

How to check on the status of a Code Compliance Case

1. Visit the Accela Citizens Access Portal for DSEM at: <https://aca-prod.accela.com/leonco>
2. Select “Code Compliance” from the menu.
3. Input the Case Number, Address or Parcel No. under “General Search.” If you are not sure of the specific location address, parcel or case number, please email: codecompliance@leoncountyfl.gov. *Be sure to set the date range fields so they do not restrict your search results.*

The screenshot displays the 'Leon County Permits Online' website. At the top left is the Leon County logo. The main navigation bar includes 'Home', 'Building', 'Development Services', 'Environmental Services', 'Code Compliance', and 'Public Works'. A red arrow labeled '2' points to the 'Code Compliance' menu item. Below the navigation bar is a 'Search Applications' section. Underneath is a 'Search for Records' section with the instruction 'Enter information below to search for cases.' The 'General Search' section contains several input fields: 'Case Number' (with a red arrow labeled '3' pointing to it), 'Case Type' (a dropdown menu), 'Start Date' and 'End Date' (date pickers), 'Street No.' (with 'From' and 'To' sub-fields), 'Direction' (a dropdown menu), 'Street Name' (with a red arrow labeled '3' pointing to it), 'Street Type' (a dropdown menu), 'Unit No.' (a text field), and 'Parcel No.' (with a red arrow labeled '3' pointing to it). A 'Search All Records' checkbox is located to the right of the date pickers. At the bottom of the search section are 'Search' and 'Clear' buttons.
