# RURAL WASTE INFORMATION

## What are Rural Waste Centers?

Rural Waste Service Centers are designated places for residents living in unincorporated Leon County to drop off their garbage and recycling. From there, the garbage is transported to the Leon County Transfer Station. Residents can bring yard waste, bulky items, electronics and limited types of hazardous waste to a Full Service Center (see back of brochure for locations). Two locations are for garbage and recycling drop-off only and are considered "Limited Service Centers".

## Help is Available

All the Rural Waste Service Centers (RWSC) are staffed by helpful attendants.

## Free Mulch

Free Mulch is available year-round at four of the RWSC's (no mulch at Blount). If time and scheduling permits, the attendant will load one load of mulch per customer per day. If self-loading, bring your own shovel and bags/boxes and you may load an unlimited amount in a single day.

## Household Hazardous Waste

For your convenience, Household Hazardous Waste (HHW) is accepted at the Solid Waste Management Facility on Apalachee Parkway between 8:00 a.m. and 5:00 p.m. Monday thru Saturday.

Call 606-1816 for more information.

## WASTE ITEMS ACCEPTED

- YES! Household Garbage
- YES! Recyclables
- YES! Yard Waste
- YES! Bulky Household Items
- YES! Used Motor Oil & Car Batteries
- YES! Electronic Items (*some limitations*)
- YES! Four tires per day/customer
- YES! LIMITED Household Hazardous Waste

## WASTE ITEMS NOT ACCEPTED

- NO! Commercial Waste (*waste from lawn services, tree trimmers, appliances, repair shops, etc.*)
- NO Building/Construction Materials
- NO Roofing/Framing Materials
- NO Satellite Dishes
- NO Mowers or gasoline containing devices
- NO Children's Play Sets

## HOW DO I RECYCLE?

When you bring your recyclables to a Rural Waste Service Center, separate paper from other items by placing all paper and paperboard in a brown paper sack. Do not use plastic bags.

### WHAT TYPES OF THINGS CAN I RECYCLE?

- |                                     |                                |                      |
|-------------------------------------|--------------------------------|----------------------|
| <i>Newspapers</i>                   | <i>Glass Jars</i>              | <i>Glass Bottles</i> |
| <i>Magazines</i>                    | <i>Milk Jugs</i>               | <i>Paperboard</i>    |
| <i>Aluminum cans</i>                | <i>Steel cans</i>              | <i>Cardboard</i>     |
| <i>Phone books</i>                  | <i>White and Colored Paper</i> |                      |
| <i>All Plastic Bottles and Jugs</i> |                                |                      |

Recycling Questions: 606-1823

Recycling Education: 606-1827

## WASTE MUST BE SEPARATED INTO THE FOLLOWING CATEGORIES

1. Kitchen Garbage—Items such as food waste, old rags, plastic wrap, etc.
2. Recyclable Items—Break down cardboard boxes and do not use plastic bags.
3. Tires—Four tires maximum per trip.
4. Yard debris. Leaves, grass clippings and tree limbs are considered yard debris. Dispose of leaves and clippings in paper bags or boxes. If you use plastic bags or other containers, please empty the bags onsite. Limbs must be 5 feet or shorter in length and less than 6" in diameter. Please do not bring more than one pickup truck load or six garbage cans per trip.
5. Bulky Household Items—Furniture, mattresses, bicycles, etc. are limited to 2 items per trip.
6. White Goods—Refrigerators, freezers, water heaters, washers, dryers, window a/c units, heat pumps, compressors, duct work, etc. are limited to one item per trip.
7. Electronics—Residents can bring in 1 TV (36" or smaller) or 1 computer system each day. Larger sets must be brought to the Electronics Building at the Solid Waste Management Facility on Apalachee Parkway. NO commercial electronic waste is accepted at the Rural Waste Service Centers. Businesses should call 606-1823 for electronics recycling options.
