Dear P.A.:

I am in receipt of your letter of January 25<sup>th</sup> regarding the County's adopted priorities and the discussion at Mayor/Chair to assign staff to initiate project data related to functional consolidation.

I spoke to Mayor Marks and he indicated that he would be presenting the issue to Members of the City Commission at some point in the near future. I will follow up with you at that time to let you know the City's position.

Sincerely,
