

Dancing Community of Praise presents:

THE RED WAGON TROUPE

PURPOSE

We are here to feed the hungry, clothe the naked, and encourage the hopeless by providing the basic needs that every person deserves. With smiles on our face and

red wagons being pulled behind us filled with food, clothes and hygiene products, we bring to people a reminder that we understand and do care. At this time we are now accepting in-kind donations of socks, hats, travel-sized

hygiene products, brown lunch bags, zip lock bags, bread, lunch meat, and especially **Red Wagons**. For additional information please contact Keishann Corley at (850) 509-9632 or visit our page on Facebook!
