ADMINISTRATIVE EXPERIENCE

President and Chief Executive Officer

Apalachee Center, Tallahassee, Florida, 6/08- present.

Currently administer and oversee all functions of Apalachee Center Inc., a community mental health center in Tallahassee Florida budgeted at approximately 23 million dollars annually, reporting to a volunteer Board of Directors. Areas of responsibility include legislative liaison, administrative direction of all senior management staff, including Chief Financial Officer, Chief Operations Officers, Chief Human Resource Officer, Chief Information Officer, and Chief Administrative Officer, all outpatient, inpatient, and residential operations, supervising directors of each area, and providing administrative and clinical leadership to the agency. Helped develop the Bond Apalachee Wellness Integration Center, a service co-locating primary care and mental health services at Bond Community Health Center and Apalachee Center. Co-author of grant proposal leading to the 2008 community reinvestment grant award to Leon County funding development of the mental health court, for which Apalachee Center is fiscal agent. Currently member of Leon County Substance Abuse and Mental Health Advisory Board, Partners in Crisis, Florida Alcohol and Drug Abuse Association, Florida Hospital Association, and President of the Florida Council of Behavioral Healthcare.

Chief Clinical and Managed Care Officer/ Executive Vice President,

Apalachee Center, Tallahassee, Florida, 10/05-6/08.

Maintained close working relationship with Apalachee Center contract payors, including the Department of Children and Families, Agency for Healthcare Administration, and various Health Maintenance Organizations. Served as principal negotiator in development of all current Medicaid contracts. Served as principal proposal author and principal negotiator with Department of Children and Families in 2007 bid for forensic community beds. Successfully negotiated new school services contracts with Franklin, Jefferson, and Madison Counties, and new on-site services contract within Leon County Health Department. Created and supervised new utilization review and centralized patient registration units. Served in lead role in the reformulation of all inpatient and outpatient services during the course of 2007. Developed and provided oversight for professional training programs within agency, including development of a

psychology training program with Florida State University leading to Apalachee Center becoming an identified Major Teaching Institution for Florida State.

Consultant

Child and Family Services, Newport, RI, 8/03- 10/05.

While employed at Bradley Hospital (see below), also consulted with senior managers at this multi-site social service agency in the initial development and administration of CFS Learning Institute. The Learning Institute provided management and executive training for a variety of newly-hired and promoted managers within the Child and Family Services Corporation. After development of Institute, served as consultant on a weekly basis, and provided weekly supervision for senior staff. Provided didactic workshops and coordinated provision of same for Learning Institute.

Senior Psychologist/Psychology Training Coordinator

Bradley Hospital, Children's Inpatient Unit, E. Providence, RI, 12/00 –4/05.

Co-leader of senior management team that directed and administered unit functioning on the Children's Inpatient Unit at Bradley Hospital (nation's oldest children's psychiatric hospital, and a major teaching hospital for Brown University). Provided clinical supervision to all staff, including post-doctoral fellows in psychology, predoctoral practicum students, psychiatric fellows and residents, nurses, and milieu therapists. With Chief of Operations, created and supervised comprehensive hospital-wide staff development program. Created and administered comprehensive in-service training series that was used hospital-wide. Co-led multidisciplinary treatment team, directed CIU group psychotherapy program. As Psychology Training Coordinator, created and directed Bradley Hospital Psychology Practicum Program, training six - ten students annually from Massachusetts School of Professional Psychology, the University of Rhode Island, the University of Massachusetts, Rhode Island College, and the University of Hartford, and maintained liaisons with these schools. Developed contracts and relationships with each institution, and was able to provide up to 5 FTEs of revenue-producing, advanced psychology time for hospital without dollar cost to hospital. Trained and supervised postdoctoral fellows, psychiatric residents and fellows in individual and group psychotherapy, and psychological testing. Coordinated and led monthly Program Planning series, a didactic/discussion group for all clinical staff within Child and Adolescent Program. Co-led Bradley Hospital Leadership Development Institute, a training program for leadership and staff development.

Unit Director/Chief Psychologist/Training Director

Delaware Psychiatric Center, New Castle, Delaware, 7/97 –11/00.

Served as Unit Director and Chief Psychologist on two chronic adult inpatient psychiatric units, (ninety beds), in this 350-bed state psychiatric hospital. Supervised psychiatric technicians, nurses, and psychology assistants, and worked with Medical Director. Served as Acting Director of Psychology Department in absence of department head. Involved in unit budgeting and staffing processes, and led staff development training. Led multi-disciplinary treatment team. Coordinated, wrote, and reviewed, initial and master treatment plans. Served as clinical coordinator for statewide Sex Offender treatment training program. Served as Training Director for the Psychology Department, and developed comprehensive intern training curriculum. As Psychology Department Training Director, created and directed practicum and intern training program for undergraduate,

pre-doctoral and doctoral students from Widener University, Hahnemann University, Immaculata College, and the University of Delaware. Created and maintained training schedule, coordinated and lead seminars, and supervised students. Liaised with various university faculties.

CLINICAL EXPERIENCE

Psychologist

Bradley Hospital, Outpatient Services, E. Providence, RI, 4/05–9/05.

Carried individual caseload of 30 clients, ranging in age from 6-60, in outpatient clinic setting.

Psychologist

Served as consulting psychologist for non-profit charity-funded group home serving pregnant adolescents. Ran a 6 - 8 person group once weekly, psychological testing on referral. Also attended staff meetings and did short-term psychotherapy and clinical evaluations, and met with staff once a month to provide psychological consultation.

Psychologist

Capital District Psychiatric Center, Albany, New York, 12208, 6/94 - 7/96.

Served as a psychologist for a long-term, chronic inpatient unit, with a population primarily composed of schizophrenic and bipolar-disordered patients. Carried ten individual psychotherapy cases, administered and interpreted psychological testing, lead three inpatient groups. Functioned as consultant to treatment team. Supervised doctoral level students in psychology in their inpatient training. Participated in discipline peer review meetings, discharge and treatment planning. Member of Medical Staff Organization. Trained in Sex Offender Treatment as a member of the CDPC Sex Offender Treatment Team. Co-led Sex Offender Treatment Group on Forensic Unit.

Staff Psychologist

Consultation Center of the Roman Catholic Diocese of Albany, 3/94 -6/96.

Served as staff psychologist doing short, medium and long-term psychotherapy with a variety of clients, including but not limited to Roman Catholic clergy and religious. Participated in biweekly supervisory staff meetings.

Staff Psychologist

University Counseling Center, Albany University, Albany, New York, 8/93 - 6/94.

Worked as staff psychologist at University Counseling Center. Served as Diversity Coordinator for the University Counseling Center, and provided a variety of workshops concerning issues of diversity, race and culture. Did ongoing liaison work with residence hall staff, provided consultations for University community, and supervised advanced doctoral students in clinical and counseling psychology. Performed assessments on a variety of SUNY students, and carried caseload of ten to twelve psychotherapy cases.

Staff Psychologist

New York City Police Department, Psychological Services Unit, Queens, New York, 7/7/92 - 6/93.

Worked as staff psychologist for New York City Police Department. Performed diagnostic screening assessments for a variety of Police Department positions, as well as administering group testing. Also performed regular, on-call crisis intervention, fitness-for-duty evaluations and trauma debriefings for the Department.

Clinical Psychology Intern

Nassau County Medical Center, East Meadow, New York, July, 1991 -July, 1992.

Worked as an individual psychotherapist carrying a caseload of ten outpatients, one inpatient, one family and one couple. Duties also included leading three inpatient groups weekly and working with one - three inpatients in individual psychotherapy, as well as weekly intakes and participation in inpatient and outpatient treatment teams. Specialized training rotation in child and family psychotherapy. Worked with caseload including children, substance abusing patients and HIV positive patients, as well as others.

Psychotherapist

Adelphi University Center for Psychological Services, Garden City, New York, 1989 - 1991.

Worked as an individual therapist doing short and long term psychodynamic psychotherapy with a caseload of three patients, on a weekly basis. Also led ACOA therapy group for one year, and did individual and family intakes for the clinic.

Psychotherapist

New Hope Guild Center, Brooklyn, New York, 1988 - 1991.

Worked as an individual therapist doing short-term family and play therapy with a caseload of five to eight patients, including a homebound geriatric population and substance abusing patients, on a weekly basis. Also did individual and family intakes for treatment at this nonprofit community clinic on a 15 - 35 hour a week schedule.

Team Therapist

Human Resource Institute, Brookline, Massachusetts, 1986 - 1988.

Worked on inpatient psychiatric unit as part of a clinical team responsible for the care of eight - ten inpatients, primarily adolescent. Performed milieu responsibilities including unit moderation, crisis intervention, and admission assessments. Worked coordinating admissions. Received group therapy training, and led group therapy and community meetings.

TEACHING EXPERIENCE
