Sharon Priester confirmed with Dr. Downs the method in which the random sample data is collected. Commissioner Richardson confirmed with Dr. Downs the total make-up of the Visitor Profile included in the study. Commissioner Richardson also remarked that staff should continue to explore ways to market to potential racially diverse visitors. Commissioner Williams-Cox requested the entire total 100% data percentage of the visitor profile be included in future Visitor Tracking studies. Dr. Downs noted the detailed information is included in the full Visitor Tracking Study as the information in the board packets is "top-level" and condensed. Commissioner Williams-Cox commented on FAMU Homecoming week and its positive economic impact on the destination as well as concerns regarding hotel rates. Matt Thompson noted both the increase in visitors and the labor shortage within the tourism industry will eventually result in not meeting the demand. He requested that staff share the labor shortage with the Office of Economic Vitality and explore ways to make tourism related jobs more a desirable career choice in order to continue to meet the demand of increased visitation to the destination.

Review of Legacy Event 3-Year Grant Contracts

Kerri Post presented the three-year Legacy Event Grant Recommendations for review and approval: Market Days, Red Hills International Horse Trials, Springtime Tallahassee Festival, and LeMoyne Chain of Parks Art Festival. She noted the criteria applicants must meet to qualify for a Legacy Event Grant: an event or festival that been taken place in the community for a minimum of five years, can reliably demonstrate an average of 2,000 room nights at least three of the last five years, generate \$1 million economic impact annually, and does not occur during peak visitor periods. She shared that in each of the contracts event organizers have stated their respective annual room night and visitor goals and include additional elements commensurate with increase in goals if requesting additional funding. Chairman Schmitz shared that Legacy Events are critical to the success of tourism and the local economy. A brief discussion ensued regarding growth of events and safeguards for three-year agreements. Ms. Post confirmed the agreements do have safeguards including post event reports, after-event budgets, marketing plans and annual budgets which are all measured against projected goals and contingent upon TDC funding allocations and availability of funds. She also shared the economic impact studies are required for all Legacy Events, Signature and Emerging Signature Events, and other special events.

Commissioner Williams-Cox moved, duly seconded by Michelle Personette approval of FY22 Legacy Event Three-Year Grant Recommendations for Market Days, Red Hills International Horse Trials, Springtime Tallahassee, and LeMoyne Chain of Parks Art Festival. The motion passed 7-0, Dr. Amanda Stringer and Commissioner Welch absent.

Draft Revisions of TDC Bylaws

Kerri Post presented proposed revisions to the TDC Bylaws. She highlighted proposed substantive modifications. Ms. Posted noted two primary changes: 1) revisions would allow TDC members to participate telephonically or virtually; 2) revisions designate the TDC appointed County Commissioner as Vice-Chair by virtue of position. She shared the draft revisions will be submitted to the County Administrator for consideration and final approval.

Michelle Personette requested an addendum to the revision to article III Term of Members to include the following: "3.3 The Council shall consist of two (2) nonvoting ex-officio representatives, one (1) from the Council on Culture & Arts and one (1) from the Tallahassee Sports council. These individuals will serve in an advisory capacity to the Council and their terms will be determined by the virtue of their office and is conditional upon their association with the aforementioned entities. "

Election of FY22 Chairperson

Ms. Post noted as part of the Bylaw's revisions outlining the selection or reappointment of FY22 Chairperson.

Matt Thompson moved, duly seconded by Commissioner Williams-Cox to reappoint Bo Schmitz as Chairman for FY22. The motion passed 7-0, Dr. Amanda Stringer and Commissioner Welch absent.

Proposed 2022 TDC Meeting Dates

The motion passed 6-1, with Chairman Schmitz opposed due to schedule conflict for May 9 meeting. Dr. Amanda Stringer and Commissioner Welch absent.

Tallahassee Sports Council Update

Mike Collins gave a brief update on upcoming sports events and shared the protentional for Visit Tallahassee to host additional high school state championships such as volleyball, baseball, and cheerleading. He also shared that staff is working to bring additional sports events to the County, including beach volleyball and bowling. He introduced Senior Sales and Sports Director, Ryan Zornes, who provided an update on the bid for the 2026 World Athletics Cross Country Championship. Mr. Zornes noted that staff is continuing the bid process including preparing to present the bid virtually on November 10 to the World Athletics Council anticipating bid award in December. Mike Collins commended the Sports staff for their tremendous efforts thus far on the bid.

Ms. Spehar presented the FY22 COCA Grant Programs Recommendations for approval: FY22 Cultural Grants and FY22 Cultural Tourism Marketing Grants. She provided a brief overview of COCA's grant review process. Commissioner Williams-Cox asked if grantees awarded \$5000 or less could receive one-time advance payment instead of multiple payments. Ms. Spehar responded that she would review the contracts given COCA has received all County funding and therefore can make the first payment on Cultural Grants all at once similar to Cultural Tourism Marketing Grants.

Commissioner Williams-Cox moved, duly seconded by Matt Thompson approval of the FY22 COCA Grant Programs Recommendations which include twenty-seven (27) Cultural Grants and twenty-three (23) Cultural Tourism Marketing Grants. The motion passed 6-0, with Michelle Personette abstaining and Dr. Amanda Stringer and Commissioner Welch absent.

Kerri Post provided clarification and an update on the Cool Breeze Art & Smooth Jazz Festival, Inc. grant application as the applicant applied for funding from both the TDC and COCA. She stated this applicant will now have to make a choice per the TDC's Tourism Grant policy as applicants cannot receive both TDC and COCA funding for the same event. She stated staff will work with the applicant on options as it will select COCA's grant as its grant award amount is double the TDC grant award amount.

4 EXECUTIVE SUMMARY

6 FY 22-26 TOURISM BOLD GOAL, STRATEGIC PRIORITIES, & 5-YEAR TARGETS

10 INDUSTRY & COMMUNITY INPUT

LETTER FROM THE DIRECTOR

On behalf of the Leon County Division of Tourism/Visit Tallahassee team, I am proud to present the Fiscal Year 2022-2026 Tourism Strategic Plan in alignment with Leon County priorities, economic goals, community desires and tourism industry needs to grow the region's visitor economy and enhance the quality of life for our residents.

The COVID-19 global pandemic has threatened our way of life and severely impacted the travel and tourism industry over the last one and a half years. While it has been a time of great challenge and change in the industry, it has also been a time of great accomplishment. Leon County tourism will continue to rise and recover and this new strategic plan outlines some of the key pieces that will get us there. Instrumental to our success will be expanding existing collaborations and cultivating new and diverse partnerships with you, the tourism industry and community.

As you prepare for the future of your individual organization, we also need to think about our future collectively as a destination. Tourism is often referred to as the "first date" for economic development as tourism marketing creates a "halo effect" for the destination, driving not only visitation but lifting business development, real estate sales, and even college recruitment. The work of the Division is inextricably linked to local businesses, the community, and local government. We are honored by the opportunity to showcase Tallahassee/Leon County each and every day.

The Leon County Division of Tourism/Visit Tallahassee operates as the Destination Marketing Organization (DMO) to advertise and market visitation to Florida's capital region. There is so much to celebrate in the destination: recent hotel development has increased room inventory by over 10%, sports tourism continues strong momentum, meetings and group sales are returning, and leisure travel is increasing with emphasis on trails and outdoor recreation. And there is also much to do in the years ahead.

We are an evolving destination. We are a creative destination. We are an innovative destination. We are a pretty and unexpected destination. But above all, we are a community.

KERRI L. POST, DIRECTOR

LEON COUNTY DIVISION OF TOURISM/VISIT TALLAHASSEE

EXECUTIVE SUMMARY

LEON COUNTY DIVISION OF TOURISM/ VISIT TALLAHASSEE

The Division of Tourism (Visit Tallahassee) promotes the Tallahassee – Leon County area through tourism advertising, public relations, direct sales, visitor service functions, and marketing research. The Division also provides staff support to the Tourist Development Council (TDC). The TDC, an eleven-member advisory council, with nine voting members per Florida Statute 125.0104: and two ad hoc, non-voting members, appointed by the Leon Board of County Commissioners (BOCC) to make recommendations to the BOCC on matters pertaining to tourism marketing and expenditures of Tourist Development Tax revenue.

The Division's current Strategic Plan has provided guidance with goals and objectives for the last three years and the Plan for 2022-2026 outlines strategic direction for the coming five years. This document outlines a five-year vision for the Leon County Division of Tourism/Visit Tallahassee. The subsequent goals developed in this document are designed to power future discussions and actions of the Division of Tourism, Tourist Development Council (TDC), tourism industry stakeholders, and community/business leaders to create collaborative opportunities to enhance visitor spending in the region.

THE STRATEGIC PLANNING PROCESS

The strategic planning process for the development of the FY2022-2026 Tourism Strategic Plan for the Leon County Division of Tourism/Visit Tallahassee began in July 2021. The development of the Strategic Plan is postured within the framework of the mission and vision for the Division of Tourism/Visit Tallahassee. The Mission Statement for Visit Tallahassee provides the purpose for organizational existence which is to enhance the region's economic growth and quality of life by collaboratively inspiring the vitality of Tallahassee 's visitor economy.

The vision statement for the Division of Tourism/Visit Tallahassee describes the future strategic priorities that align with its mission. The vision for the Division of Tourism/Visit Tallahassee is **for the Tallahassee** Region to be recognized and appreciated as one of the most diverse and vibrant destinations in the Southeast.

The **Process** included extensive outreach to guide the Strategic Plan's development with **more than 250 points of views registered** via an online community survey (162), interviews with community/business leaders (40), and conducting five public meetings (50) representing diverse organizations and individuals from various interest groups across the spectrum of Tallahassee/Leon County.

This level of community input was critical in the TDC's ultimate decisions on its recommended path forward for this Strategic Plan.

EXECUTIVE SUMMARY CONTINUED

THE STRATEGIC PLAN

SUBJECT: Sponsorship Request for Tallahassee Community College's Inaugural "Rock the

Roost" Concert on July 23, 2022

This request seeks your consideration to provide \$50,000 in sponsorship for the inaugural "Rock the Roost" Concert with Luke Bryan on July 23, 2022 to be held on the intramural fields on Tallahassee Community College (TCC) campus. TCC has made a formal request for an investment of \$100,000 (TCC Request Letter attached). Staff has reviewed the request and contemplated the many considerations and implications that the out-of-cycle event funding request poses. Based on this review, staff is recommending for the TDC's consideration for a sponsorship in the amount of \$50,000 (Event Sponsor Tiers attached) to be allocated from the Tourism Fund Balance.

"Rock the Roost" is projected to be an annual outdoor concert featuring chart topping artists. This first year concert features Thomas Luther "Luke" Bryan, an American country music singer and songwriter, arguably one of the most popular country music artists in the country and worldwide. Bryan's first 10 albums have included 27 number one hits. Since 2018, Bryan has been a judge on the popular singing competition *American Idol*. According to Pollstar, an industry leading artist tour history report, Luke Bryan concerts averages 100% ticket sellout.

Luke Bryan is currently touring across two (2) countries and has 16 upcoming concerts. Currently, Tallahassee is the only stop in Florida and the entire southeast on his tour. The concert will include three (3) acts in addition to the headliner including local popular and well-established country-rock Tobacco Road Band, Riley Green, and Mitchell Tenpenny. TCC has a goal of selling 20,000 tickets bringing visitors from across the southeast and projects an estimated 6,000 room nights. Luke Bryan was last in Tallahassee in 2013 and sold out with more than 14,000 tickets sold and his popularity has grown dramatically since then. Additionally, the concert is scheduled in July, a need-period for visitation for Tallahassee/Leon County. This concert will provide significant economic impact to local restaurants, hotels, and local businesses when visitor spending is most needed.

According to TCC, the working budget for this event is \$1.55M which includes talent, stage/production, marketing, Luke Bryan Fan Club Pre-sale, student pre-sale, and public on-sale, accommodations, public safety, parking attendants, additional uniformed security, enhanced safety protocols.

Based on room night generation for similar granted events, TCC's VVIP Sponsorship level is commensurate with staff's recommendation. This sponsorship level includes media promotions, naming area, viewing area, video board logo looping, website logo placement and more. In 2016, FSU's Doak After Dark (Doak After Dark) concert featured country band Old Dominion funded in part by a Signature Event grant in the amount of \$50,000. In 2017, Doak After Dark concert featured country music artists Blake Shelton, Jake Owen, and Big and Rich funded in part by a Signature Event grant in the amount of \$40,000.

While this new music festival funding request is outside of the regular Tourism Event Grant cycle, there is adequate funding available in the Tourism Fund Balance to support the event. Appropriating \$50,000 in Tourism Fund Balance will leave the estimated balance well above the minimum 15% operating reserve requirement of \$680,000. Staff will encourage TCC to apply for Signature/Emerging Signature Event grant funding during the FY23 grant cycle which awards applicants up to \$60,000.

TCC's Vice President of Institutional Advancement/Executive Director of TCC Foundation, Heather Mitchell, will be in attendance at the TDC meeting to provide a brief presentation on the concert and answer any questions you may have.

Ms. Kerri Post Division of Tourism 315 S. Calhoun Street, Suite 540 Tallahassee, Fl 32301

Dear Kerri,

Thank you for the opportunity to partner on Tallahassee Community College's new event for our community – *Rock the Roost*. This is a concert event that we will hold annually on our campus and all funds raised will support student scholarships, program enrichments and facility enhancements on our campus. I am very excited to share with you that we have confirmed Luke Bryan for our first Rock the Roost concert artist!

The concert will be held on Saturday, July 23, 2022. This event is part of his 2022 Tour, and to date, we are the ONLY concert date he has booked for the state of Florida. The concert will include three acts before Luke takes the stage. It will open with local favorite Tobacco Road, and Luke's team is bringing Riley Green & Mitchell Tenpenny to perform prior to his performance. Our goal is 20,000 tickets sold, bringing in people from across the southeast.

The working budget for this event is \$1.55M. Major parts of our budget include funding for the following areas:

- 1. Talent
- 2. Stage/Production
- 3. Marketing We have engaged both a local marketing firm, BowStern (also a TCC alumni), and a national marketing firm, Twenty 6 Social, in crafting our strategy. Our strategy includes guerilla marketing, email marketing, social medial, digital, text campaigns, print, television and radio. To date, we have achieved the following milestones for marketing:
 - Announcement
 - Luke Bryan Fan Club Pre-Sale
 - TCC Student Pre-Sale
 - Public On-Sale
- 4. Accommodations we anticipate over 6,000 room nights for our local hotels.
- Public Safety This will be a critical element to our planning. While we are in the early stages of this planning, we have partnerships with TCC's Police Department, TPD, LCSO, and our own Law Enforcement Academy Classes as well as Leon EMS. At this time, our plan includes the following:
 - 100 law enforcement officials
 - 5 EMT/Ambulances

- 25 parking attendants
- 25 additional uniformed security
- Enhanced cleaning across the venue including hand-washing stations and free-standing hand sanitizer stations.
- All transactions will be cashless.

Rock the Roost will be an annual event, hosted during an off-tourism season for our community. This event will bring thousands to Tallahassee for hotel stays, eating our local restaurants, and shopping in our local businesses. It will be such wonderful thing for our community's tourism efforts.

We are working with a variety of local businesses, inside and outside of our community, to assist us in making this a success. We would very much like to partner with the Tourist Development Council as well. We are asking for an investment of \$100,000 from the TDC to support these efforts.

Thank you for your consideration of this request. We are excited to bring Luke Bryan to our community and look forward to working with Visit Tallahassee to make this a smashing success!

Sincerely,

Heather R. Mitchell
