Subject: RE: Appointment

Christine,

I have forwarded you request for an application to Ms. Wells-Bowie. Hopefully she will complete and return it to you shortly.

LaVerne Wells-Bowie represents the John G. Riley House Foundation Inc., owners of the Riley house at 419 E. Jefferson Street, Tallahassee, Leon County, Florida, a property having historic preservation overlay zoning. Although appointed under the Historic Property Owner category she is also a Professor of Architecture at Florida A&M University thus bringing her expertise in this field to the Architectural Review Board. She has served the Tallahassee-Leon County Architectural Review Board well during her first appointment and reappointment is definitely recommended.

Please let me know if you have any questions or would like additional information regarding Ms. Wells-Bowie's participation on the Architectural Review Board.

Thank you,

Michael Wing
Executive Director, Tallahassee Trust for Historic Preservation/
Historic Preservation Officer, Tallahassee-Leon County

Mike,

My records show that the term of LaVerne Wells-Bowie expires June 30, 2011. It appears she is eligible for reappointment (served only 1 three-year term). Could I get something from you regarding Ms. Wells-Bowie's category (owner, etc.) eligibility, interest, ARB recommendation for reappointment, and an application (only have resume).

Since I need information shortly, this is the link that she could go to for the application and orientation: http://www.leoncountyfl.gov/bcc/committees/list.asp

Thanks for your assistance with this. We are hoping to have appointments on the June 14th agenda.
