Subject: LJSC 2006 Term Expiration

Ms. Coble,

After long consideration I have decided not to continue serving as a board member for the Lake Jackson Sports Council when my term expires this month. I have work as a volunteer for Leon County Parks and Recreation for 7 years as a Board member for Little League and as a LJSC Council Member. I have enjoyed volunteering and serving the community over the past 7 years and watching the programs grow. I have watched this Canopy Oaks Park grow from 100 kids per program to anywhere 300-600 kids depending on the sport. My wife and I have enjoyed watching our kids grow along with the Canopy Oaks Park. Also within these last 7 years.

Unfortunately, my work has been more demanding as of late, which does not allow me the time necessary to attend meetings and to dedicate the time necessary to be a committed member of the board. Maybe after a rest and my work schedule lessen I could seek another appointment in the future.

I would to thank the County for nominating me and Commissioner Winchester for appointing me to this position and allowing me the opportunity to serve my community and Canopy Oaks Park

Sincerely,

Jim Gillard

LSJC

Chairman
