RE: Bid No. BC-02-22-07-26
Improvements in the Harbinwood Primary Conveyance System

Dear Mr. Wu:

As per the recommendations and discussions held in the meeting held Wednesday March 28, 2007 with the Good Faith Committee Jimmie Crowder Excavating & Land Clearing, Inc. would like the opportunity to respectfully request the opportunity to include a minority participation of 4% in our bid submitted on the above referenced project.

This value is based on the subcontract quote submitted by Greenways of America. Although a lower alternate non-MBE quote was also received, in the effort to meet MBE requirements a subcontract could be issued for the value of \$121,563.00 if awarded the project.

We appreciate the opportunity and input from all members of the committee and board.

Respectfully submitted,
Jimmie Crowder Excavating & Land Clearing, Inc.

Kerry Bateman
Contract Administrator

Attested By:
Jason Crowder, Vice President

CC: Gary Johnson, MWSBE Director
Kelth Roberts, Director Purchasing Division
