

## **PUBLIC SERVICE ANNOUNCEMENT**

### **Implementation of the 2008 National Electrical Code**

October 1, 2009

To All Interested Individuals:

The electrical code currently being enforced within the Leon County and City of Tallahassee jurisdictions is the 2005 National Electrical Code. On October 1, 2009, the Leon County Building Inspection Department in conjunction with the City of Tallahassee Building Inspection Department will begin enforcing the 2008 National Electrical Code. This Code has been approved by the Florida Building Commission and the proper filings have been recorded with the Secretary of State. Please be aware that any electrical work associated with a building permit applied for, or any stand-alone electrical permit applied for on or after October 1, 2009 will be required to comply with the 2008 edition of the NEC as modified by the Florida Building Code.

If you should have any questions regarding this electrical code change, please do not hesitate to contact our offices (City of Tallahassee at 891-7050 or Leon County at 606-1300). We remain:

Your Public Servants,
