a Document Scanner to Human Resources in the amount of \$34,185.
4. Costs associated with programmatic budget reductions for the Microsoft Licensing Agreement in the amount of \$120,000.

Administration

Management Information Services - Geographic Info. Systems (001-421-539)

Goals

The goal of the Tallahassee-Leon County GIS is to enhance the County's Information Management capabilities to provide efficient and improved services to citizens.

Objectives

1. Maintain and update the base map (Completion of the Flyover and LiDAR acquisition Projects).
2. Develop, implement, and maintain the systems, infrastructure, and databases required to support the interlocal government user groups.
3. Develop, implement, and maintain the Internet, Intranet GIS Applications, and provide maps to citizens and the general public.
4. Continue to provide improved data access to the public and staff, and provide GIS analytical support to government decision making.
5. Integrate GIS into business processes (Land ID Project, TLC GIS Viewer, Work Order Management/GIS Integration, Addressing and Emergency Management).
6. Support Permit and Enforcement Tracking System integration.

Statutory Responsibilities

Many of the datasets and GIS tools provided to Tallahassee-Leon County GIS end users allow them to remain in compliance with the County and City environmental regulations, the Comprehensive Plan, Telecommunication Ordinance, Addressing Ordinance, Senate Bill 360 (concurrency), and Florida statutes regulating the Property Appraiser's Office. In addition, Tallahassee-Leon County GIS provides direct support for the County's Emergency Management Plan. Tallahassee-Leon County GIS is also required to comply with Public Records Statutes.

Aegis Business Technologies provided a benchmarking report for TLC GIS in May 2010. The report provided several qualitative measures which identified TLC GIS as a leader among GIS programs in the Southeast. These include: highest dollar amount acquired through grants, highest number of super-users supported, highest number of active GIS projects and the leader in Virtualization.

Notes:
1. Internet activity has declined over the past four years by approximately 10% or 7,600 visits per month since 2007. Although the number of websites has increased, those related to the real estate market and sales (i.e. the Leon County Property Appraiser's website) have experienced a significant reduction in visits (up to 35%). Due to the current real estate market; the trend is expected to continue into next fiscal year before leveling off.

Due to the Board approved Leon LEADs reorganization, this program was realigned to Administration from the Management Services Department.

The major variances for the FY 2012 Geographic Information Systems budget are as follows:

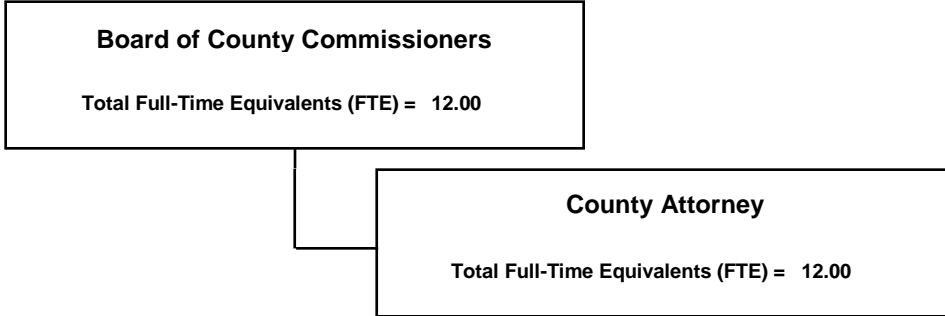

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. Communication costs in the amount of \$497.

County Attorney's Office

County Attorney's Office

Executive Summary

The County Attorney's Office section of the Leon County FY 2012 Annual Budget is comprised of the County Attorney's Office.

The County Attorney provides legal services to the Board of County Commissioners, the County Administrator, and County departments, boards and agencies organized under the Board of County Commissioners. The office of the County Attorney also reviews all contracts, bonds, ordinances, resolutions and other written instruments.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the County Attorney's Office was realigned from the Administrative/Legislative section of the budget document.

The County Attorney's Office successfully defended Leon County in *The Collection Point and Harvey, et al., v. Leon County*, concerning Leon County Probation's drug testing program, resulting in a dismissal of the litigation against Leon County and an award of attorneys' fees plus interest to the County. In addition, the CAO granted Intervenor status in the Grady County dam litigation. Lastly, the Office of the County Attorney prepared and filed with the Florida Supreme Court an *Amicus Brief* in the matter of *Keck v. Eminisor*, regarding local, non-elected officials' sovereign immunity, on behalf of the Florida Association of Counties.

Department of Public Works

Department of Public Works

Executive Summary

The Public Works section of the Leon County FY 2012 Annual Budget is comprised of Support Services, Engineering Services, Fleet Management, Operations, Parks and Recreation.

Support Services provides oversight, policy development, and coordination of departmental activities. The Operations Division manages programs that support transportation, roadside beautification, stormwater maintenance, and mosquito control. Engineering Services provides services for the construction and maintenance of transportation and stormwater-related infrastructure. Fleet Management provides maintenance and repair of County-owned and operated vehicles. Parks and Recreation creates, maintains, and manages infrastructure and programs supporting recreation, parks, and open space.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Department of Public Works, along with the Department of Development Support & Environmental Management, Department of Facilities Management and Department of PLACE were brought under the supervision of the Director of Public Works and Community Development, in an effort to create synergy and provide opportunities for improvement in how the services are delivered. To bring focus to the department and create a more traditional public works function, Animal Control and Solid Waste were realigned to the offices of Public Services and Resource Stewardship, respectively.

The Operations Division consists of the Transportation Maintenance, Right-A-Way, Management, Stormwater Maintenance and Mosquito Control programs. The Alternative Stabilization program was "sunset" at the end of FY 2009. The Transportation Maintenance program, which is responsible for the maintenance of County roads, assumed the responsibility for maintaining those roads constructed under the Alternative Stabilization program. Additionally, the Right-of-Way program, which is responsible for roadside beautification has taken on the roadside maintenance of those roads. Stormwater Maintenance is responsible for the construction and maintenance of county-owned drainage systems. Mosquito Control's responsibility is to provide effective and environmentally sound mosquito control services and educational programs to protect public health and reduce human discomfort associated with large mosquito.

Engineering Services is responsible for providing the public with professional services for the construction and maintenance of infrastructure to enhance our community's quality of life. The division provides in-house design services for construction projects, performs design reviews, and inspects and performs quality control of new subdivision construction. Additionally, Engineering provides water quality monitoring services.

The Fleet Management Division is responsible for providing quality repairs and maintenance of vehicles and equipment for the Board of County Commissioners and all Constitutional Offices, excluding the Sheriff's Office. Fleet Management provides road and field service repairs on stationary equipment and disabled vehicles.

Parks and Recreation is responsible for providing safety, comfort, and convenience to the public through the creation, maintenance, and management of infrastructure and programs supporting recreation, parks, and open space. Parks and Recreation is also responsible for the maintenance of all county park facilities, including ball fields, boat landings, nature trails, greenways, and open spaces. In addition, this division provides and operates five multi-purpose community centers. In 2011, Parks and Recreation partnered with Fish and Wildlife Commission to manage invasive plant species throughout the Alford and Miccosukee Greenways and was awarded a state grant for habitat restoration at the St. Marks Greenway. As part of an organizational realignment for FY 2012, Parks and Recreation reclassified the community center coordinator position to a community center attendant position to provide additional field support for the operational needs of the community centers. Also, an additional park attendant position was realigned from Engineering Services to meet the increase in greenway and passive park maintenance demands due to increases in acreage.

Department of Public Works

Support Services (106-400-541)

Goals

The goal of the Department of Public Works and Support Services is to effectively serve the residents of Leon County by planning, developing, and maintaining quality infrastructure. This is accomplished by delivering environmentally sensitive and cost-effective products and services in order to achieve a high quality of life that includes health and safety, human comfort, and convenience.

Objectives

1. Provides oversight, monitoring, policy development and coordination of the seven divisions and multiple budget programs within the Department.
2. Coordinates the department wide submission of the Annual Budget and Capital Improvement Program and manages capital improvement projects.
3. Coordinates Board meeting agenda items and other related correspondence.
4. Coordinates department travel requests and expense reports.
5. Provides quality control relative to approximately 255 employee's annual appraisals, in addition to quarterly purchasing card audits.
6. Provides records management for entire department.

The major variances for the FY 2012 Support Services budget are as follows:

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. Communication costs in the amount of \$1,262.

Department of Public Works

Operations - Transportation Maintenance (106-431-541)

Goals

The goal of the Public Works, Division of Operations Transportation Program is to provide for the safety, comfort, and convenience of the public by creating, maintaining, and managing infrastructure and programs supporting transportation, roadside beautification, and stormwater maintenance. This is accomplished through cost effective, environmentally sensitive, and aesthetically pleasing products and services.

Objectives

1. Responsible for the creation, maintenance, management, and preservation of functional, safe, and effective transportation systems for the citizens of Leon County and its visitors.
2. Provides pothole patching and major asphalt repairs.
3. Provides dirt road grading, stabilization, and ditch maintenance.
4. Provides street sign installation and repair.
5. Provides supervision of contract services for various activities on over 654 miles of County roadways.
6. Provides repairs on private roads to citizens through Leon County's Private Road Preventative Maintenance and Repair Program.
7. Provides bridge and guardrail maintenance.
8. Provides pavement marking installations.
9. Provides Open Grade Mix resurfacing.
10. Provides Open Grade Mix pothole patching and major repairs.
11. Provides Hydro-cleaning to maintain porosity of Open-Grade Mix roads.
12. Responds to service requests from citizens and internal customers.

Statutory Responsibilities

Benchmarking

Benchmark Data	2009-2010 Leon County Actual Production MH/Unit	Benchmark (FDOT Production) (Standard)
Shoulder Repair (rework non-paved) ¹	97.79 man hours/acre	32.238 man hrs/acre
Plant Mix Patching (Hand) ²	7.86 man hours/ton	11.088 man hours/ton
Major Plant Mix Patching (Mechanical) ³	0	1.828 man hours/ton
Signs (ground signs 30 sq. ft. or less)	0.52 man hours/sign	0.804 man hours/sign
Open-Grade Mix Major Repair Patching (Mechanical)	2.51 man hours/ton	1.828 man hours/ton

Benchmark Sources: Florida Department of Transportation Maintenance Management Systems Manual.

Notes:

1. The differential in MH/Unit is due primarily to FDOT's wider and longer right-of-ways. This results in FDOT completing more acres per day, due to not having to move between smaller projects. Also, Leon County maintains drainage pipes on dirt roads, which tends to take longer to clean than those on paved roads.
2. FDOT has combined its Major Plant Mix Patching (Hand) and Pothole Patching into one activity. Beginning in FY11, Leon County will also combine the two activities.
3. There was no Major Plant Mix (Mechanical) Patching accomplished for this reporting period. This was primarily due to the County's resurfacing efforts and an increase in the scheduling efficiency of Patching Crews.

The major variances for the Transportation Maintenance budget are as follows:

Increases to Program Funding:

1. Contracts or other obligations for continuity of services for additional traffic signals on Mahan Road and a rise in price for Therm-o pavement markings in the amount of \$15,090.
2. Costs associated with the reorganization of expenses for private road repair in the amount of \$25,000. These expenses will be offset by a corresponding increase in private road repair revenue.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. Department of Public Works

Operations - Right-Of-Way Management (106-432-541)

Goals

The goal of the Public Works, Division of Operations Right-of-Way Management Program is to provide for the safety, comfort, and convenience of the public by managing programs that support transportation, roadside beautification and stormwater maintenance.

Objectives

1. Provide roadside maintenance on over 654 miles of County roadways.
2. Meet the objectives and goals set forth in the Canopy Road Management Plan.
3. Review tree removal requests and prune or remove high risk trees and noxious plants.
4. Management of the Roadside Beautification Program including the Adopt-A-Tree, Adopt-A-Road, and Tree Bank programs.
5. Litter control and roadside mowing to enhance the functionality, safety, and effectiveness of the roadside environment for vehicular and pedestrian traffic.
6. Perform Clear Zone maintenance to provide a safe recovery area along roadways.
7. Respond to service requests from citizens and internal customers.
8. Perform finish cut mowing, edging, mulching, irrigation maintenance, herbiciding, fertilizing, and shrub/tree pruning in landscaped areas of County rights-of-way.
9. Maintain vegetation in all County maintained stormwater facilities.

Benchmarking

Benchmark Data	2009-2010 Leon County Actual Production MH/Unit	Benchmark (FDOT Production) (Standard)
Roadside Litter Removal ¹	0.38 man hours/acre	1.09 man hours/acre
Right-of-Way Mowing	0.64 man hours/acre	0.60 man hours/acre
Landscaped Area Maintenance ²	9.32 man hours/acre	5.68 man hours/acre

Benchmark Source: Florida Department of Transportation Maintenance Management Systems Manual.

Notes:

1. Roadside Litter Control has been added and Clear Zone Maintenance has been removed as a benchmark because FDOT's standard is inconsistent with Leon County's method of performing and measuring similar work. For the purposes of reporting man hours, Leon County will begin including the man hours of inmates and Court-appointed workers, to be effective FY 2012.
2. Landscaped Area Maintenance is most similar to an FDOT activity called Small Machine Mowing. However, Landscaped Area Maintenance also includes edging, blowing, and mulch bed maintenance. This results in a higher man hour per unit ratio for Leon County.

Performance Measures

Performance Measures	FY 2009 Actual	FY 2010 Actual	FY 2011 Estimate	FY 2012 Estimate

Mow 500 miles, five (5) times during the mowing season (Goal: 2,500 mi)	1,810	2,501	2,500	2,500

Notes:

1. The number of roads receiving litter control has increased.
2. The landscaped area maintenance has increased due additional sites being developed, as well as a recent increase in available manpower.

Department of Public Works

Operations - Mosquito Control Grant (122-214-562)

Goals

The goal of the Department of Public Works Mosquito & Stormwater Grant is to train and empower its employees to provide Leon County residents and visitors with effective and environmentally sound mosquito control services. Services and educational programs are provided to protect public health and reduce human discomfort associated with large mosquito populations.

Objectives

1. Conduct fog truck spraying services during the early evening hours to target mosquitoes active at this time.
2. Provide hand-fogging service to control daytime mosquitoes which cannot be controlled using nighttime truck spraying.
3. Provide inspections of citizens' properties, provide educational literature, and make practical recommendations to the residents.
4. Conduct inspections of ponds and pools to determine if they are suitable for introduction of mosquitofish.
5. Provide outreach through our Community Education program by conducting educational presentations to schools, civic organizations, homeowner associations, or other groups interested in learning more about mosquitoes and mosquito control.
6. Inspect wetlands, ponds, ditches, or other areas that may harbor larval mosquitoes and treat small and medium-sized areas immediately with appropriate control materials. For larger areas, an aerial application is scheduled.
7. Conduct aerial larviciding in cooperation with the Leon County Sheriff's Office Aviation Unit. The Division provides the application and navigation equipment, control materials, and support staff. The Leon County Sheriff's Office provides the helicopter, pilot, and aviation support services.
8. Map all mosquito control surveillance and requests to identify mosquito activity clusters that may require additional efforts.
9. Monitor for mosquito-borne diseases using sentinel chicken flocks. Collect blood samples and send to the Florida Department of Health for testing.
10. Collect discarded tires from neighborhoods and dispose of through Leon County Solid Waste Management Division.

Benchmarking

The Division of Operations is currently researching benchmarking criteria for mosquito control programs throughout the state. However, due to the diverse nature of mosquito control programs as it pertains to funding levels, mosquito species and control methods employed, the Division is having difficulty obtaining benchmarking criteria. The Division will continue in FY 2012 to research appropriate criteria.

The major variances for the Mosquito Control budget are as follows:

Increases to Program Funding:

1. Communication costs for cellular wireless cards to improve field technician efficiencies in the amount of \$2,952.
2. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$245.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. Department of Public Works

Operations - Stormwater Maintenance (123-433-538)

Goals

The goal of the Public Works, Division of Operations Stormwater Maintenance Program is to provide for the safety, comfort and convenience of the public by creating, maintaining and managing infrastructure and programs supporting transportation, roadside beautification, and stormwater maintenance.

Objectives

1. Maintaining and retrofitting open and enclosed County-owned drainage systems providing for water quality and rate control.
2. Protect citizens against personal injury and private property loss, as well as Leon County from financial loss associated with stormwater runoff.
3. Provides silt removal from open ditches and enclosed stormwater pipe maintenance (mechanically and by hand labor).
4. Sod, hydromulch, seed and hay shoulders, front slopes, back slopes and ditches to prevent erosion.
5. Responds to service requests from citizens and internal customers.
6. Construction and repair of concrete structures (i.e. concrete ditch block, concrete ditch pavement, inlets, curbs, and head walls).
7. Conduct routine maintenance such as mowing, tree trimming, and fence repair on stormwater ponds and conveyances.
8. Remove silt from ponds and replace stormwater pond filter systems to ensure proper treatment of stormwater.
9. Repair and stabilize stormwater ponds and conveyances to prevent erosion and future damage to the facility.
10. Conduct inspections of stormwater ponds and conveyance systems to ensure compliance with environmental permits.

Benchmark Data	2009-2010 Leon County Actual Production MH/Unit	Benchmark (FDOT Production) (Standard)
Cleaning of Drainage Pipes (Mechanical)	0.18 man hours/linear ft.	0.207 man hrs/linear ft.
Cleaning and Reshaping Roadside Ditches ¹	0.06 man hours/linear ft.	0.106 man hrs/linear ft.
Sodding ²	0.13 man hours/square yard	0.182 man hours/square yard

Benchmark Source: Florida Department of Transportation Maintenance Management Systems Manual.

Notes:

1. Roadside ditches in Leon County are narrower than those on FDOT roadways. The result is more linear feet of County ditches cleaned per day.
2. Sodding benchmark was added this year for the first time.

2. Clean and reshape 225,000 feet/year of roadside ditches annually	216,619	228,533	225,000	225,000
3. Sod 11 miles of ditches annually	10.88	13.5	11	12
4. Clean 19,000 feet of drainage pipes annually	25,637	25,173	19,000	19,000
5. % of ponds and associated conveyances mowed two times annually per County Operating Permit requirements ¹	71%	100%	90%	90%
6. % of County conveyance systems, not associated with County Operating Permits, mowed one time annually ¹	26%	25%	90%	50%

Notes:

1. Effective FY 2012, performance measure #6 is changed to reflect the number of conveyances being mowed that are not associated with County Stormwater Operating Permits. Those conveyances that are associated with Stormwater Operating Permits are mowed at the same time as the Stormwater ponds with which they are associated; these are reflected in performance measure #5.

Due to the Board approved Leon LEADs reorganization, an Equipment Operator and a Maintenance Technician position were realigned from Stormwater Maintenance to the newly created Real Estate Management Division.

The major variances for the FY 2012 Stormwater Maintenance budget are as follows:

Increases to Program Funding:

1. Contracts or other obligations for continuity of services in the amount of \$20,000 for additional sod to maintain current level of replacement service and \$4,000 for upgrades to the Capital Area Flood Warning Network.
2. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$20,285.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Department of Public Works

Engineering Services - Engineering Services (106-414-541)

Goals

The goal of the Department of Public Works Engineering Services is to provide the public with professional services for the construction and maintenance of cost-effective infrastructure to enhance our community's quality of life.

Objectives

1. In-house design using County staff and resources to design projects for construction, either for Capital Improvement Projects or for smaller identified projects; engineering support for Operations Division activities such as maintenance of existing facilities and repairs or construction of infrastructure. Also, evaluates, performs design reviews, inspections, and performs quality control of new subdivision construction and other projects creating infrastructure for County ownership and maintenance. Also, processes subdivision plats for recording in the public records, reviewing with developers and their consultants, as well as preparing agenda to present plat and associated agreements to the Board of County Commissioners.
2. Representation of the County at meetings of County interests, such as utility coordination, construction coordination, sidewalk and pedestrian infrastructure coordination. Also, responsible for Interagency Coordination including: representing Leon County's Stormwater interests with BluePrint 2000 Program administration and capital project implementation, participating in the annual review of tax deeds, representing Leon County Public Works with citizen committees (Science Advisory & Water Resources Committees), coordinating with state, federal, and local agencies regarding water resource priorities and public health concerns, and providing technical support for permitting and litigation actions.
3. Responds to requests from other departments/divisions for delineation of county property and easements, which also includes: preparing and/or reviewing legal descriptions, sketches, and maps for the acquisition or disposition of property; easements, or other real estate interest. In addition, the preparation and/or review of legal descriptions, sketches and maps for the County Attorney's Office and other departments; responding to the Board for information regarding land ownership issues; and, assists with the new County-owned property inventory list.
4. Responsible for the administration of the Stormwater Utility Program, the Water Quality Monitoring/Total Maximum Daily Load (TMDL) Program and implementation of the National Pollutant Discharge Elimination Systems (NPDES) standards for public drainage systems.
5. Responsible for Infrastructure Operations including: review of drainage complaints with field staff; responding to citizens, administration, and commission staff; developing operational corrections or scope of required capital project to address complaints, and identification of problem areas. Also, regulates the installation of utilities in County rights of way and oversees roadway resurfacing and shoulder repair.
6. Provides support to the Development Review Division of Growth and Environmental Management including: review of drainage and treatment designs for public subdivisions, recommends plan modifications to comply with maintenance requirements, identification of drainage problem areas potentially affected by design, coordination with Stormwater Maintenance staff when standards cannot be achieved, and representing Leon County Public Works in review of regional development plans.
7. Responsible for Capital Project Development which includes: identifying planning needs to define project scope to correct flooding or water quality concerns, preparation of grant applications to support capital projects, and providing technical assistance to design staff regarding wetland and water resource protection or restoration.

The major variances for the FY 2012 Fleet Management budget are as follows:

Increases to Program Funding:

1. Costs associated with the increase fuel/oil supplies, which are offset by departmental, constitutional, and agencies billings, in the amount of \$180,105.
2. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$3,465.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. The major variances for the FY 2012 Parks and Recreation budget are as follows:

Increases to Program Funding:

- As part of a Public Works Department Reorganization, an additional Park Attendant Position was realigned from the Engineering Services Division, effective October 1, 2011 in the amount of \$36,147.
- Contracts or other obligations for continuity of services such as; contractual mowing fuel adjustments (\$22,663), mowing and pest management (\$23,716), security monitoring at the community centers and concession buildings (\$26,300), operating supplies (\$37,500), utilities (\$5,500) and other associated expenses (\$10,919) for a total amount of \$126,598. A majority of the increases are related to additional passive park and greenway acreage maintained by the County.
- Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$15,505. The planned purchase of a vehicle for the additional Park Attendant in FY 2012 contributes to some of the increase in these costs.

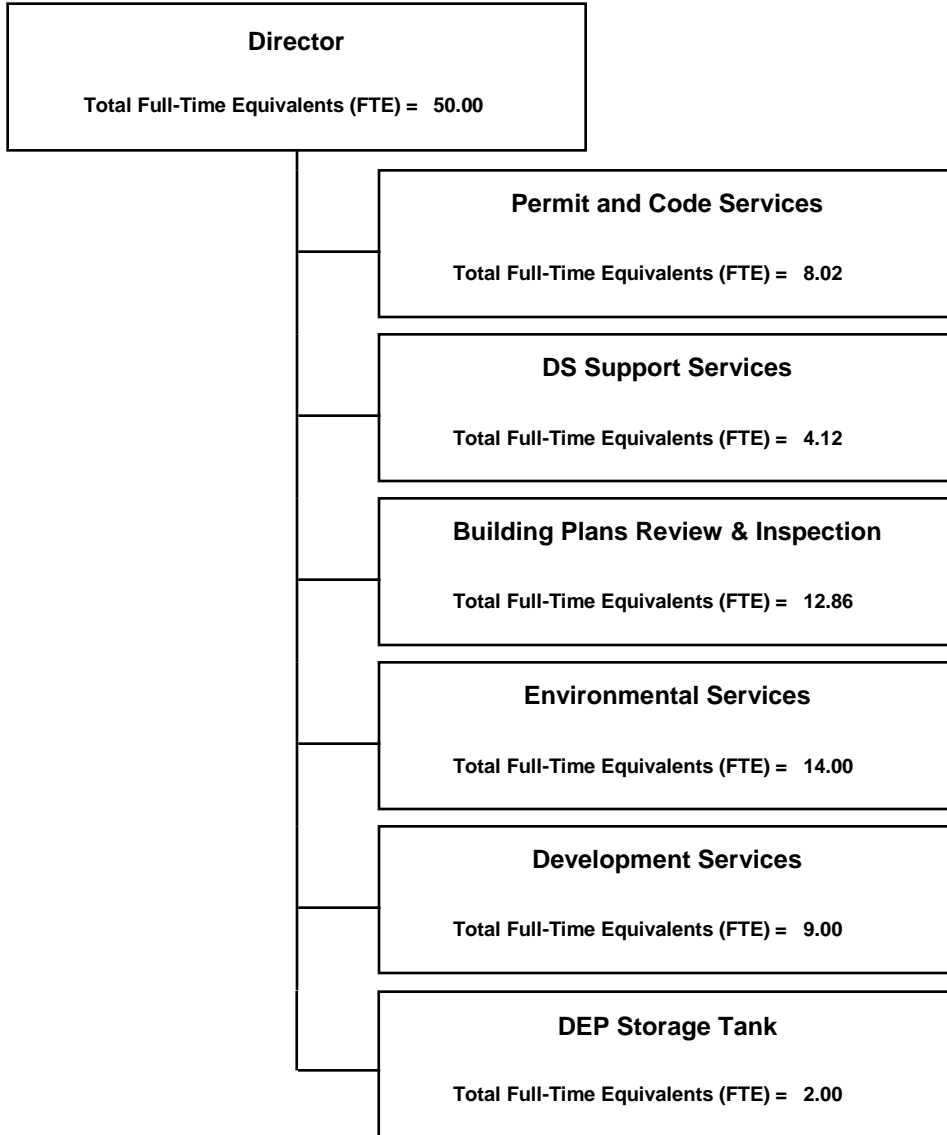

Decreases to Program Funding:

- Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. Department of Development Support & Environmental Management

Department of Development Support and Environmental Management

Executive Summary

The Department of Development Support and Environmental Management section of the Leon County FY 2012 Annual Budget is comprised of Permit & Code Services, DS Support Services, Building Plans Review & Inspection, Environmental Services, Development Services, and Department of Environmental Protection Storage Tank program.

Permit & Code Services coordinates and administers licensing code compliance, growth and environmental management services, and citizen review board services. DS Support Services provides the administrative direction and support necessary to enable the Department to serve the public, governmental entities, and the development and environmental communities. Building Plans Review & Inspection ensures compliance with appropriate construction codes through permit issuance, plans review, inspections, and use of automation technologies. Development Services ensures that all land development proposals are approved consistent with adopted regulations. Environmental Services provides technical and scientific permitting and review services, and disseminates environmental information to the public. The Storage Tank program implements the Florida Department of Environmental Protection Storage Tank Contract.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Department of Growth and Environmental Management was re-titled to the Department of Development Support and Environmental Management, and along with three other areas was brought under the supervision of the Director of Public Works and Community Development, in an effort to create synergy and provide opportunity for improvement in how services are delivered.

The Department of Development Support and Environmental Management moved to the Renaissance Center in Frenchtown, on March 19, 2007. The new location now offers the community a "one-stop" center for growth management and planning related activities since the Tallahassee-Leon County Planning and the City of Tallahassee Growth Management departments moved to this location during FY 2008.

During a FY 2010 mid-year reorganization of the Department of Development Support and Environmental Management, the previous Support Services division was renamed Permit & Code Services and a new DS Support Services division was created. Operating and personnel budgets were split between the two divisions.

Department of Development Support and Environmental Management:

The slow down in the real estate and construction related markets in the County have had a corresponding impact on the number of development approvals and environmental permits that are being submitted for review. This has caused a decline in revenue to the Department. To ameliorate the effects of this slow down, nine positions were eliminated in the department during a mid-year FY 2010 reorganization and one Senior Building Inspector position in FY 2012 through the employee voluntary separation incentive program. The combined annual savings by eliminating these positions is \$724,202. A further decline in revenues is expected in FY 2012.

Even with these budget reductions, 68% of Development Support & Environmental Management's FY 2012 budget is being transferred from the County's general revenue to subsidize the Department's operations, up from the historical 50% of the budget. If development review application and environmental permitting levels do not return to normal levels within this period, additional adjustments may be required. These adjustments may include additional position reductions, or increased general revenue support.

In 2011 the Board of County Commissioners approved the Minimum Countywide Stormwater Standards ordinance for both the City of Tallahassee and the unincorporated area of Leon County to fulfill the first phase of the Minimum Countywide Environmental Regulations authorized under the citizen's vote revised the County's Charter.

In addition, permitting and compliance implemented the new Simulated Gambling Devices (SGD) Ordinance as directed by the Board of County Commissioners on June 14, 2011. This Ordinance will require an applicant to obtain a permit to operate a simulated gambling facility, as well as regulate the use of simulated gambling devices within the City and County.

Building Plans Review and Inspection:

A continued decline in revenues associated with the economic downturn required the elimination of a Senior Building Inspector position, through the employee voluntary separation incentive program, and a reduction in operating expenditures to avoid any subsidy from general revenue to balance the Building Plans Review & Inspection Fund in 2012. If permitting levels do not return to more normal levels next fiscal year, either the general revenue subsidy will have to be increased or further expenditure reductions will need to be made in order to maintain an acceptable level of permitting services.

The Leon County Building Plans Review & Inspection Division, with input from representatives of the solar industry, developed a revised fee assessment methodology that was approved by the Board. The new fee assessment methodology will result in a reduction of permit review and inspection fees for most solar installations. Building staff was also successful in implementing a revised internet and telephone permit application process for solar permitting.

Department of Environmental Protection (DEP) Storage Tank Program:

The Department continues to contract with DEP to conduct pollutant storage tank inspection within the County and recently entered into a new 10 year contract for these inspection services. The Storage Tank Program annually inspects 100% of regulated aboveground and underground storage tanks inspections in Leon County; above the 90% required by the DEP contract. During the June 27, 2011 budget workshop, the Board voted to provide a \$56,744 subsidy to the FY 2012 program after the State reduced funding during the 2011 legislative session.

Department of Development Support & Environmental Management

Permit & Code Services (121-423-537)

Goals

The goal of the Division of Permit and Compliance Services is to administer, centralize, coordinate and facilitate licensing code compliance, citizen review boards, and growth and environmental management services to residents, property owners and land development professionals served by the Department of Growth and Environmental Management, in order to achieve compliance with adopted ordinances and policies.

Objectives

1. Provide administrative support for the Code Enforcement Board and Contractor's Licensing and Examination Board.
2. Coordinate Code processing through the Code Compliance Program.
3. Coordinate and promote Code compliance through educational efforts.
4. Provide an initial point of contact to customers for all matters regarding Growth & Environmental Management.
5. Ensure applications are quickly and accurately processed in accordance with the direction of the County Commission and the Florida Building Code.
6. Coordinate the internet permitting activities with customers, vendors, Building Inspection, and Management Information Systems.
7. Coordinate the issuance of Building and Environmental Permits in a timely and efficient manner.
8. Provide assistance in the completion of Building and Environmental permit applications, which may include Certificate of Occupancy, Certificate of Completion and Notice of Commencement documents.

Due to the Board approved Leon LEADs reorganization, the Department of Growth and Environmental Management was re-titled to Department of Development Support & Environmental Management. Permit & Code Services (formerly Permit & Compliance Services) is under the auspices of this department.

The major variances for the FY 2012 Permit & Code Services budget are as follows:

Increases to Program Funding:

- Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
- An additional Senior Compliance Specialist position in the amount of \$42,614. The increase in costs for this position will be funded by a corresponding increase in fees collected for the permitting and code enforcement of Internet Cafes, in accordance with the newly established Regulation of Simulated Gambling Devices Ordinance approved by the Board at the June 14, 2011 meeting.
- Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$2,896. This is primarily due to the realignment of a county vehicle transferred from Support Services, as part of a department re-organization in FY10.

Decreases to Program Funding:

- Communication costs in the amount of \$1,761.

Department of Development Support & Environmental Management

DS Support Services (121-424-537)

Goals

The goal of the Division of Support Services is to provide the administrative direction and support necessary to enable the Department to serve the public, governmental entities, and the development and environmental communities by managing growth and protecting the natural environment through public information and assistance, development review and permitting activities, and other compliance related services consistent with all applicable County and State plans, regulations, and policies.

Objectives

1. Provide department-wide direction, coordination, and support to divisions and programs.
2. Provide administrative coordination and support for agenda, budget, personnel, training, property, and other such reports.
3. Act as liaison between the public and Department staff regarding scheduling, meetings, correspondence, public records requests, etc.
4. Provide the initial point of contact for the public and other governmental entities in their requests for information and reservation of the Renaissance Center's 2nd floor meeting room.
5. Provide the initial point of contact for the public, Department staff, and other governmental staff in their request for building, code compliance, development review, or environmental records.
6. Provide staffing for GEM related Board-appointed citizen's committees, including recording the proceedings, taking minutes, and maintaining files.

Building Plans Review and Inspection (120-220-524)

Goals

The goal of the Division of Building Inspection is to ensure a safely built environment for the public within the unincorporated areas of Leon County. Building Inspection effectively and efficiently obtains compliance with appropriate construction codes and Leon County Code of Laws through permit issuance, plans review, inspections, use of automation technologies, training, support for the County's Contractor Licensing and Code Enforcement Boards and the Board of Adjustment and Appeals; all to be performed in a customer and staff sensitive manner.

Objectives

1. Review of building construction plans prior to issuance of permits to ensure structures are designed in accordance with applicable codes.
2. Ensure structures are constructed in accordance with approved plans and applicable codes through onsite inspections.
3. Provide staff support to the Contractors Licensing Board to ensure contractors' performance complies with State and local requirements.
4. Review new construction products, methods, and materials prior to use in Leon County.
5. Provide staff support to the Board of Adjustment and Appeals and the Code Enforcement Board.
6. Provide assistance to the Florida Association of Counties, Florida League of Cities, and the Building Officials Association of Florida during the Legislative Session and related Committee meetings regarding local impacts of proposed construction legislation.

Environmental Services (121-420-537)

Goals

The goal of the Division of Environmental Compliance is to provide high quality technical and scientific permitting and review services to the public and to disseminate environmental information to the public and government agencies in support of environmental protection efforts.

Objectives

1. Review development proposals, including permit applications, site and development plans and pre-application requests for compliance with the
2. Environmental Management Act and sound environmental management practices.
3. Conduct environmental analysis for rezoning, subdivisions, site plans, and other proposed activities to ensure consideration and mitigation of environmentally sensitive areas (ESA) and other regulatory constraints.
4. Provide technical support and recommendations on environmental policy, land use, permitting, and related management decisions to the Planning Commission, Board of Adjustment and Appeals, the Board of County Commissioners, and other County, City and State agencies.
5. Inspect permitted new construction and development activity for code compliance and consistency with permitted plans.
6. Implement the stormwater facility maintenance and operating permit program.
7. Perform maintenance inspections for stormwater facilities and landscaping, and issue operating permits where appropriate.
8. Provide walk-in client and customer assistance through the environmental service advisor rotation in the research, interpretation, information gathering, or generally directing the client to the appropriate resource or agency.
9. Implement single family permit reviews, including flood letter review, Board mandated flood indemnification declaration, compliance with master permit and plat, tree protection, erosion and sedimentation control, protection of features and lot-to-lot drainage issues.
10. Perform inspections, resolution of code violations with possible Code Enforcement Board involvement, such as non-permitted development activities, junk and mowing ordinance violations.

Development Services (121-422-537)

Goals

The goal of the Division of Development Services is to protect the health, safety, and welfare of the community by ensuring that all land development activities comply with adopted zoning, design, site plan, and subdivision standards and regulations.

Objectives

1. Complete revisions to the Site & Building Design Standards Guidelines Manual and related zoning district regulations to reflect community sentiment and Board direction.
2. Complete an updated commercial needs assessment for the community sector plans.
3. Implement interconnected streets designed consistent with livable street guidelines during the fiscal year.
4. As directed by the Board of County Commissioners, implement revisions regarding requirements to the land development code.
5. Initiate a comprehensive analysis of the policies and procedures of the Concurrency Management system in order to streamline application reviews and update various procedures and policies.
6. Complete an analysis of the addressing and street naming policies and procedures in order to enhance consistency and cooperation between County staff and other agencies comprising the Addressing Steering Committee.
7. Undertake a comprehensive analysis of technological advances in GIS and other addressing and street naming databases in an effort to increase efficiency and provide a higher level of customer service.

*This Benchmarking data was revised as part of the FY09 budget process in order to more accurately measure Development Services review times.

**Review times are based on calendar days. "Applicant" refers to # of days that the applicant was responsible for making corrections to the plan; "Staff" refers to # of days that staff spent reviewing the plan.

***These numbers are reflective of the inclusion of the Administrative Streamlined Application Process (ASAP) reviews. The ASAP process is intended to expedite proposed small-scale applications and usually requires a much shorter time-frame for review than Limited Partitions or Types A-D. This accounts for the decrease in mean time for review in total and staff days.

The major variances for the FY 2012 Development Services budget are as follows:

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$990.

Decreases to Program Funding:

1. Communication costs in the amount of \$647.

Department of Facilities Management

Department of Facilities Management

Executive Summary

The Department of Facilities Management section of the Leon County FY 2012 Annual Budget is comprised of Facilities Management and Real Estate Management.

The Department of Facilities Management coordinates construction and real estate activities. Facilities Management provides professional maintenance, construction, and operating services. Real Estate Management provides the management of acquisition and disposition of real property, appraisals, tax certificates, and County property.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Department of Facilities Management was created to more tightly coordinate construction activity throughout the organization and bring focus, attention and consistency to real estate matters. The reorganization included establishing Facilities Management as a department. In an effort to create synergy and provide opportunity for improvement in how services are delivered, the Department of Facilities Management along with three other areas was brought under the supervision of the Director of Public Works and Community Development position. Under the Department of Facilities Management, the Real Estate Management Division was created to coordinate real estate activities. Staffing for the Real Estate Management Division is provided through the realignment of two existing vacant positions from the Public Works Operations Division.

During FY 2011, Facilities Management oversaw the completed construction of three library expansions (Woodville, B.L. Perry, and Northeast Branch Library) as well as coordinating the construction of the Eastside Library and overseeing the design of the Lake Jackson Branch Library project. In addition, Facilities Management is currently providing planning and interagency coordination for the design and construction of the Public Safety Complex, which will be located on County-owned property at the intersection of Easterwood Drive and Weems Road.

Department of Facilities Management

Facilities Management - Facilities Management (001-150-519)

Goals

The goal of the Division of Facilities Management is to serve the citizens of Leon County and occupants of County facilities through the provision of professional maintenance, construction, and operating services; in order to provide clean, safe and fully-functional County facilities.

Objectives

1. Provide and maintain facilities for the Board, Property Appraiser, Supervisor of Elections, Tax Collector (main office) and Article V agencies (Courts, Clerk, State Attorney, Public Defender and Guardian Ad Litem). Additionally, provide construction support for the Sheriff (including the jail).
2. Provide construction services including planning, estimating and budgeting, site selection, architectural and engineering services, design, bidding and procurement, construction administration, project closeout and warranty management for County buildings.
3. Provide architectural, engineering, CAD, real estate due diligence, construction and energy management services. Maintain or provide for the maintenance of as-built plans. Generate floor plans for space planning, procurement, leasing, contracting, and other purposes.
4. Coordinate facility accessibility and indoor air quality surveys and respond appropriately.
5. Maintain County buildings' (including the health departments and dental clinic) structural, mechanical, plumbing, electrical, roofing, emergency generators, heating/air conditioning and other building systems. Administer a preventative maintenance program for the various building systems.
6. Install and repair or replace doors, windows, cabinetry, sealants, lighting, and building finishes (including flooring, carpentry, ceiling tiles, paint and caulk).
7. Manage parking in the Courthouse, Courthouse Annex, Gadsden Street lot and Main Library; maintain parking access gates, readers, striping and signage; manage parking waiting lists for Courthouse employees; administer employee parking contracts; and manage parking revenue.
8. Administer grounds keeping, custodial, mail equipment, parking equipment, pest control, generators, elevators, chillers, security, fire and integrated HVAC contracts.
9. Manage security access control systems, including obtaining access cards for employees, modifying and terminating access authorizations, coordinating the installation, maintenance and replacement of card readers, replacing keys and changing or adding hardware.
10. Maintain fire protection systems, including monitoring panels and automated sprinklers.
11. Design and remodel interior office space, such as wall and modular system removals and installations, cabinetry and shelving construction, installation of plumbing fixtures and ductwork.
12. Research energy conservation and sustainable building opportunities and take appropriate action.
13. Raise and lower the flags, hang plaques and pictures, put up and take down decorations, transfer surplus property to the warehouse, and surplus auctions.
14. Provide internal mail services for the Board within the Courthouse and Courthouse Annex.
15. Manage the central warehouse, including property deliveries and transfers, storage, and destruction.
16. Manage central records, including storage, security, retrieval, delivery, and destruction.

Statutory Responsibilities

Constitution of the State of Florida, Article V, Section 14 (facilities for the trial courts, Public Defender, State Attorney and Court functions of the Clerk); Florida Statute, Section 125.35; Florida Statute, Chapter 255, "Public Property and Publicly Owned Buildings"

Department of Facilities Management

Facilities Management - Facilities Management (001-150-519)

Due to the Board approved Leon LEADs reorganization, the Facilities Management Division was re-titled to Department of Facilities Management. This Division was formerly under auspices of the Department of Management Services: a Mail Clerk (formerly Materials Management Specialist) position was realigned from Purchasing to Facilities Management for the consolidation of the mail services function.

The major variances for the FY 2012 Facilities Management budget are as follows:

Increases to Program Funding:

1. Costs associated with the opening of the Woodville and Lake Jackson Branch libraries related to the security, custodial, maintenance, and repairs in the amount of \$22,070.
2. Costs associated with the opening of the Eastside Library related to the increase in operating costs related to the security, custodial, maintenance, and repairs in the amount of \$33,975. This increase is offset by a cost savings of \$150,962 from the Southeast Library lease. These funds were budgeted in a prior year for a possible expansion of the current storefront location. Ultimately capital funds were budgeted for the construction of a stand alone County owned facility.
3. Costs associated with the maintenance of the Amtrak Building in the amount of \$23,000. The Amtrak fund will be closed and the assets transferred to the General fund to allow staff to maintain the operation of the Amtrak Building.
4. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$10,490.
5. Costs associated with machinery and equipment in the amount of \$4,750.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. The elimination of a Parking Generalist position due to the Voluntary Separation Incentive Program in the amount of \$37,863.
3. Costs associated with programmatic budget reductions such as reduce parking spaces within the Republic Parking garage, parking equipment maintenance, and interior plant service in the amount of \$29,314.
4. Costs associated with the elimination of the Southeast Library lease in the amount of \$150,962. These funds were budgeted in a prior year for a possible expansion of the current storefront location. Ultimately capital funds were budgeted for the construction of a stand alone County owned facility.

Department of PLACE

Executive Summary

The Department of Planning, Land Management and Community Enhancement (PLACE) section of the Leon County FY 2012 Annual Budget is comprised of the Planning Department, Blueprint 2000, and the Capital Regional Transportation Planning Agency (CRTPA).

The Department of PLACE coordinates planning activities and Blueprint 2000. Planning provides expertise and recommendations in the areas of land use and environmental and transportation planning. The Capital Regional Transportation Planning Agency provides recommendations relating to transportation issues for Leon County, the City of Tallahassee, and surrounding areas.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Department of PLACE was created to emphasize the desire to create a livable, sustainable community with areas with a sense of place, and to better coordinate planning and Blueprint 2000 activities. In an effort to create synergy and provide opportunity for improvement in how services are delivered, the Department of PLACE, along with three other areas were brought under the supervision of the Director of Public Works and Community Development. In addition, the reorganization included realigning the City/County Planning Division and Blueprint 2000 to this department.

The Planning Department continues to provide technical and administrative support for the Comprehensive Plan amendment process particularly in the areas of long range land use, environmental and transportation planning, land use administration, as well as the administration of Blueprint 2000, which was implemented during FY 2011 subsequent to a management review.

The budgets for Blueprint 2000 and the Capital Regional Transportation Planning Agency were established solely to cover personnel costs for two employees (one BP2000 and one CRTPA) who opted for County benefits. These personnel costs are reimbursed to the County on an annual basis.

Goals

The goal of the Planning Department is to provide accurate information, creative, and effective planning recommendations and expertise in the areas of long range land use, environmental and transportation planning, and land use administration to the City and County governments, the Planning Commission, appointed boards and committees, residents, and businesses.

Objectives

Planning Management

1. Provides coordination and oversight of all planning functions.
2. Ensures administration of the department budget; ensures expenditure levels conform to approved resources.
3. Monitors federal and state legislation impacting municipal government planning activities.
4. Provides timely and effective planning information for the orderly growth of the Tallahassee community.

Planning Support

Provides efficient support service activities (GIS, research, mapping, graphics, computer assistance, and publication assistance) to the Planning Department and to City and County Governments.

Administrative Services

Promotes the efficient and effective administrative services support for the entire department; provides additional resources in understaffed areas; improves use of existing staff and fiscal resources; and promotes effective division, and external department coordination

Land Use Administration

1. Reviews rezonings, Planned Unit Developments (PUD), Developments of Regional Impact (DRI), and other large-scale developments;
2. Processes and reviews abandonments, development applications within the Capitol Center Planning District, and street reclassification requests.
3. Assists other divisions and departments with the creation and processing of land development regulations for special study areas.
4. Reviews County and City development plans.

Comprehensive Planning

1. Promotes the implementation of the Tallahassee-Leon County Comprehensive Plan including process evaluation and amendments.
2. Provides coordination for long-range planning projects and issues.
3. Develops and implements long range plans to identify and protect natural resources, including canopy roads, wildlife and listed species habitat, unique vegetation communities, community open space and surface water resources through greenways and mitigation planning, land acquisition, environmental research and resource assessment, and coordination with other agencies.
4. Researches and prepares reports and recommendations for special planning initiatives directed by the County Commission, City Commission, or State statutes.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Department of PLACE.

This funding represents the County's portion of the Planning Department budget. Through an interlocal agreement, the City and County provide joint funding for this department based on the population of the County. The City's portion is based on population of the incorporated area and the County's portion is based on the unincorporated area.

The major variances for the FY 2012 Planning Department budget are as follows:

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.

Decreases to Program Funding:

1. Costs associated with the County's portion of the Planning Department in the amount of \$71,196. The 2010 Census numbers show that the County's fiscal responsibility will decrease for the next 10 years due to higher population increases in the city limits compared to the unincorporated population.

Office of Financial Stewardship

Office of Financial Stewardship

Executive Summary

The Office of Financial Stewardship section of the Leon County FY 2012 Annual Budget is comprised of the Office of Management & Budget, Risk Management and Purchasing.

The Office of Management & Budget provides financial management and guidance to the Board, County Administrator, and other departments. Risk Management manages the County's activities in effort to minimize total long-term costs associated with accidental losses. Purchasing securities and stocks requested supplies and commodities for all County departments under the Board.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Office of Financial Stewardship was created to bring together divisions with major financial activity under one manager for a more concerted effort of fiscal stewardship. The reorganization included realigning the Purchasing Division under this Office.

The Office of Management & Budget (OMB) developed a balanced Operating and Capital Improvement Program budget. On behalf of the County Administrator, as adopted by the Board, OMB provides the County's Operating Budget, Capital Improvement Program, and Budget in Brief on the Internet for better accessibility by the public. OMB received the Government Finance Officers Association of the US and Canada's Distinguished Budget Award for the 21th consecutive year.

Purchasing continues to successfully administer the competitive solicitation process and coordinate all associated bid awards, proposals, evaluation processes, and contract development. Purchasing also administers the County's Warehouse, Property Control, E-Payables and Purchasing Card programs.

Due to the Board approved Leon LEADs reorganization, the Office of Management and Budget was re-titled to Office of Financial Stewardship. This program was formerly under the auspices of the Legislative/Administrative Department.

The major variances for the FY 2012 Office of Management and Budget budget are as follows:

Increases to Program Funding:

1. Contracts or other obligations for continuity of services in the amount of \$2,223.
2. The HR Reclasse adjustments of a Senior Analyst to a Principal Analyst position in the amount of \$13,539 which is offset by the elimination of the Assistant County Administrator position through Voluntary Separation Incentive Program.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. The elimination of the Assistant County Administrator position due to the Voluntary Separation Incentive Program in the amount of \$164,531. This position is partially funded in the Risk Management program which will also see a reduction in personnel costs. (The full cost savings between County Administration, Office of Management & Budget and Risk Management for this reduction is \$241,973.)
3. Communication costs in the amount of \$647.

Purchasing - Procurement (001-140-513)**

Goals

The goal of the Procurement Program is to provide timely and professional procurement services to secure requested supplies, services, and commodities at a specified level of quality and at the lowest possible cost, through open and fair competition.

Objectives

1. Review all purchasing activity for compliance with Purchasing Policy and applicable state laws.
2. Process requisitions and purchase orders and assist departments/divisions with technical information, quotes, and purchasing related requests.
3. Obtain price quotes, prepare and receive informal bids, review state and cooperative purchasing contracts for vendor sources and best pricing.
4. Provide accounts payable assistance to vendors and staff.
5. Prepare, advertise, and receive bids and Requests for Proposals (RFP's), and coordinate the evaluation processes for those bids and RFP's.
6. Administer the County procurement card program: provide cardholder training, card management, and audits of card activity.
7. Implement and provide contract management services for County-wide services contracts such as uniforms.

Statutory Responsibilities

Leon County Board of County Commissioners Purchasing and Minority Business Enterprise Policy (revised 6/13/06) and Purchasing Card Policy (revised 6/13/06); Florida Statute, Chapter 255 "Public Property and Publicly Owned Buildings"; Florida Statute, Chapter 274 "Tangible Personal Property"; Florida Statute, Chapter 287 "Public Procurement"

Objectives

1. Plan, evaluate and identify insurable risks and loss potential, and review current insurance trends and legislation to modify risk coverage.
2. Prepare, negotiate and coordinate all the County's insurance programs.
3. Directly administer all insurance programs with the exception of employee health coverage.
4. Coordinate and participate in all investigations, accidents and injuries that involve County employees on County maintained or owned facilities and/or properties. Review all reported workers' compensation injuries, near accidents and/or misses, over utilization, abuses, and circumstances surrounding all claims and periodically visiting the employee to ascertain their status.
5. Maintain, process and record all insurance or damage claims filed against the County and liaisons with the appropriate insurance carriers.
6. Establish standard insurance and indemnification provisions for contracts, leases, and other special use agreements entered into by the participating government(s).
7. Risk Management manages the County's activities in order to minimize the total long term cost to the County of all accidental losses and their consequences. This is accomplished through risk identification, risk control, and risk finance.
8. Manage Work Safety Program.

Due to the Board approved Leon LEADs reorganization, the Office of Management and Budget was re-titled to Office of Financial Stewardship. This program is under the auspices of this office.

The major variances for the FY 2012 Risk Management budget are as follows:

Decrease to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

2. The elimination of the Assistant County Administrator position due to the Voluntary Separation Incentive Program in the amount of \$18,281. This position is also funded in the Office Management and Budget.

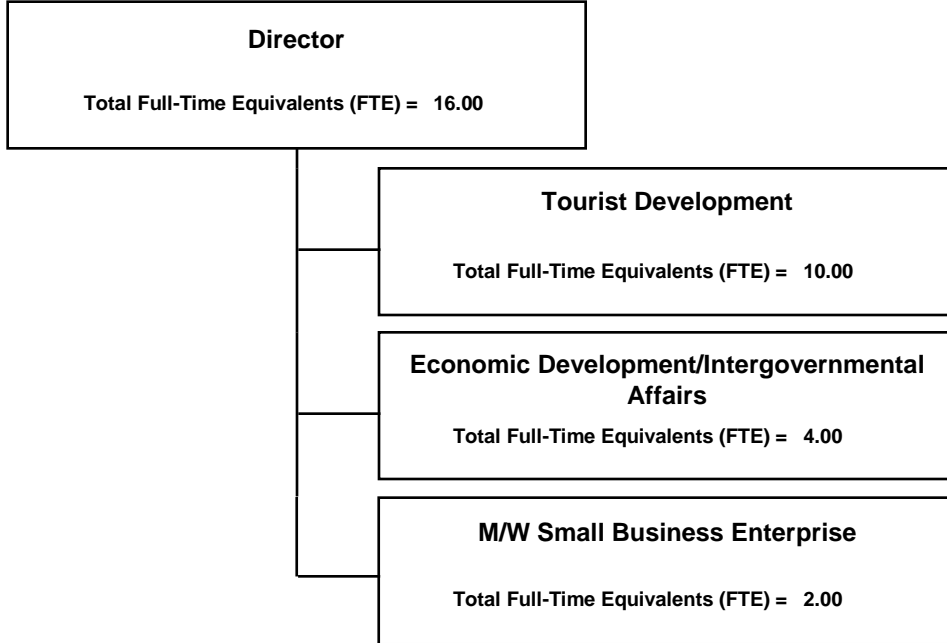

(The full cost savings between County Administration and Office of Management and Budget and Risk Management for this reduction is \$241,973.)

Office of Economic Development and Business Partnerships

Executive Summary

The Office of Economic Development and Business Partnerships section of the Leon County FY 2012 Annual Budget is comprised of Economic Development/Intergovernmental Affairs, Tourist Development, Grants, and Minority/Women Small Business Enterprise (MWSBE).

The Department of Economic Development/Intergovernmental Affairs coordinates economic development activities and the County's legislative priorities. Tourism Development promotes the Tallahassee-Leon County area through tourism advertising, public relations, direct sales, visitor service functions, and marketing research. MWSBE develops business opportunities for minorities, women and small businesses.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Office of Economic Development and Business Partnerships was created to bring focus to the Board's economic development priorities and bring together all the programs and divisions that support the long-term economic health of our community under one manager. The reorganization included realigning Tourist Development and MWSBE divisions to this department.

Despite the weak economy, the Tourism Development Department is expecting an increase in the Tourist Development Tax revenue of 7% for FY 2011. This increase has allowed the department to allocate additional dollars toward its advertising and public relation activities for the FY 2012 budget. This increase will provide greater opportunities to promote Leon County as a destination through more media buys and through expanded public relations efforts including enhanced social media and seasonal campaigns.

Minority/Women Small Business Enterprise continues to provide minority and women businesses with a means of participation in Leon County's procurement process. During FY 2011, MWSBE initiated an online certification application which eases the process for MWSBE firms to become certified. MWSBE continues to make monthly updates to the web-based interactive MWSBE directory for County vendors.

Intergovernmental Affairs continues to develop an annual Federal and State legislative priority package for Board approval as well as coordinates and implements special projects as requested by the Board. This program also implements grant administration.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Economic Development & Business Partnerships from the Public Services Department.

The Tourist Development 1 Cent Expenses budget funds the Performing Arts Center. Revenue for this expenditure is derived from the 4th cent tourist development bed tax. The major variances for the FY 2012 budget are as follows:

Increases to Program Funding:

1. The increase in expenditures is associated with an estimated revenue increase from \$744,800 per penny in FY11 to \$783,750 in FY12.

Office of Economic Development & Business Partnerships

Economic Development/Intergovernmental Affairs (001-114-512)

Goals

The goal of Economic Development/Intergovernmental Affairs is to effectively serve the residents of Leon County by providing leadership, coordination and assistance to divisions to facilitate the delivery of services consistent with Board policy. This will ensure that divisions receive the resources, guidance, and support needed to provide superior services in a cost effective and efficient manner.

Objectives

1. Serve the County Administrator and the Board by researching, analyzing, and developing policy recommendations for economic development.
2. Develop an annual Federal and State legislative priority package for Board approval.
3. Coordinate the County Federal and Legislative lobbying contracts.
4. Track legislation impacting Leon County throughout the legislative session.
5. Coordinate special projects, intergovernmental, and interdepartmental activities on behalf of County Administration.
6. Grants Administration continues to explore and pursue federal, state, and private sector grant funding and reimbursement opportunities in furthering priority County programs and projects.

Due to the Board approved Leon LEADs reorganization, the Department of Intergovernmental Affairs was re-titled to the Department of Economic Development/Intergovernmental Affairs. This program was realigned to the Office of Economic Development & Business Partnerships from the Public Services Department. Additionally, the Citizens Services Liaison, Director of Public Information, Public Information Specialists, and Executive Assistant positions were realigned to the newly created Strategic Initiatives Division; and the Deputy County Administrator position was realigned to the Administration Department.

The operating budget for the formerly Intergovernmental Affairs Department has been split between the Department of Economic Development/Intergovernmental Affairs and the Strategic Initiatives Division.

The major variances for the FY 2012 Economic Development/Intergovernmental Affairs budget are as follows:

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Contracts or other obligations for continuity of services, including print publications to promote County programs, services, and other Board activities in the amount of \$10,550.

Minority/Women Small Business Enterprise (001-112-513)

Goals

The goal of the Minority, Women, and Small Business Enterprise Program (MWSBE) is to provide minority, women, and small businesses with a means of participation in Leon County's procurement process for the purpose of achieving economic parity among all Leon County vendors.

Objectives

1. Eliminate any policies and/or procedural barriers that inhibit MWSBE participation in the procurement process.
2. Establish targets designed to increase MWSBE utilization proportionate to documented under-utilization.
3. Provide increased levels of information and assistance to MWSBEs.
4. Implement mechanisms and procedures for monitoring MWSBE compliance by prime contractors.
5. Provide training to citizens in starting, maintaining and enhancing their level of business opportunities.
6. Review, analyze, and submit MWSBE statements for bids and RFPs.
7. Attend and present MWSBE information at all Purchasing pre-bid conferences.
8. Determine the appropriate targets for all bids and RFPs.
9. Review and approve all MWSBE applications for compliance with the Purchasing and Minority, Women and Small Business Enterprise Policy.

Office of Public Services

Office of Public Services

Executive Summary

The Office of Public Services section of the Leon County FY 2011/2012 Annual Budget is comprised of Library Services, Emergency Medical Services, and Animal Control.

Library Services provides the public with open access to reading and information materials. Emergency Medical Services provides emergency medical services to all residents of Leon County. Animal Control provides humane education, prevention, and enforcement programs for the citizens and domestic animals of Leon County.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the following departments were realigned from the Office of Public Services: Tourist Development and Economic Development/Intergovernmental Affairs (formerly Intergovernmental Affairs) were realigned to the Office of Economic Development & Business Partnerships; Cooperative Extension and the Office of Sustainability were realigned to the Office of Resource Stewardship; Health & Human Services Divisions were realigned to the Office of Human Services & Community Partnerships; and the Capital Regional Transportation Planning Agency (CRTPA), Planning Department, and Blueprint 2000 were realigned to the Department of Planning, Land Management and Community Enhancement (PLACE).

Library Services continues to provide library materials, reference and information assistance, programming for children and adults, and access to personal computers to its patrons. During FY 2011, expansions were completed at the Northeast and B.L. Perry libraries. In FY 2012, the new Eastside and Woodville Libraries are anticipating their grand openings. In addition, the Lake Jackson branch expansion is expected to be completed by the end of FY 2012 or early FY 2013.

Emergency Medical Services continues to provide award-winning services through the delivery of cost-effective emergency treatment and transportation of the sick and injured and the further development of the public education and risk reduction campaign which provides risk reduction and cardiopulmonary resuscitation (CPR) with automated external defibrillation (AED) training to citizens.

Animal Services is responsible for enforcing state and local ordinances concerning matters such as stray animals, rabies control, animal cruelty, and dangerous animals. Animal Services also provides training through the conduction of the animal bite prevention and safety program. In addition, this program administers the contract for St. Francis Wildlife. In 2011, the Board amended the County Ordinance, Chapter 4, 'Animal' to comply with changes in State law.

Increases to Program Funding:

1. Contracts or other obligations for continuity of services for library security in the amount of \$1,068.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

Office of Intervention & Detention Alternatives

Office of Intervention & Detention Alternatives

Executive Summary

The Office of Intervention & Detention Alternatives section of the Leon County FY 2012 Annual Budget is comprised of County Probation, Supervised Pretrial Release, and Drug and Alcohol Testing.

The Office of Intervention & Detention Alternatives manages jail management activities. Probation supervises and monitors offenders' compliance with court ordered sentencing conditions. Supervised Pretrial Release provides defendant monitoring and enforcement of court-ordered conditions of jail release. Drug & Alcohol Testing administers court-ordered urinalysis and alcohol testing to County Probation offenders and SPTR defendants.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Office of Intervention & Detention Alternatives was created to bring jail management activities under one manager. The reorganization included establishing the Office of Intervention & Detention and realigning the County Probation division under this Office. With the loss of grant funding for the Mental Health Court Program, the Board elected to fund one position within Supervised Pretrial Release to continue basic functions of the program.

The Office of Intervention & Detention alternatives will provide staff support to the Public Safety Coordinating Council, which focuses on jail management and recidivism issues. In addition, this Office is responsible for County functions related to the "Doris Slosberg Driver Education Safety Act" and the Palmer Monroe Community Center, and liaison functions with the State Attorney, Public Defender, law enforcement, and the Courts.

During FY 2011, the Drug & Alcohol testing program continued to administer tests to Pretrial and Probation clients that are court ordered to perform weekly urinalysis and/or alcohol testing. Human Resources, Risk Management, and Constitutional departments also utilized the center for necessary testing needs. Probation has experienced a continuing decline in electronic monitoring and Probation supervision caseloads, however, the decline has allowed the division to be more in tune with the industry, provide more efficient case management to existing clients, and provided the opportunity to privatize the G.P.S. program.

Office of Intervention & Detention Alternatives

County Probation (111-542-523)

Goals

The goal of the Leon County Probation Division is to restore and enhance the quality of life of its clients, and assist in making them productive and responsible citizens for a safer community.

Objectives

1. Supervise and monitor offenders' compliance with court ordered sentencing conditions, such as random drug and alcohol testing, participation in behavior modification programs, meetings with probation officers, not re-offending, and payment of restitution, fees and other court imposed costs. Offenders may be sentenced to County Probation for misdemeanor, traffic and some felony offenses.
2. Execute affidavits of conditions violated to notify the courts when offenders violate court-ordered conditions.
3. Attend court hearings and make recommendations to judges regarding sanctions to be imposed upon offenders who violate court-ordered conditions.
4. Administer Community Service and County Probation work programs, which provide sentencing alternatives and reduce jail population.
5. Administer random alcohol testing to defendants with court orders to abstain.
6. Notify the Sheriff's Bailiffs to execute in-office arrests of offenders with outstanding warrants when they are in the Probation Office.
7. Send more than 2,000 letters annually to notify offenders of their probation status to assist them in successfully completing their sentences.
8. Maintain new cases as assigned by the courts with no loss of jurisdiction.
9. Notify the Clerk of Courts when offenders complete their terms of probation so case records may be closed.

Statutory Responsibilities

Second Circuit Court Administrative Order, 86-60; Florida Statute, Chapter 948; Assist in meeting County responsibilities for prisoners under Florida Statute, Chapter 951 (County and Municipal Prisoners) through probation and supervised pretrial release services, which are lower cost alternatives to incarceration.

Advisory Board

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Intervention and Detention Alternatives from Management Services.

The major variances for the FY 2012 County Probation budget are as follows:

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. Communication costs in the amount of \$1,963.

Supervised Pretrial Release - Pretrial Release (111-544-523)

Goals

The goal of the Supervised Pretrial Release Program (SPTR) is to restore and enhance the quality of life for defendants and the community at-large through continued monitoring and enforcement of court-ordered conditions of release.

Objectives

1. Screen and interview defendants booked in the Leon County jail on a 24/7 basis to assess whether defendants are eligible for release or must be held for First Appearance. Prepare information for the court's consideration at defendants' First Appearance hearings.
2. Supervise and monitor SPTR defendants' compliance with court ordered conditions; meet weekly on average with each defendant assigned to Secured Continuous Random Alcohol Monitoring (SCRAM). Provide oversight of private vendors managing Global Positioning Satellite (GPS); complete weekly phone contacts with defendants residing more than 50 miles outside of Leon County; and meet monthly on average with all other defendants. Defendants charged with misdemeanor, traffic and felony offenses may be ordered to SPTR.
3. Monitor Probation and SPTR defendants' GPS units on a 24/7 basis. Assess the cause for alerts when the system detects possible equipment tampering or low batteries, zone or curfew violations for active GPS, or other equipment issues. Advise the defendant, if warranted, to take corrective action.
4. Contact law enforcement if the defendant cannot be contacted or fails to comply with staff instructions.
5. Monitor defendants' SCRAM units and take appropriate actions when notified that a defendant tests positive for alcohol.
6. Administer random alcohol tests to offenders ordered by the courts to abstain.
7. Notify the Sheriff's Warrant Officers to execute in-office arrests of defendants with outstanding warrants when they are in the SPTR office.
8. Notify the courts of violations of imposed conditions.
9. Attend First Appearance and motion hearings and make recommendations to judges regarding a defendant's release. Notify Circuit probation when a Violation of Probation Warrant is issued by the First Appearance Judge and notify the jail's releasing staff of defendants ordered to SPTR at First Appearance.
10. Provide the Clerk of Courts with Probable Cause Affidavits, Florida Crime Information Center (FCIC)/ National Crime Information Center (NCIC) criminal histories, Pretrial Intake interviews, misdemeanor violation of conditions affidavits, and Order to Show Cause Affidavits for the First Appearance Judge, State Attorney's Office, Public Defender's Office or private attorneys.

Statutory Responsibilities

Florida Constitution, Section 14; Florida Statute, Chapter 907.041(3)(a); Florida Statute, Chapter 907.041(3)(b); Administrative Order 2006-02-Uniform Bond Schedule and Pretrial Release Procedures Second Judicial Circuit, Florida; Florida Statute, Chapter 097.043 Citizens' Right-to-Know. Assist in meeting County responsibilities for prisoners under Florida Statute, Chapter 951 (County and Municipal Prisoners) through probation and supervised pretrial release services, which are lower cost alternatives to incarceration.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Intervention and Detention Alternatives from Management Services.

The major variances for the FY 2012 Pretrial Release budget are as follows:

Increases to Program Funding:

1. At the September 20, 2011 Commission meeting, the Board approved the addition of a Mental Health Court Pretrial Release Specialist in the amount of \$47,000.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

2. Communication costs in the amount of \$1,429.

3. Costs associated with the programmatic budget reductions including the elimination of the GPS program in the amount of \$109,290 and the reduction of two Pre-Trial Release Specialist positions (One from Pre-Trial Release in the amount of \$46,436 and one from FDLE JAG Grant-Pretrial in the amount of \$46,443). Pretrial Release will contract this service to a private vendor and receive less revenue in the amount of \$18,000 from GPS fees no longer collected.

The major variances for the FY 2012 FDLE JAG Grant budget are as follows:

Decreases to Program Funding:

1. The elimination of two Pre-Trial Release Specialist positions due to the outsourcing of the GPS program (One from FDLE JAG Grant-Pretrial in the amount of \$46,443 and one from Pre-Trial Release in the amount of \$46,436).
2. One remaining position will serve as a liaison to the GPS private vendor and the courts while the second will support the Drug & Alcohol Testing program.

Office of Intervention & Detention Alternatives

Drug & Alcohol Testing (111-599-523)

Goals

The goal of the Leon County Drug and Alcohol Testing Program is to assist county departments, the judicial system and other agencies in creating a safe and secure environment free from the adverse effects caused by abuse or misuse of alcohol and drugs.

Objectives

1. Administer random urinalysis and alcohol breath tests to defendants and offenders with court-ordered conditions to abstain.
2. Provide urinalysis and alcohol breath test results to all court-ordered defendants.
3. Administer Department of Transportation (DOT) urinalysis collection and alcohol breath tests to County employees for Commercial Drivers' License (CDL), post accident, return to duty, and reasonable suspicion referrals.
4. Ensure that staff are trained and certified to perform DOT urinalysis collection and alcohol breath tests.
5. Administer urinalysis tests to individuals referred by Leon County Department of Human Resources in accordance with established guidelines.
6. Administer drug and alcohol tests to individuals referred by outside agencies.
7. Submit all pre-employment, reasonable suspicion, and post accident tests to a certified laboratory for confirmation results within 24 hours of collection.
8. Provide pre-employment, reasonable suspicion, return to duty and post accident test results to referring agency within 48 hours of receipt.
9. Maintain records for all court-ordered urinalysis and alcohol testing.

Statutory Responsibilities

Florida Statute, Chapter 948; Assist in meeting County responsibilities for prisoners under Florida Statute, Florida Department of Transportation Drug-Free Work Place and Testing Policy, Florida Statute, Chapter 440, Section 440.102, Chapter 112, Section 112.0455. Notes:

1. Increased estimates in 2012 are result from expanded services to outside agencies and surrounding counties.
2. The Drug and Alcohol Testing Program was created by the Board midyear FY 2010. The FY 2010 estimates reflect data for the first six months of the program's operation. However the estimate for *fees collected for alcohol tests* reflects collections for the entire fiscal year as these services were previously performed at the probation and pretrial offices, and the jail.
3. These tests are administered strictly on a random basis at the discretion of the Risk Manager.
4. FY 2011 test administered and fees collected for alcohol tests are only based solely on tests administered at the Drug & Alcohol Testing Program. FY 2012 alcohol tests administered and fees collected includes testing and collections administered at the probation and pretrial offices, the jail and the drug and alcohol testing program.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Intervention and Detention Alternatives from Management Services.

The major variances for the FY 2012 Drug & Alcohol Testing budget are as follows:

Increases to Program Funding:

1. Due to the increase in demand of the program and the privatization of the GPS program, one position will be supported from the FDLE JAG Grant – Pretrial.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. Communication costs in the amount of \$834.

Office of Human Services & Community Partnerships

Office of Human Services and Community Partnerships

Executive Summary

The Office of Human Services and Community Partnerships section of the Leon County FY 2011/2012 Annual Budget is comprised of Housing Services, Health and Human Services, Primary Healthcare, Veteran Services, and the Volunteer Center.

Health & Human Services promotes and maintains the health, safety, and welfare of all Leon County citizens. The Housing Services Division provides assistance to very low to moderate income residents of the unincorporated areas of Leon County through its rehabilitation, homeownership counseling, foreclosure assistance, and down payment assistance programs. Human Services administers the funding associated with human services activities consistent with State mandates, Board policies, and Leon County's mission. The Primary Healthcare Program administers the funding and provides contractual oversight of the CareNet providers serving the uninsured residents of Leon County. Veteran Services assists veterans and their dependents with processing benefit claims. The Volunteer Center promotes volunteerism within Leon County and performs placement services for several Leon County departments.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Health & Human Services Division was retitled to the Office of Human Services and Community Partnerships to focus emphasis on community partnerships. Staff support for the Community Health Services Partnership (CHSP) process was realigned from the Grants Coordinator to this Office.

Housing Services continues to provide home rehabilitation, home replacement, down payment assistance, home counseling, and disaster mitigation services to the citizens of Leon County. These services are provided through funding received from the State Housing Initiatives Partnership (SHIP) and are mainly utilized by citizens having low to moderate incomes. During FY 2012, the SHIP Program will continue on a much smaller scale, with \$137,327 in funding allocated by the state legislature. Leon County was approved for a \$1.5 million grant from the State Housing Trust Fund. In addition, Leon County is an Advisor for the new Florida "Hardest Hit" Fund (HHF), which provides mortgage payments to program-eligible applicants. As an HHF Advisor, Leon County will receive revenue for providing assistance to program eligible applicants on a fee-per-service basis.

Human Services administers the funding and provides oversight to the human services activities provided to Leon County residents consistent with State mandates, Board policies, and Leon County's mission. Human Services administers the funding for Medicaid, Child Protection Exams, Baker Act, mental health, tubercular care, direct emergency assistance, and indigent burial programs. Human Services also administers the County's obligations to the Medical Examiner's Office.

The Primary Healthcare Program serves the residents of Leon County through the provision of primary healthcare services to low income and uninsured Leon County residents in an efficient and cost effective manner. This is accomplished through the administration of primary healthcare funding. In addition, the Primary Healthcare Program manages the contracts of local healthcare providers (CareNet) participating in the Primary Healthcare Program. The local healthcare providers are: Bond Clinic, Neighborhood Health Services, We Care, FAMU Pharmacy, and Florida Health Kids.

Veteran Services expects a continued demand for services as veterans return from current military campaigns. Veteran Services is responsible for administering the County Military Grant Program, providing counseling and assistance to veterans and their dependents, processing benefit claims and also serves as the Veteran Liaison for the local community.

In FY 2012, VolunteerLEON will continue to promote and coordinate volunteerism throughout the community, as well as provide certification training through facilitation of the Florida Volunteer Administration Certificate Training. During FY 2011, VolunteerLEON received a \$25,000 Volunteer Florida Build-Engage-Sustain-Transform (BEST) Neighborhoods Grant. The grant is being used to support VolunteerLEON's ability to develop family-friendly neighborhood service projects in cooperation with the Council of Neighborhood Associations (CONA).

Office of Human Services & Community Partnerships

Health & Human Services

Goals

The goal of the Human Services Division of Leon County's Health and Human Services Department is to provide funding and oversight of health and social services programs and services provided to Leon County residents consistent with State mandates, Board policies and Leon County's mission.

Objectives

1. Ensure compliance with the following mandated programs and services through the provision of administrative and fiscal oversight:
 - Medicaid, which covers nursing home and hospital stays for eligible residents;
 - Health Care Responsibility Act, which funds care for indigent Leon County residents treated for emergency health care in another Florida county;
 - Baker Act, which funds Leon County's match for the stabilization, temporary detention, and evaluation services for short-term mental health inpatient programs;
 - Mental Health, Substance Abuse and Alcohol, which funds Leon County's match for the Community Mental Health Act and substance abuse programs related to the Marchman Act;
 - Indigent Burial, which covers the costs of burial for unclaimed bodies and indigent persons;
 - Child Protection Exams, which provides funding for alleged victims of abuse or neglect; and
 - Tubercular Care, which funds transportation costs for tuberculosis patients to the State's tuberculosis hospital.
2. Reduce homelessness and hunger; and enhance health and safety through the provision of financial support from the Direct Emergency Assistance Program.
3. Administer the Choose Life Grant Program for the provision of adoption services.
4. Administer Leon County's responsibilities to the Medical Examiner's office.
5. Administer funding for the Senior Outreach Program.

Statutory Responsibilities

Florida Statute 409.915 requires county governments to fund a portion of inpatient hospital stays and nursing home expenses incurred by county resident Medicaid recipients.

Florida Statute 154.301-331 (HCRA) requires counties reimburse out-of-county hospitals at the Medicaid per diem rate for emergency care provided to the county's indigent residents.

Florida Statute 394.76 requires that state funds expended for mental health, alcohol, and drug abuse be matched on a 75 to 25 state to local basis.

Florida Statute 406.50 mandates that Leon County is responsible for the burial of any dead human body that is unclaimed or indigent.

Florida Statute 39.304(5) requires county governments to pay exam costs for children who are alleged to have been abused, abandoned, or neglected.

Florida Statute 392 mandates that to protect the citizenry from infection of tuberculosis (TB), the county is obligated finance transportation of residents to a TB treatment facility.

Veteran Services (001-390-553)

Goals

The goal of the Leon County Veteran Services Division is to counsel and assist veterans and their dependents with processing benefit claims and obtaining other benefits entitled to them through the United States Department of Veterans' Affairs and other Federal Government Agencies as well as serve as the Veteran Liaison for the local community.

Objectives

1. Assist veterans and their dependents in filing claims for non-service connected pensions, service connected disabilities, and other benefits, directly associated with the Department of Veteran Affairs, Department of Defense and any other Federal Military Organizations.
2. Assist veterans and their dependents in obtaining local medical treatment, transportation, necessary medicines, prosthetic items, adaptive equipment, and payment of medical bills.
3. Assist veterans and their dependents in filing for educational benefits at universities, junior colleges, vocational institutions, correspondence courses, and job training.
4. Assist veterans in obtaining VA home loan information, obtaining military records, correcting military records, and upgrading discharges.
5. Manage the annual Leon County Military Grant Program and serve as the Leon County Veteran Liaison for all veteran issues in the local community.
6. Assist the Vet, Inc. organization with the annual Veterans Day Parade.

Statutory Responsibilities

292.11 County and City Veteran Service Officer.

(1) Each board of county commissioners may employ a county veteran service officer; provide office space, clerical assistance, and the necessary supplies incidental to providing and maintaining a county service office; and pay said expenses and salaries from the moneys hereinafter provided for.

(2) The Department of Veterans' Affairs is directed to establish a training program for county and city veteran service officers. Every county or city veteran service officer employed under this chapter shall attend the training program established by the department and successfully complete a test administered by the department prior to assuming any responsibilities as a county or city veteran service officer.

The department shall further establish periodic training refresher courses, which each county or city veteran service officer must attend and complete as a condition of remaining in employment as a county or city veteran service officer. County and city veteran service officers shall be reimbursed for travel expenses, as provided in s. 112.061

Monthly client benefit payments (recurring) ¹	\$7,161,070	\$26,733,000	\$6,500,000 ²	\$28,000,000

Note:

1. Despite the high number of clients being served through outreach, not all clients are eligible to receive benefits. Therefore, it is anticipated that the number of clients served (in person), Monthly client benefit payments (retroactive), and Monthly client benefit payments (recurring) will fluctuate between fiscal years.
2. New reporting procedures incorporated by the Veteran's Administration in FY10 now calculate new and recurring benefit payments annually. Therefore, the FY11 actuals will be significantly higher than the estimates.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Human Services & Community Partnerships from the Public Services Department.

The major variances for the FY 2012 Veteran Services budget are as follows:

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. The reorganization of the Office of Human Services & Community Partnerships administrative functions allows for the elimination of a Administrative Associate III position due to the Voluntary Separation Incentive Program in the amount of \$45,776.

Office of Human Services & Community Partnerships
Volunteer Center (001-113-513)

Goals

The goal of the Volunteer Center is to strengthen individuals and organizations in our community through volunteerism.

Objectives

1. Promote volunteerism, build the capacity of local volunteer programs and participate in strategic initiatives that mobilize volunteers from all sectors.
2. Screen, interview, and place volunteers, interns, and court-ordered workers by matching their skills, talents, and interests with Leon County departmental needs.
3. Establish and build community partnerships through coordinating community-wide days of service and special events.
4. Coordinate Leon County's internal employee volunteer program in which employees are allowed up to four hours of administrative leave per month to volunteer in community based organizations.
5. Coordinate local volunteers and donations in the event of a disaster in support of the Sheriff's Emergency Management Office.
6. Coordinate the following programs: Community Board Bank, County Government Internship and Service Learning Program, County Library Volunteer Program, Big Bend Community Organizations Active in Disaster, Directors of Volunteers Association Membership, Disaster Planning and Response, National Volunteer Week and National Days of Service, Nonprofit Internship Program, and Project Leon Employees are Dedicated (LEAD).

Statutory Responsibilities

Florida Statute 252.38 (1)(b) requires each county to develop a county emergency management plan and program that is coordinated and consistent with the State Comprehensive Emergency Management Plan and Program. The State of Florida's Emergency Management Plan outlines 17 Emergency Support Functions (ESF), of which ESF 15, the coordination of all volunteers & donations, is one function. In order for the County to be in compliance, the Leon County Comprehensive Emergency Management Plan provides for all 17 ESFs including ESF 15 Volunteers and Donations.

Housing Services - Housing Services (001-371-569)

Goals

The goal of Housing Services is to provide the very low, low, and moderate income citizens of the unincorporated areas of Leon County with safe, sanitary, and affordable homes through the provision of funds for home rehabilitation, home replacement, down payment and closing costs assistance, foreclosure prevention, homestead loss prevention, weatherization, disaster recovery, home expo, home buyer and home owner counseling. Housing Services serves Leon County residents with professionalism, management, leadership, and support consistent with Board policy and the mission of Leon County.

Objectives

1. Administer and provide oversight of the Housing Programs: Home Rehabilitation, Home Replacement, Down Payment & Closing Costs Assistance, Foreclosure Prevention, Homestead Loss Prevention, Housing Preservation and Weatherization activities (funded by the United State Department of Agriculture), Disaster Recovery, Home Expo, and Home Buyer & Homeowner Counseling.
2. Seek to continually improve our methodologies and efficiencies in serving citizens of Leon County with regard to our affordable housing programs.
3. Provide staff support and administer the activities of the Leon County Housing Finance Authority (HFA), the Affordable Housing Advisory Committee, and the Community Development Block Grant (CDBG) Citizen Task Force Advisory Committee.
4. Provide quarterly grant reports and annual reports detailing Affordable Housing Programs and Fair Housing Activities; and, receive and report fair housing complaints.
5. Design, implement and administer educational information on housing programs within the community.
6. Attend local Housing events and conferences to ensure Leon County is aware and in compliance with local, state and federal guidelines.
7. Administer \$1.7 million in Disaster Recovery Grant Funding for affordable rental and affordable ownership properties.

Statutory Responsibilities

Leon County Code, Chapter 8 Article V/Policy 96-11 "Direct Implementation of State Housing Initiative Program (SHIP)"; Housing Plan, Florida Statute Chapter 420 "Housing"; Leon County Code, Chapter 2, Section 2-71 & 2-120 "Implementation"; Florida Statute Chapter 159 "Bond Financing"; Florida Statute Chapter 760.20 "Fair Housing Act"

# of housing units receiving Home Rehabilitation	33	19	60	30
# of housing units receiving Home Replacement	0	0	20	10
Total Housing Grant Dollars Administered	\$1,360,530	\$2,736,000	\$2,500,000	\$1,100,000

- Notes:
1. The Down Payment Assistance increased dramatically due to impact fee proviso grant funding awarded in FY10 for homeownership assistance.
 2. The FY11 Estimates are based upon the anticipated program activity due to the continued administration of SHIP funding provided by the Florida Housing Finance Corporation (FHFC), grant funding received from the Department of Community Affairs (DCA) for the CDBG Disaster Recovery and Emergency Set-Aside grants, and new funding from the United State Department of Agriculture for Housing Preservation in the rural areas of Leon County.
 3. The FY12 Estimates are based upon reduced activity due to state legislative action regarding the State Housing Trust Fund, which impacts funding allocations for the State Housing Initiatives Program (SHIP). During FY12, the SHIP Program will continue on a much smaller scale, with \$137,327 in funding allocated by the state legislature. The new SHIP funding will be expended by no later than June 30, 2014. Existing Department of Community Affairs (DCA) CDBG Emergency Set-Aside and Disaster Recovery grants will continue to fund rehabilitation and replacement activities for income-eligible homeowners requiring assistance due to storm events associated with both grants. In addition, Leon County is an Advisor for the new Florida "Hardest Hit" Fund (HHF), which provides mortgage payments to program-eligible applicants. As an HHF Advisor, Leon County will receive revenue for providing assistance to program eligible applicants on a fee-per-service basis. Staff continues to seek grant funding opportunities to support the housing rehabilitation, home replacement, and down payment assistance functions of the Division.
 4. This number includes clients receiving Foreclosure Prevention Assistance, through the Housing Services Division, which did not require financial assistance. Staff was often able to assist clients with modification negotiations at no additional cost; therefore, the Impact Fee Proviso (IFP) funding which was available to assist these clients was not utilized.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Human Services & Community Partnerships from the Public Services Department.

The major variances for the FY 2012 Housing Services budget are as follows:

Increases to Program Funding:

1. Position reclasses effective October 1, 2011 in the amount of \$10,112.
2. Other operating costs associated with the internal reorganization of the Office of Human Services and Community Partnerships in the amount of \$4,421.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

Goals

The goal of Housing Finance Authority (HFA) is to consider Leon County affordable housing financing for owner-occupied single-family units, multi-family housing units, townhouses and condominiums. This consideration includes the sale of taxable bonds once approved by resolution of the Board of County Commissioners.

Objectives

1. Continue to provide funding to conduct emergency repairs and assistance for home rehabilitation projects.
2. Continue to work in conjunction with the Escambia County Housing Finance Authority in the development of multi-million dollar single-family bond issuances.
3. Continue to provide oversight to the bond issuances of both Magnolia Terrace Apartments and Lakes at San Marcos.
4. Continue to function as the advisory committee for the State Housing Initiative Partnership (SHIP) and Community Development Block Grant (CDBG) programs.
5. Issue, or issue jointly with other counties, single-family mortgage revenue bonds at below market rate.
6. Accept and review multi-family bond applications and make recommendations to the Board.
7. Review and make recommendations toward financing of current and or new housing strategies to be undertaken by the Division of Housing Services.

Goals

The goal of the Primary Health Care Program is to effectively serve the residents of Leon County by providing primary health care services to low income uninsured Leon County residents in an efficient and cost effective manner.

Objectives

1. Provide access to healthcare services to low income uninsured Leon County residents through the provision of financial support and collaboration with CareNet partners.
2. Ensure contract compliance through the provision of administrative and fiduciary oversight of primary healthcare contracts.
3. Collaborate with CareNet partners to achieve program goals.

Statutory Responsibilities

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Position reclasses effective October 1, 2011 in the amount of \$3,182.
3. Contracts or other obligations for continuity of services in the amount of \$6,000 to provide quarterly Primary Healthcare Monitoring for three providers at a rate of \$500 each.

Office of Resource Stewardship

Office of Resource Stewardship

Executive Summary

The Office of Resource Stewardship section of the Leon County FY 2012 Annual Budget is comprised of the Office of Sustainability, Cooperative Extension, and Solid Waste Management.

The Office of Resource Stewardship manages the sustainability of County resources. Cooperative Extension provides information and conducts educational programs on various issues including energy conservation, food safety, and child and family development.

HIGHLIGHTS

Under the County Administrator's new organizational structure, the Office of Resource Stewardship was created to streamline sustainability efforts to allow better leverage of Leon County resources and provide strategic direction. The reorganization included realigning Sustainability, Cooperation Extension and Solid Waste under this office.

During FY 2011, the Office of Sustainability received a grant of \$1.7 million for energy efficiency improvements to several County buildings, which will save \$170,000 on annual energy costs. Through a creative effort involving the Office of Sustainability and citizens of Ft. Braden, a thriving community garden is now established on County owned property in the Ft. Braden community. The County provided initial infrastructure, including fencing and irrigation, and members of the community plant and maintain the vegetables and fruit.

Cooperative Extension administers USDA Expanded Food and Nutrition Education Program reaching more than a thousand limited resource families annually; actively involved in sustainability education and development of community gardens; provides mandated CEU training and certification for professional pesticide applicators, landscape personnel, and arborists in Best Management Practices and fertilizer application; and recognized for Master Gardener, Florida Yards and Neighborhoods, and positive youth development through the 4-H program.

The Solid Waste Division is an integrated solid waste management system dedicated to excellent public service and responsible fiscal and environmental stewardship. The Division consists of the Solid Waste Management Facility, the Rural Waste Services Centers, the Transfer Station Operations, Hazardous Waste, and Recycling and Education. At the March 17, 2011 Budget Workshop, the Board approved a new five-year tipping fee schedule that established the fee per ton in FY 2012 at \$40.80, which will increase by \$1.80 in subsequent years until FY 2016. This new fee schedule was established to prevent the solid waste system from incurring any operating deficits during the same time period.

The Solid Waste Management Facility is responsible for processing various types of waste: tire, electronic and wood. The Rural Waste Services Centers provide drop-off services for residents in unincorporated Leon County and administers drop off services for garbage, tires, yard trash, recyclables, electronics, automotive batteries, fluorescent tubes and used motor oil. Transfer Station Operations is the management facility for residential and commercial Class I solid waste and provides transportation and disposal of accepted waste to a regional landfill. Hazardous Waste provides household hazardous waste disposal services to the citizens of Leon County, processes hazardous and potentially hazardous material, and coordinates hazardous waste collection and disposal events.

Recycling Services and Education is responsible for promoting recycling and waste reduction through public education programs including mediums such print, television, radio and the internet. Recycling Services is also responsible for operating and maintaining the Rural Waste Collection Centers' recycling programs, and hosting special events such as Earth Day, Compost Bin Sales, and America Recycles Day. The County contracts the processing and recycling of Class III waste. All residual waste from the recycling are disposed of at the Solid Waste Management Facility. During the 2010, the state legislature established a new statewide recycling goal of 75% to be achieved by the year 2020: 40% by 12/31/12, 50% by 12/31/14, 60% by 12/31/16, 70% by 12/31/18 and 75% by 12/31/20.

Office of Resource Stewardship

Extension Education (001-361-537)

Goals

The goal of the Cooperative Extension Division is to provide researched-based educational programs and information on horticulture, agriculture, natural resources, forestry, family & consumer sciences, and 4-H youth development empowering citizens of Leon County to make decisions and behavior changes that contribute to an improved quality of life and a more sustainable community.

Objectives

Environmental Education – Horticulture, Agriculture, Forestry and Natural Resources

1. Train and manage Master Gardener, Master Wildlife and Sustainable Floridian volunteers to teach citizens to adopt best management practices that reduce non-point source pollution of stormwater from fertilizers, pesticides, and other landscape practices. Provide citizens with scientific understanding of local watersheds, ecosystems, tree safety and health, hurricane preparedness, and personal practices for sustainability.
2. Serves as training and testing center for pesticide applicators, ensuring applicators comply with laws regulating pest control and safeguarding our environment. Provides Continuing Education Units and Certification Seminars for landscape professionals, arborists and urban foresters.
3. Provide leadership and technical expertise to county and state agencies obtaining federal grant funds. Teach educational activities that keep Leon County's Stormwater Division in compliance with the National Pollutant Discharge Elimination System (NPDES) permit requirements. Provide expertise in land management of greenways and parks. Demonstrate sustainability practices and teach energy, water and natural resource conservation.
4. Provide management plans and educational programs which help rural landowners be better stewards of their land. Conduct individual consultations and group learning opportunities for producers, providing current research and information to strengthen production and economic viability of Leon County's agricultural sector.

Family and Consumer Sciences

1. Administer the USDA Expanded Food and Nutrition Education Program (EFNEP), by supervising, training, and evaluating four full-time EFNEP paraprofessionals who provide in-depth food and nutrition education programs for limited resource families throughout the county.
2. Delivering food safety, nutrition, and physical activity education to address obesity prevention and other health issues for limited resource youth and senior citizens.
3. Provide worksite wellness education programs addressing increased physical activity and healthy lifestyle behaviors to reduce the risk of chronic diseases and obesity.
4. Provide parent education and financial literacy educational opportunities for individuals and families, including families experiencing homelessness, drug rehabilitation, or preparing for return to the community following incarceration. Classes address positive discipline and guidance, communication, budgeting, credit management, saving and investing.

4-H and Other Youth Programs

1. Utilize a variety of delivery methods to develop life skills in youth ages 5-18 through 4-H clubs, individual at-large members, special interests groups, 4-H in the classroom, and residential and day camping.
2. Plan, implement, and evaluate 4-H/Tropicana public speaking contest for Leon County 4th, 5th and 6th grade students.
3. Recruit, screen, and train teen and adult volunteer leaders to be successful club leaders, teach subject matter and life skills, judge events and serve in an advisory capacity, all while providing safe environments for youth.
4. Provide opportunities for youth to be engaged in their own development and maintain positive relationships with each other through 4-H club work, workshops, and day camp experiences.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Resource Stewardship from the Public Services Department.

The major variances for the FY 2012 Extension Education budget are as follows:

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Communication costs in the amount of \$1,355.
3. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$1,352.

Office of Resource Stewardship

Solid Waste - Solid Waste Management Facility/Landfill Closure

Organizational Code: 401-442-534/401-435-534

Goals

Solid Waste Management Facility

The Solid Waste Management Facility is an essential component of an integrated solid waste management system dedicated to excellent public service and responsible fiscal and environmental stewardship.

Landfill Closure

The goals of Solid Waste Facility Landfill Closure/Post Closure are to comply with the Florida Department of Environmental Protection Operating Permit, to ensure that existing solid waste is properly contained by maintaining the surfaces of the inactive cells to reduce erosion and landfill gas emissions.

Objectives

Solid Waste Management Facility

1. Manage a cost effective, convenient, and environmentally safe Solid Waste Management Facility.
2. Recycle yard debris and waste tires.
3. Provide environmental monitoring of air, groundwater, and surface water.
4. Provide free coarse and fine mulch to residents and businesses.
5. Maintain all-weather, safe access to all areas of the Solid Waste Management Facility.
6. Maintain and provide erosion control of closed and inactive landfill cells.
7. Provide stormwater management and treatment.
8. Provide litter control within the facility and along portions of Apalachee Parkway.
9. Properly dispose of asbestos.

Landfill Closure

1. Maintain existing closed cells of the landfill that contain Class I solid waste as required by Florida Department of Environmental Protection permit.
2. Install necessary lining material and sod to prevent landfill waste from damaging the surrounding environment.

Statutory Responsibilities

Solid Waste Management Facility

Chapter 403.706(1), Florida Statutes requires counties to provide for the operation of solid waste disposal facilities to meet the needs of all incorporated and unincorporated areas of the county; Chapter 62-701, Florida Administrative Code regulates permitting and operation of solid waste management facilities, including landfills. Article V, Section 18-136, Leon County Code of Ordinances authorizes the County to own, operate and maintain solid waste disposal systems and to levy a charge or assessment on the users of such systems; and the Leon County Comprehensive Plan, Solid Waste Element.

Landfill Closure

Chapter 62-701.600, Florida Administrative Code governs landfill closure and long-term care.

**Office of Resource Stewardship
Solid Waste - Rural Waste Service Centers (401-437-534)**

Goals

The Rural Waste Service Centers serve as part of an integrated solid waste management system dedicated to excellent customer service and responsible fiscal and environmental stewardship.

Objectives

1. Provide solid waste drop-off services for residents in unincorporated Leon County.
2. Provide drop-off for garbage, appliances, tires, yard debris, recyclables, electronics, automotive batteries, fluorescent tubes and used motor oil.
3. Conduct safe hauling and transportation of collected waste to the appropriate Solid Waste Management Facility.
4. Provide waste screening.
5. Provide community information kiosks.

Statutory Responsibilities

Chapter 403.702(2)(c)(i) Florida Statutes requires counties to plan and provide efficient, environmentally acceptable solid waste management; Article V, Section 18-136, Leon County Code of Ordinances (Solid Waste Ordinance) authorizes the county to operate and maintain solid waste collection, removing, transferring, sorting, reclaiming, and disposal systems; Chapter 62-701 Florida Administrative Code regulates solid waste management facilities; and the Leon County Comprehensive Plan, Solid Waste Element.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Sustainability from the Public Works Department.

The major variances for the FY 2012 Solid Waste - Rural Waste Service Centers budget are as follows:

Increases to Program Funding:

1. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$809.
2. Overtime increased costs in the amount of \$18,500.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. Additionally, there are decreases associated with personnel changes in the Solid Waste Division. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

Solid Waste - Transfer Station Operations (401-441-534)

Goals

The Transfer Station is an essential component of an integrated solid waste management system dedicated to excellent public service and responsible fiscal and environmental stewardship.

Objectives

1. Provide a management facility for residential and commercial Class I solid waste for all Leon County.
2. Conduct screening of delivered waste for prohibited materials.
3. Provide transportation and disposal of accepted waste to a regional landfill, by agreement with contracted waste disposal company.
4. Host tours and educational opportunities to civic and school groups to promote recycling and waste minimization.
5. Provide a facility for County's Continuity of Operations Plan (COOP) in case of disaster.
6. Provide public weighments at the facility scalehouse.
7. Provide litter control on Gum Road and portions of Capital Circle NW.

Statutory Responsibilities

Chapter 403.706(1), Florida Statutes requires counties to provide for the operation of solid waste disposal facilities to meet the needs of all incorporated and unincorporated areas of the county; Chapter 62-701, Florida Administrative Code regulates permitting and operation of solid waste management facilities, including transfer stations; Article V, Section 18-136, Leon County Code of Ordinances authorizes the County to own, operate and maintain solid waste transferring systems and to levy a charge or assessment on the users of such systems; and Leon County Comprehensive Plan, Solid Waste Element.

Notes:

1. The FY11 tonnage for Class I will be less than estimated due to increased recycling rates in the city and unincorporated area.
2. Estimated tonnage for FY12 based on two factors, a continued trend in increased recycling rates canceling an increased disposal rate, often associated with an improved economy.

Solid Waste - Hazardous Waste (401-443-534)

Goals

The goal of the Hazardous Waste Management Program is to ensure that hazardous waste materials are properly managed and legally disposed in an environmentally sound manner.

Objectives

1. Accept hazardous waste from households and conditionally exempt small quantity generators.
2. Respond to requests for information and for assistance with hazardous waste disposal.
3. Recycle, treat or ship hazardous waste collected at the Hazardous Waste Center.
4. Operate "Swap Shop" to recycle items and materials for use by County residents.
5. Perform local hazardous waste assessments.
6. Oversee limited hazardous waste collection at Rural Waste Service Centers.
7. Conduct monthly remote collection events at the Public Works Operations Center.
8. Provide hazardous waste disposal for the "Cash for Trash" program of the City of Tallahassee.
9. Consolidate and lab pack hazardous materials by type to reduce disposal cost.
10. Provide hazardous waste safety training for Solid Waste Division staff.
11. Inspect random loads for hazardous materials.
12. Provide hazardous materials management educational services.
13. Provide recycling services for electronic scrap.

Statutory Responsibilities

Notes:

1. The number of residents utilizing the collection center or remote collection events fluctuates annually.
2. The number of CESQG businesses varies based on the economy and other factors.
3. A minimum of eleven remote collection events are based on a permanent schedule adopted by the Board.
4. Metrics were formerly reported as pounds units of measures.
5. Tons of material processed is varied based on the level of citizen and business participation.
6. Tons of material recycled varies depending upon the level of participation and nature or the material collected.
7. Reported initially for the FY12 fiscal year, the tonnage for electronics waste processed for FY09 is based upon 9 months of invoices from Creative Recycling. As of the budget development period, a decrease is anticipated for FY11 under FY10's actuals based on the electronics collections provided by Goodwill Industries; a slight increase is expected in FY12 with the prospect of a more robust economy.

Solid Waste - Recycling Services & Education (401-471-534)

Goals

The goal of the Recycling Services and Education Division is to provide recycling services and education to residents, businesses and government in order to prevent pollution, preserve natural resources, and protect our local environment and reduce solid waste disposal.

Objectives

1. Promote recycling and waste reduction through public education programs including brochures, television, website, and radio.
2. Participate in special events such as America Recycles Day, Super Clean Sweep, and Earth Day.
3. Operate and maintain the Rural Waste Service Centers' recycling programs.
4. Organize and oversee the cardboard, Styrofoam, tires and yard waste recycling efforts.
5. Organize and provide education services to County facilities, schools, and other organizations.
6. Provide year round sales of compost bins and rain barrels at the Recycling Center.
7. Partner with City and State agencies and not-for-profit organizations to promote waste reduction and recycling.
8. Market processed recyclables.
9. Provide recycling and public education consulting services.
10. Provide recycling information kiosks at all Rural Waste Service Centers.
11. Actively promote reuse and recycling through the Sharing Tree, a reuse center for the art and the learning community.

Statutory Responsibilities

The Florida Solid Waste Management Act of 1988 significantly altered the County's responsibility for managing solid waste by establishing that each county has the power to provide for the operation of solid waste facilities to meet the needs of all incorporated and unincorporated areas of their respective county. Also, the Act determined that cities could not operate disposal facilities except under special circumstances and that each Florida county must meet a 30% recycling goal by 1994; Florida Administrative Code, Chapter 62-701 "Operating Restrictions and Practices for Solid Waste Facilities"; and The Energy, Climate Change, and Economic Security Act of 2008 (House Bill 7135) established a new statewide recycling goal of 75% to be achieved by the year 2020. Recycling goals set forth shall be: 40% by 12/31/12, 50% by 12/31/14, 60% by 12/31/16, 70% by 12/31/18 and 75% by 12/31/20.

% of waste tonnage recycled ⁸	N/A	N/A	N/A	40%

- Notes:
1. New standards were established in FY09 for these measures.
 2. RWSC recycling tonnage should increase with improvements in the convenience to RWSC customers.
 3. Tonnage from county facilities should increase with more departments being supplied with collection containers and greater educational efforts.
 4. Reduction in school tonnage is due to some schools now under the city's jurisdiction.
 5. Curbside tonnage is expected to remain flat.
 6. Waste reduction/recycling presentations have migrated to an assembly type format rather than individual classrooms. It is anticipated the number of students being reached will be equal to or greater than the FY10 presentation format.
 7. As word spreads about Leon County's Rhonda Renee Recycles, there has been an increase in demand for presentations and facility tours. Note that the actual number of presentations will decrease due to the change in presentation format.
 8. State's year 2020 75% statewide recycling goal: 40% by 12/31/12, 50% by 12/31/14, 60% by 12/31/16, 70% by 12/31/18 and 75% by 12/31/20.

Due to the Board approved Leon LEADs reorganization, this program was realigned to the Office of Sustainability from the Public Works Department.

The major variances for the FY 2012 Solid Waste Recycling Services & Education budget are as follows:

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Realignment of position (Recycling Assistant) from Engineering Services in the amount of \$37,041.
3. Transportation costs associated with vehicle insurance, repairs, and fuel in the amount of \$2,413.

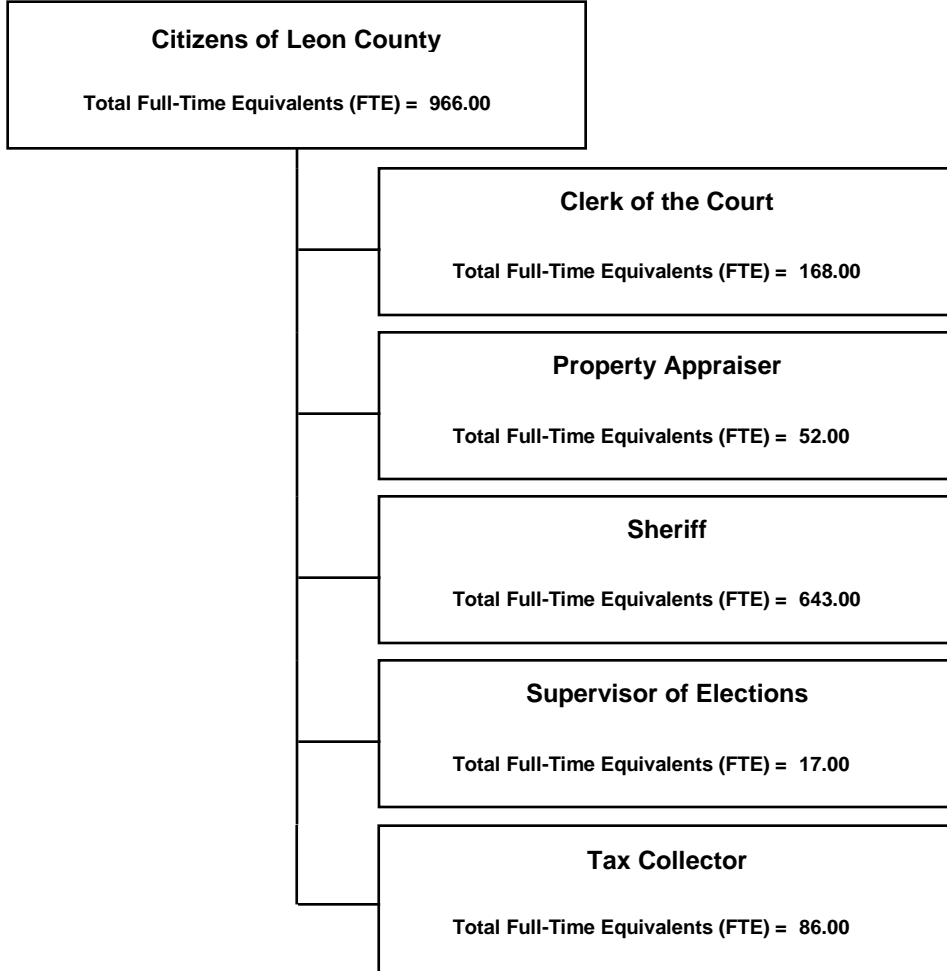

Decreases to Program Funding:

1. Decreased one-time cost (FY11 budget) for the Waste Characterization Study in the amount of \$60,000.

Executive Summary

The Constitutional section of the Leon County FY 2011/2012 Annual Budget is comprised of the Clerk of County Courts, the Property Appraiser, the Sheriff's Office, the Supervisor of Elections, and the Tax Collector.

The Leon County Clerk's Office serves as the Clerk of the Circuit Court, the Treasurer and Custodian of County funds, and the Clerk to the Board of County Commissioners. The Property Appraiser assesses all property located within Leon County to ensure property is assessed as required by state statute. The Leon County Sheriff's Office provides law enforcement services, detention and correctional services, coordination of public safety programs and provides Enhanced 9-1-1, and emergency management services. The Supervisor of Elections is responsible for the registration of citizens to vote, processing and maintaining voter records, and conducts all elections for the community. The Tax Collector's Office provides tax collection and distribution services to taxpayers, business and taxing authorities.

HIGHLIGHTS

The Clerk's Office is primarily funded by fees and, due to the continuing weak economy, has seen a significant decline in revenue over the past three years. Consequently, the Clerk has had to reduce staffing by 14.5 FTE during this time. Even with these reductions, the Clerk's Office will continue to provide the staffing for the County Courts (Small Claims, Traffic, and Misdemeanor); provide accounting services for the Board of County Commissioners, records management, Clerk and County Court accounting, cash management and payroll services; keep minutes of the Board's meetings and workshops; and provide treasury, custodian, and accounting functions for the Supervisor of Elections. The Clerk's Office will also continue to effectively use technology to enhance the efficiency and effectiveness of the services it offers to its customers. This year, due to the reorganization of administrative functions, the Clerk's Office was able to eliminate a position through the Voluntary Separation Incentive Program.

The Property Appraiser's Office manages and certifies property values for more than 100,000 parcels totaling \$23 billion in Just Value and \$13 billion in Taxable value. This year, the Property Appraiser was able to cut one position due to the reorganization of residential field appraisal services.

The Sheriff's Office continues to provide the highest professional level of effective and efficient law enforcement services to the residents of Leon County. The Sheriff's Office also is responsible for providing Enhanced 9-1-1 services for the reporting of emergencies to response agencies such as Police, Fire, and Emergency Medical Services. The Board approved four additional positions for the Sheriff's Office for FY 2012: three bailiff positions for additional courthouse security and a deputy position associated with the regulation of simulated gambling devices (internet cafés).

The Supervisor of Elections continues to provide quality voter registration and election services to the citizens of Leon County. Supervisor of Elections were budgeted for additional costs for FY 2012 due to the upcoming Presidential Primary Election and redistricting associated with the results of the 2010 Census.

The Tax Collector continues to provide efficient, accurate, and convenient tax collection to taxpayers, businesses, and taxing authorities in a fair, friendly, courteous and professional manner. The County is also responsible for paying commission on the ad valorem assessment from the Leon School Board. The Tax Collector has committed to returning a minimum of \$340,000 in excess fees at the end of the fiscal year.

Sheriff - Law Enforcement (110-510-586)

The major variances for the FY 2012 Sheriff Law Enforcement budget are as follows:

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.
2. As part of budget reductions submitted for FY 2012, vehicle replacement costs reductions in the amount of \$312,000.

Increases to Program Funding:

1. Three bailiff positions associated with the Chief Judge's request for additional courthouse security in the amount of \$196,500.
2. Deputy position, vehicle and equipment costs associated with the internet cafe in the amount of \$96,716.

The major variances for the FY 2012 Sheriff Corrections budget are as follows:

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

# of health care facility plans reviewed	30	22	28	25
# of presentation conducted	13	17	12	15

Notes:

1. Estimates were reduced due to decreased domestic security grant funding for planning, training and exercise from the Department of Homeland Security. This funding was decreased by 50% last year and for FY12, are just a quarter of what they were initially. The exercises conducted will resume to pre September 11 numbers when the grant funding ends.

Supervisor of Elections**

Organizational Code: 060-520/521-513

Mission

The mission of the Supervisor of Elections is to pursue excellence in the registration of citizens to vote in compliance with the National Voter Registration Act as well as process and maintain voter records in a timely and professional manner that serves all citizens of Leon County. The Supervisor of Elections will conduct all elections within Leon County with integrity and accuracy, and in the most proficient and cost effective manner to serve all citizens.

Summary of Services Provided

Voter Registration

1. Qualify and register electors using state and federal forms and guidelines; issue new or replacement voter information cards as needed.
2. Maintain registration records in physical and electronic form via the statewide voter registration data base.
3. Perform annual address confirmation maintenance via verification of addresses through the national clearing house for postal change of addresses.
4. Perform voter outreach in Leon County by providing access to voter registration material at over 125 branch sites including libraries, schools and banks.
5. Perform voter outreach at many local events to educate the public on how to register to vote or make changes to their registration as well as provide opportunities to answer questions concerning registration, voting, and elections.

Elections

1. Conduct all regularly scheduled federal, state, county and municipal elections as well as any special election as required by the State, County, City of Tallahassee or special district.
2. Qualify all candidates for county, municipal or special district office within Leon County.
3. Provide candidates, parties and committees with information on voters including name and address, registration status, demographics and voting history, maps and special precinct based information such as precinct street maps and lists.
4. Publish election related material and advertising as required by state statute notifying citizens, candidates, political parties, and committees of dates of events relating to all elections.
5. Train poll workers for each election as required by state statute.
6. Verification of signatures on candidate and initiative petitions with certification to the State of Florida.
7. In years of reapportionment, provide for the re-precincting of the county after new district lines are drawn by the redistricting authority of the School Board, County and State.
8. Provide for re-precincting after annexations by the City of Tallahassee.

Statutory Responsibilities

Florida Constitution; Florida Statutes 97-106 Elections Code; Florida Statute 129.201-129.202; Florida Statutes 189; Florida Statutes 190; The National Voter Registration Act; The Voting Rights Act; The Help America Voter Act of 2002; The Leon County Charter and The City of Tallahassee Charter

Notes:

The Board budget allocation is not the entire Tax Collector's budget, but only the portion relative to statutorily changed commissions paid by the County.

The major variances for the FY 2012 Tax Collector budget are as follows:

Decreases to Program Funding:

This budget reflects estimated commission payments associated with the collection of ad valorem taxes. In addition to property taxes levied by the County, according to Florida Statutes, the County is responsible for all commissions with the School Board ad valorem assessments. Commissions are estimated to decrease due to the County's decreased property valuation which will provide for a \$2.75 million reduction in property taxes allocation.

Judicial

Executive Summary

The Judicial section of the Leon County FY 2012 Annual Budget is comprised of Court Administration and Other Court Related Programs, the State Attorney, and the Public Defender.

Court Administration protects rights and liberties, upholds and interprets the law, and provides for the peaceful resolution of disputes for citizens of Leon County and other surrounding counties in the 2nd Judicial Circuit. Additionally, Court Administration is responsible for court reporting, the law library, family law assistance program, family visitation program, mediation, teen court, non-conflict attorney, detention review coordination, mental health coordination, and indigent probate services. The State Attorney prosecutes all criminal cases in the 2nd Judicial Circuit for the punishment of crimes and the safety and protection of the public. The Public Defender's office provides quality legal representation to all indigents charged with criminal offenses.

HIGHLIGHTS

The grant awarded by the state for Mental Health Court expired on June 30, 2011. Due to budgetary constraints, the Board voted not to continue the Mental Health Court in FY 2012. However, the Mental Health Coordinator will continue to provide case management services for all mentally ill defendants with criminal charges pending in Leon County.

The State Attorney's Office will receive and handle approximately 5,000 felony referrals, 19,000 misdemeanor referrals and 1,500 juvenile referrals in FY 2012. The State Attorney Office continues to provide efficient and effective prosecution and dispositions of all felony, misdemeanor, and Juvenile criminal cases referred. The County continues to provide additional funding support in the amount of \$37,000 for first appearance attorneys to assist in reducing the jail population.

The Public Defender's Office estimated a total of 11,402 cases will be closed in FY 2012. The Public Defender's office continues to provide quality legal representation to all indigents charged with criminal offenses. The County continues to provide additional funding support in the amount of \$37,000 for first appearance attorneys to assist in reducing the jail population.

Teen Court continues to be one of the most successful and cost effective juvenile diversion programs. The FY 2011 Teen Court's performance measures estimates were amended to provide more meaningful performance data and to accurately reflect Teen Court outcomes. The recidivism rate, a key indicator of the program's success, is reported on graduates that re-offend within one year of completing the program.

Guardian Ad Litem advocates for the best interest of children who are abused, neglected, or abandoned, and who are involved in court proceedings. In FY 2012, Guardian Ad Litem will represent approximately 499 children who are residents of Leon County.

Court Administration - Court Administration (001-540-601)

Goals

The goal of the Office of Court Administration's Mental Health Coordinator and Detention Review Coordinator is to provide case management and intervention in the case processing of defendants in the Leon County Jail and other facilities in order to reduce delays in case disposition and/or defendant release.

Objectives

Mental Health Coordinator

1. Performs early identification; screening of all persons arrested and booked into the Leon County Jail, and attends First Appearance court.
2. Provides case management services for all identified mentally ill defendants with criminal charges pending in Leon County.
3. Reviews, enhances and coordinates follow up mental health services available in the Leon County Jail and acts as court liaison for mental health issues with all outside vendors.

Detention Review Coordinator

1. Performs case management and reviews of all jailed felony defendants, traffic and misdemeanor defendants.
2. Performs bi-weekly case management and review of all felony technical probation violators.
3. Serves as Court Liaison for jail population review and management with all outside agencies.

Statutory Responsibilities

Florida Constitution; Florida Statutes, Chapters 29 "Court System Funding" *Chapter 34 "County Courts" *Chapter 38 "Judges: General Provisions" *Chapter 39 "Judicial: Proceedings Relating to Children" *Chapter 40 "Jurors & Payment of Jurors & Witnesses" *Chapter 43 "General Provisions: Courts"

Advisory Board

Forensic Mental Health Workgroup; Baker Act Screening Committee; Partners in Crisis and Mental Health Workgroup; Criminal Justice Coordinating Committee; Public Safety Coordinating Council; Justice Information System Users Group, and attendant Mental Health Advisory Board

Notes:

Detention Review Coordinator (DRC)

1. Last year it was indicated that the number of beds avoided due to Felony Violators of Probation Stand Alone Docket was decreasing. In fact, it appears that the number of beds avoided due to VOP Rocket Docket increased for FY 2010. More defendants are being sentenced to Probation, explaining the decrease in overall Jail population. Because of that fact, the tendency of more persons to violate probation has increased. The FY 2011 estimate, based on current data, again shows a decrease. This however, may be cyclical, and could be adjusted upward once all data is received. *Actual numbers for FY 2011 will be reported in next year's budget.*

Mental Health Coordinator (MHC)

2. Last year, the Mental Health Coordinator's performance measures were modified as a result of the Criminal Justice Mental Health and Substance Abuse Reinvestment Grant. Through the Reinvestment Grant, the Mental Health Coordinator has worked with other Leon County programs and community agencies to develop and implement a more comprehensive mental health program in the criminal justice system, to include the following components: Mental Health Pretrial Release, County and Circuit Mental Health Probation, Misdemeanor and Felony Mental Health Court, and a Community Competency Restoration (CCR) program. The CCR program provides in-home training and support services to defendants, who would otherwise spend this time in jail or a mental facility. Cost Avoidance was determined using the most recent jail best cost of \$67.55 as reported by the Florida Association of Counties.

3. The Mental Health Court grant awarded by the state expired on June 30, 2011. During the June 27, 2011 Budget Workshop, the Board voted not to continue the Mental Health Court in FY 2012, which accounts for the lower estimates in FY12.

The major variances for the FY 2012 Court Administration budget are as follows:

Increases to Program Funding:

1. Costs associated with the training and certification of process servers in the amount of \$10,700. This will be offset by corresponding revenue.

Decreases to Program Funding:

1. Costs associated with the 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. These decreases are offset by a 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. No adjustment is provided for those employees making over \$70,000.

Increases to Program Funding:

1. Contracts or other obligations for continuity of services in the amount of \$16,174. These costs were transferred from legal aid funded by the \$65 criminal violation court costs due to a decline in this revenue source. Overall funding for legal aid remains level.

Judicial

Other Court-Related Programs - Court Administration - Teen Court (114-586-662)

Goals

The goal of Teen Court is to have clients face a jury of their peers, receive a fair and just sentence for their crime, complete the educational sanctions imposed by the Teen Court jury, learn from their mistakes, set goals for themselves, and make better decisions in the future.

Objectives

1. Provide a forum whereby youthful offenders are "sentenced" by a court of their peers.
2. Provide sanctions to offenders through sentencing hearings.
3. Provide professional, educational, and counseling services and/or referrals to clients of the program.
4. Provide training for teens to serve as prosecution and defense attorneys, as well as bailiffs, clerks and videographers.
5. Provide educational/crime prevention/victim's awareness components to clients.

Statutory Responsibilities

Florida Statutes, Chapter 938.19. Assessment of additional court costs; Leon County Ordinance Sec. 7-28(c).

Advisory Board

Teen Court is a member of the Florida Association of Teen Courts, as well as a participant in the National Youth Court Association. Collectively, program staff participates with the Integrated Juvenile Services Staffing team at the Juvenile Assessment Center (JAC) and The Youth Development Council.

Notes:
Teen Court is experiencing a slight overall decrease in the number of cases referred for FY 2011 but an increase over FY 2010. Current trends show a decrease in the number of referrals to all Non-Judicial programs and an increase in the number of Non-Judicial programs available to the State Attorney. However, Teen Court continues to receive 42-45% of all cases referred for diversion, and will continue receiving referrals through the Leon County Civil Citation Program through an interagency agreement with DISC, Inc. We expect our case load to increase as the year progresses. *Actual numbers for FY 2011 will be reported in next year's budget*

Performance measures have been amended to more accurately reflect Teen Court outcomes:

1. The number of volunteer service hours contributed reflects a consolidation of the two categories: number of hours adults participate as well as the number of adults participating. The number also includes officers and jurors.
2. Number of successful completions.
3. Teen Court recidivism rates will be reported on graduates that re-offend within six months of completing the program. The initial reporting estimate in FY10 refers to FY09 cases.

The major variances for the FY 2012 Teen Court budget are as follows:

Increases to Program Funding:

1. Costs associated with 4% increase to Health insurance and a 3% salary adjustment for employees making under \$50,000, a 1.5% salary adjustment for employees making \$50,000 - \$69,999. These increases will compensate for a 3% State mandated decrease in County's portion of funding for the Florida Retirement System and a reduction in workers compensation rates. Employees will be responsible for contributing to this portion of their retirement. No adjustment is provided for those employees making over \$70,000.
2. Costs associated with restoring a part-time Teen Court Education Coordinator position to full-time in the amount of \$18,198.

Guardian Ad Litem - Guardian Ad Litem (001-547-685)

Goals

The mission of the Guardian ad Litem Program is to advocate for the best interests of children who are alleged to be abused, neglected or abandoned, and who are involved in court proceedings.

Objectives

1. Provide children with legal representation and advocacy services.
2. Preserve children's physical safety and emotional well-being and protect children from further harm.
3. Make verbal and written recommendations for children's permanent placement in a stable and nurturing home environment.
4. Attend trials, hearings, staffings, and mediations.

Statutory Responsibilities

Florida Statutes, Chapter 39.402(8) (c)(1) "Placement of Child in Shelter"; Chapter 39.802(2)(a) "Petition for Termination of Parental Rights"; Chapter 39.822 "Appointment of Guardian Ad Litem"; Chapter 39.407(5) Dependency Case Referral to Mediation".

Notes:

1. During 2007, the Florida Department of Children and Families began making an enhanced effort to provide higher quality and more intense in-home services with the goal to reduce caseloads and the number of children removed from homes. Thus far, this initiative has resulted in reduction in Dependency cases statewide and reduction locally. The Second Judicial GALP is required to maintain no more than 300 volunteers for the 2012 fiscal year.

Fire Control Summary**

During FY 2009, the County entered into an interlocal agreement for a functionally consolidated Fire and Emergency Medical Services program with the City of Tallahassee. With this new organizational structure, a new fire services fee, based on a contracted fire service fee study, was adopted by resolution on June 9, 2009, to fund fire services in the unincorporated areas of the County. This fire service fee also provides funding for the six volunteer fire departments that operate in the unincorporated area of the County.

The increase in costs from previous years is associated with more resources provided for fire services (such as an additional fire fighter at unincorporated area fire stations and additional funding for volunteer fire departments), and to maintain level service fees over the next five years. Billing for these services in the unincorporated area will be through the City electric bill, or quarterly direct billing for properties not served by City utilities. Property owners who do not respond to direct billing, will have the fee placed on their tax bill in subsequent years. Approximately 1,800 property owners did not pay the fee in FY 2011 (down from 5,800 in FY 2010), have had the FY 2011 delinquent assessment, and the FY 2012 assessment placed on their tax bill. The decrease in delinquent fees from FY 2010 to FY 2011 accounts for the decreased budget in FY 2012.

Communications Summary**

The Communications Trust Fund accounts for the resources and expenditures associated with the County's centralized telecommunications network, which includes the telephone and internet systems. The individual departments and agencies are assessed based on the number of internet connections, data lines, and telephone usage within their individual areas. The increase in funding is due to the expansion of the phone system to other Leon County government offices, offset by a slight decline in the provider's rates.

Cost Allocations Summary**

Cost allocations are a method for the County to distribute general and administrative costs throughout the organization. On an annual basis, the County engages a cost plan consultant to determine the appropriate distribution of costs. These are costs incurred by the General Fund on behalf of the entire organization. Costs include such items as Purchasing, Facilities Management, Human Resources, Office of Management & Budget, the County Attorney's Office, Management Information Systems and other non-departmental costs. These costs are charged to divisions that are not accounted for in the General Fund, and "booked" to the General Fund as a negative expense (or credit). As shown in the table below, this approach avoids a "double counting" in the budget. The negative expense in the General Fund is offset by the amount charged to the respective fund.

Risk Allocations Summary**

The County maintains an internal services fund for risk management. The fund derives its revenue from workers' compensation contributions and allocations from various funds based on liability allocations (i.e. property insurance).

The amounts reflected below are the allocations for property and liability. Workers' Compensation is charged directly to each department's Personnel Services budget.

**Capital Improvement Program
Budgeted Capital Reserves Summary**

As part of the FY 2008 budget process, the Board allocated a total of \$40.4 million in capital reserves. This included \$14 million for current and future mandatory, maintenance, and essential general fund capital projects (Fund 305) for the next five years, and \$26.4 million in one-cent sales tax revenue to maintain the existing transportation network over the next five to eight years (Fund 308) largely by eliminating the Tharpe Street project.

The reduction of these two reserves by \$10.6 million in FY 2012 reflects the planned level utilization of these resources to fund required and necessary capital projects. These reserves will be depleted by FY 2015.

Other Non-Operating

These expenses relate to costs that are not associated with a specific County Department. A detailed description regarding for these costs is provided below.

Non-Operating Expenditures - General Fund

These expenses include: County's annual dues (i.e. National Association of Counties, Florida Association of Counties), unemployment compensation payments, licensing (ASCAP), state fire service payments, pre-employment drug tests, payment for legal notices, annual audit expenses, and bank charges.

Summer Youth Employment

The Summer Youth Employment Program is funded by the County out of general revenue. The participants in this program are Leon County students between the ages of 14 and 21. Participants will be covered by the County's workers' compensation program and wages will be paid out of available funds. There is currently \$74,265 allocated for the FY 2012 budget.

Other Non-Operating Expenses

Non-operating expenditures include payments to the City of Tallahassee for Parks and Recreation, Fire and Animal Shelter services, the Community Redevelopment Area (CRA)/Tax Increment Financing (TIF) districts, and for mid-year grant matches. This fiscal year \$1.7 million is budgeted for CRA/TIF payments: \$1,161,952 for the Southside/Frenchtown payment, and \$527,495 for the Downtown CRA. Payments decreased from FY 2011 due to a 8% decrease in property value in the Frenchtown CRA and a 1% decline in the Downtown CRA.

Diversionsary Programs

This funding is for programs that have a direct impact on reducing the population at the County Correctional Facility. The Public Safety Coordinating Council (PSCC) makes recommendations to the BCC regarding there expenditures. The BCC makes the final decision regarding the use of these funds.

Reimbursement of Administrative Costs

Reimbursements of administrative costs are associated with the chargeback of Public Works operations and engineering staff to various capital projects.

State Juvenile Detention Payments

The Juvenile Detention payment is a mandate authorized by the legislature in 2004. The mandate requires counties to pay the State for the predisposition of juveniles at detention facilities. Previously, costs for this program have steadily increased; however, FY11 payments decreased and current year payments remained level. The Department of Juvenile Justice estimated payments for FY 2012 at \$1.38 million, approximately \$30,000 higher than the FY 2011 budgeted costs of \$1.35 million.

Drug Abuse Trust

Expenditures associated with the support of drug intervention programs overseen by Court Administration.

800 MHZ System Maintenance

The Moving Violation Surcharge Fund is used to account for resources and expenditures associated with Leon County's participation in an intergovernmental radio communications programs previously approved by the Florida Department of Management Services. The actual expenditure is an annual payment to the City of Tallahassee for ongoing maintenance associated with the Leon County 800 MHZ radio system. In FY 2008, Leon County entered into a new maintenance contract for the system involving an upgrade from analog to digital technology. Due to the completed capital upgrade, funds associated with this program were moved from a special revenue capital fund to a special revenue operating fund.

Killearn Lakes Units I and II Sewer Services

This expenditure is a payment to the City of Tallahassee for the construction of a sewer system in these two subdivisions. Revenue for the payment is derived by a non-ad valorem assessment charge to individual lots. The County collects the assessments for remittance to the City.

Tax Deeds

This funding is provided for costs associated with the purchase tax deeds on properties that have not paid property taxes or assessments.

Youth Sports Teams

The County provides \$4,750 annually in support of established youth sports teams to assist with costs associated with post-season activities.

Grant Match Funds

Matching funds are provided for contingent grants that require a certain percent of the funding required to implement or operate a program. The pledged match is contingent on the grant being awarded.

Payment to the City of Tallahassee for Parks & Recreation

In 2005, the County and the City entered into a 15 year agreement to make City parks, recreational facilities and programs fully accessible to the residents of the unincorporated area of Leon County.

Debt Service

The various Debt Service Funds account for the debt service, including the accumulation of resources and payment of principal and interest, associated with the existing bonds issued by the County and an Energy Performance Contract with Energy Systems Group.

The bonds are secured by Non-Ad Valorem Revenue sources. None of the bonds are General Obligation Bonds. These bonds have been structured to have overall level annual payments until all dates of expiration occur in 2025. This level payment structure for debt service will result in the reduction of the debt service burden to the County over time as the percentage of monies spent on debt service in the budget reduces in the out-years.

Leon County currently services debt on 4 bonds. These bonds were all issued to fund the following County projects:

1. Construction of Public Libraries, the County Jail, and the Northeast Fire Station
2. Acquisition of the Tourist Development Council Building and the Bank of America Building
3. Renovations to the County Courthouse, the Fleet Management Facility, and the Public Works Building
4. Improvements to Stormwater Facilities, the County Landfill, and Parks & Recreation
5. Relocation of the Growth & Environmental Management Facility

The Energy Performance Contract is a lease to fund the acquisition of equipment to improve energy efficiency in various County facilities. The energy cost savings will offset the cost of the lease. Any balance on the lease not offset by the savings will be paid by Energy Systems Group.

Introduction

Capital Improvement Program

The capital improvement program is a resource that helps Leon County government to ensure that decisions on projects and funding are made wisely and in a well planned manner. The quality of life for a Leon County resident depends on the reliability of transportation, the quality of stormwater system, the efficiency of waste disposal, the accessibility of culture and recreation, and many other essential public services.

High quality service levels can be achieved through the proper planning and provision of the replacement, maintenance and enhancement of the County's capital assets. In accordance with Florida Statute Chapter 125.74(d), the County Administrator is annually responsible to prepare and submit a capital budget and capital improvement program to the Board.

Capital Assets

A capital asset is a new or rehabilitated physical asset that is nonrecurring and has a useful life of more than three years and costs at least \$15,000.

Capital Project

A capital project is undertaken to acquire a capital asset. Examples include the construction, maintenance, and/or renovations to public buildings as well as improvements to stormwater systems and transportation.

Capital Improvement Program

Capital infrastructure is essential to the Leon County community. Leon County's capital improvement program is a multi-year program that identifies capital projects to be funded during a five year period. It specifies each capital project to be undertaken, the year it will begin, the anticipated expenses for each year and the method of financing.

Projects and financing sources in the capital improvement program for years other than the current budget year (commonly called "out-years" or "planned years") are not authorized until the annual budget for those years is legally adopted. The out-years serve only as a guide for future planning and are subject to further review and modification.

Annual Capital Budget

The annual capital budget represents the first year of a capital improvement program. It is the appropriation of capital spending legally adopted by the Board. The annual capital budget is adopted in conjunction with Leon County's annual operating budget and provides legal authority to proceed with specific projects.

Capital Improvement Program

Preparation

Each fiscal year, the Office of Management and Budget facilitates the preparation of a capital improvement program. Officials, administrators, and staff of Leon County government all assist in this process. The preparation process includes the following:

- I. Assessment of Capital Needs
(*Department/Division Staff*)
 - Prepare an inventory
 - Evaluate whether to repair or replace facilities and/or equipment
 - Identify future needs
- II. Identification of Capital Projects
(*Commission, Administration, Department/Division Staff*)
 - Review status of current projects
 - Develop information for new projects
 - Submit project requests
- III. Financial Analysis
(*Administration and OMB*)
 - Evaluate financial conditions
 - Forecast financial trends
 - Evaluate funding options
- IV. Evaluation & Planning of Capital Projects
(*Administration and OMB*)
 - Review and prioritize project requests
 - Select projects and project schedules
 - Determine project funding sources
- V. Adoption of Capital Improvement Program & Annual Capital Budget
(*Commission, Administration, and OMB*)
 - Prepare and submit tentative program and budget to Commission
 - Hold public hearings
 - Revise and prepare final program and budget for adoption
- VI. Implementation & Monitoring of Annual Capital Budget
 - October 1 through September 30

Document Overview

The following is a brief description of the information contained in the Capital Improvement Program. A Project Index can be found in the first section of the Capital Improvement Section.

Summary

This section contains information, analysis and summaries about Leon County's capital improvement program and capital budget.

- Introduction:
General capital improvement program and capital budget preparation information.
- Capital Improvement Program Analysis:
Brief analysis of the FY12-FY16 capital improvement program.
- Capital Projects By Managing Department:
Summary table of all capital improvement projects organized by managing department.
- FY11 Anticipated Carryforward Projects:
Summary table of all capital improvement projects that are anticipated to be carryforward from one fiscal year into the next.
- Operating Budget Impacts:
General description and summary table of estimated impacts capital projects are anticipated to have on the operating budget.

Capital Project Sections

Each section represents the service type of the capital projects it contains. Included in each section is an overview with a brief analysis, an index of the projects and a detail sheet for any project with planned activity in any fiscal year from FY12 to FY16. The project detail sheets each provide the following:

- General Information:
Includes project title, managing department, project number, service type, project status, description/justification and, if applicable, project location map.
- Policy/Comprehensive Plan Information
Non-comprehensive Plan Related Projects - relevant policy, law, mandate, ordinance, master plan, initiative, etc.
- Comprehensive Plan Related Projects:
Identifies whether the project is in the capital improvement element of the comprehensive plan, the improvement (i.e. stormwater, parks & rec, roads, etc.), level of service standard for the improvement, current level of service, level of service upon completion of the improvement, etc.
- Financial Information:
Includes funding sources, past expenditures through FY10, FY11 adjusted budget and FY11 year-to-date expenditures, FY12 budget, FY13 - FY16 planned budget, FY12 - FY16 total, total project cost, and estimates of any anticipated impacts on the operating budget.

Capital Improvement Program Analysis

FY 2012 Capital Budget

Figure 15.1 shows the capital funding for each fiscal year from FY05 through FY12. The total FY12 capital budget is **\$35,568,225 (\$22,626,879 in capital projects and \$12,941,346 in budgeted reserves)**. Including the budgeted reserves, this is a 12.56% decrease over the adopted FY11 capital budget of \$40,676,293. The decline in capital funding reflects the utilization of capital reserves set aside by the Board to fund the long term capital needs of the County. In addition, the figure below illustrates that the Capital Improvement Program is approaching FY 2007 funding levels.

The capital projects planned for FY12 include: payment to the City of Tallahassee for improvements to Gaines Street, Transportation and Stormwater Improvements, General County Maintenance, Main Library Bathroom Renovations, and Management Information Service upgrades.

Figure 15.1
FY05 – FY12 Capital Funding

Service Types

Figure 15.2 shows the service types of the projects in the FY12 capital budget. In FY12, 42.4% or \$9,593,054 of the capital budget will fund transportation related projects. Figure 15.3 shows the service types of the projects in the FY12-FY16 Capital Improvement Program. The Capital Improvement Program continues to spend the majority of funds on transportation projects. The budgeted reserves are not reflected below.

Project Funding Sources

Table 15.1 shows the project funding sources for the FY12 capital budget and the FY12-FY16 capital improvement program. The Capital Improvements Fund (Fund 305) is the primary source of funding for the FY12 capital budget. Fund 305 will fund \$7,784,700 or 34.4% of the total FY12 capital budget. In the FY12-FY16 capital improvement program, the Capital Improvements Fund (Fund 305) continues as the primary source of funding. It will fund \$32,498,497 or 37.2% of the total FY12-FY16 program. The budgeted reserves are not reflected below.

Reserves for Capital Projects

The FY12 capital budget includes a series of dedicated reserves for future projects: General Government (\$5.54 million) and Intersection/Resurfacing (\$7.28 million).

General Government: As part of the annual budget process, the County evaluates the resources necessary to support the five year capital improvement program. Depending upon the level of reserves, additional general revenue is contemplated to be transferred to the capital projects to maintain a five year funded program. This approach began during the FY08 budget process to support the funding of maintenance and essential capital projects. The goal is to provide funding to maintain the existing infrastructure of the County. Through this effort, the County is able to avoid large increases/decreases in funding over the five year period. The out-year budgets reflect the capital reserves being depleted by FY14.

Intersection/Resurfacing: During the FY08 budget process, the County established this reserve account to support intersection and resurfacing projects for the next six to eight years. The funds are restricted by law to be used for transportation projects or the jail. With the decline in gas tax revenues, the need to have this resource for maintaining the existing infrastructure has become critical. The out-year budgets reflect the capital reserves being depleted by FY15. Beginning in FY14, the Capital Improvement Budget contemplates using the Sales Tax Extension (Fund 309) to fund resurfacing and intersection improvements projects.

Capital Improvement Program Analysis

New and Revised Capital Projects

Table 15.2 shows the new and revised projects for FY12 capital budget and FY12-FY16 capital improvement program. A total of 6 projects in the amount of \$968,500 will be funded in FY12. For the five year period of a total of \$2,741,438 is budgeted for 8 new and revised projects.

Operating Budget Impact

The following is a general description of some of the impacts that different types of projects can have on the operating budget.

Facilities

The construction or acquisition of a new facility increases the square footage that the County is required to maintain. This increase results in additional expenses including utilities, maintenance and custodial contracts, and repairs. New community centers and libraries are typically service enhancements and also require additional staffing, operating supplies, library materials and machinery and equipment. A new facility may also involve the cancellation of a lease on an existing facility to help offset the increased costs.

Renovations or upgrades to an existing facility are often completed in order to improve efficiency and avoid total replacement. An increase in efficiency often results in a reallocation of staff time and a decrease in costs such as maintenance, utilities and repairs.

Parks/Greenways & Trails

The development of a new park or greenway and trail space increases the acreage that the County is required to maintain. This increase results in additional expenses including maintenance staff, maintenance vehicles and equipment, operating supplies and utilities.

Roadways

The improvement of roadways generally requires ongoing maintenance costs such as pothole patching, lane and crosswalk re-striping, sign and traffic signal replacement, and roadside right-of-way mowing and maintenance.

Stormwater

The improvements of existing stormwater ponds or drainage systems and construction of new ponds or drainage systems are often completed to correct a deficiency. These corrections typically result in decreases in maintenance and repair costs.

Technology

The implementation of new technology often requires an increase for maintenance contracts once the warranty period has expired. Upgrades to existing technology do not usually have any additional costs. The upgrades can result in a decrease in maintenance costs and a reallocation of staff time due to the increased efficiency.

Vehicles/Equipment

The purchase of a new vehicle or piece of equipment results in additional expenses including vehicle coverage, preventative maintenance, fuel and oil, and operating supplies. The purchase of a new vehicle or piece of equipment may also require additional staffing for operation. Replacement vehicles or equipment do not usually impact the operating budget.

Table 15.5 outlines the estimated impacts that some projects may have on the operating budget. Impacts are shown in the fiscal year in which they are anticipated to begin and the out years that will be affected by additional operating costs. The impacts shown in this table are only estimates and include projects that will reduce the operating budgets of some departments. These impact estimates are subject to change.

Table 15.6 outlines the estimated operating budget impacts by Department. Impacts are shown in the fiscal year in which they are anticipated to begin and the out years that will be affected by additional operating costs. The impacts shown in this table are only estimates and are subject to change. In addition, departments may share the operating impacts of one project. For example, Facilities Management is responsible for the utilities and maintenance of the libraries while the Library Department is responsible for personnel and operating supplies.

Culture & Recreation

Overview

The Culture and Recreation contains capital improvement projects designed to facilitate the provision, maintenance, and operation of culture and recreation facilities and activities. Major culture and recreation capital projects funded in FY12 include: Greenways and Parks Capital Maintenance, Playground Equipment Replacement, improvements to the Main Library, and the building a fence at Fred George Park.

Managing Departments:

Table 15.7 shows that Parks & Recreation will manage 97% of the FY12 culture and recreation capital improvement projects or 10 projects for FY12. Facilities Management and Management Information Services will each manage one project accounting for 3% of the Culture and Recreation capital improvement projects.

Funding Sources:

Figure 15.4 shows that 88% (\$2,000,000) of culture and recreation projects are funded in FY11 by the Capital Improvements Fund (Fund 305). The Bond Series 1999 Fund will fund 12% (\$272,500).

Project Description/Justification

This project is for technology improvements for Library Services.

Funding in FY 2012 is for the "Print to Pay" hardware and software. The "Print to Pay" program controls and charges for printing by library users who print from public-access computers. The software helps the user decide what pages should be printed, calculates costs, displays options for payment and releases the print job to a central printing station, where the user approves the print job. The hardware consists of coin and bill acceptors so that library users may pay with cash. They may also pay by credit card. The system is flexible and allows the Library to set fees for printing and/or offer free copies and then start charging at a certain limit (10-12 pages, for example). It is anticipated that this system will be implemented on January 1, 2012.

Funding in FY 2013 is for an update of the Vocera devices. Each library employee has Vocera device, which provides a remote telephone service that is integrated with the County's Avaya phone system. Library staff can be located any where in the building and receive calls going to their desks. This allows staff to be on the floor assisting patrons, working in the books stacks, and working away from their desks.

Project #:	046007	Capital Improvement:	N/A
Service Type:	Culture & Recreation	Level of Service Standard:	N/A
Status:	Existing Revised Project	Current Level of Service:	N/A

Project Description/Justification

This project is for new vehicles and equipment for the Parks and Greenways. The Parks and Greenways program has grown dramatically in recent years. In the past five years, the County has acquired a total of 1,491.27 acres: 321.6 acres for public for use and 1,169.67 acres in green space that has not been open to the public (St. Marks Greenway, Fred George Greenway, and Fallschase).

The FY12 request is for the purchase of one 165 PTO horse power tractor and a new vehicle for the greenways. In the past year, the greenways crew has relied on equipment on loan from other divisions to complete the work required. A second large tractor allows grass mowing with two tractors pulling 20' mowers in less time. The new vehicle for the greenways will be 'pool' vehicle available for use by the greenways attendants and will eliminate the need for the usage of their personal vehicles. In addition, three new vehicles, one zero turn mower, and one small utility vehicle will be purchase for additional parks and community center attendants.

The FY16 request is for a mini excavator. The Greenways crew has been renting one of these each year for the past three years to perform trail maintenance and clearing of debris. The purchase of the excavator will allow for additional maintenance on the trails as well as other jobs (stump removal, ditch work, and irrigation repairs) that are not currently being performed to due the limited rental time.

Project #:	046006	Capital Improvement:	N/A
Service Type:	Culture & Recreation	Level of Service Standard:	N/A
Status:	Existing Project	Current Level of Service:	N/A

Project Description/Justification

This project is for the replacement of playground equipment within the Leon County Parks and Recreation program. In addition, this project will also establish new play areas within the parks system. Previously, playground equipment replacement and additions were budgeted within individual park capital improvement projects. Playground equipment generally has a life span of 15 years unless safety regulations change or unexpected damage occurs. This replacement program will include the purchase, installation, and rubber safety surface under the equipment. All playground equipment in county parks is inspected several times a year by licensed playground inspectors to ensure safety requirements are being met.

Project #:	041002	Capital Improvement:	N/A
Service Type:	Culture & Recreation	Level of Service Standard:	N/A
Status:	Existing Revised Project	Current Level of Service:	N/A

Project Description/Justification

This project is for the replacement of the restroom and concession stands at J. Lewis Hall, Sr., Woodville Park and Recreation Complex. The existing restroom/concession was built in 1997 and since then three additional fields have been added. The additional fields have placed an increased demand on restrooms and concession beyond what was originally programmed for this facility. Currently, Port-a-Lets are being rented in order to meet restroom demands.

To meet the needs and use requirements for this area, a building the size of the building built at the Apalachee Regional Park will be needed at this area. To reduce the operational cost, the new building should be built as energy efficient as possible. Items such as a collection device to capture the rain water off the roof for irrigation of plants around the building, and solar panels on the roof to reduce utility costs will be considered.

General Government

Overview

The General Government Section contains capital improvement projects designed to facilitate the provision of services by the legislative and administrative branches of Leon County government. Major General Government Capital Projects funded in FY12 include: General County Maintenance, Main Library Bathroom Renovations, and Management Information Service upgrades.

Funding Sources:

Figure 15.5 shows that 79% (\$2,927,300) of General Government projects are funded in FY12 by the Capital Improvements Fund (Fund 305). The Bank of America Fund (Fund 165) is funding 19% (\$690,125) of General Government Projects for the improvement of that facility. The Bond Series 2003A and 2008B Construction Fund (Fund 311) is funding 2% (\$65,000) of the General Government Projects in FY12.

Project Description/Justification

This project is for the replacement of election equipment. In 1992, the current optical scan voting system was first purchased. Over the past 16 years, the units have been upgraded and repaired; however the equipment has reached its maximum use and needs to be replaced. The current OS technology is being phased out and will not be available after 2010. The replacement technology, OSX, allows for higher reading capacity which is needed for large precincts, absentee ballot counting and early voting. Over the next three fiscal years, 50 OSX units will be purchased each year in order to replace all the old OS units by the 2012 Presidential Preference Primary in January. In FY 2013, the replacement units for the touch screens with ADA compliant ballot marking devices will be purchased in order to meet the deadline mandated by statute.

Comp Plan CIE Project: **N/A**
 Capital Improvement: **N/A**
 Level of Service Standard: **N/A**

Project Description/Justification

This project is for the modernization of elevator generator motors and accompanying electric drive systems. An average of three elevators a year will be modernized. Emergency replacement costs are very high and the down-time for repair affects the buildings. The current generator motors and drive systems are large alternating current systems that run 24 hours a day and 7 days a week. These units are no longer manufactured or marketed by the elevator companies. The new technology is a variable frequency direct current system, which is more efficient and operates only on demand. The elevators are located at the Main Library, Courthouse, and the Bank of America Building.

Project Description/Justification

This project is for the replacement of file servers for planned obsolescence and standardization. Consolidation and upgrading of servers is an ongoing process to sustain desktop and communication functionalities and specialized applications for County staff and services. Upgrading of servers improves performance and reliability of systems and backup solutions. In addition, a virtualization solution for file servers will be used to improve support of applications, test environments, and maintenance, as previously described. The virtualization will minimize space requirements and cut energy costs in the data center, maximize technical staff resources, and provide for disaster recovery and business continuity of services.

This project produces an annual energy costs savings of approximately \$10,000 in electrical and air conditioning expenses. These energy savings in the data center were achieved by replacing nearly 250 servers with eight enterprise system servers that utilize virtualization and Storage Area Network (SAN) technology. These technologies provide on demand computing services through shared resources.

This project provides matching grant funds for the American Recovery and Reinvestment Act (ARRA) of 2009. The County has been actively monitoring the ARRA, as well as coordinating with regional partners to identify possible projects for funding consideration.

On April 21, 2009, the Board accepted a status report on the ARRA, including funding for additional lobbying efforts to gain grant funding. Subsequently, this project was amended during the June 22, 2010 budget workshop to fund capital projects such as Transportation and Stormwater Improvements and equipment for the Public Works Department.

Project Description/Justification

This project is for the development of a records management strategy and implementation plan for information storage, management, and discovery throughout the departments of the Leon County Board. Information will include all paper, microfilm, and electronically stored items such as emails, video, digital photos, maps, databases.

This project will also define the technical requirements for supporting the strategy and implementation plan within the existing Documentum solution. A process framework will be based on Florida statutes and developed to define 1) how and when to organize and store information, 2) how to comply with the Florida retention schedule for information, 3) how to destroy information, and 4) how to access information. Another outcome of the project is to define the software and hardware for an archiving solution for emails and other documents. As paper and electronic documents and processes are the integral to the work of the County government, management of those documents and processes are critical to the success of the government.

Project Description/Justification

This project is to decrease greenhouse gas emissions from Leon County operations, consistent with the County's greenhouse gas emissions reduction target, Climate Action Plan, and resolution to achieve the five Cities for Climate Protection milestones. Specific work performed under this project will be consistent with criteria included in the Climate Action Plan. The plan focuses on strategies which decrease energy demand, increase energy efficiency, switch to renewable energy and vehicle fuel, reduce miles traveled, and reduce solid waste through increased reuse and recycling. Surveys, audits and studies will be conducted to identify areas with the highest opportunity for energy savings and greenhouse gas reduction. Many of the greenhouse gas reduction measures will result in reduced energy use, with initial funding recovered through reduced life cycle operating costs.

Project Description/Justification

This project is for the replacement of old user computers, printers, and peripherals. A replacement schedule is extremely important due to advances in software, deterioration of hardware, the inability to obtain replacement parts for old equipment and the increased cost of maintenance of old equipment. Currently, computers are on a five year replacement cycle plan. However, users with specialty software needs, such as engineers and GIS staff, are in a three year replacement cycle. The computers that are replaced every three years are recycled to County users with standardized needs. All older machines are recycled to the Goodwill's electronics store. A virtualized desktop solution is being deployed for Board users over a 4 year plan, which will prolong the life of the desktop to over 5 years.

Health and Safety

Overview

The Health and Safety Section contains capital improvement projects designed to facilitate the provision of services by the legislative and administrative branches of Leon County government. Major Health and Safety Capital Projects funded in FY12 include: Emergency Medical equipment, technology, and ambulances.

Managing Departments:

Table 15.11 shows that Emergency Medical Services will manage the majority of the FY12 Health and Safety capital improvement projects. Emergency Medical Services will manage 9.7% of the total health and safety budget for FY12. Fleet Management will manage 64.5%, Facilities will manage 24.7%, and Management Information Services will manage less than 1.1%.

Funding Sources:

Figure 15.6 shows that the Emergency Medical Services MSTU Fund (Fund 135) funds 89% (\$637,500) of the Health and Safety capital improvement projects in FY12. The Grant Fund (Fund 125) will fund 11% (\$80,000) of Health and Safety projects.

**Table 15.11

Operating Budget Impacts:

Table 15.12 shows the estimated impacts that some Health and Safety projects have on the operating budget. Impacts are shown in the fiscal year which they are anticipated to begin as well as the out-years that are affected by additional operating costs. These impacts are only estimates and are subject to change.

Project #:	096013	Capital Improvement:	N/A
Service Type:	Health & Safety	Level of Service Standard:	N/A
Status:	Existing Project	Current Level of Service:	N/A

Project Description/Justification

This project is for the purchase of additional medium duty ambulances and the associated equipment. The purchase of additional ambulances is needed in order to increase the level of service associated with the rise of emergency response calls and patient transports. In FY12 and FY13, an additional three new ambulances will be purchased each year to increase the fleet size to 26 ambulances. Currently, the EMS Division has 20 ambulances and deploys 19 different shifts through out the day with 14 ambulances being deployed simultaneously during peak coverage times; therefore resulting in ambulances being deployed for 24-hours straight causing increased maintenance requirements and costs. The purchase of these additional ambulances is necessary to assure availability of deployable ambulances to meet the demand in services.

Project Description/Justification

This project is for the construction of a Leon County, City of Tallahassee, and Leon County Sheriff's Office Public Safety Complex. The establishment of a Public Safety Communication Board (PSCB) was approved by the County Commission on April 25, 2006 and by the City Commission on April 26, 2006.

Leon County, City of Tallahassee, and Leon County Sheriff's Office have agreed to pursue the public safety communication project and are moving forward with the consolidation of dispatching law enforcement and emergency personnel. A facility will be constructed that will include the dispatch services for the Leon County Sheriff's Office, the Tallahassee Police Department, Leon County Emergency Medical Services, and the Tallahassee Fire Department. The dispatch services will be co located in the Public Safety Complex with the City of Tallahassee Transportation Management Center, Emergency Medical Services and Fire Administration, and Leon County's Emergency Operations Center. Construction is scheduled to start in late FY11. The new American Red Cross building is located on the same property in order to create a campus environment.

Operating Budget Impact

The estimated annual impacts that this project will have on the operating budget once the facility is in operation have not been determined due to the fact that the specifics of the project have not been finalized. Operating impacts will be determined during FY11.

Physical Environment

Overview

The Physical Environment Section combines the previous Solid Waste and Stormwater Sections. This section contains capital improvement projects designed to facilitate the provision of services by the branches of Leon County government. Major Physical Environment Capital Projects funded in FY12 include: Gum Road Target Planning Area, Killlearn Acres Flood Mitigation, and machinery and equipment replacement for Solid Waste Management and Stormwater.

Funding Sources:

Figure 15.7 shows that the Capital Improvement Fund (Fund 305) funds 28% (\$1,798,900) of the Physical Environment projects are funded in FY12. The Solid Waste Management Fund (Fund 401) funds 22% (\$1,382,500) and the Sales Tax Extension Fund (Fund 309) funds 50% (\$3,180,000).

**Figure 15.7

Managing Departments:

Table 15.13 shows that Engineering Services will manage the majority of the FY12 Physical Environment capital improvement projects. Engineering Services will manage 58% of the total physical environment budget for FY12. Fleet Management will manage 8%, Management Information Services will manage 10%, Public Works Operations will manage 2%, and Solid Waste will manage 22%.

Operating Budget Impacts:

Table 15.14 shows the estimated impacts that some Physical Environment projects have on the operating budget. Impacts are shown in the fiscal year which they are anticipated to begin as well as the out-years that are affected by additional operating costs. These impacts are only estimates and are subject to change.

Project #:	067002	Capital Improvement:	N/A
Service Type:	Physical Environment	Level of Service Standard:	N/A

Project Description/Justification

This project is for the implementation of the \$5 million set aside from the Sales Tax Extension to retrofit existing County stormwater facilities and enhance their function. Funding is provided by the Blueprint 2000 Intergovernmental Agency from the 80% share of the Sales Tax Extension dedicated to the Agency. The following projects are included:

Lake Munson Dam Rehabilitation: This project addresses rehabilitation of the dam structure at an adjacent County owned location in order to address structural weaknesses and foundation instabilities at the existing dam that are currently being monitored. The rehabilitated dam will maintain the existing hydraulic conditions so that no change occurs in lake level or downstream discharge.

Sharer Road Outfall Stabilization: This project addresses the significant erosion of the outfall channel from Sharer Road to the Brandon Woods Pond. Unsafe conditions and lack of maintenance access will be addressed by concrete lining approximately 600 linear feet of the channel. The drainage easement has eroded to greater than 7 feet in portions of the channel. Steep sides and heavy tree growth limit access for maintenance and prevent use of standard stabilization methods.

Lake Heritage Outfall: This project addresses the replacement of the lake outfall structure to discharge directly into the main channel rather than the emergency flow-way through the subdivision. The lake berm will be stabilized to protect downstream structures.

Project Description/Justification

This project is for the replacement of the outfall pipeline at the Bradfordville Pond, constructed by the Florida Department of Transportation as a part of the Thomasville Road widening project. The joints in the concrete structures comprising the outfall system, as well as the primary control structure, have minor cracking which needs to be repaired for the pond to function as designed. Further geotechnical investigation reveals water seepage through the berm on the west side of the pond. In order to address the water seepage issue, corrective measures for the western berm will increase the project cost substantially.

The transference of the remaining budget for the Bradfordville Pond 6 Rehabilitation CIP account will decrease the need for additional funds; however there will still be a shortfall.

Project #:	066001	Capital Improvement:	N/A
Service Type:	Physical Environment	Level of Service Standard:	N/A

Project Description/Justification

On January 29, 2009 the Board conducted a Workshop to address the need for Transportation and/or Stormwater projects to mitigate or alleviate community impacts during and after major storm events. In that Workshop, later ratified, the Board directed that a new program be enacted to aid areas that are impacted by flooding during major storms.

The new program was to be similar to the County's on-going 2/3 Program, with the difference being that the petition requirement was reduced to 60% and that the County would contribute 20% of the project costs, subject to the availability of funds. During the Workshop, the Board also approved a new acronym for the existing 2/3 Program and the new program, CARDS, which stands for County Acquisition of Roads and Drainage Systems. On March 19, 2009, the Board conducted the First and Only Public Hearing to adopt a new ordinance creating the new CARDS program. This ordinance is now located in Chapter 18, Article IV, Division 2 of the Leon County Code of Laws. The original 2/3 Program remains as a separate Capital Improvement program under the new name of CARDS Transportation Program: Start Up Costs.

Geographic Information Systems Incremental Basemap Update

Dept/Div:	Management Information Services	Comp Plan CIE Project:	N/A
Project #:	076060	Capital Improvement:	N/A
Service Type:	General Government	Level of Service Standard:	N/A
Status:	Existing Project	Current Level of Service:	N/A

Project Description/Justification

This project is for the incremental update of the Tallahassee-Leon County Geographic Information System, TLC GIS, basemap. The basemap includes orthophotography, planimetrics and a digital elevation model with contours. These elements are essential in providing timely and accurate basemap information which provides positional control for other critical Geographic Information System information and the analysis opportunities they support. They are the foundation for geo-referencing (tying to coincident geographic features for accurate and reliable referencing) many of the Geographic Information System data layers. In June 2008 the Florida Department of Revenue, FDOR, was directed under Chapter 195.002 Florida Statutes, to provide each County Property Appraiser's Office with digital orthophotography every three years and charge each county office for the cost of that service and product delivery. In working with the vendor and leveraging the latest technology, TLC GIS was successful in developing a new methodology for collecting, compiling and releasing the basemap data in compliance with Chapter 195.002 Florida Statutes. TLC GIS has also been requested to obtain additional oblique and satellite imagery to support efforts related to public safety, property assessment and non ad-valorem assessments. Based on these needs, the Leon County Property Appraiser's Office and the Leon County Sheriff's Office has agreed to provide additional funding (\$20,000 per agency, per year) to secure oblique imagery and satellite imagery for Leon County (oblique imagery in Year 2 and satellite in Year 3)

Year 1 - Complete Data Capture and Delivery of 6" Digital Orthophotography
 *Complete Data Capture and Delivery of Color Infrared Orthophotography CIR
 Complete Data Capture of LiDAR

Year 2 & 3 - Complete LiDAR processing
 Complete Planimetric Update
 **Complete Data Capture and Delivery Obliques in Year 2
 **Complete Data Capture and Delivery of Satellite Imagery in Year 3

*Note: The color infrared (CIR) photography is an additional product that is provided under the plan. The CIR will support efforts such as wetland delineation.

**Note: In order to provide complete data capture and delivery obliques in Year 2 and complete data capture and delivery of satellite imagery in Year 3 funding for this CIP will need to increase from \$258,500 to \$298,500 per year (See Note Above)

In order to maintain the basemap, Tallahassee-Leon County GIS will be required to secure funding beyond Year 3. The continued funding will allow TLC GIS to enter into the second cycle of data capture without an increase in the annual funding amount. The City is also contributing funds to this project.

Project Description/Justification

This project is for the improvement of long standing residential flooding adjacent to the primary drainage system within the Killearn Acres Subdivision. Included are two separate drainage improvement projects within the subdivision. Phase I (Killearn Acres Lower Drainage Improvements) is located downstream of Lake Saratoga and includes cross drain enlargements, construction of a stormwater treatment facility and improvements within the outfall channel to Lake Kanturk. Phase II (Killearn Acres Upper Drainage Improvements) consists of several cross drain/driveway culvert enlargements coupled with channel improvements along a section of Whirlaway Trail and Forward Pass Trail. The two phases were consolidated as a single phase and completed. Phase III (Forward Pass Trail between Whirlaway Trail and Pimlico Drive) was identified as a result of Tropical Storm Fay and will be completed as part of this project.

Funding in FY 2012 is to update the adopted FEMA Flood Insurance Rate Maps for the Killearn Acres Tributary between Bradfordville Road and Pimlico Drive. Creating a single floodway will comply with the Comprehensive Plan requirement to map the primary drainage system. In addition, establishing a Base Flood Elevation along the Tributary could reduce the federal Flood Insurance cost for approximately 250 residential properties.

Project Description/Justification

This project is for the detailed analysis, design, and construction of a stormwater system to serve Killearn Lakes Plantation Units 1, 2, and 3. The stormwater system will identify stormwater outfalls primarily located within existing green spaces that convey stormwater from residential properties. These outfalls will be redesigned to maximize performance until such time as funding is available for a conventional stormwater system. This project will also provide for enhanced redirection of stormwater from densely developed residential areas to the outfalls in the green spaces. Design will focus on using available resources and facilities, such as the utilization of roadways as conveyances for stormwater, and protection of residential properties where roads must be used as stormwater conveyances.

Project #:	066026	Capital Improvement:	N/A
Service Type:	Physical Environment	Level of Service Standard:	N/A
Status:	Existing Project	Current Level of Service:	N/A

Project Description/Justification

This project is for the replacement/refurbishment of stormwater filters, sediment removal and structure repair in County owned ponds to ensure that they continue to meet environmental and operating permit requirements. Filter systems are typically designed to have a functional life of five years. As these systems age, the filtering systems may begin to deteriorate and not provide the water quality discharge for which they are designed. The removal of sediments and the repair of structures are needed to ensure that the ponds continue to function properly. Poorly functioning ponds can suffer from reduced storage capacity and an increased potential for flooding. In an attempt to deal with delays in permitting for the ponds originally programmed for FY11, the following ponds which were scheduled in the out years, were moved up on the schedule and completed in 2010 and 2011. Those ponds included Hampton Creek Pond #2, Chaires Park Ponds, Facilities Management Pond, NE Branch Library Pond, B L Perry Library Pond, Lakeside Pond, Old Rococo Road Pond #1 and Old Magnolia Road Pond #4.

The County's current stormwater pond inventory has been prioritized according to need. The following is the anticipated FY12 maintenance schedule:

- Hampton Creek Subdivision (1 Pond)
- Sedgefield Off-Site Pond (1 Pond)
- Pine Landing Subdivision (2 Ponds)
- Emerald Acres Subdivision (1 Pond)
- Maclay Road (1 Pond)

The National Pollutant Discharge Elimination System (NPDES) permit for Leon County's Municipal Separate Storm Sewer System (MS4) will be renewed this fiscal year. This permit requires the mapping of known stormwater structural controls within the first year of the 5-year permit. The map will be maintained by staff using as-built surveys as projects are completed. The map will be integrated with the Operations Division work-order system to document compliance with inspection and maintenance requirements of the MS4 permit.

Transportation

Overview

This Transportation section contains capital improvement projects designed to facilitate the provision of services by the branches of Leon County government. Major Transportation Capital Projects funded in FY12 include: Arterial/Collector Resurfacing, Community Safety & Mobility, Intersection & Safety Improvements, and Public Works Vehicle and Equipment Replacement.

Funding Sources:

Figure 15.8 shows that 57% (\$5,450,000) of the transportation projects are funded in FY12 by the Sales Tax Fund (Fund 308). The Sales Tax Extension Fund (Fund 309) funds 24% (\$2,296,854), the Gas Tax Fund (Fund 306) funds 8% (\$787,000), and the Capital Improvements Fund (Fund 305) funds 11% (\$1,058,500).

**Figure 15.8

Managing Departments:

Table 15.15 shows that Engineering Services will manage the majority of the FY12 transportation capital improvement projects. Engineering Services will manage 86% of the total transportation budget for FY12. Public Works Operations will manage 7% and Fleet Management will manage 7%.

Operating Budget Impacts:

Table 15.16 shows the estimated impacts that some Transportation projects have on the operating budget. Impacts are shown in the fiscal year which they are anticipated to begin as well as the out-years that are affected by additional operating costs. These impacts are only estimates and are subject to change.

Arterial & Collector Roads Pavement Markings

Dept/Div:	Public Works - Operations	Comp Plan CIE Project:	N/A
Project #:	026015	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A
Status:	Existing Project	Current Level of Service:	N/A

Project Description/Justification

This project allows for the refurbishing of long line thermoplastic on the County's Arterial and Collector Road System. In 1997, Public Works Engineering began a phase in approach to upgrading pavement markings during resurfacing from traffic paint to thermoplastic. This change has resulted in much brighter and safer pavement markings on the County's Arterial and Collector Roads.

Due to the long life of thermoplastic (approximately five to six years) and the limited number of roads with thermoplastic markings at the time, this project was originally scheduled to occur every five years. However, due to annual resurfacing and reconstruction projects, the number of roads with thermoplastic markings has increased substantially in recent years. Conversely, the number of arterial and collector roads with traffic paint markings has decreased as thermoplastic markings have been installed. Further decreasing the need for traffic paint markings is the fact that Public Works has made a decision to no longer install pavement markings on most of the County's 'Local' Paved Roads.

To keep pace with these changes, Public Works has increased refurbishing pavement markings on approximately 10 miles of arterial and collector roads annually. This change allows for refurbishing of aging thermoplastic markings in a timelier manner, improving the coordination between asphalt resurfacing and thermoplastic refurbishing activities, and more accurately reflect funding needs between traffic paint and thermoplastic pavement markings.

Project Description/Justification

This project is for the annual resurfacing of part of the County's arterial/collector road system. The County is responsible for the general superintendence and control of the County roads and structures. Current funding levels have allowed the resurfacing of approximately 10 miles of arterial/collector roads per year. There are approximately 252 miles of arterial/collector roads in the County system at this time. At this funding level, it can be expected that all roads will be resurfaced on a 22 year frequency.

Project Description/Justification

This project is for the extension of Beech Ridge Trail from Kinhega Drive to Bannerman Road in accordance with the Mediated Settlement Agreement approved by the Board on February 12, 2002. This project includes a curb and gutter section roadway with underground drainage, bike lanes, sidewalks and signalization at one of the new intersections.

On June 10, 2008, the Board approved a Proportionate Share Agreement with a private Developer. As part of the agreement, the Developer assumed most of the responsibility for this road construction with the County to complete the road across the Kinhega right of way and construction of a roundabout intersection. Until such time as the terms of the 2002 Mediated Settlement Agreement have been satisfied, this project remains a County responsibility.

This portion of the project was funded through a Joint Project Agreement with AIG Baker, the developer of Fallschase. The initial construction of the intersection improvements at Pedrick Road as Phase 2a will be followed by the enhanced roadway section as Phase 3. Phase 2 improvements at the intersection of Buck Lake Road and Pedrick Road is in the close out phase of construction. The construction of Phase 3, enhanced roadway section is scheduled to begin April 2011. Funding includes \$29,608 in Mission San Miguel concurrency mitigation dollars for improvement to the Charlais Drive to Pedrick Road portion of Mahan Drive. The project also includes sidewalks and bike lanes on both sides of the road.

Operating Budget Impact

This project will result in the reconstruction of the existing road so that normal maintenance will not be required for five to ten years. Additional pavement will result in additional maintenance that will be offset by roads leaving the County program through City annexation. Conversion of the existing open drainage system to culverts will reduce operating and maintenance costs. Project Description/Justification

The County Acquisition of Roads and Drainage (CARDS) Transportation Program is for start-up costs for road and associated drainage improvements in accordance with Leon County Code of Laws, Chapter 16, Article II. The CARDS Transportation Program provides an opportunity for County residents who live on privately maintained roads and drainage systems to have their roads and drainage systems upgraded to County maintainable standards and then accepted into the County system for perpetual maintenance thereafter. If a 2/3 majority of the residents wish to utilize this program, the County will acquire ownership of the right-of-ways and easements necessary for County maintenance and the County will improve those systems.

Upon completion, the total cost of the upgrade is assessed to all of the residents in the defined area. A separate Capital Improvement Project, CARDS Stormwater Program: Start-up Costs provides similar relief with County assistance where the cause of the problems is flooding during severe storm events.

Project Description/Justification

This project is for the planning, design and construction of sidewalks, bikeways, and traffic calming devices. Upon special approval from the Board, it can also be used to acquire rights-of-way necessary for the construction of these facilities. Funding for the 'Access Now' infrastructure corrections and continuation of the traffic calming program are also included. The sidewalk component is prioritized using access to schools as the first level of priority, access to parks as the second level of priority and other requests as the third level of priority.

Dept/Div: Engineering Services	Comp Plan CIE Project: Yes
Project #: 051005	Capital Improvement: Roadways
Service Type: Transportation	Level of Service Standard: N/A
Status: Existing Project	Current Level of Service: F

Project Description/Justification

This project is for the revitalization of the community and retail areas of Gaines Street. The Gaines Street Corridor Project was started years ago and has gone through a number of changes. Some of the changes include design alternatives, funding options and the transfer of ownership from the State of Florida Department of Transportation to the City of Tallahassee. The City is considering other designs that include improvements to both Gaines Street and Madison Street (one way pair or parallel facilities options) within existing right-of-ways. The City believes this change in design will allow the development of Gaines Street to proceed in the manner described in the 2001 Gaines Street Revitalization Plan.

As part of the roadway transfer agreement, the Department of Transportation is contributing \$6.4 million of designated rights-of-way funds and \$1 million to offset future maintenance expenses. The County is contributing \$10.7 million and the City is contributing \$17 million. The County's contribution is consistent with the Downtown Community Redevelopment Area Interlocal Agreement.

Project #:	057001	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A

Project Description/Justification

This project is for the improvement of intersections throughout the County in order to maintain safe and efficient operations. Intersection improvements can also have significant impacts on the capacity of road sections as it relates to concurrency management. This project funds intersection improvements according to a prioritized list. Occasionally, improvements can be coordinated with improvements being performed by other governmental agencies such as the Florida Department of Transportation and the City of Tallahassee to reduce the long term costs to the County. Intersection improvements that have significant costs or other impacts are typically established as an independent project and are not included in this project.

The following intersection improvements are currently in design or construction:

- Blairstone/Old St. Augustine
- Bannerman/Bull Headley
- Buck Lake/Nabb
- Buck Lake/Walden

The following are future intersection improvements to be addressed in response to concurrency requirements:

- Chaires Crossroad/Capitola
- Kinhega/Deer Lake
- Geddie Road/State Road 20
- Tekesta/Deer Lake
- Aenon Church/State Road 20

Operating Budget Impact

Operating impacts are realized by the cost to the County for the maintenance of new signals by the City of Tallahassee under the existing interlocal agreement. These costs are addressed in Public Works - Operations operating budget. Pavement enhancements at intersections are negligible additions to the pavement maintenance program. Any associated stormwater treatment facilities are absorbed into the operating budget of the Division of Operations.

Open Graded Hot Mix Maintenance and Resurfacing

Dept/Div:	Public Works - Operations	Comp Plan CIE Project:	N/A
Project #:	026006	Capital Improvement:	N/A
Service Type:	Transportation	Level of Service Standard:	N/A
Status:	Existing Project	Current Level of Service:	N/A

Project Description/Justification

This project provides funding for materials and contract services associated with asphalt maintenance on Leon County's Open Grade Mix roadways. Prior to its sunset, the Alternative Stabilization Program was successful in stabilizing approximately 50 miles of County maintained dirt roads. Since the sunset of the Alternative Stabilization Program, maintenance on these roads is performed by the Division of Operations' Transportation Program. The majority of these maintenance activities will be performed by one of the two former construction crews from the Alternative Stabilization Program.

As Open Grade Mix roads age, it can be anticipated that these older roads will require a higher degree of maintenance (i.e. patching and rejuvenation) than in recent years. It can further be anticipated that some of these roads will require resurfacing. Additionally, permitting requirements on the County's Open Grade Mix roads require that porosity within the Open Grade mat be maintained by either hydro-cleaning or other maintenance methods. To meet these needs, funding is required for both routine maintenance and scheduled resurfacing of Open Grade Mix roads.

Project Description/Justification

This project is for improvements to Pullen Road at Old Bainbridge Road including the addition of left turn lanes, traffic signalization or an alternative, related stormwater infrastructure and pedestrian, and ADA facilities. The City of Tallahassee had previously requested that this intersection project be incorporated into the City's Pullen Road project for coordination and cost benefits. The City has recently placed the project on hold due to funding limitations. As it is unknown when the City funding will be available, the County is now re-assuming project responsibility for the intersection. In previous similar situations, the City has shared these costs on a pro rata basis, based on the number of City streets connecting to the intersection. Funding includes \$145,520 in River's Landing concurrency mitigation dollars and \$249,995 in Sagebrook Mill concurrency mitigation dollars.

Project Description/Justification

On January 29, 2009, the Board conducted a Workshop to address the need for Transportation and/or Stormwater projects to mitigate or alleviate community impacts during and after major storm events. As a result of that Workshop, later ratified during regular Board session, the following Capital Improvement projects were identified to utilize these budgeted funds:

Proposed Improvement Projects

Autumn Woods	Lawndale Drive
Bannerman Road Retention Facility	Maylor and Taylor Roads
Ben Boulevard	Portsmouth Circle/Apalachee Parkway
Chevy Way	Raymond Tucker Road
Edinberg Estates	Rhodes Cemetery Road
Hawkbill Court	Salamanca and Palencia
Lakeside Drive	Southbrokee/Otter Creek/Chadwick/Wildlife
Lakeview Drive	Sunflower Road
Langley Circle	Surrey Farms Subdivision

Funding for FY11 was approved during the June 22, 2010 budget workshop through the realignment of funds from the Local Economic Stimulus Program project. Also included in this project is funding for evaluation of the off-site stormwater flows through the Frontier Estates Subdivision. In order to fully fund this project, staff will be pursuing a Community Development Block Grant.

Home Rule Charter

SECTION 1. HOME RULE CHARTER.

The proposed Home Rule Charter of Leon County, Florida, shall read as follows:

PREAMBLE

We, the citizens of Leon County, Florida, united in the belief that governmental decisions affecting local interests should be made locally, rather than by the State, and that County government should be reflective of the people of the County and should serve them in achieving a more responsive and efficient form of government and in order to empower the people of this County to make changes in their own government, do ordain and establish this Home Rule Charter for Leon County, Florida.

ARTICLE I. CREATION, POWERS AND ORDINANCES OF HOME RULE CHARTER GOVERNMENT

Sec. 1.1. Creation and general powers of Home Rule Charter government.

The County shall have all powers of self-government not inconsistent with general law, with special law approved by vote of the electors, or with this Charter. The County shall have all county and municipal powers of self-government granted now or in the future by the Constitution and laws of the State of Florida.

Sec. 1.2. Body corporate, name, and boundaries.

Leon County shall be a body corporate and politic. The corporate name shall be Leon County, Florida. The County seat and boundaries shall be those designated by law on the effective date of this Home Rule Charter.

Sec. 1.3. Construction.

The powers granted by this Home Rule Charter shall be construed broadly in favor of the charter government. The specified powers in this Charter shall not be construed as limiting, in any way, the general or specific power of the government as stated in this article. It is the intent of this article to grant to the charter government full power and authority to exercise all governmental powers necessary for the effective operation and conduct of the affairs of the charter government.

Sec. 1.4. County Purposes.

The County, operating under this Charter, shall have all special powers and duties which are not inconsistent with this Charter, heretofore granted by law to the Board of County Commissioners, and shall have

such additional county and municipal powers as may be required to fulfill the intent of this Charter.

Sec. 1.5. Municipal Purposes.

The County shall have all necessary municipal powers to accomplish municipal purposes within the County.

In the event the Board of County Commissioners levies the Municipal Public Services Tax on utilities, any additional recurring or non-recurring fee or charge imposed on a utility relating to the use or occupation of the public rights-of-way shall not exceed what is reasonably necessary to properly monitor and enforce compliance with the County's rules and regulations concerning placement and maintenance of utility facilities in the public rights-of-way.

Sec. 1.6. Relation to Municipal Ordinances.

(1) Except as otherwise provided by law or this Charter, municipal ordinances shall prevail over County ordinances to the extent of any conflict within the boundaries of the municipality. To the extent that a county ordinance and a municipal ordinance shall cover the same subject without conflict, then both the municipal ordinance and the county ordinance shall be effective, each being deemed supplemental to the other.

(2) *Minimum Environmental Regulations.* County ordinances shall establish minimum standards, procedures, requirements and regulations for the protection of the environment and shall be effective within the unincorporated and incorporated areas of the County. Such standards, procedures, requirements and regulations shall include, but shall not be limited to, tree protection, landscaping, aquifer protection, stormwater, protection of conservation and preservation features, and such other environmental standards as the Board of County Commissioners determines to be necessary for the protection of the public health, safety, and welfare of the citizens throughout Leon County. Standards shall be designed to place emphasis on supporting healthy natural systems occurring in the environment. However, nothing contained herein shall prohibit a municipality from adopting ordinances, standards, procedures, requirements or regulations establishing a more stringent level of environmental protection within the incorporated areas of the County. (Ord. No. 2010-22, § 8-17-10)

Sec. 1.7. Transfer of Power.

Whenever a municipality, special district or agency shall request by a majority vote of the governing body the performance or transfer of a function to the

County, the County is so authorized by a majority vote of the Board of County Commissioners to have the power and authority to assume and perform such functions and obligations. This section does not authorize a transfer in violation of Article VIII, § 4 of the Constitution of Florida.

Sec. 1.8. Division of Powers.

This Charter establishes the separation between legislative and administrative functions of this government. The establishment and adoption of policy shall be the responsibility of the Board of County Commissioners and the execution of that policy shall be the responsibility of the County Administrator.

Sec. 1.9. Relation to State Law.

Special laws of the state legislature relating to or affecting Leon County and general laws of local application which apply only to Leon County, except those laws relating exclusively to a municipality, the school board, or a special district, shall be subject to approval by local referendum to the extent that they are not in conflict with this Charter. All special laws so approved shall become ordinances, and may be subject to amendment or repeal by the Board of County Commissioners.

**ARTICLE II. ORGANIZATION OF COUNTY
GOVERNMENT**

Sec. 2.1. Elected Commission and appointed County Administrator form of government.

Leon County shall operate under an elected County Commission and an appointed County Administrator form of government with separation of legislative and executive functions in accordance with the provisions of this Home Rule Charter. The legislative responsibilities and powers of the County shall be assigned to, and vested in, the Board of County Commissioners. The executive responsibilities and power of the County shall be assigned to, and vested in, the County Administrator, who shall carry out the directives and policies of the Board of County Commissioners and enforce all orders, resolutions, ordinances and regulations of the Board, the Charter and all applicable general law to assure that they be faithfully executed.

Sec. 2.2. Legislative Branch.

(1) The County Commission.

The governing body of the County shall be a Board of County Commissioners composed of seven (7) Members serving staggered terms of four (4) years.

There shall be one (1) Commissioner elected for each of the five (5) County Commission districts, established pursuant to general law or by ordinance, and they shall be elected by the electors of that district. There shall be two (2) At-large Commissioners elected on a countywide basis by the electors of the County. Elections for all seven (7) members of the County Commission shall be non-partisan. Each candidate for the office of district County Commissioner shall reside within the district from which such candidate seeks election at the time of qualifying to run for that office, and during the term of office each Commissioner shall reside in the district from which such Commissioner ran for office, provided that any Commissioner whose residence is removed from a district by redistricting may continue to serve during the balance of the term of office.

(2) Redistricting.

Redistricting of County Commission district boundaries shall be in accordance with general law, changed only after notice and a public hearing as provided by general law.

(3) Salaries and Other Compensation.

Salaries and other compensation of the County Commissioners shall be established by ordinance, and salary shall not be lowered during an officer's term in office.

(4) Authority.

The Board of County Commissioners shall exercise all legislative authority provided by this Home Rule Charter in addition to all other powers and duties authorized by general law or special law approved by a vote of the electorate.

(5) Vacancies.

A vacancy in the office of County Commissioner shall be defined and filled as provided by general law.

(6) Administrative Code.

The County Commission shall adopt an administrative code in accordance with general law.

(7) Limitation on Campaign Contributions.

No candidate for any County office for which compensation is paid shall accept any contribution from any contributor, including a political committee, as defined by state law, in cash or in kind, in an amount in excess of \$250 per election.

(Ord. No. 2010-21, § 1, 8-17-10)

Sec. 2.3. Executive Branch.

(1) The County Administrator.

(A) The County Administrator shall be appointed by an affirmative vote of a majority plus one (1) of the entire membership of the Board of County Commissioners. The County Administrator shall serve at the pleasure of the Board of County Commissioners until such time as the County Administrator shall be removed by a vote for removal of a majority plus one (1) of the entire membership of the Board of County Commissioners voting during the first regularly scheduled meeting occurring after a meeting of the Board at which a motion expressing the intent of the Board to remove the County Administrator was adopted by majority vote of those present and voting. The County Administrator shall be the chief executive officer of the County and all executive responsibilities and powers shall be assigned to, and vested in, the County Administrator. The County Administrator shall exercise all executive authority provided by this Home Rule Charter and all other powers and duties authorized by general or special law.

(B) The County Administrator shall be chosen on the basis of his/her professional qualifications, administrative and executive experience, and ability to serve as the chief administrator of the County. The County Administrator shall reside within the County during his/her tenure as County Administrator.

(C) The compensation of the County Administrator shall be fixed by the Board of County Commissioners at a level commensurate with the responsibilities of the position, with performance appraisals conducted by the Board of County Commissioners at least annually.

(D) A vacancy in the office shall be filled in the same manner as the original appointment. The County Administrator may appoint an Acting County Administrator in the case of his/her temporary vacancy.

(2) Senior Management.

The County's senior management employees, with the exception of the County Attorney's staff, shall serve at the pleasure of the County Administrator, who may suspend or discharge senior management personnel with or without cause.

(3) Non-interference by Board of County Commissioners.

Except for the purpose of inquiry and information, members of the Board of County Commissioners are expressly prohibited from interfering with the performance of the duties of any employee of the county government who is under the direct or indirect supervision of the County Administrator or County Attorney by giving said

employees instructions or directives. Such action shall constitute malfeasance within the meaning of Article IV, Section 79a0 of the Florida Constitution. However, nothing contained herein shall prevent a County Commissioner from discussing any county policy or program with a citizen or referring a citizen complaint or request for information to the County Administrator or County Attorney.

(Ord. No. 2010-23, § 1, 8-17-10; Ord. No. 2010-24, § 1, 8-17-10; Ord. No. 2010-25, § 1, 8-17-10)

Sec. 2.4. County Attorney.

(1) There shall be a County Attorney selected by the Board of County Commissioners who shall serve at the pleasure of, and report directly to, the Board of County Commissioners, and shall reside within the County during his/her tenure as County Attorney.

(A) The County Attorney shall provide legal services to the Board of County Commissioners, the County Administrator, and County departments, boards and agencies organized under the Board of County Commissioners.

(B) The compensation of the County Attorney shall be fixed by the Board of County Commissioners at a level commensurate with the responsibilities of the position with performance appraisals conducted by the Board of County Commissioners at least annually.

**ARTICLE III. ELECTED COUNTY
CONSTITUTIONAL OFFICERS**

Sec. 3.1. Preservation of Constitutional Offices.

The offices of the Sheriff, Property Appraiser, Tax Collector, Clerk of the Circuit Court and Supervisor of Elections shall remain as independently elected constitutional offices, and the status, powers, duties and functions of such offices, shall not be altered by this Home Rule Charter, or any revisions or amendments hereto, except as provided in Section 5.2 below. The constitutional officers shall perform their executive and administrative functions as provided by law.

Sec. 3.2. Non-Partisan Elections.

(1) Non-Partisan Offices.

The Supervisor of Elections shall be non-partisan.

(A) Non-Partisan Election Procedures.

If three or more candidates, none of whom is a

write-in candidate, qualify for such office, the names of those candidates shall be placed on a non-partisan ballot at the first primary election. If no candidate for such office receives a majority of the votes cast for such office in the first primary election, the names of the two candidates receiving the highest number of votes for such office shall be placed on the general election ballot.

(B) Qualification by Petition.

A candidate for non-partisan office may qualify for election to such office by means of the petitioning process provided in general law.

Sec. 3.3. Clerk Auditor.

(1) The Leon County Clerk of the Court shall serve as the Auditor to the Commission as specified by law. The Clerk shall employ a Certified Internal Auditor, Certified Public Accountant, or such other person qualified by education or experience in governmental accounting, internal auditing practices and fiscal controls, which shall include at least five (5) years experience in professional accounting, auditing, governmental fiscal administration or related experience, unless the Clerk holds such qualifications. The Board of County Commissioners shall fund the audit function of the Clerk.

(2) Audit Committee.

There shall be a five member Audit Committee of which two members shall be appointed by the County Commission and three by the Clerk. The Audit Committee shall adopt an annual plan of work for the Auditor and shall oversee the work of the Auditor. The Audit Committee members shall be residents of Leon County, none of whom may be an employee or officer of County government, and who have experience as a public accountant, internal auditor, or as a financial manager for a public, private or not for profit institution. The purpose of the Committee is to promote, maintain, and enhance the independence and objectivity of the internal audit function by ensuring broad audit coverage, adequate consideration of audit reports, and appropriate action on recommendations. Clerk shall provide for the organization and duties of the audit committee, including membership terms, voting procedures, officers, sub-committees, meeting schedules and staff support.

Sec. 3.4. Limitations on campaign contributions.

No candidate for any County office for which compensation is paid shall accept any contribution from any contributor, including a political committee, as defined by state law, in cash or in kind, in an amount in

excess of \$250 per election.
(Ord. No. 2010-21, § 1, 8-17-10)

ARTICLE IV. POWERS RESERVED TO THE PEOPLE: INITIATIVE AND RECALL

Sec. 4.1. Citizen Initiative.

(1) Right to Initiate.

The electors of Leon County shall have the right to initiate County ordinances in order to establish new ordinances and to amend or repeal existing ordinances, not in conflict with the Florida Constitution, general law or this Charter, upon petition signed by at least ten percent (10%) of the total number of electors qualified to vote in the County reflecting ten percent (10%) of the total number of electors qualified to vote within each of the five (5) commission districts. The total number of electors qualified shall mean the total number of electors qualified to vote in the last preceding general election.

(2) Procedure for Petition.

The sponsor of an initiative shall, prior to obtaining any signatures, submit the text of a proposed ordinance to the Supervisor of Elections, with the proposed ballot summary and the form on which signatures will be affixed and obtain a dated receipt therefore. Any such ordinances shall embrace but one (1) subject and matter directly connected therewith. The sponsor shall cause a notice of such submission to be published within fourteen (14) days thereof in a newspaper of general circulation in the County. The allowable period for obtaining signatures on the petition shall be completed not later than one (1) year after initial receipt of the petition by the Supervisor of Elections. The sponsor shall comply with all requirements of general law for political committees, and shall file quarterly reports with the Supervisor of Elections stating, to the best of the sponsor's information and belief, the number of signatures procured. The time and form of such reports may be prescribed by ordinance. When a sufficient number of signatures are obtained, the sponsor shall thereupon submit signed and dated forms to the Supervisor of Elections, and upon submission, shall pay all fees required by general law. The Supervisor of Elections shall, within sixty (60) days after submission of signatures, verify the signatures thereon, or specify a reason for the invalidity of each rejected signature, if the petition is rejected for insufficiency of the number of valid signatures. If the petition is rejected for insufficiency of the number of signatures, the sponsor shall have an additional thirty (30) days within which to submit additional signatures for verification. The

Supervisor of Elections shall, within thirty (30) days of submission of additional signatures, verify the additional signatures. In the event sufficient signatures are still not acquired, the Supervisor of Elections shall declare the petition null and void and none of the signatures may be carried over onto another identical or similar petition.

(3) Consideration by Board of County Commissioners.

Within sixty (60) days after the requisite number of signatures has been verified by the Supervisor of Elections and reported to the Board of County Commissioners, the Board of County Commissioners shall give notice and hold public hearing(s) as required by general law on the proposed ordinance and vote on it. If the Board fails to enact the proposed ordinance it shall, by resolution, call a referendum on the question of the adoption of the proposed ordinance to be held at the next general election occurring at least forty-five (45) days after the adoption of such resolution. If the question of the adoption of the proposed ordinance is approved by a majority of those registered electors voting on the question, the proposed ordinance shall be declared, by resolution of the Board of County Commissioners, to be enacted and shall become effective on the date specified in the ordinance, or if not so specified, on January 1 of the succeeding year. The Board of County Commissioners shall not amend or repeal an ordinance adopted by initiative prior to the next succeeding general election, without the approval of a majority of the electors voting at a referendum called for that purpose.

(4) Limitation on Ordinances by Initiative.

The power to enact, amend or repeal an ordinance by initiative shall not include ordinances or provisions related to County budget, debt obligations, capital improvement programs, salaries of County officers and employees, the assessment or collection of taxes, or the zoning of land.

Sec. 4.2. Recall.

All members of the Board of County Commissioners shall be subject to recall as provided by general law.

**ARTICLE V. HOME RULE CHARTER
TRANSITION, AMENDMENTS, REVIEW,
SEVERANCE, EFFECTIVE DATE**

Sec. 5.1. Home Rule Charter Transition.

(1) General Provisions.

Unless expressly provided otherwise in this Home Rule Charter, the adoption of this Charter shall not affect any existing contracts or obligations of Leon County; the validity of any of its laws, ordinances, regulations, and resolutions; or the term of office of any elected County officer, whose term shall continue as if this charter had not been adopted.

(2) Initial County Commissioners.

The persons comprising the Leon County Board of County Commissioners on the effective date of this Charter shall become the initial members of the Board of County Commissioners of the Charter government and shall perform the functions thereof until the normal expiration of their terms or until the election and qualification of their successors as provided by law.

(3) Outstanding Bonds.

All outstanding bonds, revenue certificates, and other financial obligations of the County outstanding on the effective date of this Charter shall be obligations of the Charter government. All actions taken by the former government relating to the issuance of such obligations are hereby ratified and confirmed. Payment of such obligations and the interest thereon shall be made solely from, and charged solely against, funds derived from the same sources from which such payment would have been made had this Charter not taken effect.

(4) Employees Continuation.

All employees of the former County government shall, on the effective date of this Charter, become employees of the County government created by this Charter. All existing wages, benefits, and agreements, and conditions of employment shall continue, until modified by lawful action of the County Commission.

Sec. 5.2. Home Rule Charter Amendments.

(1) Amendments Proposed by Petition.

(A) The electors of Leon County shall have the right to amend this Home Rule Charter in accordance with Sec. 4.1 of this Charter.

(B) Each proposed amendment shall embrace but one (1) subject and matter directly connected therewith. Each Charter amendment proposed by petition shall be placed on the ballot by resolution of the Board of County Commissioners for the general election occurring in excess of ninety (90) days from the certification by the Supervisor of Elections that the requisite number of signatures has been verified. If approved by a majority of those electors voting on the amendment at the general election, the amendment shall become effective on the

date specified in the amendment, or, if not so specified, on January 1 of the succeeding year.

(2) Amendments and Revisions by Citizen Charter Review Committee.

(A) A Citizen Charter Review Committee shall be appointed by the Board of County Commissioners at least twelve (12) months before the general election occurring every eight (8) years thereafter, to be composed and organized in a manner to be determined by the Board of County Commissioners, to review the Home Rule Charter and propose any amendments or revisions which may be advisable for placement on the general election ballot. Public hearings shall be conducted as provided by Section 125.63, Florida Statutes.

(B) No later than ninety (90) days prior to the general election, the Citizen Charter Review Committee shall deliver to the Board of County Commissioners the proposed amendments or revisions, if any, to the Home Rule Charter, and the Board of County Commissioners shall consider such amendments or revisions to be placed on the general election ballot, in accordance with Section 125.64, Florida Statutes.

(C) If the Citizen Charter Review Committee does not submit any proposed Charter amendments or revisions to the Board of County Commissioners at least ninety (90) days prior to the general election, the Citizen Charter Review Committee shall be automatically dissolved.

(3) Amendments Proposed by the Board of County Commissioners.

(A) Amendments to this Home Rule Charter may be proposed by ordinance adopted by the Board of County Commissioners by an affirmative vote of a majority plus one (1) of the memberships of the Board. Each proposed amendment shall embrace but one (1) subject and matter directly connected therewith. Each proposed amendment shall only become effective upon approval by a majority of the electors of Leon County voting in a referendum at the next general election. The Board of County Commissioners shall give public notice of such referendum election at least ninety (90) days prior to the general election referendum date.

(B) If approved by a majority of those electors voting on the amendment at the general election, the amendment shall become effective on the date specified in the amendment, or, if not so specified, on January 1 of the succeeding year.

Sec. 5.3. Severance.

If any provision of this Charter or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the Charter which can be given effect without the invalid provision or application, and to this end the provisions of the Charter are declared severable.

Sec. 5.4. Home Rule Charter effective date.

This Charter shall become effective November 12, 2002.

Leon County Guiding Principles

1. The Board of County Commissioners upholds the importance of the Leon County Home Rule Charter allowing citizen involvement and flexibility in shaping government to best meet the County's unique and changing needs.
2. The County budget will always be balanced, with available revenues equal to appropriations.
3. The County will strive to maintain the lowest dollars spent per County resident, as compared to like-size counties, while retaining the maximum level of service possible.
4. Through citizen input and Commission deliberation, core functions for County government will be identified and the dollars will be allocated accordingly during the budget process.
5. The County will continue to explore opportunities with its governmental counterparts for functional consolidation and/or shared efficiencies.
6. The County will continue to enhance our cooperation and coordination with our Universities and Community College to promote, strengthen, and sustain our community's intellectual capital.
7. The County Administrator will require Program Managers to conduct an annual review and scrutiny of their base budgets when preparing budgets for future years.
8. Consistent with best practices and the Florida Statutes, Leon County will retain an emergency reserve fund of not less than 5%, but not more than 10% of the general operating budget (Policy No. 07-2).
9. Consistent with best practices and the Florida Statutes, Leon County will retain an operating cash reserve fund of not less than 10% but not more than 20% of the general operating budget (Policy No. 07-2).
10. Cash reserves in excess of reserve policies will be utilized to support one time capital projects and/or other one-time expenditures to address unforeseen revenue shortfalls (Policy No. 07-2).
11. Leon County will continue to ensure the useable and safe life of existing infrastructure by providing funding for proper maintenance (Policy No. 93-44).
12. Provide that fees charged in enterprise operations will be calculated at a level which will support all direct and indirect costs of the enterprise (Policy No. 92-5).
13. Ensure that capital projects financed through the issuance of bonds will not be financed for a period that exceeds the useful life of the project or the life of the supporting revenue source (Policy No. 93-47), and support conduit financing to promote the economic health of the community.
14. Maintain accounting and reporting practices in conformance with the Uniform Accounting System of the State of Florida and Generally Accepted Accounting Principles (GAAP) (Policy No. 92-4).
15. Ensure that the annual financial and compliance audit of the County's financial records is conducted by an independent firm of certified public accountants whose findings and opinions are published and available for public review (Policy No. 92-4).
16. Will optimize return on investments within the constraints of safety and liquidity through an adopted Investment Policy.
17. Shall establish formal policies and procedures to address amending the budget while allowing the organization to function and react to changing conditions (Policy No. 97-11).
18. The County shall provide a meaningful public input process during the annual budget review which shall, at a minimum, include at least one Board Workshop and two Public Hearings.
19. The County will fully research and employ technology to improve the personal and collective efficiency of county employees.
20. The County will continue to enhance our culture of performance, as we maintain a very low employee per 1,000 population and a "flat" organizational structure, and hold individual employees to high expectations and performance standards. Employees are entrusted with broad authority in their functional areas, expected to respond quickly to requests for service, explore and pursue alternatives to assist the citizenry, attempt to deliver more than what is expected, and are empowered to use professional discretion on the spot to resolve issues and reduce "bureaucracy." These employees are valued and compensation and benefits are commensurate with their responsibilities and competitive in the industry.
21. The County will continue to improve our efforts to promote employee innovation, through incentives, recognition and rewards for identifying and implementing program and process improvements that add value to services while producing cost savings.
22. The County will continue to leverage Leon County tax payer dollars to attract federal and state appropriations, reimbursements, and matching grants to realize revenue maximization for the purpose of funding priority projects and programs.

Summary of County Financial Policies & Ordinances

Industrial Development Revenue Bond Financing Policy, No. 81-1

This policy establishes a means for the expansion of local businesses as well as the attraction of new prospective businesses, allowing for diversification and expansion of the local economy.

Accounting and Reporting Policy, No. 92-4

This policy establishes accounting and reporting systems that maintain accounting and reporting practices that conform to the Uniform Accounting System of Generally Accepted Accounting Principles (GAAP). The policy also ensures that the accounting and reporting systems are consistent with the standards set for local governments according to Governmental Accounting and Financial Reporting (GAFR), the National Council on Governmental Accounting (NCGA), and the Governmental Accounting Standards Board (GASB).

Revenues Policy, No. 92-5

This policy establishes revenue practices that: provide for the establishment and maintenance of a diversified revenue system to protect it from fluctuations in any one revenue source; ensure fees charged in enterprise operations will be calculated at a level which will support all direct and indirect costs of the enterprise; and ensure that the County does not accept any revenue source whose terms of acceptance or collection may negatively affect the County.

Fiscal Planning Policy, No. 93-44

This policy establishes fiscal planning practices that provide for:

- The annual operating and capital budget to be developed in conformity with the Tallahassee-Leon County Comprehensive Plan.
- The development and review of a Capital Improvement Project budget, containing a 5-year plan for acquisition and improvement of capital investments that is also coordinated with the annual operating budget.
- The Board of County Commissioners to continue to reflect fiscal restraint through the development of the annual budget by either decreasing appropriations or increasing revenues, when deficits are anticipated.

Dues and Memberships Policy, No. 93-46

This policy requires that any dues or memberships paid by Leon County on behalf of an employee shall be detailed in a department/division's annual budget request submission to the Office of Management and Budget. The request will be reviewed for appropriateness with final denial/approval being given by the County Administrator or his/her designee during the development of the tentative budget.

Debt Management and Other Investments Policy, No. 93-47

This policy establishes that debt management and investment practices are established to:

- Ensure that capital projects financed by capital bonds will not be financed for a period that exceeds the useful life of the supporting revenue source.
- Ensure that interest, operating or maintenance expenses will be capitalized only for facilities or enterprise activities and limited to expenses encumbered prior to the operation or improvement of the facility.
- Provide that Leon County's debt will be limited to an amount that will not hinder the County from maintaining sources of available revenues for service of debt at 135% of annual debt service.
- Provide that the County will limit its investments to only the safest types of securities (including the U.S. government or its agencies) and those which provide insurance or the legally required backing of the invested principal.
- Provide that, unless required by market conditions, not more than fifteen percent of the County's investment portfolio will be placed in any one institution other than those securities issued or guaranteed by the US Government or its agencies or the State Board of Administration of the State of Florida.

Amending the Budget Policy, No. 97-11

This policy establishes that for the operation of amending the annual budget, all amendments/transfers will be reviewed by the director of the requesting department/division, followed by the Office of Management and Budget, prior to submission and subsequent approval/denial by the County Administrator and/or the Board of County Commissioners as set forth below:

Summary of County Financial Policies & Ordinances

Amending the Budget Policy, No. 97-11(Cont.)

- Allows program managers to amend their operating budgets and personal services budgets up to 10 percent of the total on an aggregate basis between line items within programs with a \$50,000 cap, upon County Administrator approval.
- Designates the Office of Management and Budget the responsibility for monitoring and enforcing the provisions for amending the budget based upon policies adopted by the Board.
- Allows the County Administrator to authorize intrafund transfers up to \$250,000. Intrafund transfers exceeding \$250,000 and all interfund transfers must be approved by a majority vote of the Board.
- Requests for use of reserves for contingency must be approved by a majority vote of the Board.

Carry Forward Program Policy, No. 98-16

This policy establishes that the Carry Forward Program will provide budget incentives to managers to improve financial management effectiveness and accountability. It allows managers to carry forward a portion or all unexpected end-of-year funds for identifiable projects which will result in increased productivity, cost savings, and/or increased efficiency. Department managers submitting a request to OMB for review, must clearly indicate how the County will realize an increase in productivity, save money, and/or increase efficiency, if approved. Managers of projects funded by the Board in the current fiscal year, which are incomplete, must submit a "Carry Forward Request" requesting the funds be added to the budget of the following fiscal year for the sole purpose of completing the project for which the funds were appropriated. All carry forward requests are presented to the Board prior to November 1 of each year and are based upon the prior approval of the County Administrator.

Revenues - Financial Advisory Committee Policy, No. 00-1

This policy establishes the Financial Advisory Committee which ensures that financial matters which come before the Board have been appropriately and thoroughly reviewed. This committee will make recommendations on financial matters related to the Board and all County boards. Such financial matters may include, but not be limited to, issuance of debt, selection of bond counsel, financial advisory services, bond underwriter services, underwriter counsel, and arbitrage rebate compliance services.

Leon County Investment Policy, No. 02-12

This policy establishes that Leon County's Investment Policy within the context of the County's Investment Ordinance is intended to set the framework within which the County's investment activities will be conducted. It establishes the parameters for investment activity, which may be further, restricted by the Investment Oversight Committee or by investment staff, and provides parameters to limit risk and ensure a broadly diversified portfolio.

Landfill Rate Stabilization Reserve Policy, No. 03-08

This policy establishes the Solid Waste Stabilization Reserve Fund to provide funding for: planned future capital project expenditures, temporary and nonrecurring unexpected capital projects, accommodation of unexpected program mandates from other governmental bodies, extraordinary operating expenses, and operating expenses in order to stabilize rates. All requests for the use of these funds are limited to the operation of the County's landfill and transfer station and must be Board approved.

Discretionary Funding Guidelines Ordinance No. 06-34

This ordinance governs the allocation of discretionary funds and provides the Board a maximum amount of annual funding available in each of the following categories: (a) Community Human Services Partnership Fund (CHSP); (b) Community Human Services Partnership-Emergency Fund; (c) Commissioner District Budget Fund; (d) Mid-Year Fund; (e) Non-Departmental Fund; and (f) Youth Sports Teams Fund. The funding for the purposes set forth in this ordinance shall be subject to an annual appropriation by the Board in accordance with this Ordinance.

Reserves Policy, No. 07-2

This policy establishes funding for: general revenue emergency reserves, un-appropriated reserve for cash balance, minimum and maximum amounts of fund balance, funding for authorized mid-year increases, unexpected increases in the cost of existing levels of service, temporary and nonrecurring funding for unexpected projects, local match for public or private grants, offset losses, and unexpected program mandates. It establishes authorized forms and procedures to be used by outside agencies or individuals, set forth procedures and evaluation criteria of funding.

Policy for Industrial Development Revenue Bond Financing: Policy No. 81-1

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

Industrial Development Revenue Bond (IDRB) financing will be considered as an inducement to local and new prospective business expansion and relocation as a means to promote the diversification and expansion of the local economy, subject to the following conditions:

1. Information and application requirements of the County are completely and accurately met.
2. All fees and charges are paid, if and when assessed.
3. The project, consisting of land acquisition, construction, renovation and/or equipment purchases, has not begun prior to IDRFB financing approval.
4. The project complies with all federal, state and local laws with regard to industrial development revenue bond financing eligibility.
5. Except in unusual circumstances, the Board will give priority consideration for IDRFB financing to an industrial or manufacturing plant.

Policy for Accounting and Reporting: Policy No. 92-4

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that: The County will establish accounting and reporting systems to:

1. Maintain accounting and reporting practices in conformance with the Uniform Accounting System of the State of Florida and Generally Accepted Accounting Principles (GAAP).
2. Maintain accounting system records on a basis consistent with the accepted standards for local government accounting according to Governmental Accounting and Financial Reporting (GAFR), the National Council on Governmental Accounting (NCGA), and the Governmental Accounting Standards Board (GASB).
3. Provide regular monthly financial reports that include a summary of activity for all funds.
4. Provide regular monthly trial balances of line item financial activity by type of revenue and expenditure.
5. Ensure that an annual financial and compliance audit of the County's financial records is conducted by an independent firm of certified public accountants whose findings and opinions are published and available for public review.
6. Provide that the Office of Management and Budget (OMB) will submit to the County Commission quarterly reports on the operating condition of the County and, where applicable, to identify possible trends and, where necessary, to recommend options for corrective action.
7. Seek, annually, the Government Finance Officers Association (GFOA) Certificate of Achievement in Financial Reporting and the GFOA's annual budget award.

Policy for Revenues: Policy No. 92-5

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

The County will establish revenue practices to:

1. Provide that the County seek out and maintain a diversified revenue system to protect it from fluctuations in any one revenue source.
2. Provide that fees charged in enterprise operations will be calculated at a level which will support all direct and indirect costs of the enterprise.
3. Ensure that the County does not accept any revenue source whose terms of acceptance or collection may negatively affect the County.

Policy for Fiscal Planning: Policy No. 93-44

It shall be the policy of the Board of County Commissioners of Leon County, Florida that: Policy No. 93-44, adopted by the Board of County Commissioners on November 16, 2004, is hereby superseded, and a revised policy is hereby adopted in its place, to wit:

County Financial Policies & Ordinances

The County will establish fiscal planning practices to:

1. Provide that the annual operating and capital budget for Leon County shall be developed in conformity with the Tallahassee-Leon County Comprehensive Plan by the Office of Management and Budget, under the advisement of the County Administrator and adopted as provided in State law by a majority vote of the Board of County Commissioners presiding in a public hearing.
2. Provide for the development and annual review of a capital improvement budget. This budget shall contain a 5-year plan for acquisition and improvement of capital investments in the areas of facilities, transportation, equipment, and drainage. This budget shall be coordinated with the annual operating budget.
3. Provide that the Board of County Commissioners will continue to reflect fiscal restraint through the development of the annual budget. In instances of forthcoming deficits, the Board will either decrease appropriations or increase revenues.
4. Provide that the County will strive to better utilize its resources through the use of productivity and efficiency enhancements while at the same time noting that the costs of such enhancements should not exceed the expected benefits.
5. Provide that expenditures which support existing capital investments and mandated service programs will be prioritized over those other supporting activities or non-mandated service programs.
6. Provide that the County Administrator shall be designated Budget Officer for Leon County and will carry out the duties as set forth in Ch.129, F.S.
7. Provide that the responsibility for the establishment and daily monitoring of the County's accounting system(s), shall lie with the Finance Division of the Clerk of the Circuit Court, and that the oversight of investment and debt management for the government of Leon County shall lie with the Board of County Commissioners.
8. Annually, prior to March 31, the Board of County Commissioners will:
 - A. Establish a budget calendar for the annual budget cycle.
 - B. Confirm the list of permanent line item funded agencies that can submit applications for funding during the current budget cycle.
 - C. Provide direction to staff on additional appropriation requests that should be considered as part of the tentative budget development process.
9. Provide that this policy shall be reviewed annually by the Board of County Commissioners to ensure its consistency and viability with respect to the objectives of the Board and its applicability to current state law and financial trends.

Policy for Dues and Memberships: Policy No. 93-46

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that: Policy No. 77-7, adopted by the Board of County Commissioners on June 21, 1977, is hereby repealed and superseded, and a new policy is hereby adopted in its place, to wit:

Organizations to which dues and memberships are paid for a County employee by Leon County shall be listed in a department's/division's annual budget request submission to the Office of Management and Budget and reviewed for their appropriateness to the employee's job responsibilities with final denial/approval of such membership(s) by the County Administrator or his/her designee during the development phase of the tentative budget. Any request for County-paid employee memberships made during the fiscal year shall be submitted to the Office of Management and Budget for review with final denial/approval by the County Administrator. All memberships paid by the County for its departments/divisions shall follow the same review and approval process as that of a County Employee as outlined in this policy.

Policy for Debt Management and Other Investments: Policy No. 93-47

It shall be the policy of the Board of County Commissioners of Leon County, Florida that: Policy No. 92-6, adopted by the Board of County Commissioners on March 10, 1992, is hereby superseded and repealed, and a new policy is hereby adopted in its place, to wit: Debt management and investment practices are established to:

1. Ensure that capital projects financed through the issuance of bonds will not be financed for a period that exceeds the useful life of the project or the life of the supporting revenue source.

County Financial Policies & Ordinances

2. Ensure that interest, operating or maintenance expenses will be capitalized only for facilities or enterprise activities and will be limited to those expenses encumbered prior to the actual operation of the facility or its improvement.
3. Provide that debt for Leon County, Florida shall be limited to an amount which will not prevent the County from maintaining sources of available revenues for service of debt at 135% of annual debt service. The State of Florida does not mandate legal debt limitation for local governments.
4. Provide that the County will limit its investments to only the safest types of securities, to include those backed by the U.S. Government or its agencies and those which provide insurance or the legally required backing of the invested principal.
5. Provide that, unless market conditions otherwise require, not more than fifteen (15) percent of the County's investment portfolio shall be placed in any one institution other than those securities issued or guaranteed by the U.S. Government or its agencies or the State Board of Administration of the State of Florida.
6. Provide that the investment portfolio of Leon County, Florida must be structured in such a manner to provide sufficient liquidity to pay obligations as they become due. The investment portfolio shall be diversified by type of investment, issuer, and dates of maturity in order to protect against fluctuations in the market economy. At least fifteen percent (15%) of the County's portfolio shall be kept in liquid investments which are available on a daily basis, without loss of principal.
7. Provide that the clear title to principal and collateral backing for all investments shall be maintained by Leon County, in the County's own bank, or a third party agent under agreement to the County.
8. Provide that the Board of County Commissioners seeks to optimize return on investments within the constraints of safety and liquidity. The purchase and sale of securities shall be at competitive prices based on market conditions.
9. Provide that Leon County will use only major banks, brokers or dealers which have been selected after review of their qualifications, size, capitalization, inventories handling and reputation.
10. Provide that Leon County will not place funds with any institution which is less than three (3) years old.
11. Provide that the Board shall adopt a plan by October 1 of each year to govern the policies and procedures for the investment of surplus funds of the County based on the criteria as set forth in the County's Investment Ordinance for Surplus Funds, No. 93-3.
12. Provide that collateral shall be required for any re-purchase agreement, not covered under Chapter 280, Florida Statutes. Collateral placed for any re-purchase agreement will be governed by the same terms as those defined in the County's Investment Ordinance for Surplus Funds, No. 93-3.
13. Provide that the County shall establish a County Investment Oversight Committee whose membership and duties shall be governed by the provisions as set forth in the County's Investment Ordinance for Surplus Funds, Policy No. 93-3.

Policy for Amending the Budget Policy No. 97-11

The County will establish practices for the operation and amending of the annual budget to:

1. Provide that all amendments/transfers of funds will first be reviewed by the director(s) of the requesting department/division, followed by a second review by the Office of Management and Budget, prior to submission and subsequent approval/denial by the County Administrator and/or the Board of County Commissioners, as set forth by the following provisions of this policy.
2. Provide that:
 - A. Notwithstanding the provisions of paragraph 1, program managers shall have the flexibility to amend their operating expenditure budgets and personnel services budgets by up to 10 percent of the total on an aggregate basis between line items within programs with a \$50,000 cap, contingent upon approval by the County Administrator;
 - B. The County Administrator delegates to the Office of Management and Budget the responsibility for monitoring and enforcing the provisions of this paragraph based on policies adopted by the Board of County Commissioners.
3. Provide that, in addition to the provisions of paragraph 2, the County Administrator may authorize intrafund transfers up to \$250,000.
4. Provide that intrafund transfers greater than \$250,000, and all interfund transfers, must be approved by a majority vote of the Board of County Commissioners.
5. Provide that all requests for use of reserves for contingency must be approved by a majority vote of the Board of County Commissioners.

County Financial Policies & Ordinances

Policy for Carry Forward Program: Policy No. 98-16

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 94-8, entitled "Carry Forward Program" and adopted by the Board of County Commissioners on December 13, 1994, is hereby repealed and superseded, and a new policy is hereby adopted in its place, to wit:

The Carry Forward Program provides budget incentives to managers to improve financial management effectiveness and accountability. The program allows managers to carry forward into the ensuing fiscal year a portion of, or all, of the unexpected end-of-year funds for identifiable projects which will result in increased productivity, cost savings and/or increased efficiency. Those projects which receive the County Administrator's approval will be presented to the Board of County Commissioners prior to November 1 of each year.

A. Eligibility Requirements

The department manager must submit the program proposal to the Office of Management & Budget (OMB) no later than the deadline established by OMB. The proposal must include financial savings estimated based on the most recent financial data available. The department manager must clearly indicate in the Carry Forward Program how the County will realize an increase in productivity, save money or increase efficiency by approving the proposal.

Any request that was denied during the budget review process will be forwarded directly to the County Administrator for special review. The County Administrator will provide further direction to OMB.

Note: Those projects which were funded by the Board in the current fiscal year, and which were not completed, are not affected by this program. In such case, the manager must submit a "Carry Forward Request Form" to the Office of Management & Budget requesting that these funds be added to the budget of the ensuing fiscal year for the sole purpose of completing the projects for which the funds were appropriated in the previous fiscal year. The program must state on the "Carry Forward Request Form" why the project was not completed within the current fiscal year and the anticipated completion date.

B. OMB Responsibilities

The Office of Management & Budget shall review all proposals from department managers. The Office of Management & Budget will be responsible for the program activities listed below.

Verify the total amount of funds eligible to be carried forward into the ensuing fiscal year with the Finance Department.

Review an analysis of the proposed project to determine if it will increase productivity, save tax dollars and/or increase efficiency.

Make a recommendation of approval or denial to the County Administrator.

Notify the program manager in writing of whether the project was accepted or denied within two (2) working days of the County Administrator's final decision.

Policy for Revenues: Financial Advisory Committee: Policy No. 00-1

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

In order to ensure that financial matters which come before the Board of County Commissioners have been appropriately and thoroughly reviewed, a Finance Advisory Committee is hereby established which shall be comprised of the Leon County Administrator, the Leon County Attorney, the Director of Public Services, the Office of Management and Budget and the Clerk of Courts' Finance Director.

The Finance Advisory Committee shall review and make recommendations to the Board of County Commissioners on financial matters related to the Board of County Commissioners and all County boards and authorities. Such financial matters may include, but not be limited to, issuance of debt, selection of bond counsel, financial advisory services, bond underwriter services, underwriter counsel and arbitrage rebate compliance services.

County Financial Policies & Ordinances

Leon County Investment Policy: Policy No. 02-12

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 02-12, revised September 14, 2010; is superseded and a revised Policy No. 02-12, Leon County Investment Policy, is hereby adopted, to wit:

It is the policy of the Leon County Finance Division that:

Introduction

The following Investment Policy, within the context of the County's Investment Ordinance, is intended to set forth the framework within which the County's investment activities will be conducted. The Investment Policy establishes parameters for investment activity, which may be further restricted by the Investment Oversight Committee or by investment staff. The Investment Policy provides parameters to limit risk and ensure a broadly diversified portfolio. Upon approval of changes to the Investment Policy, existing holdings, which are inconsistent with the requirements, are exempt from the new Policy. These holdings will be managed prudently, while efforts are made to bring into compliance with new Policy.

In establishing this Investment Policy, the Board of County Commissioners recognizes the traditional relationship between risk and return and acknowledges that all investments whether they are for one day or years, involve a variety of risks related to maturity, duration, credit, market and reinvestment risk.

When choosing between alternative investments, staff should structure the portfolio based on an understanding of the variety of risks and basic principles of diversification on the structure of the portfolio. With adoption of this Investment Policy, the County recognizes the goals of preservation of principal, maintaining adequate liquidity and ultimately pursuing attractive total return in the portfolio management, in that order. Ongoing portfolio management is to add economic value to a portfolio under circumstances prevailing during the management process. This may necessitate the sale of securities at a loss in order to reduce portfolio risk (without material reduction in return) or to achieve a greater overall return (without assuming material amounts of additional risk) that could have been obtained if the original position had been held.

The Board recognizes the value of external, as well as internal, management. External management is best employed where greater knowledge and skills are required due to either the nature of the investment instruments, the risks associated with longer duration, or the need to closely monitor credit considerations. Internal management is best employed when risks are low, maturity considerations limited, and the ability for external management to enhance yield is limited by low overall interest rates.

I. SCOPE

This Policy applies to all funds held by the County in excess of those required to meet current expenses.

II. GOALS

The goal of the investment program, to the extent feasible, should be:

- A. To ensure that all of the public funds in possession of the County are invested 100% of the time in either interest-earning accounts or interest bearing securities;
- B. To produce investment income and price return (total return) at a level determined to be reasonable based on market dynamics or appropriate benchmarks.

III. INVESTMENT OBJECTIVES

The primary objectives of all investment activities for the County should be safety of principal, maintenance of adequate liquidity, and finally, return maximization.

County Financial Policies & Ordinances

A. Safety of Principal-This is the foremost investment objective. Investment transactions should seek to keep capital losses to a minimum, whether the result of security defaults or erosion of market value. This is best insured by establishing minimum acceptable credit ratings limiting the portfolio's overall duration setting maximum exposures by sector, defining appropriate levels of diversification, authorized transactions, and limiting exceptions.

B. Maintenance of Adequate Liquidity-A portion of the County's overall portfolio should be maintained very liquid in order to meet operating, payroll, and ongoing capital requirements. Maintaining a core level of assets with the government pools, such as the Treasury Special Purpose Investment Account (SPIA) or other short-term entities, is viewed as the best way of maintaining secure asset values with sound investment practices.

The remainder of the overall portfolio should be managed in such a manner that funds can be liquidated in a reasonable amount of time, recognizing that there are other sources for day-to-day liquidity and that this portfolio is primarily available for income generation within the constraints of this Policy.

C. Return Maximization-Return is of least importance compared to the safety and liquidity objectives above. Return maximization is to be guided by the predefined and acceptable levels of risk as defined in this Policy.

IV. STANDARDS OF PRUDENCE

The "prudent person" standard shall be applied in the management of the overall investment portfolio. The Clerk and Finance Department employees performing the investment functions, acting as a "prudent person" in accordance with established procedures and this Policy and exercising due diligence, shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided that appropriate monitoring efforts are performed.

The "prudent person" standard is herewith understood to mean the following:

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

V. ETHICAL STANDARDS

Officers, employees and investment advisor vendors of the Clerk's Office who are involved in the investment process shall refrain from personal business activity that could conflict with State Statutes, County ordinances, proper management of the investment portfolio or which could impair their ability to make impartial investment decisions. Investment officials and employees, including members of the Investment Oversight Committee, shall disclose any material financial interests in any investment firms, or financial institutions that conduct business with the County and shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of the County.

Limits of Liability - The County shall provide for the defense and indemnification of any Committee member who is made a party to any suit or proceeding, other than by an action of the County, or against whom a claim is asserted, by reason of their actions taken within the scope of their service as an appointed member of this committee. Such indemnity shall extend to judgments, fines, and amounts paid in settlement of such claim suit, or proceeding, including any appeal thereof. This protection shall extend only to members who have acted in good faith and in a manner, which they reasonably believe to be in, or not opposed to, the best interest of the County.

VI. AUTHORITY

Responsibility for the investment program is vested with the Clerk of the Circuit Court. The Clerk hereby delegates the day-to-day responsibility for the administration of the investment program to the Finance Director. The Finance Director shall maintain an Investment Procedures and Internal Controls Manual based on this Policy. No person may engage in an investment transaction except as stated in the Internal Controls Section of this Policy.

The Clerk of the Circuit Court, as part of their responsibility, will establish procedures to implement this Policy and assure compliance.

County Financial Policies & Ordinances

VII. INVESTMENT OVERSIGHT COMMITTEE

The Board is responsible for setting guidelines for the investment of the portfolio through the adoption of this Investment Policy. The Board recognizes that there is an expertise required both for setting the guidelines and the review of performance, which may exceed the technical background of individual commissioners and has, therefore, created the Investment Oversight Committee. This Committee is charged with the responsibility to review this Policy on a regular basis and to recommend changes. The Clerk will provide the Committee with reports in sufficient detail as may be requested by the Committee in order for them to review the performance of the portfolio. The Committee will establish portfolio benchmarks in order to judge the performance of the portfolio with respect to the market and other portfolios of similar size and limitations. The Committee will provide the Board a report as of the close of the fiscal year recapping the performance of the portfolio and any outside managers. The Board or the Committee may request additional meetings to discuss issues of concern or direction.

VIII. EXTERNAL INVESTMENT MANAGERS

The County may utilize external investment managers to assist with management of the portfolio. External management may be employed in situations where, due to limitations in the areas of staff time or expertise or the volume of securities available to the portfolio, such outside resources would be in a better position to overcome such limitations. The securities purchased by the external manager on behalf of the County, or held by the fund in which the assets are invested, must be in compliance with the constraints identified by this Policy with respect to specific instruments, maturity, composition, credit, and diversification. The average duration of the funds managed by any one external manager on behalf of the County as part of the portfolio shall not exceed three years.

External managers are selected through a competitive selection process (an RFP). In making this selection, consideration will be given to past investment performance, fees, assets under management, experience of the firm and the individuals managing portfolios of similar size, complexity and investment restrictions. External managers will be evaluated and retained based upon their investment performance.

IX. SECURITY SELECTION PROCESS

Securities selected for purchase or sale should seek to provide the highest rate of return within all relevant parameters considering current objectives, known needs of the portfolio and limitations of this Policy. Whenever practical, asset purchases and sales will be done through a competitive bid process, attempting to use as many as three bids for each transaction and records of all bids will be kept a minimum of two years. For the external manager, the process for selection of securities and broker firms will be exempt from this Policy.

Overnight Repurchase Agreements and other transactions with maturities at the time of purchase of seven days or less will be exempt from this requirement due to the short duration of the transaction and the inability to effectively bid this on a nightly basis.

X. RISK DIVERSIFICATION AND PORTFOLIO COMPOSITION

The County recognizes that investment risks can result from issuer defaults, market price changes, changes in credit ratings, reinvestment of principal and interest, or various technical complications leading to temporary non-liquidity. Portfolio diversification and maturity limitations are employed as primary methods of controlling risk. Market value shall be the basis for determining portfolio percentages as required for the portfolio.

A. Issuer and Credit Risk

The structure of the portfolio is designed to minimize credit risk. The majority of the securities held will be those of the highest available credit quality ratings. These would include government pools, U. S Government (AAA) securities, and commercial paper, of only the highest applicable rating. Staff will notify the IOC at any time holdings drop below the minimum credit ratings specified in this Policy. The IOC will consider the market environment and make recommendations to hold and continue to monitor the investments or liquidate the investments.

County Financial Policies & Ordinances

To further limit the County's risk against possible credit losses, a maximum of 3% of the total portfolio managed by the County's external manager may be held at any one time in all securities of any corporate entity, inclusive of commercial paper, medium term notes, or corporate notes and bonds.

For purposes of this Policy, the top nationally-recognized credit rating agencies (NRSROs) for all credit-sensitive securities are Moody's Investor Services, Standard and Poor's, and Fitch Investor Services.

B. Maturity and Interest Rate Risk

To meet the day-to-day operating needs of the County and to provide the readily-available cash to meet unforeseen temporary cash requirements, the portfolio shall maintain in liquid investments (defined as repurchase agreements purchased under the terms of the County's depository contract, open repurchase agreements, financial deposit instruments insured by the Federal Deposit Insurance Corporation, banker's acceptance, commercial paper, U S. Treasury direct and agency obligations, all having a maturity of 90 days or less, and the Treasury Special Purpose Investment Account) a minimum balance equal to one-twelfth of the then-current fiscal year's budgeted operating expenditures.

The range of duration for the County's overall portfolio is defined as 0.5 years to 2.5 years. Unusual market or economic conditions may mandate moving the portfolio outside of this range. The Investment Oversight Committee will be convened and will approve any portfolio duration outside of the range specified above.

C. Market Volatility

By establishing maturity or duration limitations on the aggregate portfolio, the County acknowledges its understanding that longer investments generally entail a greater potential for income returns, but at the risk of increased price volatility.

To further provide for capital protection, a volatility range is established wherein the market value of the overall portfolio should be targeted to remain within a range of +/- 5% from the portfolio's par value. If the market value moves outside of this range, the Investment Oversight Committee shall be convened and consulted. A decision shall be made and the County Administrator will be advised of the magnitude of the deviation and the actions to move the portfolio back within the range.

D. Investment Maturity and Liquidity

To the extent possible, an attempt will be made to structure the investment portfolio consistent with expected cash flow requirements. In no event will any security be purchased that has a final maturity or weighted average life (WAL) at the time of purchase exceeding five years.

While investment maturities will not exceed the expected cash flow requirements, they may be shorter. Investments do not necessarily have to be made for the same length of time that the funds are available following the basic investment principals that are listed in Section IX.

XI. INVESTMENT PERFORMANCE AND REPORTING

A quarterly investment report shall be prepared by the Finance Office and provided to the County Administrator and the Investment Oversight Committee. The report shall include a breakdown of the portfolio by sector, maturity, yield, as well as its overall performance during that period with sufficient detail for a comprehensive review of investment activity and performance.

Annually, a recapitulation report will be presented to the Board of County Commissioners ("Board"), which shall include securities in the portfolio by sector, book value, income earned, market value and yield. Performance measurements shall be utilized which are appropriate to the maturity, risk characteristics, investment limitations and size of the portfolio. At a minimum, portfolio performance shall be measured by comparing its year-to-date earnings to an appropriate benchmark.

County Financial Policies & Ordinances

The County Administrator shall be notified immediately of deviations from currently approved investment policies.

XII. THIRD-PARTY CUSTODIAL AGREEMENTS

The Clerk will execute a Third Party Custodial Safekeeping Agreement with a depository chartered by the United States Government or the State of Florida. All securities purchased, and/or collateral obtained by the Clerk, shall be properly designated as an asset of the County and held in an account separate and apart from other assets held by the depository. No withdrawal of such securities, in whole or in part, shall be made from safekeeping, except by authorized staff. The Clerk will enter into a formal agreement with an institution of such size and expertise as is necessary to provide the services needed to protect and secure the investment assets of the County.

Securities transactions between a broker-dealer and the custodian involving purchase or sale of securities by transfer of money or securities must be made on a "delivery vs. payment" basis, if applicable, to ensure that the custodian will have the security or money, as appropriate, in hand at the conclusion of the transaction.

The Third-Party Custodial Safekeeping Agreement shall include letters of authority from the Clerk, details as to responsibilities of each party, notification of security purchases, sales, delivery, repurchase agreements, wire transfers, safekeeping and transactions costs, procedures in case of wire failure or other unforeseen mishaps, including the liability of each party.

XIII. MASTER REPURCHASE AGREEMENT

The County will require all approved institutions and dealers transacting repurchase agreements to execute and perform as stated in the Master Repurchase Agreement. All repurchase agreement transactions will adhere to requirements of the Master Repurchase Agreement.

XIV. PERMISSIBLE INVESTMENTS

The following are the guidelines for investments and limits on security issues, issuers, and maturities as established by the Clerk (EXHIBIT A). The Clerk or the Clerk's designee (Finance Director) shall have the option to further restrict or increase investment percentages from time to time based on market conditions. Any changes to the portfolio composition guidelines must be in writing from the Finance Director, directed to the appropriate parties and discussed at each quarterly Investment Oversight Committee meeting.

XVIII. INVESTMENT STRATEGIES

Within the constraints of this Policy, the Clerk will be responsible for developing an investment strategy. This will be discussed with members of the Investment Oversight Committee and will address changes in the duration of the portfolio, the slope of the yield curve, spreads between various investment instruments, and actions by the Federal Reserve Board or other federal agencies, which might influence investment decisions.

The Clerk will solicit suggestions and comments from the Committee with respect to making strategic investment decisions. In implementing these strategies, the Clerk will communicate with the external manager as to how they are repositioning their portfolio and coordinate directions.

Generally, the dollars managed externally will be of longer duration and more sophisticated instruments therefore, one of the tools the Clerk will use to implement their strategic decisions will be to increase or decrease the dollars being managed. The Clerk will seek to implement investment strategies that will maximize long-term returns and mitigate interest rate volatility. The resources and sophistication to actively manage the portfolio on a daily basis is not available and the portfolio will not be involved in regular short term day trading activity. The portfolio will be repositioned within a narrow band in terms of both maturity and security selection and only in unusual times will major changes occur.

XIX. CONTINUING EDUCATION

Policy for Landfill Rate Stabilization Reserve: Policy No. 03-08

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that Policy No. 94-1, "Policy for Landfill Rate Stabilization Reserve," adopted by the Board of County Commissioners on February 8, 1994 is hereby repealed and superseded, and a new policy entitled "Solid Waste Rate Stabilization Reserve Fund" is hereby adopted in its place. It shall be the policy of the Board of County Commissioners of Leon County, Florida that:

1. The Solid Waste Rate Stabilization Reserve Fund is established to provide the following:
 - a. To accumulate funding for planned future capital project expenditures;
 - b. Funding for temporary and nonrecurring unexpected capital projects;
 - c. Funding to accommodate unexpected program mandates from other governmental bodies;
 - d. Funding for extraordinary operating expenses.
 - e. Funding for operating expenses in order to stabilize rates.
2. Use of funds from the Solid Waste Rate Stabilization Reserve Fund will be limited to operation of the landfill and transfer station.
3. The Board of County Commissioners must approve requests for use of Rate Stabilization Reserve Fund. The Board will use the procedures and evaluation criteria set forth in this policy. Such requests will be evaluated in insure consistency with other Board policy; the urgency of the request; the scope of services to be provided; the short- and long-term fiscal impact of the request; a review of alternative methods of funding or providing the services; a review for duplication of services with other agencies; a review of efforts to secure non-County funding; a discussion of why funding was not sought during the normal budget cycle; and a review of the impact of not funding or delaying funding to the next fiscal year.
4. The Rate Stabilization Reserve Fund will be budgeted at the excess of revenues over expenditures after the requirements of the balance needed in the Contingency Reserve and Closure Reserve are met. The Rate Stabilization Reserve Fund shall be separate from the Contingency Reserve and Closure Reserve.
5. The County's budget will be amended at such time as the County Commission, by majority vote, authorizes the use of reserves. All requests to the County Commission for the use of Rate Stabilization Reserve Fund shall be accompanied by an addendum prepared by OMB showing the year-to-date activity on the reserves account as well as the current account balance and the net effect on the account of approving the use of reserves.
6. As used in this document, the term "Fund" does not require the establishment of a self-balancing set of accounts, but rather indicates a separate account established within the Solid Waste Enterprise Fund.

Ordinance for Discretionary Funding Guidelines: Ordinance No. 06-34

Section 2-600 Application of Article

This article shall govern the allocation of discretionary funds and provide the Board a maximum amount of annual funding available in each of the following fund categories: Community Human Services Partnership Fund, Community Human Services Partnership – Emergency Fund, Commissioner District Budget Fund, Midyear Fund, Non-Departmental Fund, and Youth Sports Teams Fund.

County Financial Policies & Ordinances

Reserve Policy: Policy No. 07-2

It shall be the policy of the Board of County Commissioners of Leon County, Florida, that:

Policy No. 07-2, "Reserves", adopted by the Board of County Commissioners on July 10, 2007, is hereby superseded, and a revised policy is hereby adopted in its place, to wit:

1. Emergency Reserves

- a. The general revenue emergency reserves will be maintained at an amount not to be less than 3% and to not exceed 8% of projected general fund and fine and forfeitures fund operating expenditures for the ensuing fiscal year.
- b. A Catastrophe Reserve will be maintained at 2% of the general fund and fine and forfeiture fund operating expenditures for the ensuing fiscal year. The Catastrophe Reserve will provide immediate cash flow for staff overtime, equipment, contractual support and materials/supplies in the event of a natural disaster. In the event of a declared local state of emergency, the County Administrator is authorized to utilize the Catastrophe Reserve to pay Leon County solid waste and Leon County building/growth fees for eligible residents for the purpose of debris removal and home restoration/reconstruction. To be eligible, residents must demonstrate that all other means (including, but not limited to: FEMA Individual Assistance, property insurance) have been exhausted prior to seeking County assistance.
- c. The reserve for contingency is separate from the reserve for cash balances.
- d. Annually, the Board will determine an appropriate amount of reserve for contingency to be appropriated as part of the annual budget. Any funds not included in the budget under this category will be included as part of the unreserved fund balance.

2. Reserve for Cash Balances

- a. The County will maintain an annual unappropriated reserve for cash balance at a level sufficient to maintain adequate cash flow and to eliminate the need for short-term borrowing.
- b. The unappropriated fund balance shall be no less than 10% and no greater than 20% of projected general fund and fine and forfeiture fund operating expenditures.
- c. The reserve for cash balance shall be separate from the emergency reserves.
- d. All major funds will retain sufficient cash balances to eliminate the need for short-term borrowing.

3. Utilization of Fund Balance

- a. As part of the annual budget process, a determination will be made of the minimum and maximum amounts of fund balance available based on the requirements set forth in Sections 1 and 2.
- b. Funds in excess of the minimums established can be utilized to support one time capital project funding and/or other one-time expenditures to address unforeseen revenue shortfalls.

4. Budgeted Contingency Reserve

Budgeted Reserve for Contingency reserves, are established to provide the following:

- a. Funding for authorized mid-year increases to adopted levels of service.
- b. Funding for unexpected increases in the cost of providing existing levels of service.
- c. Temporary and nonrecurring funding for unexpected projects.
- d. Funding of a local match for public or private grants.
- e. Funding to offset losses in revenue caused by actions of other governmental bodies.

County Financial Policies & Ordinances

- f. Funding to accommodate unexpected program mandates from other governmental bodies.

5. Procedures

- a. The County Administrator is authorized to develop forms and procedures to be used by outside agencies or individuals or County agencies in submitting their requests for use of contingency reserves.
- b. County agencies, including County departments and Constitutional Officers, requesting additional funding from the Board shall first submit their requests in writing to the County Administrator for full review and evaluation.
- c. After evaluation, all requests will be brought to the Board for consideration at a regularly scheduled meeting.
- d. Requests for use of reserves for contingency may be approved only by the Board of County Commissioners.
- e. The County's budget will be amended at such time the County Commission, by majority vote, authorizes reserves for contingency. All requests to the County Commission for the use of any reserves for contingency shall be accompanied by a "contingency statement" prepared by OMB showing the year-to-date activity on the reserves account as well as the current account balance and the net effect on the account of approving the use of reserves.

6. Evaluation Criteria

- a. The Board will use the procedures and evaluation criteria set forth in this policy. The evaluation of funding requests shall include, but not be limited to the following:
 - consistency with other Board policy;
 - the urgency of the request;
 - the scope of services to be provided;
 - the short-term and long-term fiscal impact of the request;
 - a review of alternative methods of funding or providing the services,
 - a review for duplication of services with other agencies;
 - a review of efforts to secure non-County funding;
 - a discussion of why funding was not sought during the normal budget cycle; and
 - a review of the impact of not funding or delaying funding to the next fiscal year.

7. Exceptions

- a. This policy is not intended to limit regular mid-year salary adjustment transfers from the salary adjustment contingency account, which is reviewed separately by the Board of County Commissioners on an annual basis.

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

Goal 1: [CI] (Effective 7/16/90)

To use sound fiscal policies to provide adequate public facilities concurrent with, or prior to development in order to achieve and maintain adopted standards for levels of service, and to exceed the adopted standards, when possible. 9J-5.016(3) (a)

PUBLIC FACILITY NEEDS

Objective 1.1: [CI] (Effective 7/16/90)

Define types of public facilities, establish standards for levels of service for each type of public facility, and determine what capital improvements are needed in order to achieve and maintain the standards for existing and future populations, and to repair or replace existing public facilities. 9J-5.016(3)(b)1

Policy 1.1.1: [CI] (Effective 7/16/90)

The following definitions apply throughout this Capital Improvements Element.

1. "Capital Improvement" means, improvements to land, structures (including design, permitting, and construction), initial furnishings and selected equipment (including ambulances, fire apparatus,). Capital improvements have an expected useful life of at least 3 years. Other "capital" costs, such as motor vehicles and motorized equipment, computers and office equipment, office furnishings, and small tools are considered in the local government's annual budgets, but such items are not "capital improvements" for the purposes of the Comprehensive Plan, or the issuance of development orders.

2. "Category of public facilities" means a specific group of public facilities, as follows:

a. Category A public facilities are arterial and collector roads, mass transit, stormwater management, potable water, sanitary sewer, solid waste, and parks and recreation facilities owned or operated by the local government, all of which are addressed in other elements of this Comprehensive Plan.

b. Category B public facilities are fire service, bikeway, sidewalk, airport and other government facilities owned or operated by the local government.

c. Category C public facilities are arterial and collector roads, mass transit, stormwater management, potable water, sanitary sewer, solid waste, and parks and recreation facilities owned or operated by Federal, and State governments, independent districts, and private organizations.

3. "Development order" for purposes of determining vested rights means any order granting, denying, or granting with conditions an application for a building permit, zoning permit, subdivision approval, rezoning, certification, special exception, variance, or any other official action of the local government having the effect of permitting the development of land. Development orders shall be categorized as:

a. "Final Development Orders" The following development order shall be considered to be final development orders for purposes of a determination of vested rights in a previously approved development:

(1) Preliminary subdivision plat approval;

(2) Final subdivision plat approval;
Tallahassee-Leon County Comprehensive Plan

(3) Final Site plan approval (pursuant to County Ordinance 88-16);

(4) Approval of a PUD concept plan;

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

(5) Approval of a PUD Final Development Plan;

(6) Building permit;

(7) Development agreement entered into pursuant to Florida Statutes, Section 163.3220, et seq.; and

(8) Any other development order which approves the development of land for a particular use or uses at a specified intensity of use and which allows commencement of construction or physical development activity on the land for which the development order is issued.

b. "Preliminary development order" mean a DRI Development approval, zoning approval, preliminary development plan approval, conditional use approval, master plan approval, Board of Adjustment approval, and any other development order than a final development order.

4. "Local government" means the City of Tallahassee, Florida and Leon County, Florida.

5. "Public facility" means the capital improvements and systems of each of the following: arterial and collector roads, mass transit, stormwater management, potable water, sanitary sewer, solid waste, parks and recreation, library, corrections, emergency medical service, fire service, bikeway, sidewalk, airport, other local government buildings, public education and public health facilities.

Policy 1.1.2: [CI] (Rev. Effective 8/17/92)

The local government shall establish standards for levels of service for Categories A and C of public facilities, and shall apply the standards as follows:

1. **Category A.** The standards for levels of service of each type of public facility in Category A shall apply to development orders issued by the local government after January 31, 1991, or such earlier date as may be adopted by the local government, the local governments' annual budgets beginning with the 1990-91 fiscal year, the local governments' Capital Improvement Programs beginning with the 1990-91 fiscal year, and other elements of this Comprehensive Plan.

2. **Category C.** The standards for levels of service of each type of public facility in Category C shall apply to development orders issued by the local government after January 31, 1991, or such earlier date as may be adopted by the local government, and other elements of this Comprehensive Plan, but shall not apply to the local governments' annual budgets or the local governments' Capital Improvement Programs.

Policy 1.1.3: [CI] Levels of Service Required for Infrastructure, Facilities, and Utilities (Revised Effective 7/25/03; Revision Effective 7/20/05)

The following standards are hereby established as the minimum levels of service for various infrastructure, facilities, utilities and services required to support new development within the City of Tallahassee and Leon County.

1. Roadways

The peak hour roadway level of service for Tallahassee and Leon County is established as follows:

a. Outside the Urban Service Area:

Interstate, Intrastate, Limited Access Parkways: B

Principal Arterials: C

Minor Arterials: C

Major and Minor Collectors: C

Local Streets: D

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

Inside the Urban Service Area:

Interstate, Intrastate, Limited Access Parkways: C
Principal Arterials: D**
Minor Arterials: D / E*
Major and Minor Collectors: D / E*
Local Streets: D

*For Minor Arterials, and Major and Minor Collectors located inside the Urban Service Area and south of U.S. 90, the Level of Service shall be "D" for purposes of establishing priorities for programming transportation improvements, and "E" for meeting concurrency requirements, to support the Southern Strategy. Roads north of U.S. 90 shall be LOS D for both programming improvement and concurrency purposes.

**The Level of Service for Monroe Street from Gaines Street to Tennessee Street shall be "E". (*Revised Effective 12/10/02*)

b. Notwithstanding any of the above LOS standards in Policy 1.4.1 a. (above), in local government's review of a proposed development project, an optional LOS standard may be established that is equivalent to the currently adopted LOS standard plus 50% and may be applied in calculating the concurrency capacity for an impacted roadway segment that is not a Florida Intrastate Highway Facility (FIHS) as determined by the Florida Department of Transportation and that is located within the USA boundary provided that the following criteria is met:

- 1) The roadway segment is "capacity constrained" (as defined below), and;
- 2) The applicant or developer of the project being reviewed provides a "commensurate mitigation contribution" (as described below) to the local government for an alternative improvement.

For the purposes of this policy, the assumed roadway capacity that can be achieved under the adopted LOS standard plus 50% shall not exceed 150% of the maximum service flow at the adopted LOS. A "capacity constrained" roadway segment is one where the local government has determined that:

- 1) The improvement that will resolve the deficiency is not feasible due to environmental constraints, regulatory constraints or prohibitively costly right-of way demands, or;
- 2) The improvement that will resolve the deficiency is not desirable in that it is inconsistent with clearly defined community goals or long term plans, or;
- 3) The improvement that will resolve the deficiency is not desirable in that it clearly represents an economically inefficient measure that will address a public facility deficiency only on a temporary, limited basis.

The "commensurate mitigation contribution" must be equivalent to the costs of the public facility improvement(s) necessary to eliminate the capacity deficiency in order that the LOS standards in Policy 1.4.1 a. (above) would be maintained on the impacted roadway segment. The transportation facility improvement on which the contribution can be expended by the local government may include public road capacity improvements, public road right-of-way acquisition, mass transit system implementation or facility improvements, or bike or pedestrian facility improvements. In addition, the transportation facility improvement on which the contribution can be expended must serve to enhance the transportation network within the defined traffic impact area of the proposed development.

2. Mass Transit

Tallahassee Mass Transit System (Category A):

- (1) Inside urban service area:
1% annual increase in system miles (odometer miles on buses).
- (2) Outside urban service area:
No service

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

3. Stormwater

a. Tallahassee and Leon County (Category A)

The design and water quality standards set forth in Florida Administrative Code Chapters 17-3 and 17-25, as the same may be amended from time to time, are hereby adopted by reference as the level of service for stormwater quality.

Local government may set higher minimum levels of treatment in watersheds where investigation and analysis indicate more stringent levels of service are required.

Stormwater management facilities shall be adequate to provide the following levels of service with regard to flood control:

100 Year Critical Storm Event

- No flood water in new buildings or existing buildings.
- Overland flow capacity available for all flow in excess of capacity of underground and open channel conveyance systems.

25 Year or Less Critical Storm Event

- No flood water more than six inches deep in local roads, parking lots, or other non-street vehicular use areas.
- No flood water in one driving lane each direction of collector streets.
- No flood water in two driving lanes each direction on arterial streets.
- Open channel conveyance capacity available for all flow in excess of capacity of underground conveyance system, or for full twenty-five year storm flow if no underground system exists.
- The rate of off-site discharge shall not exceed the predevelopment rate of discharge.

10 Year or Less Critical Storm Event

- No flood water in one driving lane of local roads.
- No flood water in the driving lanes of any road other than a local road.
- Underground conveyance not overflowing in business and commercial districts.

5 Year or Less Critical Storm Event

- No flood water in the driving lanes of any roadways. •Underground conveyances not overflowing in residential districts.

These are the adopted levels of service and shall be used as the basis for determining the availability of facility capacity and the system demand generated by development. In instances where an off-site deficiency exists at the time of adoption of this policy, such deficiency shall not be increased as the result of any development or land use changes.

b. Federal and State lands stormwater management (Category C):

- (1) Inside urban service area: Same as local government

4. Potable Water

a. Tallahassee and Leon County water systems (Category A):

- (1) Inside urban service area: 160 gpcpd
- (2) Outside urban service area (Rural Community Land Use Category or Demonstrated Hardship): 100 gpcpd

b. Private water system (Category C):

- (1) Inside urban service area: 160 gpcpd
- (2) Outside urban service area: 100 gpcpd

5. Sanitary Sewer

a. Tallahassee and Leon County sewer systems (Category A):

- (1) Inside urban service area: 140 gpcpd
- (2) Outside urban service area: no service provided

b. Private sewer systems (not owned by City which serve public - Category C):

- (1) Inside urban service area: 140 gpcpd
- (2) Outside urban service area: no service provided

6. Parks and Recreation Facilities

a. Tallahassee parks and recreation facilities:

- (1) Countywide park land: 1.22 acres per 1,000 population (excluding boat ramps provided by Leon County). Includes City operation of County-owned Tom Brown Park.
- (2) Area park land:
 - (a) Inside Urban Service Area: 2.00 acres per 1,000 population of Urban Service Area.
 - (b) Outside urban service area: no area parks.
- (3) Recreation facilities are included in the cost of park land.

b. Leon County parks and recreation facilities:

- (1) Countywide park land: 0.18 acres per 1,000 population (boat ramps portion only)
- (2) Area Park: 2.00 Acres per 1,000 population within Urban Service Area (parks to be provided by City and located within City Limits). Per Policy 1.1.1.C of Parks and Recreation Element.
- (3) Recreation facilities are included in the cost of park land.

(3) Five years of Class I landfill capacity with preliminary permit approval from the Florida Department of Environmental Regulation

(4) Ten years of properly zoned Class I landfill raw land capacity at present fill rates

b. Private solid waste disposal facilities: Same as local government

8. On-Site

Tallahassee and Leon County Category A Public Facilities Levels of service for on-site improvements, including local streets, water and sewer connection lines, stormwater management facilities, local parks and open space shall be as required of the developer in Tallahassee's and Leon County's land development regulations. Development approval shall be conditioned on the availability of services necessary to maintain all applicable level of service standards as adopted within the Comprehensive Plan.

Policy 1.1.4: [CI] (*Effective 7/16/90*)

The local governments shall determine the quantity of capital improvements that is needed as follows:

1. The quantity of capital improvements that is needed to eliminate existing deficiencies and to meet the needs of future growth shall be determined for each public facility by the following calculation: $Q = (S \times D) - I$.

Where Q is the quantity of capital improvements needed,
S is the standard for level of service,
D is the demand, such as the population, and
I is the inventory of existing facilities.

The calculation will be used for existing demand in order to determine existing deficiencies. The calculation will be used for projected demand in order to determine needs of future growth. The estimates of projected demand will account for demand that is likely to occur from previously issued development orders as well as future growth. Public facilities to serve demand from previously issued development orders are assured by including such demand in "D" (demand) in the preceding calculation.

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

2. There are two circumstances in which the standards for levels of service are not the exclusive determinant of needs for a capital improvement:

a. Repair, remodeling, renovation, and replacement of obsolete or worn out facilities will be determined by the local government.

b. Capital improvements that provide levels of service in excess of the standards adopted in this Comprehensive Plan may be constructed or acquired at any time as long as the following conditions are met:

(1) the capital improvement does not make financially infeasible any capital improvement of the same type that is needed to achieve or maintain the standards for levels of service adopted in this Comprehensive Plan, and

(2) the capital improvement does not contradict, limit or substantially change the goals, objectives and policies of any element of this Comprehensive Plan, and

(3) one of the following additional conditions is met:

(a) the excess capacity is an integral part of a capital improvement that is needed to achieve or maintain standards for levels of service, or

(b) the excess capacity provides economies of scale making it less expensive than a comparable amount of capacity if acquired at a later date, or

(c) the asset acquired is land that is environmentally sensitive, or designated by the local government as necessary for conservation or recreation, or

(d) the excess capacity is part of a capital project financed by general obligation bonds approved by referendum.

3. Any capital improvement that is determined to be needed as a result of any of the factors listed in Policy 1.1.4.2 shall be included in the regular Schedule of Capital Improvements contained in this Capital Improvements Element. All such capital improvements shall be approved in the same manner as the capital improvements that are determined to be needed according to the quantitative analysis described in Policy 1.1.4.1. 9J-5.016(3)(b)2, (3)(c)1, (3)(c)1.b, (3)(c)1.e, (3)(c)3, (3)(c)5, (3)(c)9

Policy 1.1.5: [CI] (Effective 7/16/90)

The relative priorities among types of public facilities are as follows:

1. **Priorities Among Types of Public Facilities.** All public facility improvements that are based on achieving and maintaining a standard for levels of service adopted in this Comprehensive Plan are included in the financially feasible Schedule of Capital Improvements contained in this Capital Improvements Element. The relative priorities among types of public facilities (i.e., roads, potable water, sanitary sewer, etc.) were established by adjusting the standards for levels of service and the available revenues until the resulting public facilities needs became financially feasible.

Legal restrictions on the use of many revenue sources limit the extent to which types of facilities may be prioritized because they do not compete for the same revenues. During each annual prioritization process, no further prioritization among types of public facilities is necessary because all projects in the Schedule of Capital Improvements are financially feasible, programmed for improvement, and will be completed according to the Schedule. Each year, however, prioritization among types of facilities is re-determined by reaffirming or revising standards for levels of service within the constraints of available restricted revenues.

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

2. Priorities of Capital Improvements Within a Type of Public Facility. Capital improvements within a type of public facility are to be evaluated on the following criteria and considered in the order of priority listed below. The local government shall establish the final priority of all capital improvements using the following criteria as general guidelines. Any revenue source that cannot be used for a high priority facility will be used beginning with the highest priority for which the revenue can legally be expended.
- a. Repair, remodeling, renovation, or replacement of obsolete or worn out facilities that contribute to achieving or maintaining standards for levels of service adopted in this Comprehensive Plan.
 - b. New or expanded facilities that reduce or eliminate deficiencies in levels of service for existing demand.
 - c. New public facilities, and improvements to existing public facilities, that eliminate public hazards not otherwise eliminated by improvements prioritized according to Subsection a or b, above.
 - d. New or expanded facilities that provide the adopted levels of service for new development and redevelopment during the next five fiscal years, as updated by the annual review of this Capital Improvements Element. Tallahassee and Leon County may acquire land or right-of-way in advance of the need to develop a facility for new development. The location of facilities constructed pursuant to this Subsection shall conform to the Future Land Use Element, and specific project locations shall serve projected growth areas within the allowable land use categories. In the event that the planned capacity of public facilities is insufficient to serve all applicants for development orders, the capital improvements will be scheduled in accordance with criteria contained in the land development regulations.
 - e. Improvements to existing facilities, and new facilities that significantly reduce the operating cost of providing a service or facility, or otherwise mitigate impacts of public facilities on future operating budgets.
 - f. New facilities that exceed the adopted levels of service for new growth during the next five fiscal years by either;
 - (1) providing excess public facility capacity that is needed by future growth beyond the next five fiscal years, or
 - (2) providing higher quality public facilities than are contemplated in the local governments' normal design criteria for such facilities.
 - g. Facilities not described in Subsections a through f, above, but which the local government is obligated to complete, provided that such obligation is evidenced by a written agreement the local government executed prior to July 1, 1990.
3. All facilities scheduled for construction or improvement in accordance with this Policy shall be evaluated to identify any plans of State agencies or the Northwest Florida Water Management District that affect, or will be affected by, the proposed local government capital improvements.
4. Project evaluation may also involve additional criteria that are unique to each type of public facility, as described in other elements of this Comprehensive Plan. 9J-5.016(3)(c)1, (3)(c)3

Policy 1.1.6: [C] (Effective 7/1/04)

All proposed capital projects in the City and County shall be consistent with the adopted Transportation Plan and designated future transportation corridors.

FINANCIAL FEASIBILITY

Objective 1.2: [CI] *(Effective 7/16/90)*

Provide needed public facilities that are within the ability of the local government to fund the facilities from local government revenues, development's proportionate share contributions, and grants or gifts from other sources. 9J-5.016(3)(b)5

Policy 1.2.1: [CI] *(Effective 7/16/90)*

The estimated costs of all needed capital improvements shall not exceed conservative estimates of revenues from sources that are available to the local government pursuant to current statutes, and which have not been rejected by referendum, if a referendum is required to enact a source of revenue. 9J-5.016(3)(c)1.f

Policy 1.2.2: [CI] *(Revised Effective 12/8/98; Revision Adopted 4/21/05)*

Existing and future development shall both pay for the costs of needed public facilities.

1. Future development

a. Future development shall pay for its proportional share of the capital improvements needed to address the impact of such development. Enterprise fund user charges, connection fees, and other user fees paid by new development shall be reviewed every two years to assure that provision of capital improvements needed to address the impact of future development will not increase ad valorem tax rates or rates of electric, gas, water or sewer utilities. Upon completion of construction, "future" development becomes "present" development, and shall contribute to paying the costs of the replacement of obsolete or worn out facilities as described in subsection 2, below.

b. Future development's payments may take the form of, but are not limited to, voluntary contributions for the benefit of any public facility, impact fees, capacity fees, dedications of land, provision of public facilities, and future payments of user fees, special assessments and taxes.

2. Existing development

a. Existing development shall pay for the capital improvements that reduce or eliminate existing deficiencies, and some or all of the replacement of obsolete or worn out facilities.

b. Existing development's payments may take the form of user fees, special assessments, and taxes. 9J-5.016(3)(b)4, (3)(c)8

3. Both existing and future development may have part of their costs paid by grants, entitlements or the provision of public facilities from other levels of government and independent districts.

4. The City will eliminate on-site refunds to property owners or their representatives except in those situations within the City limits which specifically support the City's goals of affordable housing, urban infill development, or the Southern Strategy goal of a more balanced growth pattern. In order to receive a rebate, a development must have an average net density of not less than two (2) units per acre.

For purposes of this paragraph, the following definitions shall apply:

a. Affordable housing: Any residential development in which 7% or greater of the residential units are determined to be affordable housing as defined in Section XIII, Glossary, under the Housing Element.

b. Urban infill development: A development located on a parcel of property bounded on two or more sides by existing urban development, or adjacent to existing water or sewer service. "Urban development" is defined as densities or intensities of one unit per acre or greater.

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

- c. Southern Strategy: Any development located within the Southern Strategy Area, as defined in the Land Use Element. (Rev. Effective 4/18/02)

The amount of on-site water and sewer refunds, on a residential equivalent basis shall not exceed (for water) an amount calculated to be the average cost to extend water distribution lines across a lot having 80 feet of frontage and (for sewer) an amount calculated to be the average cost to extend sewer collection lines across a lot having 80 feet of frontage.

The City shall amend its water and sewer extension policies and ordinances within sixty (60) days of the effective date of this amendment in order to effectuate the intent of this amendment.

In any utility reimbursement agreement, urban services agreement, or any other agreement, which provides for on-site refunds, the agreement shall state the specific goal or goals of this plan, which are served or achieved by the provision of refunds.

Policy 1.2.3: [CI] (Rev. Effective 9/19/91)

Capital improvements shall be financed, and debt shall be managed as follows:

1. Public facilities financed by enterprise funds (i.e., potable water, sanitary sewer, solid waste, and airport) shall be financed by:

- a. debt to be repaid by user fees and charges for enterprise services, or
- b. current assets (i.e., reserves, surpluses and current revenue), or
- c. a combination of debt and current assets.

2. Public facilities financed by non-enterprise funds (i.e., roads, stormwater management, parks, fire service, police protection, and other government buildings) shall be financed from current assets: revenue, equity and/or debt. Specific financing of specific capital projects shall consider which asset, or group of assets, will be most cost effective, consistent with prudent asset and liability management, appropriate to the useful life of the project(s) to be financed, and efficient use of the local governments' debt capacity.

3. Debt financing shall not be used to provide more capacity than is needed within the Schedule of Capital Improvements for non-enterprise public facilities unless:

- a. the excess capacity is an integral part of a capital improvement that is needed to achieve or maintain standards for levels of service, or
- b. the excess capacity provides economies of scale making it less expensive than a comparable amount of capacity if acquired at a later date, or
- c. the asset acquired is land that is environmentally sensitive, or designated by the local government as necessary for conservation or recreation, or
- d. the excess capacity is part of a capital project financed by general obligation bonds approved by referendum. 9J-5.016(3)(c)2

4. The aggregate net bonded indebtedness in the City's enterprise activities shall not exceed 70% of assets. The City's adjusted general government net bonded indebtedness per capita shall not exceed 135% of Moody's Investor Service published median for cities of comparable size.

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

Policy 1.2.4: [CI] (Effective 7/16/90)

Tallahassee and Leon County shall not provide a public facility, nor shall it accept the provision of a public facility by others if Tallahassee, Leon County or another provider is unable to pay for the subsequent annual operating and maintenance costs of the facility.

Policy 1.2.5: [CI] (Effective 7/16/90)

All development orders issued by the local government which require public facilities that will be financed by sources of revenue which have not been approved or implemented (such as future debt or referenda) shall be conditioned on the approval of implementation of the indicated revenue source, or the substitution of a comparable amount of revenue from existing sources.

Policy 1.2.6: [CI] (Effective 7/16/90)

The sources of revenue contain within the adopted Comprehensive Plan (July 16, 1991) require no local referendum. In the event that subsequent sources of revenue listed under "Projected Costs and Revenues" require voter approval in a local referendum that has not been held, and a referendum is not held, or is held and is not successful, the Comprehensive Plan shall be amended to adjust for the lack of such revenues, in any of the following ways:

1. Reduce the standard for levels of service for one or more public facilities, or
2. Increase the use of other sources of revenue, or
3. Decrease the cost, and therefore the quality, of some types of public facilities while retaining the quantity of the facilities that is inherent in the standard for levels of service, or
4. A combination of the above alternatives.

The analysis that supports this Capital Improvements Element shall contain an Alternative Recommendation setting forth the costs and sources of revenue that will be proposed in the Plan amendment in the event the referendum is not held, or is held and is not successful.

Policy 1.2.7: [CI]

(Effective 4/18/02; Revision Effective 12/29/05)

By 2001, utility providers for sanitary sewer, water and stormwater shall prepare long range improvement plans to the year 2020 for major facilities from which subsequent five year capital improvement programs shall be derived. These long range improvement plans shall be based upon a needs plan to serve the Future Land Use Plan and its expected population within the Urban Service Area by 2020, and shall also contain a cost feasible plan which prioritizes improvements based upon projected revenues. These long range utility improvement plans will be updated concurrently with updates to the Future Land Use Plan and Long Range Transportation Plan.

Objective 1.3: [CI] (Effective 7/16/90)

Provide needed capital improvements for repair or replacement of obsolete or worn out facilities, eliminating existing deficiencies, and meeting the needs of future development consistent with the adopted plan and depicted on the future land use map and redevelopment caused by previously issued and new development orders. The local governments' ability to provide needed improvements shall be demonstrated by maintaining a financially feasible Schedule of Capital Improvements, as documented by the summary "Costs and Revenues by Type of Public Facility" contained in this Capital Improvements Element. 9J-5.016(3)(b)1 and 5.

Policy 1.3.1: [CI] (Rev. Effective 11-22-99)

The local government shall provide, or arrange for others to provide, the public facilities listed in the Schedule of Capital Improvements in the "Requirements for Capital Improvements Implementation" section of this Capital Improvements element. The capital improvements listed for Leon County within this element are balanced pursuant to 9J-5 with available revenue sources. However, the County reserves the right to amend projects and funding sources

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

consistent with the criteria set out in 9J-5 for the Capital Improvements Element. The Schedule of Capital Improvements may be modified as follows:

1. The Schedule of Capital Improvements shall be updated annually. The annual update process shall be initiated concurrently with the preparation and adoption of the local governments' capital budgets. The capital improvement element schedule update amendment to the Comprehensive Plan shall be based upon the local governments' draft capital budgets being considered for adoption. The capital improvement element schedule update shall reflect any changes in the construction initiation date, completion date, or estimated project cost as otherwise established in a previous year's capital improvement element schedule update. The update shall also indicate whether those projects included in the previous year's capital improvement element schedule update (but not included in the current year's capital improvement element schedule update), have been completed, are ongoing, or have been deleted. Thereafter, prior to the transmittal of the amendment revising the Schedule of Capital Improvements, the amendment shall be revised to reflect any corresponding changes in the adopted local government capital budgets.
2. Pursuant to Florida Statutes 163.3187, the Schedule of Capital Improvements may be amended two times during any calendar year, and as allowed for emergencies, developments of regional impact, and certain small scale development activities.
3. Pursuant to Florida Statutes 163.3177, the Schedule of Capital Improvements may be adjusted by ordinance not deemed to be an amendment to the Comprehensive Plan for corrections, updates, and modifications concerning costs; revenue sources; acceptance of facilities pursuant to dedications which are consistent with the plan; or the date of construction of any facility enumerated in the Schedule of Capital Improvements.
4. Any act, or failure to act, that causes any project listed in the Schedule of Capital Improvements of this Comprehensive Plan to be scheduled for completion in a fiscal year later than the fiscal year indicated in the Schedule of Capital Improvements shall be in effect only if the act causing the delay is subject to one of the following:
 - a. Projects providing capacity equal to, or greater than the delayed project are accelerated within, or added to the Schedule of Capital Improvements, in order to provide capacity of public facilities in the fiscal year at least equal to the capacity scheduled prior to the act which delayed the subject project.
 - b. Modification of development orders issued conditionally or subject to the concurrent availability of public facility capacity provided by the delayed project. Such modification shall restrict the allowable amount and schedule of development to that which can be served by the capacity of public facilities according to the revised schedule.
 - c. Amendment of the plan to reduce the adopted standard for the level of service for public facilities until the fiscal year in which the delayed project is scheduled to be completed. 9J-5.016(3)(c)7

Policy 1.3.2: [CI] (Effective 7/16/90)

The local government shall include in the capital appropriations of their annual budgets all the capital improvements projects listed in the Schedule of Capital Improvements for expenditure during the appropriate fiscal year, except that the local government omit from their budgets any capital improvements for which a binding agreements has been executed with another party to provide the same project in the same fiscal year. The local government may also include in the capital appropriations of their annual budgets additional public facility projects that conform to Policy 1.1.4.2.b.3 and Policy 1.2.3.3.9J-5.016(3)(c)7.

Policy 1.3.3: [CI] (Rev. Effective 8/17/92; Revision Effective 12/29/05)

The City Commission of Tallahassee and the Board of County Commissioners of Leon County find that the impacts of development on public facilities within Tallahassee and Leon County occur at the same time as development authorized by a final development order. The local government shall determine, prior to the issuance of development orders, whether or not there is sufficient capacity of Category A and Category C public facilities to meet the standards

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

for levels of service for existing development and the proposed development concurrent with the impacts of proposed development. For the purpose of this policy, the City of Tallahassee shall define "concurrent with" as follows:

1. No final development order shall be issued by the local government after October 1, 1990 unless there shall be sufficient capacity of Category A and Category C public facilities to meet the standards for levels of service for the existing population and for the proposed development according to the following timeframes:

a. For the following public facilities, there must be: a) available capacity to serve the impacts of the proposed development prior to the issuance of the building permit; b) at the time a development order is issued, the necessary facilities and services are guaranteed in an enforceable development agreement, pursuant to Florida Statutes, or an agreement or development order is issued pursuant to Chapter 380, Florida Statutes to be in place and available to serve new development at the time of the issuance of a certificate of occupancy.

- (1) Potable water.
- (2) Sanitary sewer.
- (3) Solid waste.
- (4) Stormwater management.

b. For the following public facilities there must be available capacity to serve the impacts of the proposed development at the adopted level of service within 12 months of the issuance of the final development order:

- (1) Parks and recreation.
- (2) Mass transit.

2. An applicant for a preliminary development order shall have a determination made as to the availability of Category A and Category C public facilities in accordance with subsection a or b:

a. The applicant may request a determination of available capacity as part of the review and approval of the preliminary development order provided that the determination of available capacity shall apply only to specific uses, densities and intensities based on information provided by the applicant and included in the development order,

b. The applicant may request the approval of a preliminary development order without a determination of capacity of Category A and Category C public facilities provided that any such order is issued subject to requirements in the applicable land development regulation or to specific conditions contained in the preliminary development order that:

- (1) Final development orders for the subject property are subject to a determination of available capacity in Category A and Category C public facilities, as required by Policy 1.3.1, and;
- (2) No rights to obtain final development order, nor any other rights to develop the subject property have been granted or implied by the local government's approval of the preliminary development order without determining that there is available capacity in Category A and Category C public facilities.

3. Except for an approved development of regional impact with specific phases of development, the determination of available capacity shall be valid for the term of a proposed project's development order. For development orders without specific terms of development, the determination and reservation of available capacity shall not exceed two years. For good faith development, extensions of the two year terms may be permitted in six month intervals.

4. A determination that there is available capacity in public works to serve the project shall run with the land; shall be assignable within adjacent portions of a project; and shall not be assignable to other projects. A determination that there is available capacity for a project shall apply only to specific land uses, densities, and intensities based upon information provided by the applicant. Any change in the density, intensity or land use is subject to review and approval or denial by the City of Tallahassee.

5. An applicant shall prepay all impact fees or other infrastructure costs to guarantee the applicant's pro rata share of the local governments' financial obligation for public facilities, which are constructed by the local government for the benefit of the subject property.

a. Whenever an applicant's pro rata share of a public facility is less than full cost of the facility, the local government shall contract with the applicant for the full cost of the facility including terms regarding reimbursement of the applicant for costs in excess of the applicant's pro rata share.

b. Upon expiration of the determination of capacity for the development pursuant to subsection 2.a.(2) all unused capacity shall be forfeited. The pro rata infrastructure costs (not impact fees) paid for said capacity now forfeited shall be held by the City as a credit unless excess capacity exists that will allow local government to extend the expiration date. Pro rata infrastructure costs held as a credit by local government and not used by a developer to offset future impacts on public facilities shall be rebated without interest to the developer after a period of one (1) year.

6. The standards for levels of service of Category A and Category C public facilities shall be applied to the issuance of development orders on the following geographical basis:

a. Public facilities which serve all of Leon County shall achieve and maintain the standard for levels of service on a Countywide basis. No development order shall be issued in any unincorporated part of Leon County if the standard for levels of service is not achieved and maintained throughout the County for the following public facilities:

- (1) Solid Waste Disposal
- (2) Countywide Parks

b. Public facilities which serve less than all of Leon County shall achieve and maintain the standard for levels of service within their assigned service area. No development order shall be issued in an assigned service area if the standard for levels of service is not achieved and maintained throughout the assigned service area for the following public facilities and assigned service areas:

- (1) Arterial and Collector Roads: All such roads throughout the county significantly affected by the proposed development
- (2) Stormwater Management Systems: Major Stormwater Basin
- (3) Potable Water Systems: Water System Service Area
- (4) Sanitary Sewer Systems: Treatment Plant Service Area
- (5) Area Parks: Urban Service Area
- (6) Mass Transit: Citywide

COORDINATE CAPITAL IMPROVEMENTS WITH LAND DEVELOPMENT

Objective 1.4: [CI] (Effective 7/16/90)

Manage the land development process to insure that all development receives public facility levels of service equal to, or greater than the standards adopted in Policy 1.1.3, subsections 1-3, and 6. 9J-5.016(3)(b)3 and 5 by implementing the Schedule of Capital Improvements (required by Objective 1.3) and produced in its entirety elsewhere in the Capital Improvements Element, and by using the fiscal resources provided for in Objective 1.2 and its supporting policies.

Policy 1.4.1: [CI] (Effective 7/16/90)

All Category A public facility capital improvements shall be consistent with the goals,, objectives and policies of the appropriate elements of this Comprehensive Plan.

Policy 1.4.2: [CI] (Rev. Effective 11-22-99)

The local government shall integrate their land use planning and decisions with their plans for public facility capital improvements by developing and adopting the programs listed in the "Implementation Programs" section of this Capital Improvements Element. The location of, and level of service provided by projects in the Schedule of Capital Improvements shall maintain adopted standards for levels of service for existing and future development in a manner and location consistent with the Future Land Use Element of this Comprehensive Plan. Individual land use decision shall be consistent with the Comprehensive Plan. 9J-5.016(3)(b)3, (3)(c)9.

REQUIREMENTS FOR CAPITAL IMPROVEMENTS IMPLEMENTATION SCHEDULE OF CAPITAL IMPROVEMENTS, INCLUDING GENERAL LOCATION

The Schedule of Capital Improvements on the following pages will repair or replace obsolete or worn out facilities, eliminate existing deficiencies, and make available adequate facilities for future growth through no less than a five-year planning period, updated annually. The analysis of capacity requirements for deficiency and growth at the time of original plan adoption appears in a support document prepared for this Capital Improvements Element: "Public Facility Requirements 1988/89 - 1995/96 and to 2010."

The projects are listed according to the type of public facility. Within each list, projects are listed in sequence according to the fiscal year in which the initial project expenditures are scheduled. The capital improvement element schedule update shall provide the projected construction initiation date, completion date, and rough estimate of the total project cost for each project included therein. The capital improvement element schedule update shall include advance-funded State of Florida roadway projects, noting, however, that the local government bears no obligation in the funding or construction of these facilities. The capital improvement element schedule update shall include those local road projects reflected in the local government's adopted capital budget.

Each project is named, and briefly described. Most project locations are specified in the name or description of the project. The capacity of the project is shown, using the same measure of capacity that is used in the standard for the level of service (see Policy 1.1.3). Capacity increases may meet the needs of current deficiencies, or future development, or both, as noted above. If no "added capacity" is shown, the project is limited to repair, renovation, remodeling or replacement of an existing facility, with no net increase in capacity.

The estimated cost of each project during each of the next five or six fiscal years is shown in thousands of dollars (\$1000s), and the total 5 or 6-year cost is also shown. Any costs incurred before or after the 5 or 6-year schedule are omitted from the project total. Such costs appear in the local governments' Capital Improvements Programs. All cost data is in current dollars; no inflation factor has been applied because the costs will be revised as part of the annual review and update of the Capital Improvements Element.

All projects contained in this Schedule of Capital Improvements are consistent with the other elements of this Comprehensive Plan. Consistency is determined and maintained by calculating that the total capacities of planned projects and existing facilities achieve or exceed the capacity of facilities that are required by the adopted standards for levels of service using the formula in Policy 1.1.4. 9J-5.016(4)(a)1

The Capital Improvements Element reflects the five year adopted Capital Improvement Plans (CIPs) of the City of Tallahassee and Leon County, and may not reflect other Capital Facilities documents that are concurrently being developed and yet to be adopted.

Rule 9J-5.016, F.A.C., concerning the Capital Improvements Element states, in part, "The Capital Improvements Element should include projects for which local government has fiscal responsibility."

Objective 1.5: [CI] (Effective 6/28/98)

Ensure that the City of Tallahassee and Leon County, their agents, and their assigns appropriate adequate funds and maintain an operational commitment sufficient to implement the various obligations of the Comprehensive Plan which are not addressed through the capital improvements planning requirements.

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

Policy 1.5.1: [CI] (Effective 6/28/98)

The City of Tallahassee and Leon County, either jointly or separately, shall, in conjunction with the Comprehensive Plan Evaluation and Appraisal Report process, undertake a periodic review of obligations set forth in the Comprehensive Plan for which they, or their agents or assigns, are responsible for implementing, and which are not otherwise addressed through the capital improvements planning process. Each obligation shall be evaluated; including: a) affirmation of the commitment to the obligation; b) demonstration of financial capacity and commitment to carry out the work necessary to fulfill the obligation; and c) an assessment as to the ability to perform, or have performed, required work within the specified period of time (as applicable).

Should the City of Tallahassee or Leon County determine, as an outcome of this review, that an obligation found in the Comprehensive Plan should be deleted or otherwise modified; the affected local government shall file, at the first available opportunity, an amendment to the Comprehensive Plan making corresponding appropriate revisions.

Objective [CI] 1.6: (Effective 12/8/98)

The City of Tallahassee and Leon County shall adopt and implement revised programs and/or policies which favor the funding and scheduling of their capital improvements programs and policies for the Central Core Area and Southern Strategy Area

Policy [CI] 1.6.1: (Effective 12/8/98)

The local governments shall commit to undertake needed repairs, replace obsolete infrastructure and facilities, and address existing infrastructure deficiencies within the Central Core Area and Southern Strategy Area. The identification of such projects shall be based on the Comprehensive Assessment of the Central Core Area; the Comprehensive Assessment of the Southern Strategy Area; the Strategic Implementation Plan of the Central Core Area; the Strategic Implementation Plan of the Southern Strategy Area; and, any applicable Sector Plans.

Policy [CI] 1.6.2: (Effective 12/8/98)

By 1999, the local governments shall establish criteria for evaluation of projects proposed for inclusion within the 5 Year Capital Improvement Schedule. Among these criteria, there shall be criteria reflecting the commitment to needed improvements within the Central Core Area the Southern Strategy Area.

Policy [CI] 1.6.3: (Effective 12/8/98)

Funding approved to implement capital improvements necessary to address those needs identified by the Comprehensive Assessment of the Central Core Area and the Comprehensive Assessment of the Southern Strategy Area shall not be diverted to other projects without the expressed consent of the Commission.

PROGRAMS TO ENSURE IMPLEMENTATION

(Rev. Effective 9/19/91)

The following program descriptions are part of the adopted Comprehensive Plan. The following programs shall be implemented by January 31, 1991, or such earlier date as may be adopted by the local government, to ensure that the goals, objectives and policies established in the Capital Improvements Element will be achieved or exceeded. Each implementation program will be adopted by ordinance, resolution or executive order, as appropriate for each implementation program.

1. **Review of Applications for Development Orders.** The local government shall amend their land development regulations to provide for a system of review of various applications for the levels of service of Category A and Category C public facilities. Such system of review shall assure that no

2. final development order shall be issued which results in a reduction in the levels of service below the standards adopted in Policy 1.1.3.a-c for Category A public
3. facilities and Policy 1.1.3.f for Category C public facilities. The land development regulations shall include, at a minimum, the provisions of Policy 1.3.3.a and b in determining whether a development order can be issued.

The land development regulations shall also address the circumstances under which public facilities may be provided by applicants for development orders. Applicants for development orders may offer to provide public facilities at the applicant's own expense in order to insure sufficient capacity of Category A and Category C public facilities, as determined according to Paragraphs A and B, above. Development orders may be issued subject to the provision of public facilities by the applicant subject to the following requirements:

- a. The local government and the applicant enter into an enforceable development agreement which shall provide, at a minimum, a schedule for construction of the public facilities and mechanisms for monitoring to insure that the public facilities are completed concurrent with the impacts of the development, or the development will not be allowed to proceed.
- b. The public facilities which are impacted by a subsequent Development Order are operating and will continue to operate at or above the adopted LOS consistent with the conditions outlined in Policy 1.3.3 of the CIE and that the public facilities are contained in the Schedule of Capital Improvements of the Comprehensive Plan.

2. Impact Fees. Impact fee ordinances shall require the same standard for the level of service as is required by Policy 1.1.3., and may include standards for other types of public facilities not addressed under Policy 1.1.3. All impact fee ordinances necessary to support the financial feasibility of this element shall be adopted, or amended to the required standard for the level of service by January 31, 1991.

3. Annual Budget. The annual budget shall include in its capital appropriations all projects in the Schedule of Capital Improvements that are planned for expenditure during the next fiscal year.

4. Capital Improvements Program. The annual multi-year Capital Improvement Program (CIP) shall be prepared in conjunction with the annual review and update of the Capital Improvements Element. The CIP shall contain all of the projects listed in the Schedule of Capital Improvements of the updated version of the Capital Improvements Element.

5. Semiannual Report. The mandatory semiannual report to the Department of Community Affairs concerning amendments to the Comprehensive Plan due to emergencies, developments of regional impact and selected small developments shall report on changes, if any, to adopt goals, objectives and policies in the Capital Improvements Element.

6. Update of Capital Improvements Element. The Capital Improvements Element shall be reviewed and updated annually. The element shall be updated in conjunction with the budget process and the release of the official population estimates and projections by the Bureau of Economic and Business Research (BEBR) of the University of Florida. The update shall include:

- a. Revision of population projections
- b. Update of inventory of public facilities
- c. Update of costs of public facilities
- d. Update of Public Facilities Requirements analysis (actual levels of service compared to adopted standards)
- e. Update of revenue forecasts
- f. Revise and develop capital improvements projects for the next five fiscal years
- g. Update analysis of financial capacity

7. Concurrency Implementation and Monitoring System. The local government shall establish and maintain Concurrency Implementation and Monitoring Systems. The Systems shall consist of the following components:

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

a. Annual report on the capacity and levels of service of public facilities compared to the standards for levels of service adopted in Policy 1.1.3.a-c and f. The report shall summarize the actual capacity of public facilities, and forecast the capacity of public all be based on the most recently updated Schedule of Capital Improvements in this Capital Improvements Element. The annual report shall constitute prima facie evidence of the capacity and levels of service of public facilities for the purpose of issuing development orders during the 12 months following completion of the annual report. The annual report shall also summarize and forecast capacities and levels of service for comparison to the standards adopted in Policy 1.1.3.d and e, but such portion of the annual report shall be for information purposes only, and shall not pertain to the issuance of development orders by the local government.

b. Public facility capacity review. The City of Tallahassee and Leon County shall use the procedures specified in Implementation Program 1, above, to enforce the requirements of Policy 1.3.3.a. and b. and as such the impacts of proposed development will be analyzed in relation to the availability of capacity at the time of permitting. Records shall be maintained during each fiscal year to indicate the cumulative impacts of all development orders approved during the fiscal year-to-date on the capacity of public facilities as set forth in the most recent annual report on capacity and levels of service of public facilities. The land development regulations of the local government shall provide that applications for development orders that are denied because of insufficient capacity of public facilities may be resubmitted after a time period to be specified in the land development regulations. Such time period is in lieu of, and not in addition to, other minimum waiting periods imposed on applications for development orders that are denied for reasons other than lack of capacity of public facilities. Land development regulations shall require that development commence within a specified time after a development order is issued, or the development order shall expire, subject to reasonable extensions of time based on Criteria included in the regulations.

c. Review of changes in planned capacity of public facilities. The local government shall review each amendment to this Capital Improvement Element, in particular any changes in standards for levels of service and changes in the Schedule of Capital Improvements, in order to enforce the requirements of Policy 1.3.1.d.

d. Concurrency implementation strategies. The local government shall annually review the concurrency implementation strategies that are incorporated in this Capital Improvements Element:

(1) Standards for levels of service that are phased to reflect the local governments financial ability to increase public facility capacity, and resulting levels of service, from year to year. Standards for levels of service may be phased to specific fiscal years in order to provide clear, unambiguous standards for issuance of development orders. (See Policy 1.1.3)

(2) Standards for levels of service that are applied within appropriate geographical areas of the local government. Standards for Countywide public facilities are applied to development orders based on levels of service throughout the County. Standards for public facilities that serve less than the entire County are applied to development orders on the basis of levels of service within assigned service areas. (See Policy 1.3.3.c)

(3) Standards for levels of service are applied according to the timing of the impacts of development on public facilities. Final development orders, which impact public facilities in a matter of months, are issued subject to the availability of water, sewer, and solid waste facilities prior to the issuance of the building permit, and other facilities (i.e., parks stormwater management and, mass transit) must be available within 12 months of the final development order. Preliminary development orders can be issued subject to public facility capacity, but the capacity determination expires in two years unless the applicant provides financial assurances to the local government. As an alternative, the determination of public facility capacity for preliminary development orders can be waived with in agreement that a capacity determination must be made prior to issuance of any final development order for the subject property. Such a waiver specifically precludes the acquisition of rights to a final development order as a result of the issuance of the preliminary development order. (See Policy 1.3.3.a and b)

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

(4) Levels of service are compared to adopted standards on an annual basis. Annual monitoring is used, rather than case-by-case monitoring, for the following reasons:

- (a) annual monitoring corresponds to annual expenditures for capital improvements during the local governments' fiscal years;
 - (b) annual monitoring covers seasonal variations in levels of service; and
 - (c) case-by-case monitoring would require applicants for development orders or the local government to conduct costly, time-consuming research which would often be partially redundant of prior research, or involve disparate methodologies and produce inconsistent results.
- (See Concurrency Implementation and Monitoring System component A, above.)

(5) Public facility capital improvements are prioritized among competing applications for the same amount of facility capacity according to the criteria in Policy 1.1.5.b.4. If any applications have to be deferred to a future fiscal year because of insufficient capacity of public facilities during the current fiscal year, the applications to be deferred will be selected on the basis of rational criteria.

e. Capacity of Public Facilities for Development Orders Issued Prior to Adoption of the Plan. The City of Tallahassee and Leon County will "reserve" capacity of public facilities for development orders, in addition to approved Developments of Regional Impact, that were issued by the local government prior to the adoption of this Comprehensive Plan under the following circumstances:

- (1) A representative of the property which is the subject of the development order has requested and received a determination of vested rights, and
- (2) A representative of the property which is the subject of the development order has accepted in writing the applicable requirements of Policy 1.3.3.b, c of the Capital Improvements Element.

The local governments find that it is not necessary to automatically "reserve" capacity of public facilities for all development orders issued prior to the adoption of the plan because experience indicates that many such development orders are not used, or are not used to the maximum allowable uses, densities or intensities. The local governments find that the population forecasts that are the basis for this plan are a reasonable prediction of the absorption rate for development, and that the capital facilities which are planned to serve the forecast development are available for that absorption rate. Reserving public facility capacity for previously issued development orders would deny new applicants access to public facilities, and would arbitrarily enhance the value of dormant development orders.

The local governments intend to develop and pursue programs that will give persons with legitimate and substantial vested rights an opportunity to proceed with their plans without arbitrary interference by the new

Comprehensive Plan. However; the local governments intend to require such persons to "continue in good faith" in order to "reserve" capacity of public facilities which are provided by the local government. The City of Tallahassee and Leon County will not "reserve" capacity of public facility for previously issued development orders that have not been vested under the local government's vesting ordinance and which have not continued development in good faith.

8. 5-Year Evaluation. The required 5-year evaluation and appraisal report shall address the implementation of the goals, objectives and policies of the Capital Improvements Element. The monitoring procedures necessary to enable the completion of the 5-year evaluation include:

- a. Review of Annual Reports of the Concurrency Implementation and Monitoring System.
- b. Review of Semiannual Reports to DCA concerning amendments to the Comprehensive Plan.
- b. Review of Annual Updates of this Capital Improvements Element, including updated supporting documents.

County Financial Policies & Ordinances
Tallahassee-Leon County Comprehensive
Capital Improvement Element Goals, Objectives, and Policies

9. Contractor Performance System. The local government will develop a system of monitoring the actual performance of contractors who design and/or construct public facilities for the local government. The monitoring system shall track such items as actual vs. planned time schedule, and actual vs. bid cost. The performance of contractors shall be considered when the local government awards contracts for public facilities. 9J-5.016(3)(c)6 and (4)(b)

Citizens' Guide to the Budget

Budget Terms

-A-

Accrual Accounting:

A basis of accounting in which revenues are recorded when earned and expenses are recorded at the time they are incurred, instead of when cash is actually received or disbursed.

Actual:

Monies which have already been used or received.

Ad Valorem Tax:

A tax levied on the assessed value (net of any exemptions) of real or personal property. This is commonly referred to as property tax.

Adjusted Final Millage:

The actual tax rate levied by a local government when tax bills are issued. The rate is adjusted for corrected errors in property assessments for tax purposes and for changes in assessments made by property appraisal adjustment boards in each county. Usually, such changes are very slight and the adjusted millage sometimes does not change from the levy set by the taxing authority. State law provides for certain limitations.

Adopted Budget:

The financial plan of revenues and expenditures for a fiscal year as approved by the Leon County Board of Commission.

Aggregate Millage Rate:

The sum of all property tax levies imposed by the governing body of a county. State law limits the aggregate rate for a county or municipality to \$10.00 per \$ 1,000 of assessed taxable value.

Amendment:

A change to an adopted budget that may, or may not, increase or decrease a fund total. The change must be approved by the County Commission in certain instances.

Appropriated Fund Balance:

The fund balance is included as a revenue source in the annual budget.

Appropriated Income:

Florida Statute requires county governments to budget only ninety-five percent (95%) of the total revenue anticipated. Five (5%) percent of the total amount of revenues cannot be incorporated into the budget and made available for expenditure. Therefore, ninety-five percent (95%) of the one hundred percent (100%) of anticipated total revenues becomes the portion referred to as appropriated income.

Appropriations:

A specific amount of funds authorized to which financial obligations and expenditures may be made.

Assessed Value:

A value established by the County Property Appraiser for all real or personal property for use as a basis for levying property taxes.

-B-

Balance:

The balance for the current fiscal year. Balance is the difference between the projected expenditures and the expenditures occurred (balance= Budget- Expenditures).

Base Budget:

The amount programmed in the budget year for conducting the same program and performing the same services as are planned for the current year.

Board of County Commissioners (BOCC):

Elected Officials that make legislative decisions concerning Leon County policies.

Citizens' Guide to the Budget
Budget Terms

Bond:

A written promise to pay a sum of money on a specific date at a specified interest rate as detailed in a bond ordinance.

Budget:

A fiscal plan for using financial and staff resources to accomplish specific goals and objectives within a definite time period.

Budget Amendment Request (BAR):

A proposal to change the dollar amount or scope of an activity or project after the budget has been approved by the Board of County Commissioners.

Budget Change Proposal:

A proposal to change the level of service or funding sources for activities authorized or to propose new program activities not currently authorized.

Budget Message:

A brief written statement presented by the County Administrator to explain principal budget issues and to identify policy-related issues to the Leon County Commission.

Budget Resolution:

The budget resolution establishes various budget totals, divides spending totals into functional categories and may include reconciliation instructions to designated departments.

Budget Split:

Allocation of salary across the Organizational Codes in an organization.

-C-

Capital Improvement Projects:

Physical assets, constructed or purchased, that have a minimum useful life of ten years and a minimum cost of \$10,000. These may include buildings, recreational facilities, road and drainage structures, and large pieces of equipment.

Capital Improvement Program (CIP):
