Subject: Vacancies on COCA's Board

Hello Christine,

There are currently two vacancies on COCA's Board among the County's appointees. Mickey Brady resigned his service at the same time as his recent retirement from Cabot Lodge; he is winding down all things tourism as part of his retirement. We will miss him. Due to her schedule precluding her from attending board meetings, Valliere Richard Auzenne's position is also vacant. Her positive approach in all she does will also be missed.

In addition, Mike Sheridan will wrap up his service on COCA's Board on September, 30, 2009, after 6 productive years of leadership. He'll remain a close advisor, but prefers not to formally continue with another board term at this time.

Our nominating committee has been busy and our full board will soon forward nominees for consideration by the County Commission. In the meantime, let me know if you have any questions.

Thanks!

Holly Thompson
