Pat,

Thank you for discussing this with me. As stated on the phone, Embarq's goal with this amendment is to correct our legal name on the agreement, as 1) two separate names were used on the amendment and 2) neither name is currently correct.

Here is a draft our legal department has proposed to update this with the correct entity name:

I understand that this correction may be delayed until January, depending on the analysis of your attorneys, and we will be patient if that is the case. Please let me know if there is anything else I may be able to do to assist in this process.

Thank you,

**John J. Hurt**
