Re: Sponsorship

Dear Don:

As you know, United Partners for Human Services is hosting its 11th Annual Conference for Excellence in Nonprofit Management and Leadership at Tallahassee Community College, May 3-4, 2010. In partnership with many of Tallahassee's nonprofit organizations, we are committed to providing today's community leaders and advocates with the necessary building blocks necessary for guaranteed workforce success and longevity.

Leon County has, in the past, agreed to join United Partners for Human Services in ensuring the success of this event through a $500 sponsorship. Your sponsorship will help UPHS continue to host a first-rate event that brings together nonprofit leaders from across the state. We hope you will consider continuing your support by sponsoring this year's event.

We appreciate your continued support! If you have any questions, you can reach me at 850-942-2569.

Thank you,

Kimberly J. Galban
