

Got Food?

Tallahassee's Rising Problem

Has your grocery bill gone up faster than your income? Do you have to choose between buying groceries and paying your bills? Are you tired of the rising cost of food? The students of Florida A&M University Masters of Social Work (MSW) Program present a TOWNHALL MEETING to discuss the rising cost of food and what you can do about it. At the meeting, we will discuss:

- How and why the cost of food is increasing?
- Why there is a shortage of food supplies at food banks?
- How families can afford the price of food?
- How to stretch your grocery budget?
- Where to find additional help?
