RE: Purchase Delivery of Advanced 3 Day Sniper Workshop for Law Enforcment (ASWLE)

MESSAGE

This is a request to purchase the Advance 3 Day Sniper Workshop for Law Enforcment from Security Solutions international, LLC. for $11,500.

I contacted several vendors who provide sniper training and only one (Tactical Marksmanship Training of America) provides a 3 day advance sniper course. The two other vendors I contacted offer a 5 day course, which is not practical for the purposes of this workshop. The Tactical Marksmanship Training will provide their 3 day Advance Sniper workshop for $11,700 for up to 26 students.

Security Solutions International, LLC. has proposed to deliver their 3 day Advanced Sniper Workshop for $11,500.

Sgt. Jordan, our 3 day advanced has been $450 per student. We have not set any dates as of yet for 2011. We can travel, just need a range that we could do the course at. I don't remember what you have available for ranges, but we would be interested in going.
