

Project Developer's Attestation of Title

The undersigned, on behalf of Leon County, (the "Project Developer"), represents and warrants to the Climate Action Reserve (the "Reserve"), as of the date set forth below, and throughout the period during which the Climate Reserve Tonnes ("CRTs") related to Leon County Solid Waste Management Facility (the "Project") are posted on the Climate Action Reserve program of the Reserve (the "Program") that:

1. it is the owner of full, unencumbered legal and beneficial title to CRTs registered in its name;
2. it has the right to sell and shall convey good title to the CRTs and will transfer the CRTs to a buyer via the Program only;
3. it agrees that all emission reductions related to the Project that are submitted for registration on the Program will be independently verified by a Reserve accredited third party verification body ("Verifier"), and will meet all the Reserve's requirements and protocols;
4. it has not made or provided knowingly false, fraudulent or misleading statements or information to the Verifier or the Reserve;
5. the Project has not been implemented and maintained as the result of any law, statute, regulation, court order, or other preexisting legally binding mandate;
6. for all vintage years that the Project is registered with the Program by the Project Developer, any CRTs issued by the Reserve for the Project, or the greenhouse gas emission reductions or removals associated with the CRTs issued for the Project, have not been, nor will be, registered with or claimed by other registries or under a different project title or location or previously sold to any third party prior to registration with the Program; and
7. for all vintage years that the Project is registered with the Program by the Project Developer, it has not, and will not in the future, retire, sell, claim, represent elsewhere, or use to satisfy obligations outside of the Program any of the CRTs issued by the Reserve for the Project or the greenhouse gas emission reductions or removals associated with the CRTs issued for the Project that would create the relevant CRTs unless retired through the Program for that purpose.

The following attestations apply to projects that: (a) have previously been registered with other registries, registry entities or similar systems; or (b) have generated emission reductions that were previously sold to a third party:

8. it will complete and sign the Project Transfer Form.
9. it agrees that the Project and all emission reductions must be verified by a Verifier per the relevant Reserve project protocol in order to be registered on the Program.

I declare that all statements contained herein are true and correct, to the best of my knowledge, and are made with full knowledge that the Reserve and all users of the Reserve rely upon the truth of the statements contained in this attestation. I am authorized to make this declaration on behalf of Project Developer. I understand and acknowledge that if any of the above representations made by or on behalf of the Project Developer in or pursuant to this Attestation of Title is false in any material respect when made or deemed repeated upon the making of each request for the CRTs to be issued for the Project or posted on the Reserve, project Developer may be subject to penalties and potential indemnification damages under the Terms of Use, and that the Reserve would have the right to close Project Developer's account on the Reserve.
