

## June 2014 Notification to Mailing List

Good Afternoon! Hope all of you are enjoying the beginning of our hot summer days here in Leon County.

I have a couple of agenda items I want to make sure you're aware of and would welcome any comments you may have regarding either. Agenda Items 11 and 12 will be coming to the County Commission at our June 24th Commission meeting.

**Agenda Item 11 - "Request to Schedule Two Required Public Hearings to Consider Proposed Revisions to the Land Development Code Regarding Minor Commercial Land Uses in the Rural Zoning District for July 8 and September 2".**

This is directly related to the "Keep it Rural" issue with the proposed gas station at the intersection of Meridian and Crump Rd. This item asks for approval for public hearings for future dates, but I would welcome your comments on the information provided. **Agenda Item 12 - "Acceptance of Status Update Regarding Curbside Collection Service Provided by Waste Pro, In."**

I asked staff to bring a report back to the Commission detailing Waste Pros performance with solid waste collection due to the number of contacts I've received and would welcome any comments, suggestions, or recommendations you may have on this report. My apologies if you receive this multiple times - just trying to make sure it gets to everyone who has indicated an interest in either. Please don't hesitate to contact me if you have other issues of concern. I'm honored to serve as your District IV Commissioner and welcome the opportunity to be of assistance with County or any other issues. You may e-mail me at [deslogeb@leoncountyfl.gov](mailto:deslogeb@leoncountyfl.gov) or call me at 606-5364. Hope all's well with all of

you. Have a great day!
