RE: Amendment No.2 to Joint Project Agreement between Leon County and the ORSWCD for Funding, Design, Permitting, and Construction of Improvements to Munson Slough in Leon County

Dear Felton:

We have obtained the Leon County, Corps of Engineers, and FDEP permits; the is contractor is ready to mobilize.

However, due to several recent low-frequency storms, we may not be able to complete the project within the current agreement's time frame. We would like to extend the joint project agreement to November 9, 2009.

Your assistance is deeply appreciated.

Sincerely,

Scott Matteo, P.E., Chairman
