Dear Alan:

Please be advised that this office has realized savings in our FY 08-09 budget, and wish to realign these funds, and put them into a Capital Project. This is a one-time expenditure for technology services in order to implement the administration of recent legislation. The amount to be realigned is \$230,000. Please provide the means to implement this, and feel free to contact me if you have any questions.

Kathy W. Doolin, CFE
