2016-17 County Budget

Next Tuesday at 6:00pm after our regular County Commission meeting, County Commission will hold its final public hearing on the 2016-17 Budget. This year's budget strikes a balance by being fiscally conservative, and at the same time, supporting our community's highest priorities. Below are highlights of the proposed budget:

Total Budget

The tentative budget of \$246,129,886 represents a 3.8% increase from last fiscal year due to a positive increase in property values.

Property Taxes

No increase in Leon County government-levied millage rates for the upcoming year.

Other Budget Highlights

*Increasing funding for social service agencies of \$200,000 to the Community Human Service Partnership (CHSP) for a total of \$1.2 million.

*Earmarking \$1.7 million for primary health care programs.

*Increasing salaries for Sheriff's employees to remain competitive in retaining deputies and correction officer (second year of a three year process).

*Allocating \$2.2 million for sidewalk projects.

*Allocating \$75,000 for the construction of bus stops on North Monroe Street, north of I-10 to enhance transportation along the corridor.
