RE: Invitation To Bid Lake Munson Dam Rehabilitation  
Bid Number: BC-04-28-11-34

### ADDENDUM #1

Dear Vendor:

This letter serves as Addendum #1 for the above referenced project.

1. This is in response to the question asked at the Pre-bid conference:

QUESTION: Is it acceptable to use a construction sequence different than the one proposed in the contract documents?

ANSWER: Yes. The sequence proposed is a logical sequence, but the actual sequence selected is part of the Contractor's means and methods. The Contractor is responsible for means and methods and development of a stream diversion plan that accommodates his proposed work plan and construction sequence. See Sheet C-3 of the Lake Munson Dam Rehabilitation plans."

Acknowledgment of this addendum is required as part of your submittal. Failure to acknowledge this addendum may result in rejection of your response.

Should you have any questions, feel free to call me at (850) 606-1600.

Sincerely,

Wendi Sellers  
Contract Manager
