Deputy Chief - Administration
Leon County EMS

Ref: clinical opportunities

Chad,

Thank you very much for your recent e-mail. North Florida Community College would indeed like to continue the ride agreement with Leon County Emergency Medical Services for another year. We have several of your employees enrolled in our Paramedic program, and each one has expressed satisfaction on their clinical time spent at Leon EMS so far.

This document shall serve as a formal written request to extend the ride privileges for NFCC EMS students, to gain clinical time and experience on Leon County Emergency Medical Services units for another year.

If I may be of any assistance, please do not hesitate to contact me.
