Beth and Christine,
I think that it would be best if she did not hold dual offices. Also, I would note that per her resume it appears that she may have frequent conflicts of interest, which would be up to her and the Planning Commission attorney to identify and act accordingly.

Laura,

We have received an application from Ms. Nancy Miller to be a possible County Planning Commission appointee. She is currently serving on the Water Resources Citizen's Advisory Committee. I needed to check with you to see if there would be any conflict with her continuing to serve on the Water Resources Committee if she is appointed to the Planning Commission. Please let me know as soon as possible. This appointment is scheduled for the June 10, 2008 BCC meeting.

Thank you.
