TDC Members,  
I received the following email from Carrie Blanchard requesting that Commissioner Katz be nominated to the Board of County Commissioners for appointment to the vacant city official position on the TDC. I will request Commissioner DePuy to make this nomination at the next Board meeting that includes Board appointments. Please call me if you have any questions.  
Thanks,  
Guy

Hello, Guy.

Per our conversation, Commissioner Katz has agreed to serve as the other elected city official on the TDC board. Please be sure that Cathy Branch (copied here) receives a schedule of the upcoming meetings and that she is added to the agenda distribution and email lists.

Thank you!  
Carrie
