SummerReading.LeonCountyLibrary.org
Complete calendar online at www.LeonCountyLibrary.org

Reading Folders

Folders and weekly stickers will be given out at all library locations to rising 2nd graders and younger. Rising 3rd, 4th, and 5th graders will receive an ATOM reading guide.

Summer Reading Lists for Middle and High School students are available online.

Teen Gaming Program - Main Library

Tuesdays @ 2 in June & July
Board Games and Video Games on Xbox
Rock Band, PS3, Wii, DDR, and special programs.

Teen

Special Programs

Monday Nights @ Main 6:30 pm

Join us for special guests including storytellers, puppeteers, and more!

Branches will host **special guests** during their story times.

"Mad Scientist" Extravaganza will be held at each library location on Saturday, July 26, 1:00-3:00 pm to conclude our summer reading activities.

**30 minutes reading
+ 30 minutes of exercise
= one great summer day!**

Monday Programs at Main

All events begin at 6:30 PM @ the Collins Main Library

June 2 Marionette Blast Off

Science, space, and Jan Kaufman's marionettes in a performance that will be a blast!

June 9 - TallyMoLab Pollution Experiment

Hands-on interaction with EnviroScape will show you the effects of surface water pollution on our drinking water.

June 16 - Anna Moo, Singer and Songwriter

Uncover the science of soil with stories and songs from award winner Anna Moo.

June 23 - Windell Campbell, Storyteller

This dynamic storyteller wows the audience using his whole body to dramatize the action of favorite stories.

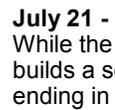

July 7- The Start of Something Big with Michael White, Illustrator

Learn how one idea can spark a story, draw your own cool pictures, and turn it all into a story with Michael White, illustrator of *The Library Dragon*.

July 14 - Dr. Magical Balloons

A mad scientist will be hosting a journey of scientific discovery with balloon costumes and characters, plus audience participation.

July 21 - Curious Moon Puppets presents Bug vs. Machine

While the Ant works saving food for winter, the Grasshopper builds a series of simple machines that soon turn complicated, ending in a Rube Goldberg-inspired design.

Teen Happenings at Main

All events begin at 4:00 pm @ the Collins Main Library Program Room A
