Dear Mr. Justice:

The Department of Military Affairs, Armory Board, State of Florida voted on March 29, 2008 to provide an extension of the easement bordering the Henry W. McMillan National Guard Armory as a condition of approval by the City of Tallahassee to renovate the existing armory. This easement expansion will be a minimum of 12 feet wide, running the length of the site frontage along both the Weems (west side) and Easterwood (north side). The Florida National Guard shall provide legal descriptions and exhibits to the City Real Estate Division. This permanent easement will be for "slope work and right-of-way". In return, the City will make all required right-of-way improvements in these areas and forgo any permitting requirements and improvements on the part of the Florida National Guard.

The agency contact person for this action is SGM (Ret) K. C. Hersey at (904) 823-0282.

Sincerely,
