Hope your break went well. I do apologize for this, but I recently moved out of state and will obviously not be able to a part of the commission. I no longer work for the Coalition for that reason (but I'm checking my email to retrieve something at the moment.). Please feel free to contact me at daniellepwright@yahoo.com. Again I apologize for the delay in communicating this with you. Moving has definitely gotten the better of me!

Subject: Agenda Item Materials for Jan 8 HFA Mtg

Hi

Please read and be familiar with these items I have attached for next week's HFA meeting on January 8.

Thanks a lot,
