

NATURAL FEATURES INVENTORY-NO IMPACT*

E - 9

Development Support and Environmental Management Department
Environmental Services Division
435 North Macomb Street, 2nd Floor
Tallahassee, Florida 32301
Phone: (850) 606-1300 FAX: (850) 606-1301

NFI-No Impact Fee: \$180 If significant natural features are identified within the project area*, a standard Natural Features Inventory must be completed and the full fee will apply. The applicant will be notified if the completion of a standard Natural Features Inventory is needed.

This type of application may be submitted if the total project area is:

- 20 or fewer acres and;
- there are no environmentally sensitive features present on the parcel

Attachments: In order for an application to be eligible for review, the following materials should be provided: (see page 2 for details)

- Narrative Copy of Signed and Sealed Boundary Survey
- Affidavit of Ownership and Affidavit of Authorized Agent Cultural Resource Correspondence

If this NFI-No Impact is for a Policy 2.1.9 Subdivision or Limited Partition Subdivision, you will also need to provide a drawing showing the proposed lot lines, the acreage of each lot, and the proposed access road/easement to each lot. For the NFI this drawing does not have to be prepared by a surveyor. A survey drawing of the proposed lots and access easements will be required, however, for final approval of the subdivision.

* If the total project area does not include the entire parent parcel, the limits of the project area shall be clearly delineated.

Property/Project Information:

Project Name: _____ Total Acreage of Project Site: _____

Please provide the information indicated on page two.

Please provide the following:

1. The completed application form.
2. Application fee.
3. Affidavit of Ownership and Designation of Agent form must be signed by all owners of all parcels comprising the project area, and must be notarized.
4. Copy of the signed and sealed boundary survey which accurately depicts the existing subject parcel.
5. A narrative describing the proposed site improvements/property subdivision activity.
6. Site reference information. Include information on the location of property boundary corner stakes. Use highly visible surveyor's tape to delineate property boundaries.
7. Cultural Resource Assessment. Refer to the attached sheet for minimum documentation to be sent to the Florida Department of State, Bureau of Historic Preservation, Compliance Review Section, for determining whether there is known or potential significant cultural resources on site. Their office is located in the R.A. Gray Building, and their mailing address is 500 South Bronough Street, Tallahassee, FL 32399-0250. A copy of the assessment letter or the results of the preliminary survey must be received prior to Natural Features Inventory approval.
