Re: Thomasville Road Courthouse Annex Security Budget Amendment Request

Dear Chairman Rackleff,

The Sheriff has submitted a budget amendment request to fund two additional bailiffs and minor equipment costs necessary to open the Thomasville Road Courthouse Annex in July 2010. The Court fully supports this request. The completion schedule requires reasonable and necessary security costs to be requested at this time. As you are aware, our citizens have an expectation of safety and security and should be provided the same when they are summoned to court. The safety and welfare of our citizens is of primary concern of the Court and the Leon County Board of County Commissioners.

We sincerely appreciate the astoundingly rapid progress Leon County has made on this facility. We would appreciate your favorable consideration of the Sheriff's request. Please contact me if you have any questions.

Sincerely,
