

PUBLIC SERVICE ANNOUNCEMENT

Changes to Notice of Commencement Form

June 28, 2007

To All Interested Individuals:

On June 26, 2007, the Governor signed legislation (House Bill 1285) approved during the 2007 Legislative Session that effective July 1, 2007, changes the format and many disclosure elements of the Notice of Commencement form. Please ensure that for any permits applied for after July 1, 2007, requiring a Notice of Commencement (generally those construction projects greater than \$2,500, except repair or replacement of existing heating or air conditioning systems greater than \$7,500) you file the updated Notice of Commencement form with the Clerk's Office (located in the Bank of American Annex at 313 South Calhoun Street, Suite 101). Copies of the new form may be obtained in either of our offices or at the Clerk's office.

Please do not hesitate to contact our offices (City of Tallahassee at 891-7050 or Leon County at 606-1300) should you have any questions regarding this issue. We remain:
