## FY22 Draft Budget & Sales Plans Highlights Presentation

Chairman Schmitz introduced Tourism staff to highlight their individual FY22 Sales Plans and introduce themselves to the TDC. Staff members presented their respective Sales Plans with target goals for room nights and highlights of their programs for FY22.

She also noted that scheduling the meeting earlier will allow three additional weeks in the grant cycle as the Board will have approved the Division of Tourism's budget tentatively at its June 22, 2021 budget workshop.

The RFQ resulted in three proposals being received: 1) The Current Agency and EW Bryant Associates, 2) DMOproz, and 3) OnStrategy. She gave a brief overview of each of the three proposals received highlighting their experience, qualifications, and quoted price. Kerri Post recommended working with The Current Agency and EW Bryant Associates in developing the FY22-24 Strategic Plan as it was the lowest bidder, possesses extensive experience in Strategic Planning, is a Minority and Women-owned businesses, and a local partnership familiar with the destination.

Commissioner Richardson moved, duly seconded by Sam Patel for staff to work with The Current Agency and EW Bryant Associates as the consultant to develop the FY 22-24 Tourism Strategic Plan. The motion passed unanimously.

## **MEMORANDUM**

DATE: June 24, 2021

TO: Leon County Tourist Development Council Members (TDC)

FROM: Kerri L. Post, Executive Director, Leon County Division of Tourism

SUBJECT: Proposed FY 2022 Tourism Grant Program Overview and Guidelines Review

Each year the Leon County Division of Tourism/Visit Tallahassee utilizes Tourist Development Tax (TDT) revenues to offer grant opportunities to local organizations that produce events to attract visitors to the destination and provide programming and activities which enhance the market for both residents and visitors. The County's Tourism grant programs leverage private funding for these events to the benefit of the community by attracting visitors from state, regional, national, and international markets. The brand exposure associated with some of the larger events and festivals that take place each year promotes and positions Tallahassee/Leon County as a vibrant and diverse destination.

The continued investment in the growth, stature, and participation in these events continue to generate a return on investment as demonstrated by hotel occupancy rates and visitor spending in the community. As a result, the overnight stays and visitor spending enhances TDT collections and provides additional revenues to support the Tourism grant programs and the overall growth of the market as a destination.

The COVID-19 pandemic had a severe impact on the Tourism industry, and particularly events, in Tallahassee/Leon County in 2020 and 2021. Many grant funded events that attract out-of-town visitors were either cancelled, virtual or significantly downsized to comply with CDC guidance. However in a typical year, the diverse events encompass sports, arts, culture, history, meetings, conventions and leisure travel, including the Harambee Festival, Infinity Con convention, LeMoyne Chain of Parks Art Festival, FSU Homecoming, and Warner Soccer Presidents' Day Invitational soccer tournament which all attract thousands of overnight visitors to Tallahassee/Leon County each year.

The financial impact of the COVID-19 pandemic on the Tourism industry in Tallahassee/Leon County has been devastating and although Tourism is rebounding, the industry continues to be impacted and we are not anticipating a full recovery to prepandemic levels until mid-to-late 2022. While Tourist Development Tax (TDT) revenue collections are experiencing solid incremental growth each month, collections are down 33% year-over-year. Accordingly, the Divisions' overall budget remains at reduced levels and the amount of funding allocated for Tourism grant programs remains at reduced levels to align with projected shortfalls. However please be assured we fully recognize the economic and quality-of-life value these events have on our community and plan to fund as many organizations as possible but with reduced amounts.

## Proposed Budget Allocation for Each Grant Program

For FY22 the proposed total Grant Funding budget allocation is \$560,000, a 24% increase over FY 21 (\$450,000), yet a 27% reduction from FY 19, pre-pandemic grant program funding levels of \$765,000. The proposed FY22 funding levels allocated to the respective grant programs are as follows:

- Legacy Event Grants are for the largest events that generate the greatest ROI. In FY21 \$240,000 was awarded. For FY22, these grants are proposed at \$280,000.
- Signature Events/Emerging Signature Event grants are for large events consistently producing significant ROI. In FY21, \$110,000 was awarded. For FY22, the amount proposed is \$130,000.
- Special Event Grants are for smaller and/or newer events that either have a history
  of or show potential to generate overnight stays from visitors outside of Leon
  County/Tallahassee. In FY21, \$40,000 was awarded. For FY22, the amount
  proposed is \$60,000.
- Sports Event Grants are specifically for events categorized as amateur sporting events that either have a history of or show potential to generate overnight stays from visitors outside of Leon County/Tallahassee. In FY21, \$60,000 was awarded. For FY22, the amount proposed is \$90,000.

#### Overview of Revisions in Grant Guidelines

The Leon County Division of Tourism/Visit Tallahassee grant policies and procedures have been updated for FY 2022. Attached you will find the updated Grant Guidelines for Legacy Events, Signature/Emerging Signature Events, Special Events, and Sports Events for your review. An overview of the updates are noted below:

- Removal of the COVID-19 language. Language referencing CDC guidance, social distancing, wearing of masks has been removed. However, the requirement for an event health and safety plan has been retained.
- Event cancellation period This was added last year as a result of the COVID-19 pandemic leading to full or partial reimbursement for events that were cancelled. The cancellation period was 75-days. The cancellation period was adjusted by County Administration to 30 days as conditions changed during the year. This year the cancellation period will be 60 days if community health circumstances warrant activation of this consideration.
- The format for the Grant Program Guidelines has been updated and all guidelines edited for consistency in form and layout.

## Leon County Division of Tourism/Visit Tallahassee

#### **Legacy Event Grant Program**

#### I. INTRODUCTION

The Leon County Tourist Development Council (TDC) was created pursuant to State of Florida Local Option Tourist Development Act and Leon County Ordinance #88-01. The TDC administers funds collected from a local option tourist development tax (TDT) on transient lodging sales, i.e. hotels/motels, campgrounds and condominiums. The funds are designated to promote Tallahassee/Leon County as a preferred visitor destination for meetings and conventions, group leisure travel, special events, cultural activities and amateur sporting events.

Per section 125.0104 of the Florida Statutes to be an authorized use of Tourist Development Tax revenue, an event "shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity, service, venue or event to tourists." By statute, a tourist is a "person who participates in trade or recreation activities outside of the county of his or her permanent residence, or who rents or leases transient accommodations including any living quarters or accommodations in any hotel, motel, apartment motel, resort motel, apartment, apartment hotel, rooming house, mobile home park, recreational vehicle park, condominium or timeshare resort for a term of 6 months or less."

The Leon County Division of Tourism annually administers and budgets funds for four separate grant programs for local groups and organizations that coordinate events with a demonstrated history of or significant potential to draw visitors to the area.

The Legacy Event Grants are for events that have taken place in the community for a minimum of five years and generate the largest amount of room nights and economic impact in the community.

For FY22 event organizers will submit a proposed three-year funding plan, in addition to providing all other required grant documentation. Legacy Event grants have an award ceiling of \$100,000 in annual support for each event, however funding levels will remain at the respective FY21 funding level for FY22 and proposed increases in annual funding requests must document and demonstrate increased event out-of-market advertising and promotion, event duration and/or significant new or additional program elements that would reasonably be expected to attract an additional audience to the event. A three-year funding agreement for each Legacy Event organization will be based upon the three-year funding plan and implemented with mutually agreed upon goals and deliverables for each year and it will be reviewed annually. The contract will have financial consequences for not obtaining event goals and deliverables and will allow for variances as a result of acts of God (i.e. weather). Once all documentation has been reviewed by

staff and approved by the Tourist Development Council and the Board of County Commissioners, a three-year funding agreement will be executed.

The Division of Tourism Legacy Event grant programs are funded by the Tourist Development Tax (TDT) and are designed to support established high-producing events that draw significant visitation and economic impact to Leon County. Grant programs administered by the Council on Culture & Arts (COCA) are also funded by TDT revenue and are designed to support year-round arts and culture programming.

# Leon County Division of Tourism/Visit Tallahassee Signature/Emerging Signature Event Grant Program

# I. INTRODUCTION

The Leon Country Tourist Development Council (TDC) was created pursuant to the State of Florida Local Option Tourist Development Act and Leon County Ordinance #88-01. The TDC administers funds collected from a local option tourist development tax (TDT) on transient lodging sales, i.e. hotels/motels, campgrounds and condominiums. The funds are designated to promote Tallahassee/Leon County as a preferred visitor destination for meetings and conventions, group leisure travel, special events, cultural activities and amateur sporting events.

Per section 125.0104 of the Florida Statutes to be an authorized use of Tourist Development Tax revenue, an event "shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity, service, venue or event to tourists." By statute, a tourist is a "person who participates in trade or recreation activities outside of the county of his or her permanent residence, or who rents or leases transient accommodations including any living quarters or accommodations in any hotel, motel, apartment motel, resort motel, apartment, apartment hotel, rooming house, mobile home park, recreational vehicle park, condominium or timeshare resort for a term of 6 months or less."

The Leon County Division of Tourism annually allocates funds to foue separate grant programs for local groups and organizations that coordinate events with a demonstrated history of or significant potential to draw visitors to the area. The Special Events Grants and Signature/Emerging Signature Grants are reviewed by the TDC Grant Review Committee and Sports Events Grants are reviewed by the Tallahassee Sports Council (TSC). The TDC Grant Review Committee is comprised of TDC members which may include tourism and hospitality leaders and marketing professionals. Legacy Event grants are approved by the TDC and the Leon County Board of County of Commissioners (BOCC). Legacy and Signature/Emerging Signature Event Grants are for festivals and events that can demonstrate the potential to bring a significant number of room nights and economic impact to the community.

The Leon County Division of Tourism grants programs are funded by the Tourist Development Tax (TDT) which is generated from hotel room nights. Grant programs administrated by the Council on Culture & Arts (COCA) are also funded by the TDT revenue and are designed to support year-round arts and culture programming.

Once approved by the TDC, and the Leon County Board of County Commissioners as appropriate, staff will issue an award letter to the grant recipient outlining the amount with a contract agreement authorizing the uses of the funds. The contract agreement will include a scope of work, deliverables, and required documentation. Signed contracts must be received by Leon County Division of Tourism/Visit Tallahassee within 30 days of receipt of award letter.

Upon receipt and approval of a standardized post event report, staff will process the grant invoice for payment.

# V. FUNDING ELIGIBILITY

The intent of the Signature/Emerging Signature Event Grant Program is to provide funding assistance for events that attract overnight visitors to Tallahassee/Leon County and create business for the commercial lodging industry, (hotels/motels, campgrounds, condominiums, short-term vacation rentals), as well as restaurants, retail establishments and other businesses. To be considered for funding, the following criteria have been established:

- A. Each application must include a signed Certification and Compliance page.
- B. Event must take place between October 1 and September 30 of the upcoming fiscal year.
- C. The event must have the potential to bring-out-of-town visitors that use commercial lodging establishments in Tallahassee/Leon County.
- D. Applicant must provide a marketing/promotional plan.
- E. Applicant must provide a detailed event budget including matching funds.

# VI. FUNDING LEVELS AND SCORING CRITERIA

The TDC recommended funding levels table takes into account that other segments of the local economy such as restaurants and retail will benefit from an increase in visitation along with hotels, motels, and other tourism related businesses. In addition, the State and Tallahassee/Leon County will benefit from the increased direct spending thereby enhancing sales and gas tax collections. Therefore, the recommended funding guidelines do not require a 1:1 return on investment with regard to the TDT. Instead, the proposed funding model is based on an approximate 1:3 formula based on a much smaller scale.

The Division of Tourism will direct the County's marketing research firm of record to conduct an economic impact study of each event funded under the Signature/Emerging Signature Event Grant Program. This will show the number of room nights generated

and the economic impact of any event receiving funding under this category. This study will be used as a benchmark for consideration of future funding request.

A strong application will include information on similar events in similar markets as a basis for comparison.

| Room Nights   | Recommended Tourism Signature/Emerging Signature Event Funding Levels |
|---------------|---|
| 1,250 – 1,499 | \$10,000 – 14,999   |
| 1,500 – 1,999 | \$15,000 – 25,999   |
| 2,000 – 2,999 | \$26,000 – 37,999   |
| 3,000 – 3,999 | \$38,000 – 49,999   |
| 4,000 – 5,000 | \$50,000 – 59,999   |

The following formula will be used to determine the final grant amounts:

- A. The average score of the panel will be determined for each application based on the maximum of 100 points as outlined above.
- B. Applications scoring above the minimum threshold of 70% will be considered for funding based on the formula outline below.
- C. The average score for each application will first be converted into a percentage of the 100 maximum points possible. As an example, if Application #1 scored 90 100, the percentage for Application #1 would be 90%.
- D. The grant requested amount will then be multiplied by the percentage attained to determine the initial award based on the categories above. As an example, if Application #1 scored a 90% and requested \$50,000, the initial award would be \$45,000.
- E. The same process will be followed for each application and the total initial awards will be added.
- F. If this total amount exceeds the total budgeted for all grants, then staff will adjust the initial scores of all recipients by a percentage. All initial grants will be adjusted by the same percentage to determine the final grant score and award.
- G. Additional adjustments will be made, if necessary, to reach the total amount in the budget.
- H. The final funding recommendation will be based on the TDC Grant Review Committee's discretion and the funding available. The Review Committee has the authority to adjust recommended and final award amounts.

# Leon County Division of Tourism/Visit Tallahassee Special Events Grant Program

# I. INTRODUCTION

The Leon Country Tourist Development Council (TDC) was created pursuant to the State of Florida Local Option Tourist Development Act and Leon County Ordinance #88-01. The TDC administers funds collected from a local option tourist development tax (TDT) on transient lodging sales, i.e. hotels/motels, campgrounds and condominiums. The funds are designated to promote Tallahassee/Leon County as a preferred visitor destination for meetings and conventions, group leisure travel, special events, cultural activities and amateur sporting events.

Per section 125.0104 of the Florida Statutes to be an authorized use of Tourist Development Tax revenue, an event "shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity, service, venue or event to tourists." By statute, a tourist is a "person who participates in trade or recreation activities outside of the county of his or her permanent residence, or who rents or leases transient accommodations including any living quarters or accommodations in any hotel, motel, apartment motel, resort motel, apartment, apartment hotel, rooming house, mobile home park, recreational vehicle park, condominium or timeshare resort for a term of 6 months or less."

The Leon County Division of Tourism annually allocates funds to four separate grant programs for local groups and organizations that coordinate events with a demonstrated history of or significant potential to draw visitors to the area. The Special Events Grants and Signature/Emerging Signature Grants are reviewed by the TDC Grant Review Committee and Sports Events Grants are reviewed by the Tallahassee Sports Council (TSC). The TDC Grant Review Committee is comprised of TDC members which may include tourism and hospitality leaders and marketing professionals. Legacy Event grants are approved by the TDC and the Leon County Board of County of Commissioners (BOCC). Legacy and Signature/Emerging Signature Event Grants are for festivals and events that can demonstrate the potential to bring a significant number of room nights and economic impact to the community.

The Leon County Division of Tourism grants programs are funded by the Tourist Development Tax (TDT) which is generated from hotel room nights. Grant programs administered by the Council on Culture & Arts (COCA) are also funded by the TDT revenue and are designed to support year-round arts and culture programming.

Each application will be evaluated against established criteria and historic precedent. The number and extent of these grants will depend upon the availability of designated funds and specific allocations. Ideally, the funds allocated by the TDC will eventually be

returned through increased transient lodging sales resulting from these special events and the tourist development tax generated from those sales.

# II. DEFINITION

A "Special Event" is defined as "a new or existing organized concert, exhibition, festival, fair, conference or celebration which is conducted according to a prearranged schedule and of interest to the general public. For the purpose of this grant program, the public interest should extend to Tallahassee/Leon County residents and to those living outside Tallahassee/Leon County who would visit the destination and stay overnight to observe or participate.

Organizations are eligible for funding above \$60,000, however once recommended by the TDC it would need to be approved by the Leon County Board of County Commissioners.

# V. FUNDING ELIGIBILITY

The intent of the Special Event Grant Program is to provide funding assistance for events that attract overnight visitors to Tallahassee/Leon County and create business for the commercial lodging industry, (hotels/motels, campgrounds, condominiums, short-term vacation rentals), as well as restaurants, retail establishments and other businesses. To be considered for funding, the following criteria have been established:

- A. Each application must include a signed Certification and Compliance page.
- B. Event must take place between October 1 and September 30 of the upcoming fiscal year.
- C. The event must have the potential to bring-out-of-town visitors that use commercial lodging establishments in Tallahassee/Leon County.
- D. Applicant must provide a marketing/promotional plan.
- E. Applicant must provide a detailed event budget.

# VI. GUIDELINES FOR GRANT REQUEST FUNDING LEVELS

The following table reflects the funding level possible based on the event's estimated number of hotel room nights. The estimated number of hotel room does not guarantee the level of funding at which the event may be approved. The final funding recommendation will be based on the Review Committee's discretion and the funding available. As an example, if the Grant Review Committee believes the event has overstated the potential room nights, the Committee has the authority to place the application in a lower funding category.

| Room Nights   | Recommended Tourism Special Event Funding Levels |
|---------------|--|
| Less than 100 | \$0 - \$1,499                                    |
| 100 – 199     | \$1,500 - \$2,999                                |
| 200 – 499     | \$3,000 - \$5,999                                |
| 500 – 1,000   | \$6,000 - \$9,999                                |
| 1,001 – 1,499 | \$10,000 - \$14,999                              |

The following formula will be used to determine the final grant amounts:

- A. The average score of the panel will be determined for each application based on the maximum of 100 points as outlined above.
- B. Applications scoring above the minimum threshold of %70 will be considered for funding based on the formula outline below.

- C. The average score for each application will first be converted into a percentage of the 100 maximum points possible. As an example, if Application #1 scored 90 100, the percentage for Application #1 would be 90%.
- D. The grant requested amount will then be multiplied by the percentage attained to determine the initial award based on the categories above. As an example, if Application #1 scored a 90% and requested \$5,000, the initial award would be \$4,500.
- E. The same process will be followed for each application and the total initial awards will be added.
- F. If this total amount exceeds the total budgeted for all grants, then staff will adjust the initial scores of all recipients by a percentage. All initial grants will be adjusted by the same percentage to determine the final grant score and award.
- G. Additional adjustments will be made if necessary, to reach the total amount in the budget.
- H. The Tourist Development Council Special Event Grant Committee reserves the right to adjust the minimum threshold, if necessary, to ensure funding for the highest scoring applications.
- I. Applications for grants \$5,000 and more must itemize the amount requested on the application.

# VII. SPECIAL EVENT ANNUAL GRANT TIMELINE

June 28 – July 30 Grant Application 30-day cycle open

July 30 - Grant cycle closes

August – Public Meeting of TDC Grant Review Committee

**September** TDC review/approval of grant funding recommendations

**September / October** Award letters and Contracts sent to grantees

Applicants are required to attend at least one Grant Application Workshop either in person or online/virtually.

It is strongly encouraged that applicants be in attendance or send a representative to the Grant Review Committee meeting.

# VIII. VISITOR TRACKING

- A. To asses the impact of each event on the Tallahassee/Leon County transient lodging industry, the TDC emphasizes the importance of tracking the number of overnight visitors attending the event.
  - Room block reports from hotels are the preferred method of reporting room data. The information will be used to help track the number of visitors attending the event. Furthermore, this information helps determine the growth of a particular event. Subsequently, an event's growth can impact the future funding level of the grant awarded to the organization.
  - 2. If your event uses an advanced registration procedure, utilize the **Visitor Tracking Form** to gather the requested information. Each participant/group should sign his or her name, hotel in which they are residing, number of rooms secured, number of days, and the number of guests staying in each room.
  - 3. If either of the above (advanced registration or hotel room blocks) is not used, a third option requires 100 completed five-question surveys of event attendees. Tourism will provide questions and assist with analysis.
- B. The County reserves the right to conduct a post-audit of information presented on the Post-Event Report. All lodging accommodations listed will be contacted to confirm the number of room nights generated for the event. ANY MISLEADING OR FALSE INFORMATION PRESENTED CAN AND WILL ADVERSLEY AFFECT FUTURE GRANT AWARDS.

# IX. POST EVENT REPORT

It is the responsibility of the grant organizer to provide post event information including:

- A. An invoice from the awarded organization to the Leon County Division of Tourism/Visit Tallahassee for payment of the awarded grant amount. This invoice must have an invoice number.

# Leon County Division of Tourism/Visit Tallahassee Sports Event Grant Program

# I. INTRODUCTION

The Leon Country Tourist Development Council (TDC) was created pursuant to the State of Florida Local Option Tourist Development Act and Leon County Ordinance #88-01. The TDC administers funds collected from a local option tourist development tax (TDT) on transient lodging sales, i.e. hotels/motels, campgrounds and condominiums. The funds are designated to promote Tallahassee/Leon County as a preferred visitor destination for meetings and conventions, group leisure travel, special events, cultural activities and amateur sporting events.

Per section 125.0104 of the Florida Statutes to be an authorized use of Tourist Development Tax revenue, an event "shall have as one of its main purposes the attraction of tourists as evidenced by the promotion of the activity, service, venue or event to tourists." By statute, a tourist is a "person who participates in trade or recreation activities outside of the county of his or her permanent residence, or who rents or leases transient accommodations including any living quarters or accommodations in any hotel, motel, apartment motel, resort motel, apartment, apartment hotel, rooming house, mobile home park, recreational vehicle park, condominium or timeshare resort for a term of 6 months or less."

The Leon County Division of Tourism annually allocates funds to four separate grant programs for local groups and organizations that coordinate events with a demonstrated history of or significant potential to draw visitors to the area. The Special Events Grants and Signature/Emerging Signature Grants are reviewed by the TDC Grant Review Committee and Sports Events Grants are reviewed by the Tallahassee Sports Council (TSC). The TDC Grant Review Committee is comprised of TDC members which include tourism and hospitality leaders and marketing professionals. Legacy Event grants are approved by the TDC and the Leon County Board of County of Commissioners (BOCC). Legacy and Signature/Emerging Signature Event Grants are for festivals and events that can demonstrate the potential to bring a significant number of room nights and economic impact to the community.

The Leon County Division of Tourism grants programs are funded by the Tourist Development Tax (TDT) which is generated from hotel room nights. Grant programs administered by the Council on Culture & Arts (COCA) are also funded by the TDT revenue and are designed to support year-round arts and culture programming.

Each application will be evaluated against established criteria and historic precedent. The number and extent of these grants will depend upon the availability of designated funds and specific allocations. Ideally, the funds allocated by the TDC will eventually be

returned through increased transient lodging sales resulting from these sporting events and the tourist development tax generated from those sales.

# II. DEFINITIONS

A Sports Event is defined as "a new or existing sporting event, exhibition, competition, team training, conference or celebration which is conducted according to a prearranged schedule and of interest to the general public. For the purpose of this grant program, the public interest should extend to Tallahassee/Leon County residents and to those living outside Tallahassee/Leon County who would visit the destination and stay overnight to observe or participate.

# III. STATEMENT OF POLICIES

- A. Grant funds are intended to supplement the organization's budget for the event referenced in the application.
- B. Applicant must provide a statement of sustainability and growth for the event (i.e. How do you define success for the event and what is your long-term plan to sustain and grown the event over the next five years?).
- C. Applicant must provide an event public health and safety plan. The plan should include strategies to maintain healthy environments and operations for all event staff and attendees.
- D. Applicant must provide a statement of need for grant funding.
- E. Hotels secured for the event must be located within Leon Country.

One application will be accepted per event, per fiscal year with the exception of a once-a-year event that may coincidently occur within the same fiscal year due to scheduling. An example would be an early October event that is scheduled for late September the following fall, both occurring the same fiscal year. Applicants receiving grant funds from the Council on Culture & Arts (COCA) may not receive grant funding for the same event through the TDC.
- H. Events will not be considered for funding if the event occurs during peak visitor periods. Peak Visitor periods are generally defined as FSU home football game weekends in the fall semester, FAMU homecoming weekend, FSU or FAMU graduation weekends, and Monday through Thursday during the state legislative session.
- I. If the requested grant amount exceeds \$10,000, applicant's budget must reflect at least a 25% dollar-for-dollar match (in-kinds services will not be allowed). Applicants

- will be required to identify the amount of matching funds in the event budget submitted and the amount must be verified and sourced in the Post-Event Report. The grant award amount may be reduced for the next cycle proportionately to the shortfall of funds raised if the 25% matching funds were not received.
- J. Funding shall be provided as reimbursement for the approved actual expenditures upon completion of the event. Proof of payment must be provided. Poof of payment may be submitted in the form of a vendor receipt and front and back copy of cleared check, credit card receipt, bank or credit card statement, ACH transfer or digital wallet receipts. Cash receipts can be accepted for reimbursements. However, using a check or credit card is preferred. Written confirmation from vendor that expenditure was paid in full is necessary for if only a copy of the front of the cleared chuck so provided.
- K. If an event must be cancelled, event organizers are required to make that determination at least 60 days prior to the event's originally scheduled date. Tourism will only reimburse for allowable expenses incurred before 60 days prior to the original event date. Any expenses incurred after that date will not be reimbursed.

If the event occurs near the end of the fiscal year, requests for reimbursement must be received by September 30.
- N. Any funds granted will be subject to audit by the Leon County Auditor.

The following formula will be used to determine the final grant amounts:

- A. The average score of the panel will be determined for each application based on the maximum of 100 points as outlined above.
- B. Applications scoring above the minimum threshold of 70% will be considered for funding based on the formula outline below.

- C. The average score for each application will first be converted into a percentage of the 100 maximum points possible. As an example, if Application #1 scored 90 100, the percentage for Application #1 would be 90%.
- D. The grant requested amount will then be multiplied by the percentage attained to determine the initial award based on the categories above. As an example, if Application #1 scored a 90% and requested \$5,000, the initial award would be \$4,500.
- E. The same process will be followed for each application and the total initial awards will be added.
- F. If this total amount exceeds the total budgeted for all grants, then staff will adjust the initial scores of all recipients by a percentage. All initial grants will be adjusted by the same percentage to determine the final grant score and award.
- G. Additional adjustments will be made if necessary, to reach the total amount in the budget.
- H. The Tourist Development Council Special Event Grant Committee reserves the right to adjust the minimum threshold, if necessary, to ensure funding for the highest scoring applications.
- I. Applications for grants \$5,000 and more must itemize the amount requested on the application.

#### VIII. VISITOR TRACKING

- A. To asses the impact of each event on the Tallahassee/Leon County transient lodging industry, the TDC emphasizes the importance of tracking the number OF overnight visitors attending the event.
  - Room block reports from hotels are the preferred method of reporting room data. The information will be used to help track the number of visitors attending the event. Furthermore, this information helps determine the growth of a particular event. Subsequently, an event's growth can impact the future funding level of the grant awarded to the organization.
  - If your event uses an advanced registration procedure, utilize the Visitor
    Tracking Form to gather the requested information. Each participant/group
    should sign his or her name, hotel in which they are residing, number of rooms
    secured, number of days, and the number of guests staying in each room.
  - 3. If either of the above (advanced registration or hotel room blocks) is not used, a third option requires 100 completed five-question surveys of event attendees. Tourism will provide questions and assist with analysis.

The County reserves the right to conduct a post-audit of information presented on the **Post-Event Report**. All lodging accommodations listed will be contacted to confirm the number of room nights generated for the event. **ANY MISLEADING OR FALSE INFORMATION PRESENTED CAN AND WILL ADVERSELY AFFECT FUTURE GRANT AWARDS.** 

#### IX. POST EVENT REPORT

It is the responsibility of the grant organizer to provide post event information including:

#### **MEMORANDUM**

DATE: June 24, 2021

TO: Leon County Tourist Development Council Members (TDC)

FROM: Kerri L. Post, Director, Leon County Division of Tourism

SUBJECT: Plan for \$750,000 American Rescue Plan Act (ARPA) Funding

The financial impact of the COVID-19 pandemic on the Tourism industry in Tallahassee/Leon County has been devastating and although Tourism is slowly coming back, the industry continues to be impacted and we are not anticipating a full recovery to pre-pandemic levels until mid-to-late 2022. While Tourist Development Tax (TDT) revenue collections continue to trend in the right direction, collections are down 33% year-over-year and have not yet made a full recovery. As a result, the marketing/advertising budget was drastically reduced by 48% in FY21 and is still recommended to be down by 41% in FY22 compared with pre-pandemic funding levels to align with projected shortfalls.

Use of \$750,000 ARPA revenue replacement funding is vitally important and will augment the marketing/advertising budget by aggressively targeting drive-market travelers showcasing Tallahassee/Leon County as a naturally scenic mid-sized community in Florida that is not saturated with large crowds and has an abundance of parks, greenways, inspirational art, safe events, incredible dining options, a favorable business climate and outdoor recreation including more than 700 miles of trails for biking, hiking, paddling, and equestrian activities.

To efficiently and effective reach the target audiences, the plan outlined attached will heavily utilize media/advertising, sports events and bids, concerts, creative asset development and influential members of the travel media to convey the undeniable beauty of the area and the unexpected nature of our community is better than ever.

With more and more video content being watched now than ever it is imperative we utilize multi-media to effectively reach consumers. Much of this content can also be utilized by OEV.
- Utilize \$10,000 to partner with professional writers to generate content about the area. Specific need for content includes African American, LGBTQ+, outdoor recreation (Running/Biking/Hiking/Paddling).

Florida Statues which requires the proposed multi-purpose assembly and performance venue to be publicly owned in order to use Tourist Development Tax funds for construction, this item also recommends the City take ownership of the property being donated for this project.

### Fiscal Impact:

This item has a fiscal impact. Adequate Tourist Development Tax funds are available for the TLH Arts, Inc. "Performance and Rehearsal Space" project in the amount of \$1.8 million.

#### **Staff Recommendation:**

Option #1: Accept the status report on the Community Redevelopment Agency's recent actions related to the Arts, Cultural and Heritage Grant Program.

Option #2: Approve the revised TLH Arts, Inc. "Performance and Rehearsal Space" project for \$1.8 million to be awarded from Tourist Development Tax funds subject to the City taking ownership of the property donated for this project.

### **Report and Discussion**

### **Background:**

This item provides a status update on the CRA Board's recent actions related to the Arts, Culture, and Heritage Grant (ACHG) Program and seeks County Commission approval to award \$1.8 million for the revised TLH Arts, Inc. "Performance and Rehearsal Space" project at a new location in the Railroad Square Arts District. As required by the CRA Interlocal Agreement, the governing bodies of the County, City, and CRA must each approve the awarding of funds under the ACHG Program. In accordance with section 125.0104, Florida Statutes, which requires the proposed multi-purpose assembly and performance venue to be publicly owned in order to use Tourist Development Tax (TDT) funds for construction, this item recommends the City take ownership of the property being donated for the TLH Arts, Inc. "Performance and Rehearsal Space" project (Attachment #1).

Given that the Van Buren Street project site is no longer available to serve as a performing arts space, TLH Arts, Inc. has modified its project plans to have the donated property in Railroad Square serve as the new project site. On May 13, 2021 the CRA Board recommended approval of the changes to the "Performance and Rehearsal Space" project at the original funding level of \$1.8 million (Attachment #2). On May 14, 2021, the County received a letter from the CRA's Interim Director summarizing the CRA Board's recommendation to fund the project (Attachment #3).

Overview of the Arts, Culture, and Heritage Grant Program

6/18/2021 View Agenda '25'

On May 25, 2017, the CRA created the ACHG Program and review committee to award grant funds for cultural projects, programs, and expenses in either of the CRA Districts. The funding source was the remaining \$3 million of TDT funds once dedicated to the performing arts center. While the County's participation in the CRA has since been restructured, the CRA's utilization of the funds remains subject to final approval by both the County and City Commissions as provided in the CRA Interlocal Agreement.

Accordingly, at their respective meetings in July 2018, the County, CRA Board, and City each approved the allocation of the approximately \$3 million of TDT funds through the CRA's ACHG Program to the following projects:

- John G. Riley House Museum "Soul Voices Frenchtown Heritage Kiosk" (\$189,000)
- LeMoyne Arts "Art for Always" Project (\$1 million)
- TLH Arts, Inc. "Performance and Rehearsal Venue Renovation" (\$1.8 million)

Following the approval of the funding awards in July 2018, the CRA worked with the applicants to develop implementation agreements determining how funding would be disbursed and monitored. Since that time, only the John G. Riley House Museum "Soul Voices" project has been completed.

### **Recent Actions**

On January 28, 2021, the CRA Board received a status report on the remaining two projects including the lack of progress made on the TLH Arts, Inc. project and a request from LeMoyne Arts, Inc. to modify the scope of its project and seek additional funding. Since that time, the County, City, and CRA have coalesced in support of the revisions to the LeMoyne Arts, Inc. "Arts for Always" project in the amount of \$1 million. On April 13, 2021, the County approved the CRA's recommendation to award the \$1 million in TDT to LeMoyne Arts, Inc.

Given the inability to utilize the original project site planned for TLH Arts, Inc's "Performance and Rehearsal Space," the CRA Board sought to reallocate the \$1.8 million of TDT to other On February 16, 2021, the County Commission considered the CRA Board's recommended reallocations of the \$1.8 million but concluded that the CRA Board should give TLH Arts, Inc. an opportunity to identify a new location and revise its proposal. At that meeting, Commissioners had extensive discussion about the CRA Board's process to identify and consider other project opportunities, and emphasized the importance of fairness and due process with regard to the allocation of public funds. The County Commission voted not to approve the CRA Board's recommendations for the reallocation of the \$1.8 million of TDT and directed the County Administrator to write a letter to the CRA Board requesting it seek a revised proposal from TLH Arts, Inc. for a performance and rehearsal venue. As detailed in the letter to the CRA Board (Attachment #4), the County Commission requested the CRA provide TLH Arts, Inc. the same opportunity provided to LeMoyne Arts, Inc. to modify the scope of its original project prior to rescinding and reallocating the grant funds. Subsequently on March 25, 2021, the CRA Board approved extending the deadline in order for TLH Arts, Inc. to provide an updated proposal at the May 13, 2021, CRA meeting.

This item provides an update on the recent action taken by the CRA Board related to the ACHG Program at its May 13, 2021 meeting, and seeks approval to award \$1.8 million for the revised TLH Arts, Inc. "Performance and Rehearsal Space" project at a new location in the Railroad Square Arts District, subject to the City taking ownership of the property to be donated for this project.

#### **Analysis:**

Consistent with the County Commission's previous request, on May 13, 2021 the CRA Board considered the revised proposal for the TLH Arts, Inc. "Performance and Rehearsal Space" project. As presented in its revised project plan, TLH Arts, Inc. is seeking to convert an existing building at the entryway of the Railroad Square Arts District into a multi-purpose assembly and performance venue. The revised project will include a main studio with dressing rooms, a green room, performer and public restrooms, and a lobby with space for pop-up food and wares sales. The main studio will also include a 300+ seat black box theatre with commercial movie projection, recording/audio-visual capabilities, and an operable screen/wall to divide the studio into two spaces. In addition, the revised plan proposes repurposing the adjoining building at the site into an arts-specific incubator and coworking space to provide entrepreneurial support and resources for local artists pursing art-related business ventures as well as provide additional space to offer educational opportunities for community youth.

The total estimated cost to complete the site renovation is \$3.2 million. If approved, the proposed \$1.8 million ACHG award would require TLH Arts, Inc. to fundraise the remaining \$1.4 million. TLH Arts, Inc.'s revised proposal indicates that the owners of the new location have offered to donate the site for conversion into a performing arts theater space for public use. However, the ownership would have to be transferred to a public entity in order to meet the requirements set forth in section 125.0104, Florida Statutes related to the use of TDT funds for construction. The CRA Board discussed the public ownership requirement and acknowledged that the City or County would have to assume ownership of the property but did not take action for the City to assert ownership.

The original site identified by TLH Arts, Inc. was eligible for TDT funding as it was owned by the Florida Department of Transportation and, at that time, leased by the City of Tallahassee. Given the role of the CRA in managing the ACHG Program by entering into funding agreements with grant awardees for oversight of public funding and the City's previous commitment to sublease a building to TLH Arts, Inc. for this project, this item recommends the City take ownership of the property being donated for the TLH Arts, Inc. "Performance and Rehearsal Space" project. Following the transfer of the project site to a public entity, TLH Arts, Inc. anticipates raising the remaining project funds within nine months and completing construction in approximately two years.

Under the CRA Interlocal Agreement and ACHG Program, all projects and funding allocations require the approval of the CRA Board and the County and City Commissions. The original ACHG Program Guidelines from 2018 allowed for TDT funds to be spent on the acquisition of new property and improvements to leased property with certain conditions to ensure compliance with Florida Statutes and an ongoing public benefit that is reflective of the public investment. These provisions were included in the grant guidelines to encourage capital investment within the CRA Districts while also protecting the public investment to ensure the properties improved with TDT funds maintain their intended use.

This item recommends Board approval for the revised TLH Arts, Inc. "Performance and Rehearsal Space" project to convert the donated site in the Railroad Square Arts District into a multi-purpose assembly and performance venue subject to the City taking ownership of the site. The disbursement of County TDT funds would be contingent upon the execution of a formal project and funding agreement between the CRA and TLH Arts, Inc. Should the Board

6/18/2021 View Agenda '25'

approve the revised TLH Arts, Inc. project in the amount of \$1.8 million, the City Commission is expected to take up this issue at its meeting on July 7<sup>th</sup>.

### **Options:**

- 1. Accept the status report on the Community Redevelopment Agency's recent actions related to the Arts, Cultural and Heritage Grant Program.
- 2. Approve the revised TLH Arts, Inc. "Performance and Rehearsal Space" project for \$1.8 million to be awarded from Tourist Development Tax funds subject to the City taking ownership of the building property for this project.
- 3. Do not approve the revised TLH Arts, Inc. "Performance and Rehearsal Space" project.
- 4. Board direction.
