Hey Christine

Bonnie Deering Anessa Dungey and myself have met (informally) on an ongoing basis since last season We are in the process of scheduling a formal meeting to include our new members Jason and Chip at the beginning of next week

We have already met on two different occasions with Pat Plocek and Dean Richards to discuss the direction of the soccer program in Leon County Lake Jackson/Canopy Oaks has the largest soccer program in the county and we have been working on a new plan to increase attendance at other parks so they will be as successful as ours

We did not hear from Jason or John for the entire season last year and after many attempts to include them we gave up Pat Plocek is aware of this How about I send you our meeting notes and fill you in next week?

Thank you for your patience with me!!!

Connie

I understand the Council has not met with Pat Plocek Parks & Rec Director yet As you know the Board is reviewing all Recreation Councils and Community Centers regarding attendance necessity etc

Please let me know if Jason Beyer John Marder Chip Sellers Jason Ouzts Bonnie Deering Anessa Dungey and of course yourself have been attending In addition please let me know if those who have been attending are interested in reappointment

Thanks
