ADDENDUM #1

Dear Vendor:

This letter serves as Addendum #1 for the above referenced project.

The following shall be added to the bid specifications:

1. Leon County reserves the right to negotiate with the successful bidder for any roadside construction work not specifically listed.
2. Performance Bond will not be required for jobs that list out under \$100,000.00.

The following are answers to questions that were asked for clarification during the Pre-bid:

Q – Will the County include a price adjustment mechanism in the contract?

A - No, the bid price will be good throughout the duration of the contract.

Q – Is it the intent of this contract to require the Contractor and Sub-Contractor to be pre-qualified by FDOT for the work pertinent to the job?

A – Please revise the statement to read: "The Contractor shall be pre-qualified by FDOT."

Acknowledgment of this addendum is required as part of your bid submittal. Failure to acknowledge this addendum may result in rejection of your bid.

Should you have any questions, feel free to call me at (850) 606-1600.

Sincerely,
