Subject: Re: LJSC Term Expiration

Ms. Coble,

I do not plan to continue serving as a board member for the Lake Jackson Sports Council when my term expires this month. Being a charter member of the LJSC, I have enjoyed volunteering and serving the community over the past several years, and wish I could continue as a board member to help our park programs expand into other areas that would serve the community (such as adult sports; the promotion of lifetime sports for kids, like golf and tennis; and volleyball for younger girls to prepare them for highschool teams). Unfortunately, my out-of-town travel for work has significantly increased, which does not allow me the time necessary to attend meetings and to dedicate the time necessary to be a committed member of the board. I hope that future board members can possibly continue some of the visions of past boards in order to improve our parks and the services that are offered.

I want to thank the County staff for nominating me and Commissioner Radcleff for appointing me to this position and allowing me the opportunity to serve my community and Canopy Oaks Park. Al

Respectfully,

Rosemary E. Woods
