Leon County Commissioner  
District 5

Dear Friends:

I wanted to share with you a very important event that is happening tomorrow (Wednesday) in our community.

Even though our community is still recovering and many of our neighbors are dealing with the effects of Hurricane Michael, we also know our neighbors west of Leon County need our help too. Our community has stepped up to the challenge and I'm overwhelmed with gratitude for the countless people who have donated supplies and delivered them to our neighbors. Our team has put together this incredible event in a very short time and I hope everyone will join us tomorrow as we fill several large trucks that will travel to counties just to our West for distribution.

Donations will be received at Costco on Wednesday October 17th, 8am-6pm. Please stop by and show your support to our neighbors to our west. Thanks!
