

SALES TAX PROJECTS

Project Number: 46B

Project Name: Operating Costs for Parks Built with Blueprint 2000 Funds: City Portion

Total Project Cost: \$10,514,300

Total Project Cost Notes

Total project cost reflects the current annual operation and maintenance cost of the City parks plus any one-time start up amounts over a 15 year period. The annual operating and maintenance cost of these parks is \$687,200.

Executive Project Summary:

As a result of the holistic infrastructure planning and sensitive land purchase program, Blueprint 2000 has purchased and participated in partnerships to acquire properties that are intended for park space in Leon County and the City of Tallahassee. These park spaces, and their associated operation/maintenance obligations, are turned over to the City and County at project completion. This project seeks funding for the operation and maintenance of parks built with Blueprint 2000 funds. This project description details the operating costs for the parks maintained by The City of Tallahassee.

Actions Taken by the Committee:

March 28, 2013: Moved the project to a second round for consideration.

April 26, 2013: Moved the project to Priority Level 1.

June 13, 2013: Moved the project to Tier 1.

Detail Project Description

Florida Statutes 212.055 (2) allows for a portion of the sales tax proceeds to be used for the operation and maintenance of parks and recreation programs or facilities which have been constructed with the proceeds of the sales tax throughout the duration of the sales tax levy. The statute states: "a county having a population greater than 75,000 in which the taxable value of real property is less than 60 percent of the just value of real property for ad valorem tax purposes for the tax year in which an infrastructure surtax referendum is placed before the voters, and the municipalities within such a county, may use the proceeds and interest of the surtax for operation and maintenance of parks and recreation programs and facilities established with the proceeds of the surtax throughout the duration of the surtax levy or while interest earnings accruing from the proceeds of the surtax are available for such use, whichever period is longer."

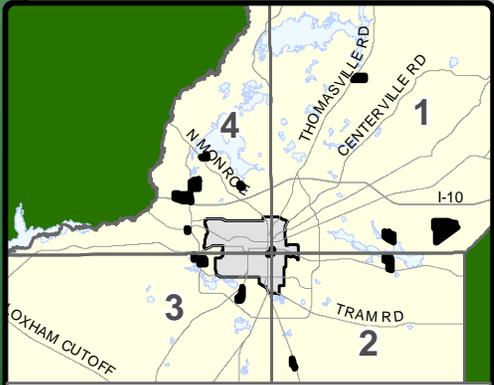

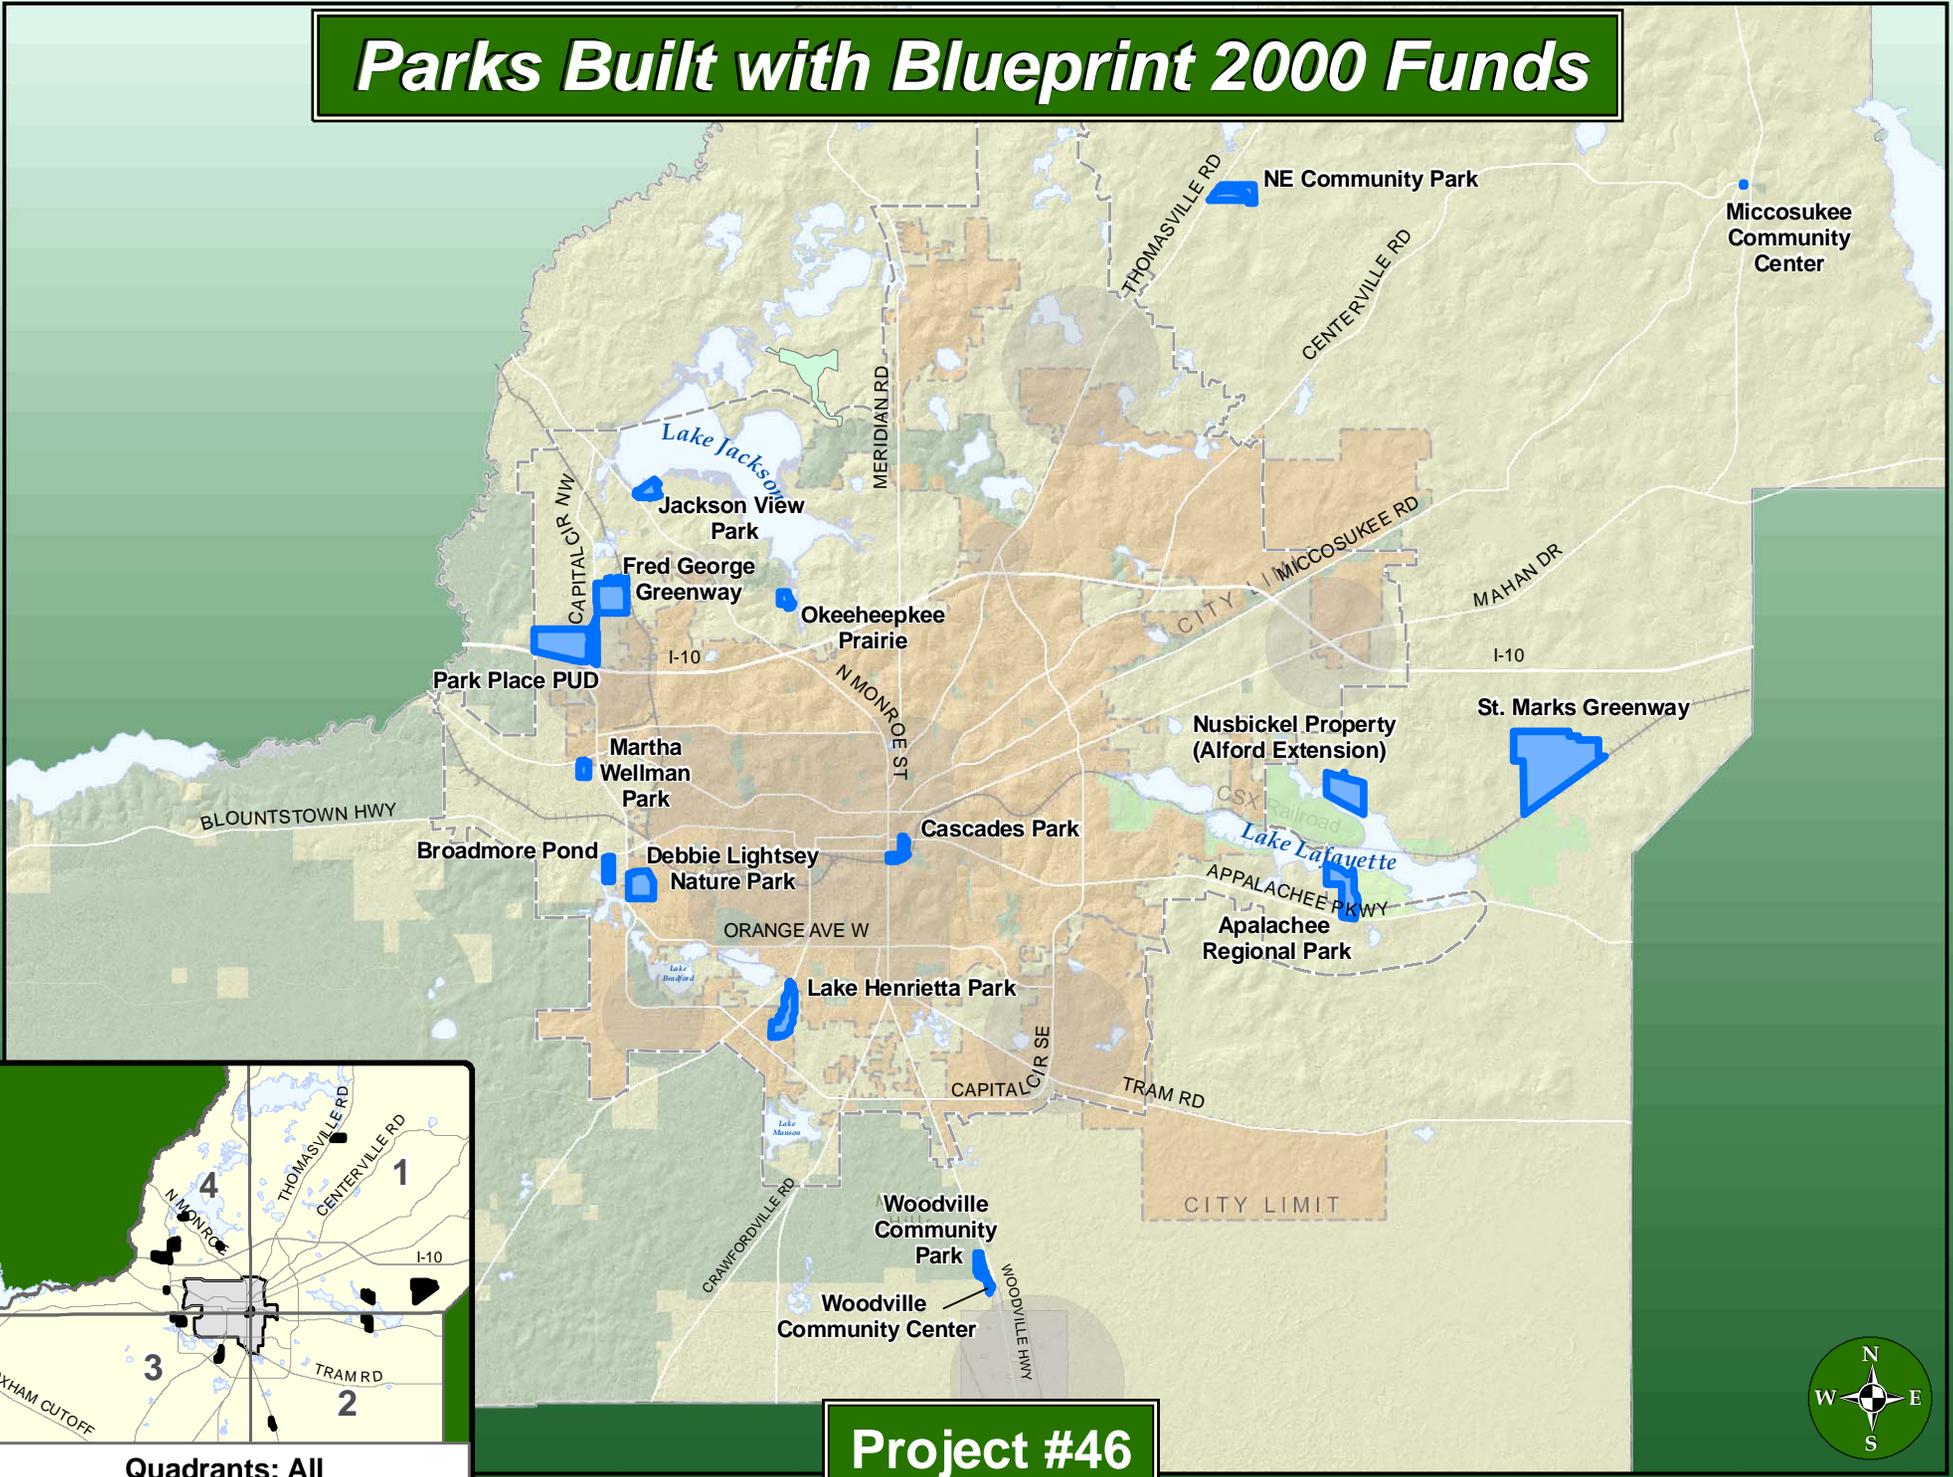

For the most recent year, the County's just value was \$23.54 billion and the taxable value was \$13.38 billion or 56.87%. Therefore, the County qualifies for sales tax proceeds to be used for the operation and maintenance of parks and recreation programs and facilities that were constructed with sales tax funds.

In the City of Tallahassee, there are two facilities that are not yet open to the public but were purchased with sales tax funds. These parks include Cascades Park and the Debbie Lightsey Nature Trail. The City of Tallahassee will maintain and operate Cascades Park and Debbie Lightsey Nature Trail. The annual operating and maintenance of Cascades Park is \$687,200 plus a one time one-time, non-recurring start-up budget of \$205,600 for equipment.
