Chairman Bryan Desloge
301 South Monroe Street
Tallahassee, FL 32301

Dear Sheriff Campbell and Chairman Desloge:

I would like to take this opportunity to congratulate your agency on being selected to participate in the 2009 Technology grant program (Tech 2009) funded and administered by the Office of Community Oriented Policing Services (COPS). In accordance with the Omnibus Appropriations Act, 2009 (P.L. 111-8), your agency will be awarded \$400,000 in funding, pending the successful submission and review of your Tech 2009 grant application.

The Tech 2009 grant program application is available on-line at www.Grants.gov. To view the application and apply on-line, please go to https://apply07.grants.gov/apply/forms_apps_idx.html. The Funding Opportunity Number for this program is COPS-OTHERTECH-2009-3. If you are unable to use Grants.gov, please contact the COPS Office Response Center at 1.800.421.6770. In order to receive funding, completed applications must be submitted via Grants.gov **no later than July 20, 2009**.

Please be aware that the registration process to apply for funds through Grants.gov is a multi-step process, and can take two to three weeks to complete. Agencies are strongly encouraged to begin the registration process immediately to avoid any problems or delays when submitting applications. **Please allow yourself enough time to complete the registration process under Grants.gov to ensure that you don't miss the application deadline.**

Prior to the formal submission of your application, the COPS Office highly recommends that you contact your COPS Grant Program Specialist at 1.800.421.6770. Please be advised that the failure to submit all required documentation (as specified on page 25 of the Technology Application Guide) by July 20, 2009 may delay the processing of your application, and/or may result in the suspension or deobligation of Tech 2009 funding awarded to your agency.

Upon successful submission, review, and approval of your completed grant proposal, you will receive a grant award document, a list of grant terms and conditions that will apply to your grant, and other information necessary for the proper management of your award. We look forward to assisting you throughout the COPS Tech 2009 grant process.

Sincerely,

Timothy J. Quinn
Acting Director
