

Bryan's Brief  
November 2012

By the time you read this, Thanksgiving will be over, Christmas is just around the corner and a new year is upon us. It's true the older you get, the faster time flies. The elections are over and we have a change at the County. I want to take a moment to thank you Commissioner Akin Akinyemi for his service to our county. His dedication and commitment were obvious and appreciated. We wish him well in his next endeavors.

Let's all welcome our new at-large commissioner – Mary Ann Lindley. She has many challenges ahead of her and I have no doubt she will meet them head on! You may want to invite her to some of your neighborhood meetings so she too is aware of your concerns and issues. We need all the votes we can get.

There's not a lot of change in the District IV projects. The Bull Headley/Bannerman Road Intersection Improvements are progressing. The Bannerman Transportation Corridor and Thomasville Rd Northeast Park Projects were presented to the Sales Tax Committee at their October meeting and a final vote will be taken in February by the Committee for inclusion of these two projects for the infrastructure sales tax funding. The mission of the Leon County Sales Tax Committee is to take public input on the proposed infrastructure projects and then make recommendations to the County Commission on those projects the public has deemed most important. Please contact them and share your thoughts on these much needed proposed District IV projects. We're also working to access BluePrint 2000 funds for the park. We'll see how that turns out.

The Killlearn Lakes Stormwater Project has been divided up in to units for permitting purposes and we've received permits for unit 2 and three. We're working on the bid package now and plan to meet with the Killlearn Lakes Board members to review the plans sometime in the next few months. We're still working the Northwest Florida Water Management District attempting to permit the other unit.

It is truly a privilege to serve as your District IV Commissioner and I commit to you that I will continue to do the best job I can in representing you and our community. As always, I welcome your input and appreciate all of you who act as my eyes and ears in the District. Many of the improvements we've already made, or are currently working on, came from citizen suggestions or observations. As you plan for your Fall and holiday neighborhood/homeowner's association meetings, please let me know the dates and times so that I can try to attend. Always remember to call me if you have any questions or concerns –[deslogeb@leoncountyfl.gov](mailto:deslogeb@leoncountyfl.gov) or [606-5364](tel:606-5364). Wishing every one a very merry Christmas, happy Hanukah and Kwanzaa! Hope the new year brings peace, happiness and prosperity to all.
