#### VI. GENERAL BUSINESS

#### Presentation on Amtrak Building Construction Update - Stephen Kelly, Public Works

Kerri Post reported Stephen Kelly was unable to attend the meeting due to a conflict and would present at a later date. Ms. Post shared her enthusiasm about the Division of Tourism staff and Welcome Center moving to the Historic Amtrak Building. She noted the cost of construction had significantly risen and the use of American Rescue Plan Act (ARPA) funds would fill the gap. She relayed the building would be restored to the historical 1920s period

with a late 2022 anticipated completion.

#### Downs & St. Germain Research (DSG) – Second Quarter Visitor Study

Rachel Anglin and Isiah Thomas of Downs and St. Germain Research presented the FY 2022 2<sup>nd</sup> Quarter Visitor Tracking Study highlighting visitation, total economic impact, and key metrics. A robust discussion ensued regarding the need for a meeting venue in the destination that would allow for growth in the meetings and conventions travel sector with the ability to accommodate larger groups.

Ms. Post commented that there is a definite need for meeting space in the market. She shared that without a large meeting venue in Leon County growth in the meetings sector is stunted noting that having large conference/meeting space would be a game changer in this area. Ms. Post noted that according to DSG research attending a business, conference or meeting is the reason for visiting 15-30% each quarter.

Commissioner Proctor moved, duly seconded by Commissioner Williams-Cox to have staff craft language for a County Resolution that speaks to the need for meeting space in the destination with the ability to serve the community's need for larger indoor gathering and meeting spaces.

Chairperson Personette suggested that prior to moving to a resolution, that data be obtained showing Leon County's current inventory of meeting space compared to its potential needs for growth. She suggested presenting past research and current inventory of meeting space prior to asking the BOOC for a resolution. Discussion ensued regarding the need for a resolution. *Commissioner Proctor withdrew his motion.* 

Commissioner Proctor moved, duly seconded by Commissioner Williams-Cox to have staff prepare a presentation utilizing previous studies regarding the need for meeting space, the current inventory, and the need to additional meeting space to accommodate larger groups in the community along with a copy of the 2022 Meeting Planners Guide. The motion passed 7-0, with Russell Daws and Sam Patel absent.

Commissioner Proctor moved, duly seconded by Commissioner Richardson approval of the FY 2022/23 Division of Tourism/Visit Tallahassee budget. The motion passed 7-0, with Russell Daws and Sam Patel absent.

Ms. Post then presented the proposed FY 2023 funding levels allocated to the respective tourism event grant programs.

Commissioner Williams-Cox moved, duly seconded by Sharon Priester approval of the FY 2023 Tourism Grant funding allocations as presented. The motion passes 7-0, with Russell Daws and Sam Patel absent.

#### <u>Proposed Modifications to Tourism Grant Policy per BOCC Request</u>

Kerri Post presented for the TDC's input and guidance potential revisions to Policy No. 21-6: *County Tourism Event Grant Programs* as requested by the Board of County Commissioners on March 8, 2022 at its regular meeting. The three considerations for potential revisions are as follows: 1) documenting the existing procedure for out-of-cycle funding requests; 2) adjusting grant award funding levels for newly expanded programming and/or duration for the events; and 3) adding a second cycle for non-sporting events. Considerable discussion ensued regarding the current grant processes and the potential impact of changes to the policy.

#### 1) Documenting Existing Procedure for Out-of-Cycle Funding Requests

Kerri Post introduced the proposed revision provides additional clarification for of out-of-cycle funding requests for newly created events that arise after the completion of the existing year's Tourism Grants cycle and will take place that fiscal year. She noted the event organizers must present an event proposal to the Tourism Director who will review it for eligibility to be funded with TDT and also meet the same requirements as grant applicants. Much discussion ensued regarding this proposed revision.

Commissioner Richardson moved, seconded by Commissioner Williams-Cox to add the following clarification language to the existing section F.11 in Policy No. 21-6 to read as follows: "The Board authorizes the TDC to consider and award event grants consistent with this policy and its procedures outside of the established grant application cycle provided Tourism Event Grant funds are available. Funding requests must be for new events that are eligible to receive TDT funding. Event organizers must present a proposal to the Tourism Director for review who will determine if it warrants advancement to the TDC for funding consideration and if so, staff will provide a recommended funding level based upon event details and the estimated room nights generated for the event. For all Tourism Grant Programs, the TDC is authorized to approve up to \$60,000 in grant funding for a single applicant. Funding requests of \$60,000 or more require both the TDC and the Board approval. Any out-of-cycle event funding request requiring the use of the Tourism Fund Balance requires both the TDC and Board approval. Organizations awarded out-of-cycle funding who wish to receive funding in subsequent years must apply during the annual Tourism Event Grant cycle. "The motion passed 6-0, with Russell Daws and Sam Patel absent and Commissioner Proctor out of chambers.

2) Adjusting Grant Award Funding Levels for Newly Expanded Programming and/or duration for the Events Kerri Post then introduced the proposed revision of adjusting grant award levels in special circumstances. She noted that newer events may continue to evolve each year and there may be a circumstance where events seize a new opportunity to expand programming/activities and/or increase the duration of the event after all of the grants have been reviewed and scored, and their grant award has been approved. She stated this highly unusual circumstance is not currently addressed in policy as the need has not yet arisen. Discussion ensued regarding this proposed revision.

Sharon Priester moved, duly seconded by Commissioner Williams-Cox to not adjust previously awarded grant levels in special circumstances. The motion passed 6-0, with Russell Daws and Sam Patel absent and Commissioner Proctor out of chambers.

#### 3) Adding a Second Cycle for Non-Sporting Events

Kerri Post gave overview of non-sporting events (Signature/Emerging Signature Events and Special Events). She noted Tourism consistently operates two Sports Events grant cycles per year reviewed by the Tallahassee Sports Council who presents their recommendations to the TDC for approval following each cycle. Ms. Post shared that the vast majority of other non-sporting events however are held annually at a regularly scheduled time of year so there has not been a demonstrated need for a second-cycle application process. Discussion ensued regarding the TDC designating available grant funding to allow for a second-cycle process to be conducted for non-sporting events. Ms. Post stated this result in lower grant funding levels being awarded for existing events and to date there has not been a demonstrated need for a second cycle grant for existing non-sporting events.

Matt Thomson moved, duly seconded by Sharon Priester to not conduct a Second Grant Cycle for non-sporting events.

Considerable discussion continued regarding the out-of-cycle grants process, procedure, and sustainability of accepting out of cycle grants and the difference in conducting a second grant cycle for non-sporting events, and the use of fund balance. Ms. Post confirmed that any use of fund balance must be approved by the BOCC. The TDC revisited its first motion that approved new language facilitating out-of-cycle grants.

Commissioner Williams-Cox moved, duly seconded by Matt Thompson to not allow out-of-cycle funding requests, not adjust previously awarded grant levels in special circumstances, and to not allow a second grant cycle for non-sporting events. The motion passed 6-0 with Russell Daws and Sam Patel absent and Commissioner Proctor out of chambers.

#### **Definition of "Peak Visitor Periods"**

Chairperson Personette introduced the current definition of "peak visitor periods" as stated in Policy No. 21-6. Brief discussion ensued regarding methodology of hotels determining peak periods and consideration for additional events that should be considered when determining peak weekends such as graduation, parents' weekend, and specific home football games.

Commissioner Richardson moved, duly seconded by Matt Thompson to revise the "peak visitor periods" definition to events on dates that are anticipated to sell out hotel rooms and that these dates will be presented to the TDC on annual basis prior to being published in the Grant Programs. The motion passed 6-0, with Russell Daws and Sam Patel absent and Commissioner Proctor out of chambers.

#### **Concert Update**

Scott Carswell representing Scott Carswell Presents LLC provided a summary of recent shows and shared his enthusiasm for the use of the Parkview at Cascades Amphitheater Support Space. Mr. Carswell then highlighted concerts scheduled for fall 2022.

### VISIT TALLAHASSEE Q4 BOARD REPORT JULY-SEPTEMBER 2022

### JULY-SEPTEMBER 2022 Highlights

- The 2022 Summer Backyard Bucket List Challenge took place over a 3 month period, May–July, and boasted a total of 87 partners! Multiple partners opted to participate for multiple months as well.
- Through a number of PR initiatives, Visit Tallahassee received a total of 73 million+ earned impressions, equating to \$241,000+ at \$0-cost.
- · Visit Tallahassee's Twitter account reached a milestone of 15,000 followers showing continued growth through Q4.
- Paid social campaigns generated 4M impressions, 27,777 engagements, and 14,426 link clicks driving traffic and conversions to VisitTallahassee.com.
- Three original Instagram Reels were posted in July as part of our Summer Backyard Bucket List efforts, reaching 17,736 people and garnering 659 engagements.
- Users are spending more time on the site compared to the last quarter (+2 seconds) and there is a consistent growth in the number of users per month.
- We have seen a significant increase in traffic coming from upper-state users. This is likely because the site is being promoted as a family-friendly summer destination and, specifically, New York's population is so great that the traffic is being driven primarily from there.
- · Visit Widget and the App have shown a continued growth of 23% in app users, and 20% on app sessions.

### **MEMORANDUM**

DATE: September 16, 2022

TO: Leon County Tourist Development Council

FROM: Kerri L. Post, Director, Leon County Division of Tourism/Visit Tallahassee

SUBJECT: FY 2023 Special Event Grant Funding Recommendations

The Tourist Development Council Grant Review Committee (TDCGRC) comprised of Matt Thompson (Chair) - For The Table Hospitality, Russell Daws – Tallahassee Museum, and Carolanne Savage - Hyatt House respectfully presents the funding recommendation for thirty (30) Special Events.

The TDCGRC conducted their meeting on September 8, 2022. The meeting was well attended by the Special Events grant applicants. After carefully considering 30 event applications and their ability to generate room nights for our community, especially in the non-peak times and shoulder seasons, the TDCGRC is recommending funding 30 events for a total amount of \$131,493 which includes the \$110,000 allocated in the Special Event Grant budget plus the remaining \$21,493 reallocated from the Signature/Emerging Signature grants budget. Attached you will find the listing of events summarizing the TDCGRC's recommendations.

### **MEMORANDUM**

DATE: September 16, 2022

TO: Leon County Tourist Development Council

FROM: Kerri L. Post, Director, Leon County Division of Tourism/Visit Tallahassee

SUBJECT: FY2023 Signature/Emerging Signature Event Grant Funding Recommendations

The Tourist Development Council Grant Review Committee (TDCGRC) comprised Matt Thompson (Chair) - For The Table Hospitality, Russell Daws – Tallahassee Museum, and Carolanne Savage - Hyatt House respectfully presents the funding recommendation for five (5) Signature Events and Emerging Signature Events.

The TDCGRC conducted their meeting on September 8, 2022. The meeting was well attended by the Signature Events grant applicants. After carefully considering five event applications and their ability to generate room nights and economic impact for the community, especially during non-peak times and shoulder seasons, the TDCGRC is recommending funding for all five events.

The TDCGRC recommend a total amount of \$118,507 of the \$140,000 allocated in the Signature Event / Emerging Signature Event Grant budget. The remaining \$21,493 was reallocated to Special Event Grant Funding. Attached you will find the listing of events summarizing the TDCGRC's recommendations.

Under an interlocal agreement (as amended December 11, 2014 and subsequently May 24, 2018), the CRA administers the TDT funds. The fund balance is currently \$2,000,000.

The TDT funds are subject to the following criteria:

- must be used in support of culture, visual arts, and heritage programs; performing arts space, as part of the convention center project; or other performing arts projects;
- must be for projects, programs and expenses authorized under section 125.0104 of the Florida Statutes; and

The review process will include an initial staff review for eligibility, evaluation and scoring by an Arts & Culture Review Committee, and review and comment by the Tourist Development Council. Projects recommended for funding will be forwarded to the CRA Board. Any project receiving funding must be approved by the CRA Board and subsequently the Leon County Board of Commissioners and the Tallahassee City Commission.

Staff propose that the minimum grant award be no less than \$500,000. The funds may be awarded to a single grant recipient or distributed to multiple projects.

### Recommended Action:

Option 1: Approve framework and guidelines for TDT arts and culture funding.

### Fiscal Impact:

The TDT fund balance is currently \$2,000,000 and the entirety of the funds may be awarded through the process described in this agenda item.

### **Cultural Tourism Marketing Grant Program - Program Purpose**

The Cultural Tourism Marketing Grant Program is designed to increase the visibility and awareness of Leon County's arts and cultural organizations and their programming, to those outside of the County. Marketing initiatives should highlight our vibrant and diverse cultural community and seek to attract visitors. For the purposes of this grant, organizations will need to specify marketing and promotional initiatives which use media outlets or strategies that are not primarily focused on the local Tallahassee/Leon County market. Use of these grant funds should raise the overall awareness of Leon County as a desirable place to visit.
