Re: Comments for Killearn Lakes DRI
Notice of Proposed Change (NOPC)

Dear Mr. McCarron:

The Department of Transportation has reviewed the Killearn Lakes DRI NOPC. We offer the following comments in response:

- The addition of 4 residential units on the second floor of the proposed Commercial on Area "F" to promote infill with "Mixed-use" will need to be accompanied by a simultaneous decrease in dwelling units in another Area to balance out the total 2223 dwelling units allowed for the development.

Please note that additional comments may be forthcoming after additional information is provided. If you have any questions or need further information, please let me know.

Sincerely,

Kelly Gavin
Growth Management Specialist
