

# Sales Tax Committee Meeting

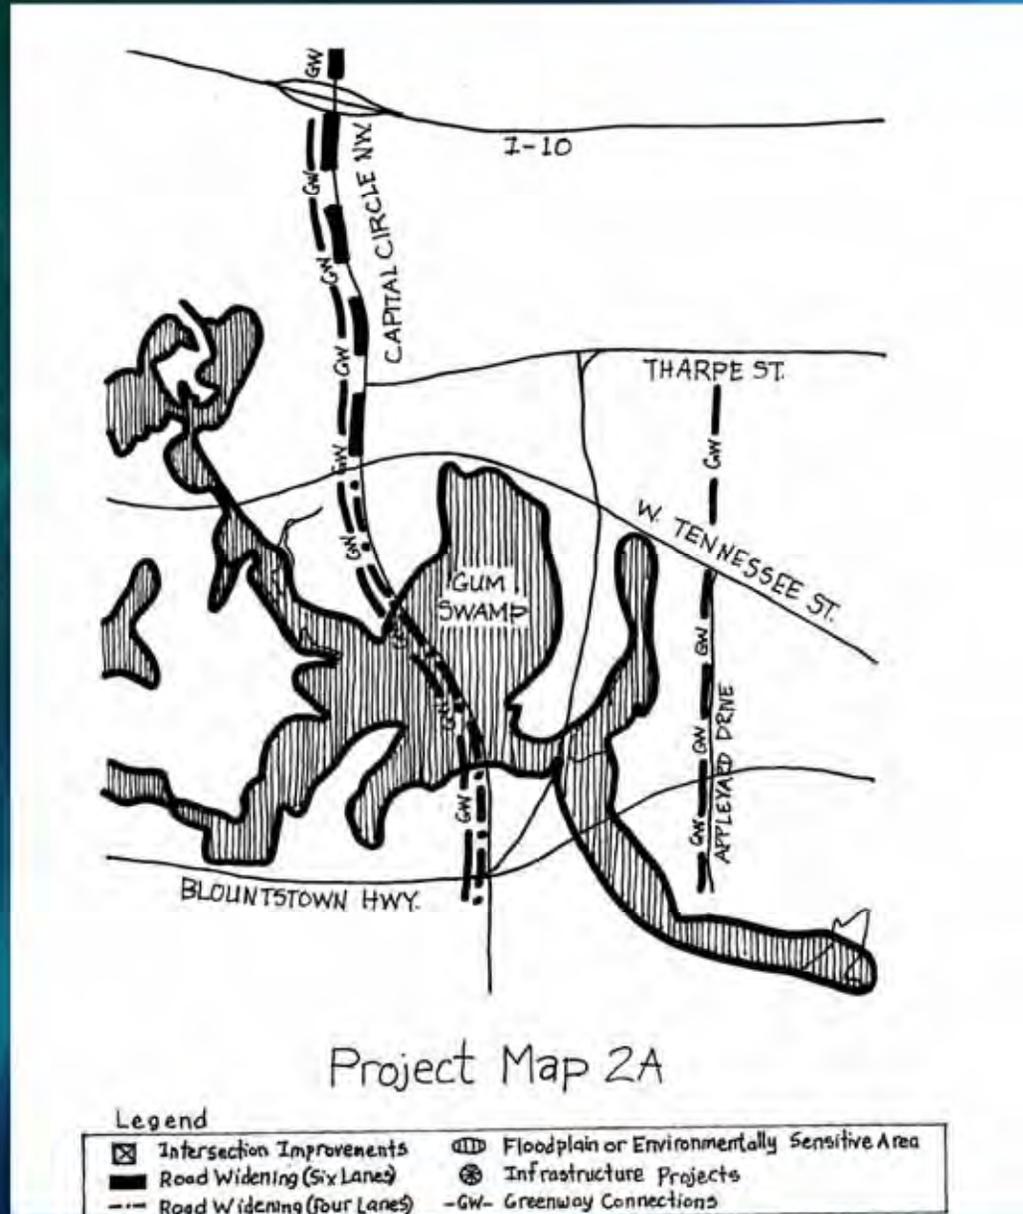

February 23, 2012

# Blueprint 2000 Capital Circle Typical Section

**Incorporates  
Multiple Modes, Stormwater, Landscaping & Recreation**

# Capital Circle Northwest

# Capital Circle Northwest

(I-10 to US 90)

**Two miles of 6-Lane  
Divided**

**Not Blueprint Typical  
Section**

**Partnered with FDOT,  
NFWFMD and FWC**

**Construction began  
September 26, 2005**

**Construction: \$25.5  
Million, including some  
City Utility relocations**

**M Inc., Contractor**

**All Work Complete  
September 2007**

# Capital Circle Northwest

(I-10 to US 90)

## Martha Wellman Park

23.5-acre park site

15.3-acre pond: 70% retrofit treatment

4,000-foot paved multi-use trail

Seven refuge areas with benches and receptacles

Lamppost lighting

Decorative landscaping

# Capital Circle Northwest

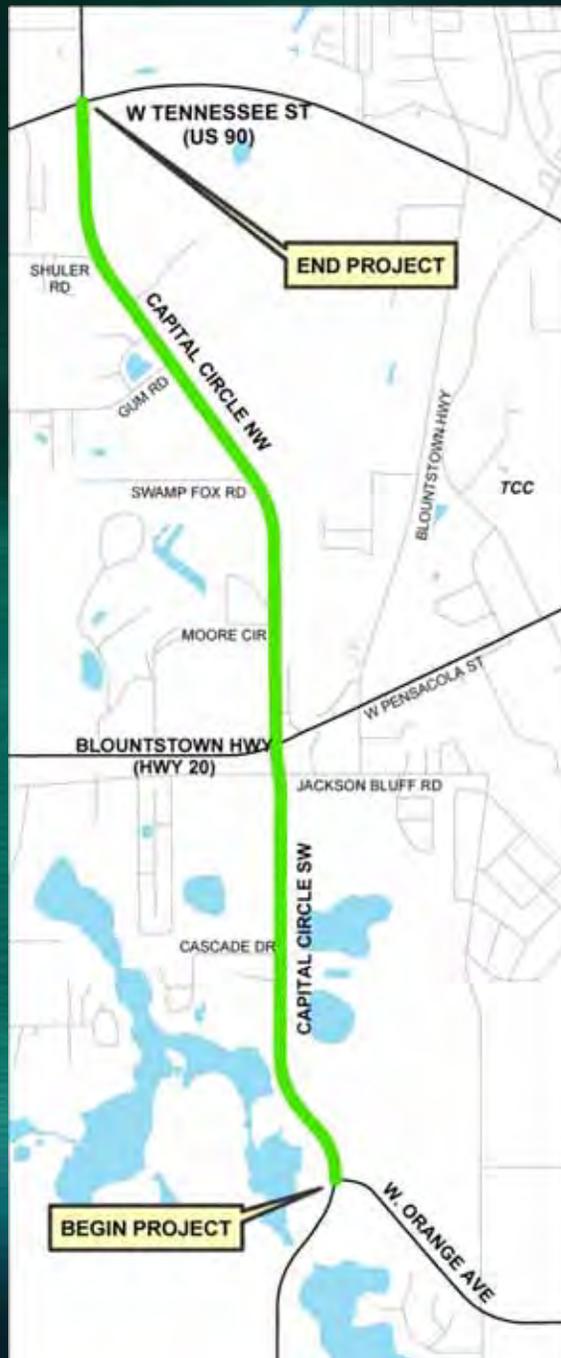

(I-10 to US 90)

## Martha Wellman Park

# Capital Circle Northwest/Southwest

## US 90 to Orange Avenue

Approximately 2.9 miles

Frontage Roads at three locations

EPD&E complete: 100% design completed (H. W. Lochner, Inc.)

Greenway and Off-System Stormwater; bridge over Gum Swamp

Received \$42.6 M SIS funding; \$8 M SAFETEA-LU funds; \$9.2 M from FDOT for Construction

Construction to begin 2012

Design, Bid, Build

## Connie Drive to Tram Road

**Completed**  
**On schedule-on budget**

**Ribbon Cutting Ceremony, Held**  
**May 21, 2008**

**M Inc., CW Roberts**  
**Joint Venture**

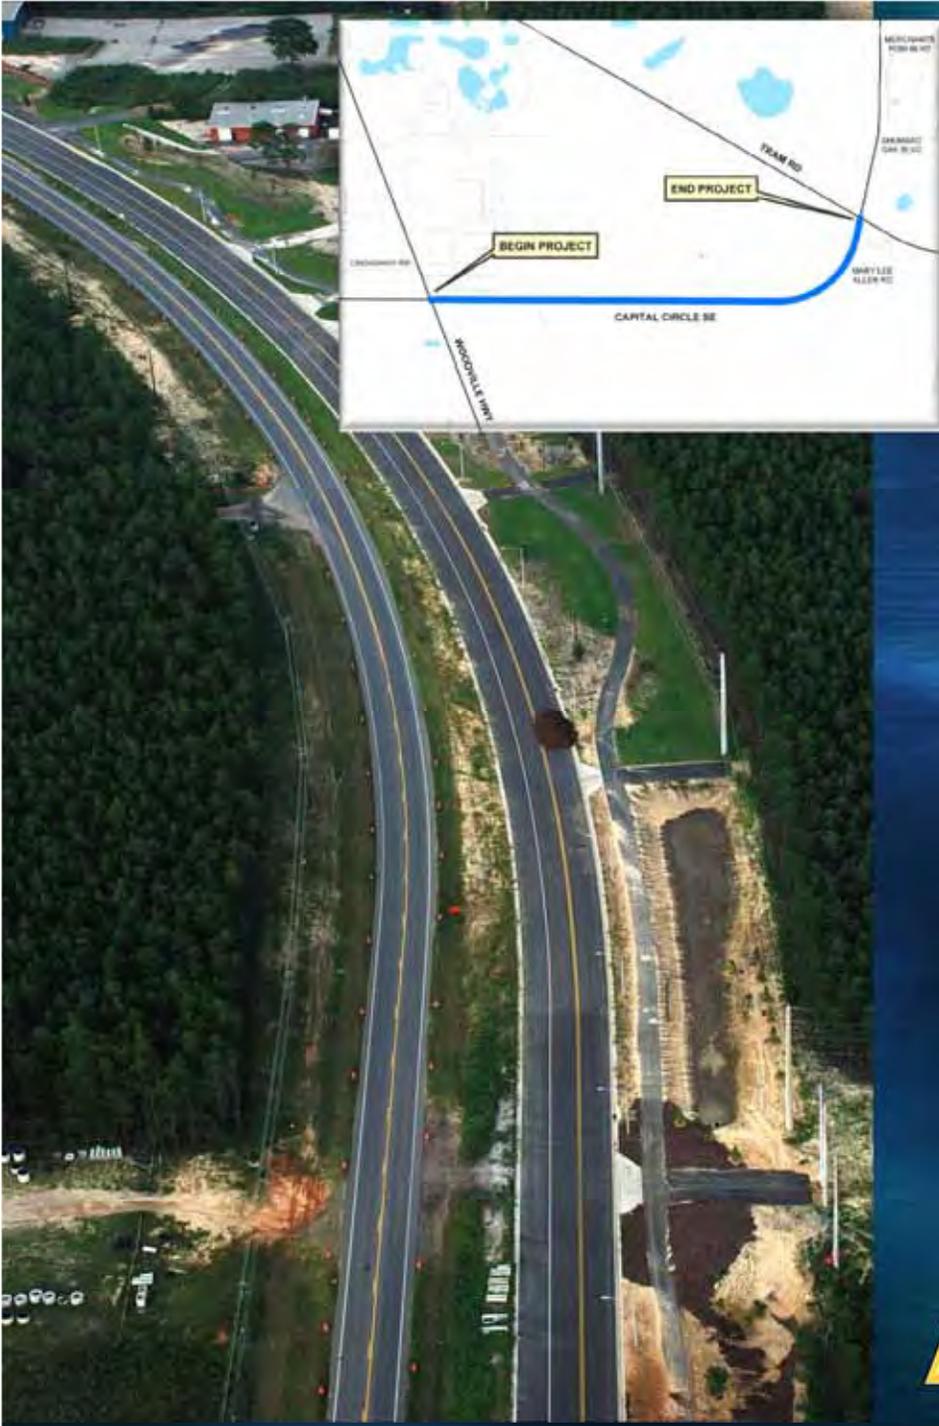

**Design-Build Project Delivery**  
**Construction Cost \$37,715,000**

# Capital Circle Southeast Tram Road to Connie Drive

First Design-Build Project

# Capital Circle Southeast Tram Road to Woodville Highway

**Received \$4.3 M TRIP  
funds for R/W**

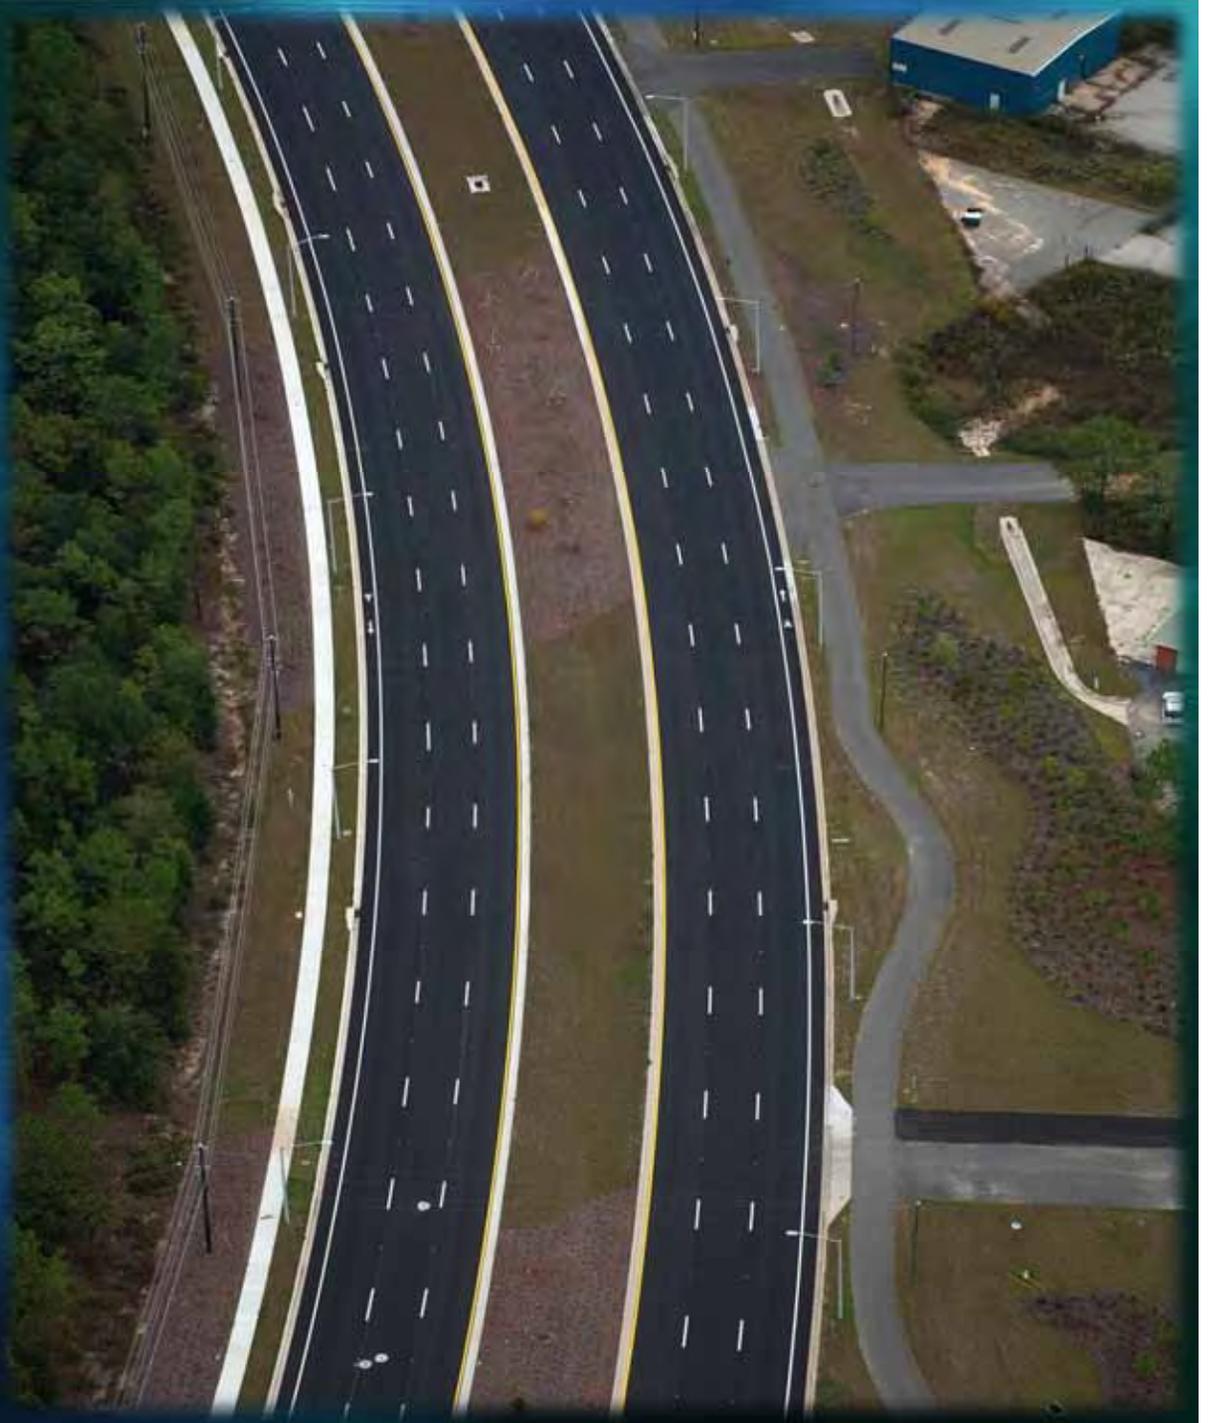

**Received \$9.5 M TRIP  
funds for construction**

**Construction Cost  
\$19.8 M**

**Completion date  
October 19, 2010**

# Capital Circle Southeast

(Tram Road to  
Woodville Highway)

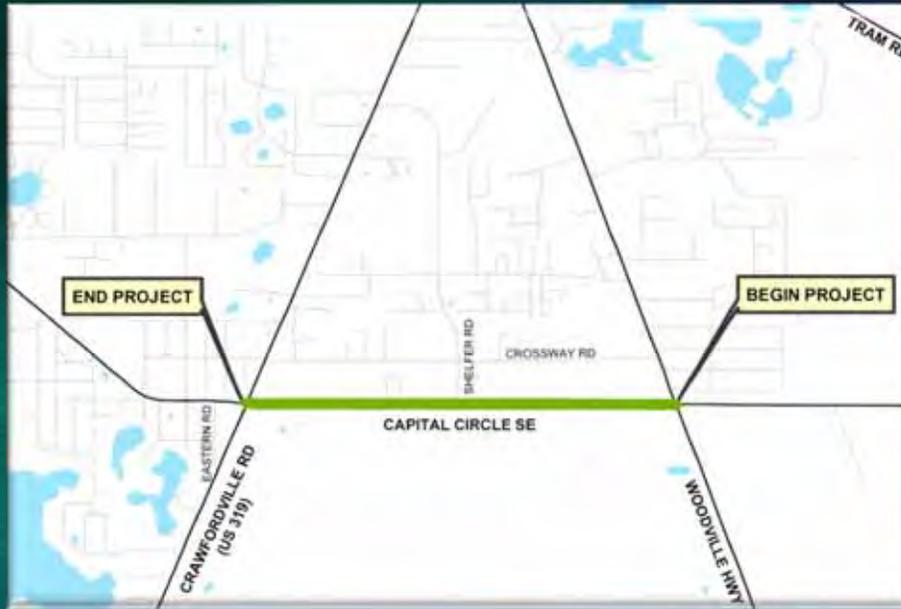

# Capital Circle Southeast Woodville Highway To Tram Road

# Capital Circle Southeast

## Woodville Highway to Crawfordville Road

**Design-Build**

**Contract awarded  
September 2010**

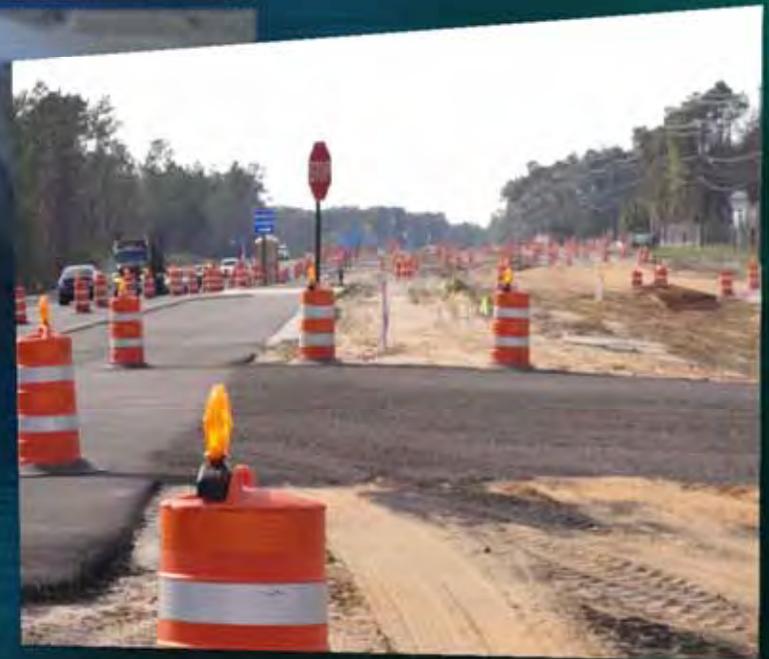

**Received \$8.6 Million  
of stimulus funding  
(ARRA) from FDOT**

**Construction  
Complete August 2012**

Capital  
Circle  
Southeast

Crawfordville Road  
To  
Woodville Highway

# Capital Cascades Trail

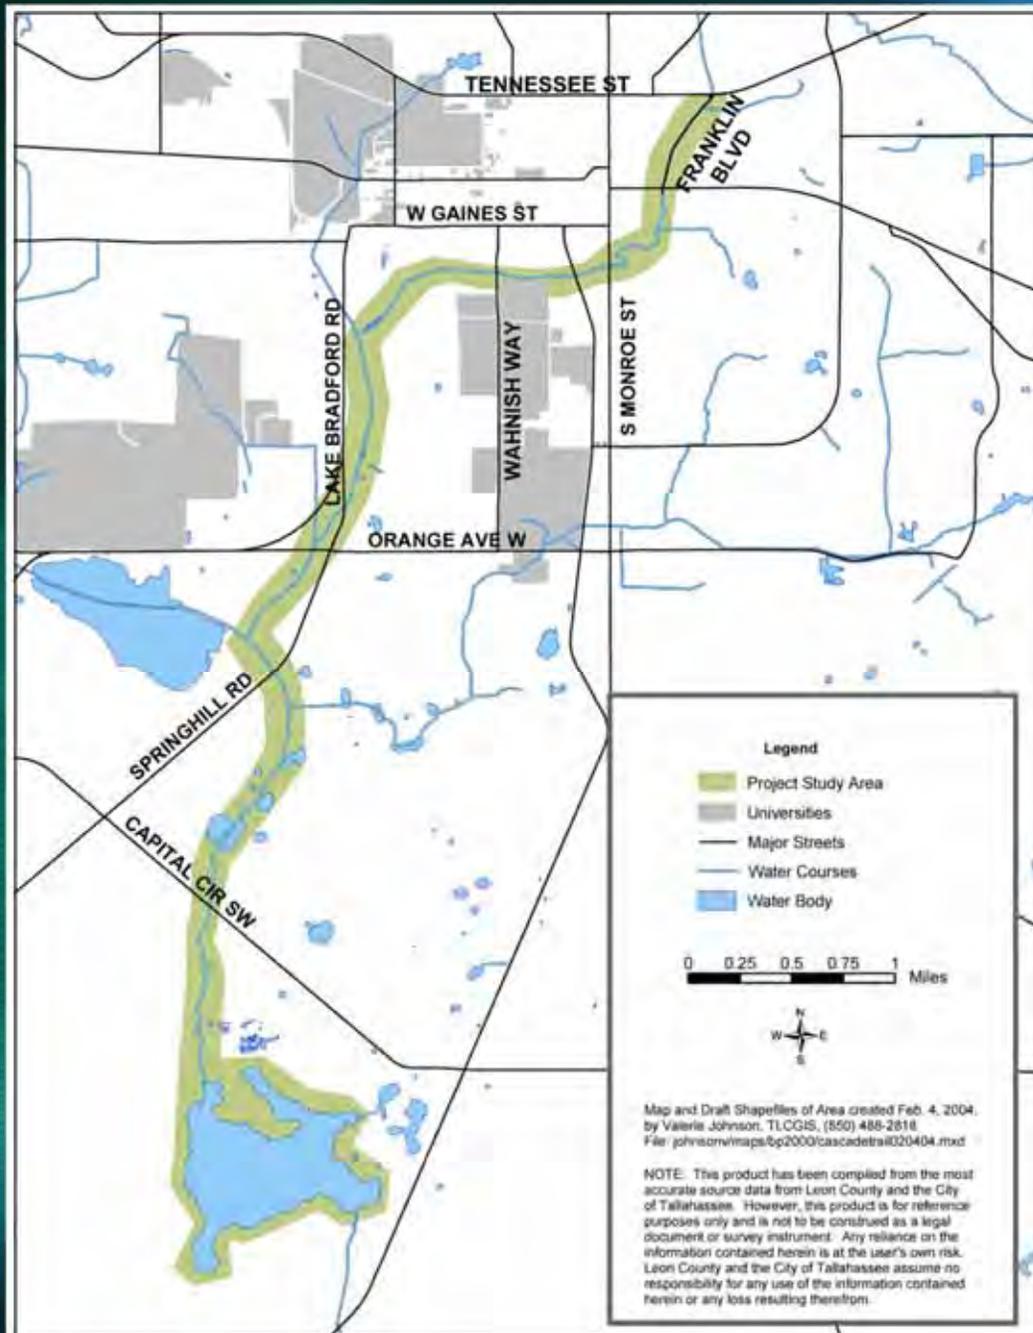

# Capital Cascades Trail

Four segments  
from East  
Tennessee St. to  
Lake Henrietta

4.25 miles of trails,  
linear green-space,  
and stormwater  
facilities

24-acre Cascades  
Park Construction  
Complete  
Late 2012

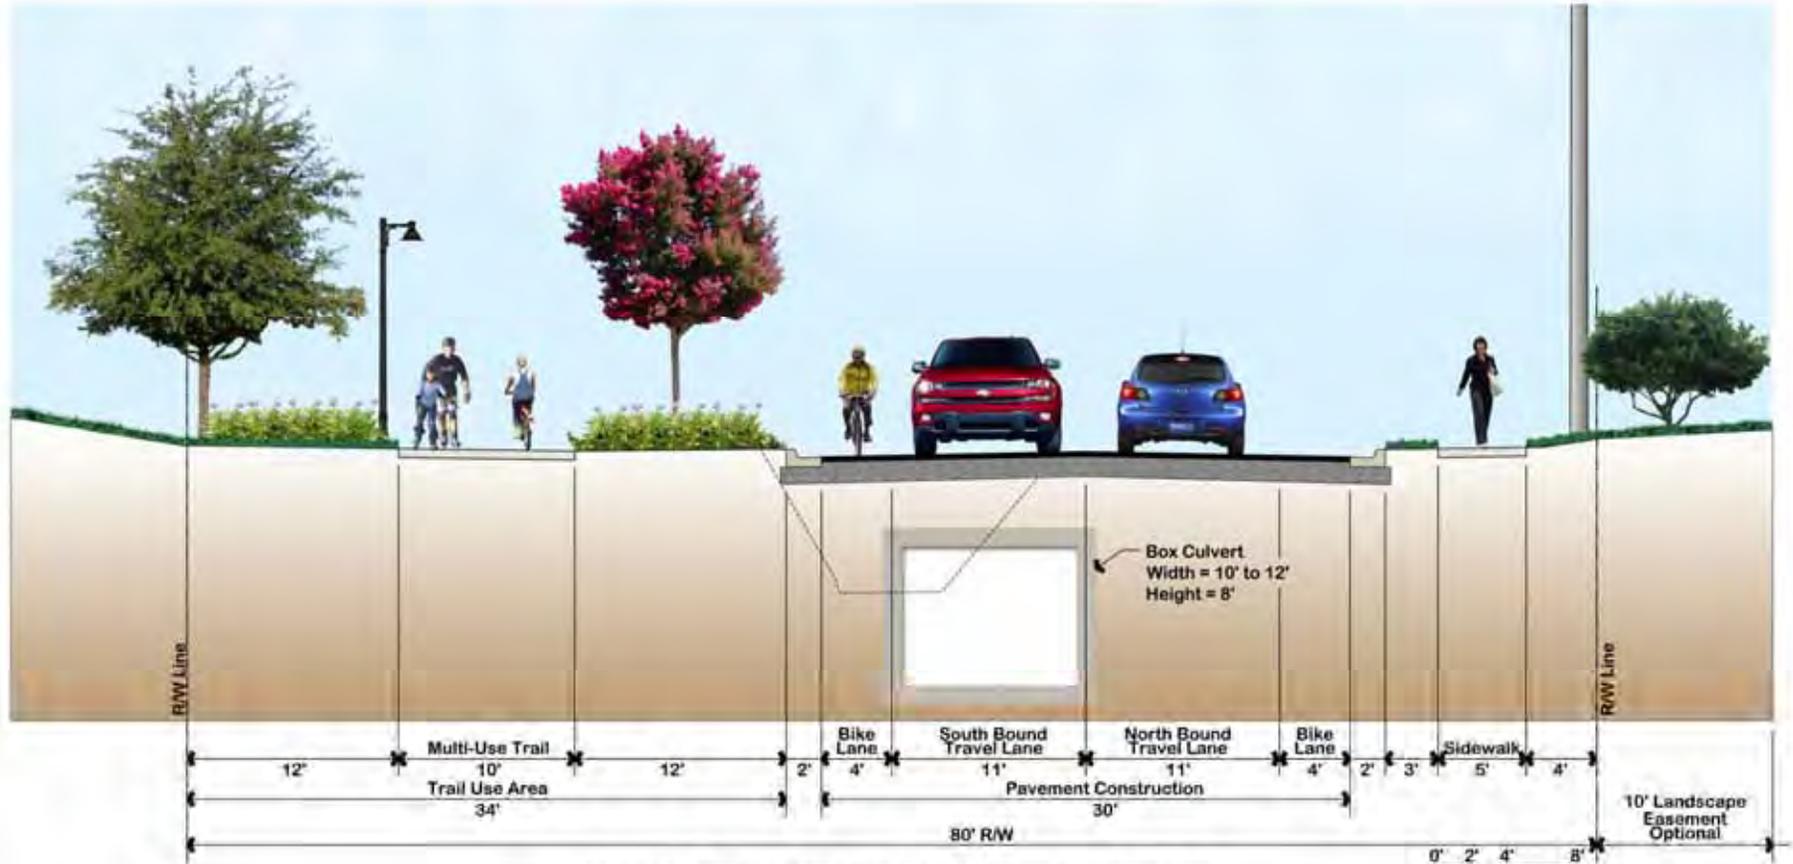

# Capital Cascades Trail Segment 1 – Franklin Boulevard

Under Construction

\$4.2 M in HUD Disaster Relief Funding

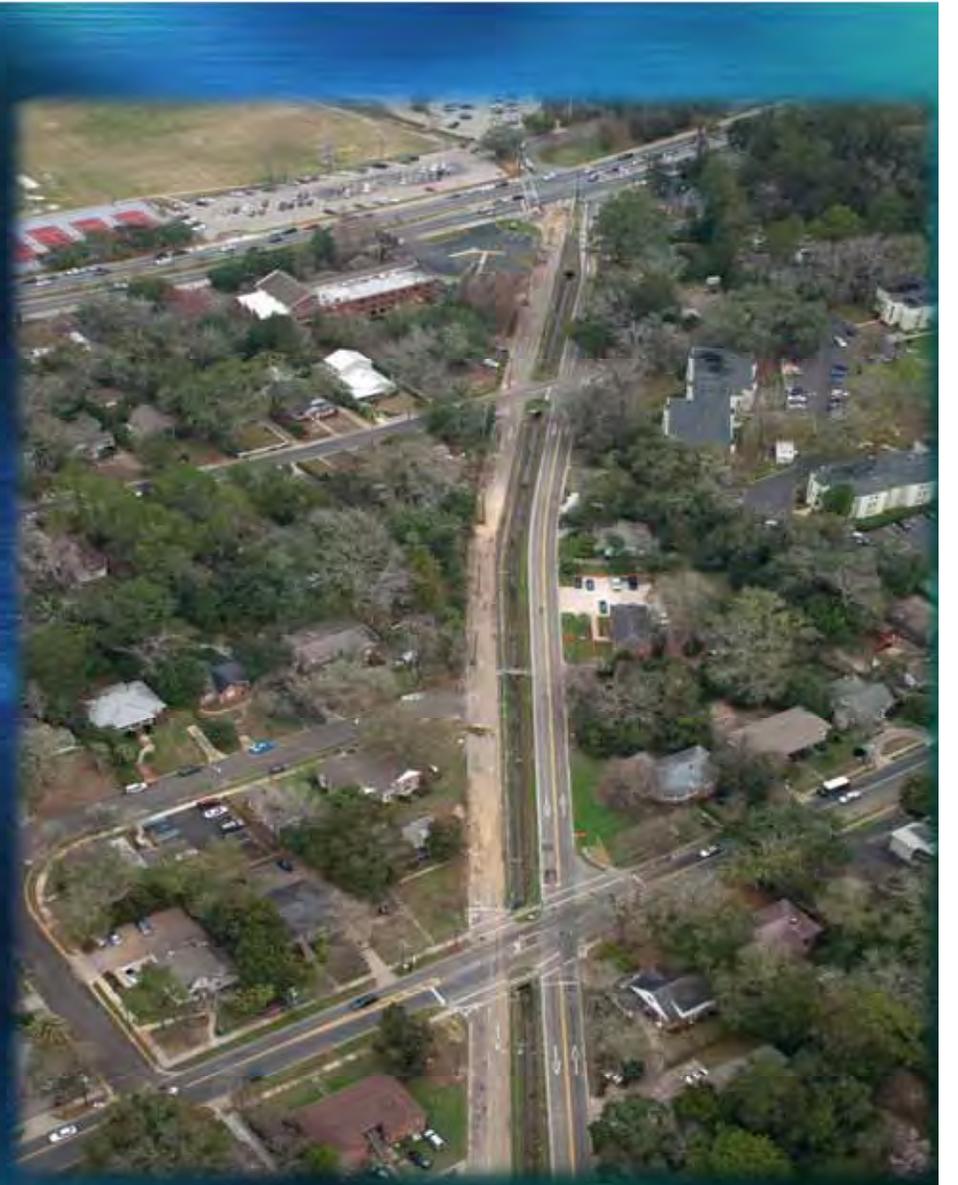

# Franklin Boulevard Flood Relief Project

## FRANKLIN BOULEVARD ROADWAY IMPROVEMENTS OPTION C - TYPICAL SECTION

- 5' Sidewalk (East Side Only)
- Street Lighting TBD
- Electric Lines Remain Overhead
- 10' Multi-Use Trail
- 4' North and South Bike Lanes

# Cascades Park

- Approved Concept

# Cascades Park

- 100-year flood limits
