Mr. Jim Pilcher
Leon County Department of Public Works
2280 Miccosukee Road
Tallahassee, Fl. 32308

Dear Mr. Pilcher,

Pursuant to our telephone conversation today, I am asking that the county look at parcel ID 2136800457745 for possible disposition under Section 125.35 (2) Florida Statutes. I own the adjoining parcel ID 2136800457725. The property appears of insufficient size and shape to be used for any type of building or development and there are no apparent easements.

I am offering the county \$100 for the property and am prepared to go higher if adjoining owners wish to purchase the property through the sealed bid process. as provided in the statute. Please advise me as this request is processed. My daytime number is 488-3494. Thank you for your consideration of this request.

Sincerely,

Jerry Curington
