1. Economic Development

Adopt the 2009 Leon County Economic Stimulus Package to fast-track County projects to spur the creation of jobs and continue to pursue the redevelopment of the North Florida

Fairgrounds.

2. Climate Change and Sustainability

Reduce County's carbon emissions

while promoting sustainability.

5. Wakulla Springs Protection

Continue to address issues on the impact of pollutants of Wakulla Springs.

8. Fire/EMS Merger & Joint Dispatch Facility

Continue to evaluate and pursue ongoing opportunities to realize improved efficiency service delivery and cost savings through consolidation of public safety operations.

3. Revenue Diversification

Evaluate opportunities to enhance County revenue to provide a high level of service to the residents of Leon County.

6. Countywide Stormwater Standards

Continue to address the issue of unified stormwater standards to address inconsistencies in water quality and environmental standards.

9. Primary & Mental Health Care for the Uninsured

Continue to provide primary and mental care services to uninsured County residents through community partnerships.

4. Southern Strategy

Evaluate zoning that protect neighborhoods while overcoming the impediment to growth in the Southside.

7. Functional Consolidation

Continue to evaluate County and City services that can be consolidated to provide for more effective and efficient delivery of services.

10. Increasing Citizen Input

Enhance the opportunities for County residents to provide input and ideas for improving County programs and services.
