Hurricane Hermine Feedback Sessions

Leon County Government along with the City of Tallahassee are hosting several Community Feedback Sessions to discuss response and continuing recovery efforts for how we can best meet the needs of the community during future disaster events.

Tomorrow night (9/22) at 6:00pm one of these sessions will be held in District 5 at the Eastside Library, 1583 Pedrick Road. I am looking forward to hearing from residents of our district along with others from the community...I hope you will consider attending.

Your feedback is important and will be used to enhance our future response efforts.

Each session will start at 6:00pm. Staff will give a brief presentation to provide an overview of the disaster. Following the presentation, the floor will be opened up to hear from attendees.

Below are details of the other sessions which are being held across our County. If you are unable to attend one of these sessions, feel free to email me your comments. My email address is dozierk@leoncountyfl.gov.
