Christine: good morning! Please find a replacement effective 10/1/06 - I have no interest in another two-year term. My kids are no longer are involved with activities at Canopy Oaks Community Park, so now would be a logical time to move on and contribute volunteer hours elsewhere in the community.

Since I served as treasurer of the Council during my tenure, I do plan on providing you and the commissioners with a complete statement of income & expenses. This should be complete within the next few weeks.

Please let me know if you have any questions. Thanks!!
