Subject: HAB membership

Christine,

On December 7, 2007 I sent an e-mail requesting that any HAB member that wished to step down to reply to my e-mail so that I could forward the information to the appropriate person(s).

None of the HAB members replied with a request to step down, or not be considered for reappointment.

So with the exception of Stephen Bowen (Commissioner Dailey's appointment) who stepped down mid-07, the other six want to be reappointed to the best of my knowledge.

Best,
