Dear Iranetta,

I regret to inform you that I will no longer be able to participate on the Advisory Committee. My work load for the upcoming year will be quite heavy and I do not feel that I can be an effective member. I do want thank you for the privilege of being on the committee over the last few years. I sure learned a lot and have developed a big appreciation for the things this committee does. If there is anything that you come across that the committee feels that I can help with, please feel free to let me know.

Thank you for everything.

Yours Truly,

Scott Knox
